

Here's Way To Dispose Of 'Junk'

At the time of year when thoughts turn strongly to cleaning up the basement, the garage or the attic and "getting rid of that junk," Goodwill Industries makes a special appeal to householders to help keep the area around the Goodwill Collection Centers on the supermarket lots neat and uncluttered.

When discards are in quantity, the burden on the Collection Center increases, and it is difficult to keep the Center cleaned out even with more frequent pickup days.

The donor of a bag of clothing or an article of furniture can hurt Goodwill more than he helps if he leaves his donation on the lot outside the Collection Center to become weather damaged and strewn around by wind and the curious. Should a householder find a Collection Center choked with materials and spewing the excess over the lot, Goodwill would appreciate a telephone call at 873-3600, locating the lot.

This space was donated to Goodwill by the supermarket owners as a public service and its purpose is to be mutually convenient to both the shopper and Goodwill by making it easy to drop in a bag of discards, and more economical to Goodwill to pick it up. When the area around a Collection Center becomes littered and an eyesore or health hazard, this purpose is defeated. If the condition persists, Goodwill may be required to remove the Collection Center, and everyone loses.

At no time in its 45 years of existence in Detroit has Goodwill Industries been in greater need of good, useable materials that are no longer needed or wanted by the householder. The special emphasis is on the need for repairable clothing, wooden furniture, repairable electrical appliances, wringer type washing machines, stoves and refrigerators that are in working order, lawn furniture, garden tools and glassware.

Goodwill will schedule a truck pickup of these bulkier items through the pickup office, 873-3600. If tax deduction is desired, the donor should so specify, and give the driver an itemized list. After the donated items have been inspected, a letter will be sent to the donor stating the condition in which it was received. The Internal Revenue Department will accept this form as evidence supporting the deduction on Federal Income tax.

Fireworks Need Permits

With the public fireworks display season beginning in Michigan, organizations and communities interested in these exhibitions are reminded by the State Police that certain applications and permits for them must be cleared first.

Forms for applications and permits concerning public display and storage of fireworks may be obtained at any State Police post. This is according to a 1968 amendment of the fireworks law.

Councils or commissions of cities and villages and township boards are the only units of government which may legally accept applications for fireworks displays and issue permits.

Bike Deaths Claim 42

Children under 15 years of age accounted for 34, or 81 per cent of the 42 bicycling deaths reported in 1968 in Michigan, State Police figures show.

Collisions between bicycles and motor vehicles totaled 2,588. There were 2,330 persons injured.

By comparison, there were 47 deaths and 2,308 persons injured in 2,598 bicycling accidents in 1967.

State Police analysis shows the below 15 age group year after year accounts for 75 to 85 per cent of the deaths.

MEMORIAL PARADE - Novi paid tribute to its war dead Friday with a parade and services at its two cemeteries. In the top picture Duane Bell places a wreath in memory of those who gave their lives. Winners of cash prizes in the parade were: Novi High School Band, Brownie Troop 351, Jack Dawson and horse, Novi Cheerleaders, and Kim Hellwege; winners of the candy were the scouting organizations, Joe Laub, Gail Cookson and horse, Richard and Gail Davidson, Miss Hazel dancers, and Mark Shannon. Those who have not yet received their prizes are asked to see Sergeant Richard Faulkner at the police station.

Township Selects Officers Monday

Pared down to but a fraction of its original size, Novi Township will attempt to reorganize itself Monday in an unusual public meeting at the Novi Community Building.

The 8 p.m. meeting is the result of special action taken by the Oakland County Board of Supervisors last month.

When Novi was incorporated as a city recently, eight small areas of the community were not included in the new city and hence remain in the township. All other areas of the community are no longer part of the township, and are now represented only by the new city government.

The resolution adopted by the board of supervisors provides that those persons living in the remaining township areas are to select new township officers.

Selection of new officers, according to Supervisor Lew Coy, who represents Novi and the Oakland County portion of Northville, is necessary because all but one of the previous township officers do not live in any of the remaining eight areas.

(It has been estimated that only about two-percent of Novi property remains in the township. To complicate matters, these small areas are "pretty much" disconnected. One such area is part of Brookland Farms subdivision located west of Novi Road, north of Nine Mile Road.)

Before the new city of Novi and the remaining township areas can divide the assets of the township, Coy said, new officers must be elected, because with the city incorporation, members of the old township board (except one) lost the right to govern the eight remaining township areas.

The board of supervisors selected three citizens - Leo Kalota of 44102 Cottisford Court, Robert Mohr of 44138 Wyngate, and Leonard Chomic of 44554 Chedworth Drive - to preside at the public meeting.

Final Meet Tonight For Orchard Hills

Novi Orchard Hills Subdivision Association is holding its final meeting until fall at 8 p.m. today in Orchard Hills Elementary School to discuss new projects and area problems.

Honors Convocation Tonight

First Senior Class to Graduate

Novi High School will hold its Senior Honors Convocation today (Thursday) beginning at 8 p.m. in the high school.

The activity begins a six-day countdown towards graduation for 84 students, culminating June 10.

This year's convocation will be an entirely senior activity, though it is open to all Novi residents.

Members of the 1969 senior class, first in the history of the new high school, have been selected by the school's administration and staff to receive the awards.

Outstanding students in all academic areas will be honored.

Awards will also be presented for citizenship, leadership, honor roll and attendance.

Names of scholarship winners will be announced at the convocation.

Graduation rehearsal has been set for 10 a.m. Friday. All members of the class are required to attend the rehearsal.

Baccalaureate ceremonies have been scheduled for June 8 beginning at 8 p.m. in the high school gym.

The convocation will be given by the Reverend Arthur Norris of the Novi United Methodist Church. The address will be presented by the Reverend John Fricke of Holy Cross Episcopal Church.

Activities will culminate with the graduation exercises June 10 at 8 p.m. The class will hear speeches by Marjorie Marque, valedictorian, and Patricia Erwin, salutatorian.

Frederic W. Bennetts, assistant director of public relations for the General Motors Corporation, will be the featured speaker. His topic will be "So - You Think It's Over?"

Principal Gerald Hartman will make the presentation of the class and Bruce Simmons, president of the Novi Board of Education, will give the diplomas to the class.

The Reverend Charles Fox, St. John's American Lutheran Church, will give the invocation, with the Reverend Arnold Cook, First Baptist Church of Novi, presiding at the benediction.

Music for the program will be provided by the high school band under the direction of Keith Rolston.

A class party will follow the graduation exercises.

7 Seek 4 School Board Seats Here

Novi voters will go to the polls Monday to elect four members to the Novi School Board.

The polls, located in the Novi Community Building, will be open from 7 a.m. until 8 p.m. Voting machines will be used.

Seven candidates will vie for the four positions up for election.

Pictures and biographical sketches of the candidates facing opposition in the election, together with their statements, appear on Page 8-A.

Council Approves First City Budget

Novi's first city budget, calling for the maximum millage levy under the new charter, was approved by the city council Monday night without a dissenting vote and with hardly a murmur from the public hearing audience.

The \$480,770,000 1969-70 fiscal document will require a levy of 6.5 mills - maximum under the charter approved by citizens of the newly incorporated city a few months ago.

Councilmen, voting 6-0 (one was absent), approved this general operating budget plus the self-sustaining budgets for the highway, water and sewer departments of \$121,590, \$85,500 and \$8,885, respectively.

Only minor changes, none affecting the total outlay, were made at the Monday public hearing. Among these were changing the title "manager" to "manager-assessor" and removing the \$15,000 assessing department allocation from the salary schedule and placing it in the operational category.

Questions from the audience involved only matters of clarification; none were critical and, as a matter of fact, citizen Raymond Evans praised the council for its work in preparing the first city budget.

During the budget discussion the following comments were made:

- The \$83,300 allocation for police officers in the budget (not including police chief and sergeant salaries) includes funds for three additional policemen and a "fair" salary increase. The specific salary schedule of officers, under negotiation during the past several months, was not disclosed. If final settlement exceeds budgeted monies one, two or all of the additional officers could be scrapped, it was noted.

"I wish we had more money," said Councilman William Dury, who noted that there is insufficient money in the budget for an adequate road improvement program.

- Councilman Edwin Pressnell suggested in tongue-in-cheek manner that, with more money allocated for building inspection, problems like the "duck pond" on 10 Mile Road, may be prevented. He was referring to storm waters, resulting from housing development, that have flooded the road near Orchard Hills.

- Mayor Joseph Crupi noted that the city faces a quarters shortage at the city hall and that, possibly, an addition over the fire hall station might be a temporary solution.

- Councilman Donald Young, commenting on why the budget does not reflect any assets that might be gained through the division of assets with the township, said it would be "poor business" to predicate budget expenditures on an unknown income. City officials said they have no idea how much money the township might have in its treasury.

- Mayor Crupi emphasized that the budget includes monies for services that previously have been provided by the township.

Last year's operational budget under the village was put at \$351,974.22, and the actual expenditure through the first eight months of the 1968-69 fiscal year ending at the conclusion of this month, was \$234,924.73.

The 1967-68 actual village expenditure was \$241,420.07.

Biggest single outlay in the new city budget is for the police department - \$160,917, up from \$118,154.54. The budgeted percentage for police may be one of the highest in the state, it was noted.

In addition to the money allocated for officers already mentioned, the police department allocation also provides a raise for the police chief from \$9,116 to \$10,800 and for the police sergeant from \$8,586 to \$9,800. It also provides for four dispatchers, record clerk, and overtime.

Presently, including the chief, the police department has nine officers.

Among other budgeted general expenditures are:

- Fire department, \$39,145; village hall, \$14,400; bonds and interest, \$10,000; the Novi-Grand River sanitary sewer project, \$5,000; the Walled Lake sewer, \$5,000; sewer retention plant plans, \$5,000; DPW equipment replacement, \$10,000; highway (subsidy) \$15,000; and building fund, \$10,000.

Court Stops Money Flow

City officials are a little hesitant to say it out loud, but it was noted Monday night that township opposition to city incorporation appears to have come to an end.

In a report to the council, it was reported that Circuit Court William J. Beer has ordered the township to make an accounting of its assets and has demanded a "freeze" on the use of all existing township funds.

A spokesman for the city attorney said Judge Beer ordered the accounting within 30 days. In ordering the township to stop dispersing assets of the township, he stopped all payments except salaries of library personnel, it was reported. Payment of any other bills will take court permission.

"As far as we know the case (court opposition to incorporation) is complete," said City Manager Harold Ackley, who reported he had been told no other township litigation is contemplated.

Birthday Gathering Marks 96 Years

Feted Saturday on the eve of his 96-year-old birthday, June 2, Elwin E. Newman, who lives here with his granddaughter and her husband, Mr. and Mrs. Richard Faulkner, was in a jovial mood as he recalled nearly a century of experiences.

Born and raised in Livingston County when Grand River was still a dirt or plank road and long before the automobile came along, Mr. Newman is still not as old as was his mother Sarah, when she died at 99.

His mother reportedly was the first white child born in Genoa Township. Her father, Mark Jacobs, was born in 1795 while George Washington was serving as the first United States president. Her grandfather, Eli Jacobs, was a soldier in the Revolutionary War.

Four of his five children are still living. His wife died in 1947. It's been a full, happy life but it's even happier now since he began sharing the home of his only great-grandchildren who have 90 years to go before they can say, "I'm 96, never been sick and never used a drop of medicine."

The Faulkners live at 25890 Clark Street. Mr. Faulkner is a detective with the Novi Police Department.

FOUR GENERATIONS - Elwin E. Newman, who was 96 on June 2, was feted during a family gathering here Saturday. Four generations are represented in this picture: great grandchildren, (l to r) Melissa, 7, Todd, 4, and Ricky Faulkner, 8; granddaughter, Mrs. Richard Faulkner; and son, Howard M. Newman

Northville Woman Weds in Plymouth

Announcement is made of the marriage of Mrs. Aurelie Glasson and Ashton Bentley on May 10 at St. Peter's Lutheran Church in Plymouth.

The Reverend L. J. Koeninger officiated at the evening ceremony, which was followed by a reception for 75 guests at the bride's home at 370 Fairbrook. Guests attended from Ionia and Detroit, Northern Michigan and Cincinnati.

The bride's brother and sister-in-law, Mr. and Mrs. John Glasson of Ionia, were attendants for the couple. She was given in marriage by her son, Larry Glasson. Music at the

ceremony was by Kathy Stelze. The bride chose a lavender chantilly lace dress for the ceremony on which she wore a white orchid. Her sister-in-law, Mrs. Glasson, wore pink lace. She also had an orchid corsage.

Guests included the bride's mother, Mrs. James Burton of Moran, Michigan, who wore navy with beige accessories. Mr. Bentley is the son of Mr. and Mrs. J. LaBerge of Calgary, Alberta, Canada.

The new Mrs. Bentley wore a navy suit with apricot accessories for a wedding trip to Northern Michigan. The newlyweds are making their home at 370 Fairbrook.

Announce Winners Of Bridge Marathon

Top place winners in the nine groups playing in Northville Mothers' Club marathon bridge tournament during the past nine months are announced this week.

Gift of \$1,000 to the Northville schools also is announced by Mrs. Glenn Deibert, tournament chairman. The amount, which represents proceeds from the tournament after prizes are awarded, is for "extras that cannot be squeezed out of the budget."

Two duplicate groups have been in play in the tournament. Taking first place in Group One are Mr. and Mrs. A. L. Wistert. In second and third places are Mr. and Mrs. Robert Horner and Dr. and Mrs. O. J. Robinson.

Duplicate Group Two top winners are Mr. and Mrs. Edwin Langtry. In second and third place are Mr. and Mrs. Robert Horner and Mr. and Mrs. Gregory Penrod.

Mrs. Robert Lang and Mrs. James McCormick won top spot in the women's night league, followed by Mrs. James Frognor and Mrs. David Goss, second, and Mrs. Robert Cole and Mrs. John Sanders, third.

One Mrs. F. F. Ishac and Mrs. Fay Walden are top winners, followed by Mrs. Orson Atkinson and Mrs. William Weidner, second, and Mrs. Theodore Kampf and Mrs. Ernest Wood, third.

Mr. William Heffner and Mrs. Edward Hodge are top in women's daytime Group Two, followed by Mrs. Gale Calhoun, Mrs. Calvin Chen, second, and Mrs. Dean Lenheiser, Mrs. Edmund Ward, third.

The following are winners in the couples' night groups: Group One, Dr. and Mrs. F. F. Ishac, first; Mr. and Mrs. Joseph Traut, second; Dr. and Mrs. Rahan Ansigolu, third; Group Two, Mr. and Mrs. Ralph Hubbard, first; Mr. and Mrs. Tony Selfridge, second; Mr. and Mrs. Edmond Ward, third; Group Three, Mr. and Mrs. Blake Couse, first; Mr. and Mrs. Joseph Janie, second; Mr. and Mrs. Brian Ellis, third; Group Four, Mr. and Mrs. Glenn Deibert, first; Mr. and Mrs. James Tellam, second; Mr. and Mrs. William Vradenburg, third.

Prize money is determined within the individual duplicate bridge groups. In the other seven groups first place winners receive \$50, second, \$20 and third, \$10.

"CHRISTMAS IN JUNE" - It may be seven months until Christmas, but members of the Northville Presbyterian craft group working on items for a Christmas booth at the annual home tour pointing out that the tour is less than four months distant. Creating holiday baskets are, from left, Mrs. Charles Clark, Mrs. Robert Shafer and Mrs. Joseph Straub. The group has been working throughout the spring to create "different" items for the tour sale September 25.

In Our Town

By JEAN DAY

"HOT WHEELS" were only part of an exciting holiday week end for Mr. and Mrs. Hiram Pacific and son John, 46959 Gasmere, who attended the Indianapolis 500 races.

They were guests of their former Northville Estates neighbors, the Reuben Jensens, who moved to Indianapolis last year when Mr. Jensen became general manager of Allison Division of General Motors.

The Pacifics and the Jensens were guests at a cocktail party given by Indiana Governor and Mrs. Edgar Whitcomb at the executive mansion. They went on to an Allison party at the Marott Hotel.

The next evening the Pacifics were among 50 guests at a dinner party hosted by the Jensens.

A MIAMI TUNA now is being stuffed and will be a 31-inch moment for Dr. and Mrs. Charles Fountain of the 1969 American Psychiatric Association convention last month.

Other Northville psychiatrists and their wives attending the annual meeting in Miami included Dr. and Mrs. Calvin Chen, Dr. and Mrs. Rahan Ansigolu and Dr. Charles Brosius.

In addition to deep-sea fishing off the Miami coast, the Fountains visited the Hugh McKay family, formerly of Northville.

Mrs. Fountain adds that, coincidentally, it was from the same deep-sea fishing boat in the same area waters where Dr. Fountain caught his tuna that their neighbor, Mrs. Jack Doheny, caught her giant sailfish earlier.

Northville Branch of the Woman's National Farm and Garden Association is unusual among local women's organizations in that it begins its new club year immediately after the close of the last, recessing only in August.

Therefore, first meeting of the 1969-70 year will be at 12:30 p.m. next Monday at the home of Mrs. Werner Hess, 20300 Spring Lane.

Mrs. John Begle, a past president and active branch member, is to present the program on "The Art of Dried Flowers."

Known for her dried flower arrangements and pressed flower pictures, Mary Begle grows all the flowers she uses herself and even supplies dried flowers to the florist trade.

Both she and her husband are avid gardeners and spend hours studying gardening books and encyclopedias.

Mrs. Jack Scantlin is social chairman for the meeting, assisted by Mrs. Frank Whitmyer, Mrs. Charles Brosius and Mrs. Wilbur Johnston.

Couple Celebrates Silver Anniversary

Mr. and Mrs. Lloyd Moore, 660 Horton, marked their silver wedding anniversary Sunday afternoon at an open house hosted by their four children and their families.

Seventy guests attended the reception where a highlight was a decorated three-tier wedding cake. Decorations included an arrangement of two dozen long-stem roses, a gift of Mr. Moore to his wife.

They were married June 4, 1944, in a wartime ceremony at San Diego Baptist Church while Mr. Moore was serving with the U. S. Navy. His home

News Around Northville

Northern Lites Family Living Study Group is planning a potluck picnic for noon Monday at the home of Mrs. Harold Seden, 402 Randolph. Rain date is June 16.

In addition to table service and a passing dish, members are to bring flower bulbs or plants for a sale among the membership to bolster the club treasury.

June membership meeting of the Northville-Plymouth Provisional League of Women Voters will be held at 8 p.m. next Wednesday in the Nautical Room, Waterman Campus Center, Schoolcraft College.

"Water Resources - A Discussion and Consensus on the Use of Pesticides" will be the topic.

Northville Business and Professional Women will hold a two-day rummage sale from 10 a.m. to 5 p.m. this Friday and Saturday at 201 Fairbrook.

All former Schoolcraft College students who have taken at least 12 semester hours of credit there are invited to attend the second annual reunion of the Schoolcraft College Alumni Association at 3 p.m. Sunday at the campus Waterman Center. Present and former faculty members are invited.

Anyone wishing additional information may contact Philip W. Demski of Livonia, 425-8934, alumnus and member of the board of trustees.

Announce Engagement

Mrs. Marguerite Steiner of Walled Lake and formerly of Northville announces the engagement of her daughter, Dianne, a Specialist Five Kenneth Myers, son of Mr. and Mrs. C. W. Myers of Plymouth, who also are former Northville residents.

The bride-elect will receive her MA degree from Michigan State University in June. Her fiancé attended Central Michigan University and presently is serving with the United States Army in Annville, Pennsylvania. Both attended Northville High School.

A July wedding is planned.

Talk on India Slated Tuesday

Northville Senior Citizens will hear David Filkin relate his experiences as a Peace Corps worker in Nepal, India, at their business meeting and program at 7:30 p.m. Tuesday in the Scout-recreation building.

The speaker is the son of Dr. and Mrs. Lawrence Filkin, 621 Fairbrook, and is a Northville High School graduate. He also will show slides taken in Nepal.

Refreshments will follow the program.

BIRTHS

Mr. and Mrs. Peter M. Wharton, 46079 Sunset, announce the birth of their first child, a daughter, Kelly Kristine, May 17 at St. Mary Hospital. She weighed eight pounds, three ounces.

Maternal grandparents are Mr. and Mrs. William F. O'Brien of Beck Road. Paternal grandparents are Mr. and Mrs. James E. Wharton of Coral Lane, Novi.

Cavern Campaign Nears Its Goal

Several final-week checks and help with campaign expenses have boosted the month-long May Cavern Campaign for Funds close to its goal of \$6,000. Mrs. Harold Wright, chairman, reported this week.

A total of \$4,215 from 155 donors had been recorded by Tuesday with the committee hoping to receive late checks from people who may not have sent them before the Memorial holiday. Reminder postcards were mailed the last week of the campaign.

Mrs. Wright noted that the committee was pleased it had received a number of generous donations but that a large number were \$5 and \$10 donations, indicating an interest on the part of many people.

Addison C. Kline

Air Academy Taps Northville Grad

Addison Christopher Kline, 18, son of Mr. and Mrs. Addison B. Kline, 4696 Fonner Court East, has received an appointment to the U.S. Air Force Academy in Colorado.

He is to report there June 23, two weeks after being graduated with

honors from Northville High School. Chris applied during his junior year for the appointment through Congressman Marvin L. Esch. He hopes to become a pilot in the four-year academy program.

Through Major George H. Manuel, Air Force liaison officer for the Western Wayne area, he has met other appointees from the Livonia area and has seen preliminary films about the service.

Peggy Tiilikka to Fly To Finland to Study

Less than a week after graduating with honors from Northville High School, Peggy Tiilikka, 18-year-old daughter of Mr. and Mrs. Henry Tiilikka, 20300 Westview, will be leaving to spend a year in Finland with the Youth For Understanding program.

Peggy is one of a few students from the Michigan area chosen to participate in the "13th year program" in Europe. As Finnish high schools have a 13th year, she will be enrolled as a senior there but will receive some college credit when she returns.

With other Youth For Understanding students in the Ann Arbor-based program she will fly to Copenhagen June 16. She will fly on to Helsinki. First, she is to spend two months at the resort of Hanko on the southern coast of the Gulf of Finland with Finnish industrialist Aarne Manner and his family. She will be restituted in the fall.

With other Youth For Understanding students she will visit Leningrad, July 21-24. They will have an Easter reunion in Berlin for 10 days next spring and before returning will vacation at a chateau in southern France.

Finland was Peggy's choice of three countries offered on the program. Her paternal grandfather was born in Finland; so it seemed a natural one.

For 10 weeks she has studied the language at Finnish cultural classes at Northland Center.

Mrs. Harry Wagenschutz

She's Named to Top Library Post Again

Mrs. Harry Wagenschutz, 341 Beal Street, has been elected chairman of the board of the Wayne County Federated Library System.

Mrs. Wagenschutz, an original member of the five-member board established in 1945, currently is serving a five-year term. This is the fourth time she has been elected chairman, having served as chairman in 1954, 1960 and 1965.

The board is responsible for the administration of the Wayne County Federated Library System, one of the largest library systems in the country, comprised of 52 libraries in Wayne and Oakland counties. It serves approximately a million and a quarter people.

Other members of the board are William A. Shunk, superintendent of the Wayne Intermediate School District, vice-chairman; Alex Ledebert, Dearborn; Mrs. Hillard L. Hampton, Inkster; and Wilbur B. Hughes of Detroit, who recently was elected to the board by the Wayne County Board of Supervisors.

43 Novi Area Pupils To Dance at Recital

Forty-three Novi-area pupils in Miss Hazel's dance classes will be presented in an annual dance recital at 7:30 p.m. this Saturday at Novi Community Hall. The program, "Four Seasons," is to feature solos and groups in ballet and jazz dance forms.

Miss Hazel - Mrs. R. J. Stambaugh II - is a former professional classical ballet dancer and teacher. She has studied for 21 years with top American and European instructors. After marriage in 1960 she retired from an active career and, since moving to Novi, has conducted Thursday evening ballet classes at the community center.

Among her former pupils who have entered professional ranks is Penelope DeLios, who is now with the Royal Ballet in Denmark.

Area pupils who will appear in Saturday's program are: Baby ballerinas Sherry Crowe, Lisa Rony, Sherry DeLios, Robin and Kim Maxwell, Kathy and Theresa Savo and Carol Neubig; Stylettes - Jeanine Spencer, Patty DeLios, Beth Gottra, Christine Temple, Renee Beers, Laurie Langkil, Sherr Appletton, Analene Cotter, Cindy Zachos, Jenny Ruland.

Charged With B&E's

Novi Police Arrest South Lyon Youths

Four South Lyon, youths, one involved in the kidnap-beating of a Novi policeman a year ago, was arrested in Novi early Tuesday morning by two Novi officers - one of them the kidnaped officer.

Jailed were William J. Jobe, 17, of 411 Whipple; Jack Caldwell, 17, of 412 Reese; David Hughes, 18, of 433

Donovan. Turned over to juvenile authorities was a 15-year-old.

Jobe, who was tried for his role in the beating and kidnaping of Officer Starnes in July with other South Lyon youths and placed on probation, is charged with violation of probation, accessory to a breaking and entering and conspiracy to commit a B&E.

Caldwell and Hughes are charged with B&E.

Starnes and Officer Grubb, on patrol shortly after midnight spotted a car parked near the intersection of Novi Road and 196. Upon investigating they found Jobe and the 15-year-old inside the car, apparently sleeping. Upon questioning, they had no keys for the car so were taken to police headquarters.

While at the station, Caldwell and Hughes appeared to say it was their car, that they had been in the adjacent field when their companions were arrested because they were sick after having drunk too much alcohol.

Search of Denny's Mobil Station at the intersection disclosed that someone had forced an entry by breaking a window and forced open a cash register in a rear room, taking some \$70 in bills and change. A jacket taken from the station and identified by the station owner, Denny Valone, and loose change was found in the field.

Upon searching the trunk of the car police found it loaded with a large

assortment of cigarettes, cigars, beer, packages of chips and eats, lighter fluid, cigarette lights, toilet articles and sunglasses. They were later identified by Oakland County Sheriff's detectives as stolen from a party store in Milford on May 29.

Caldwell and Hughes admitted the B&E at the Mobil station, the party store, and two B&E's in South Lyon. Caldwell told officers they could find the money taken from the service station under the right floor mat of his car. All of it was recovered, police said.

Caldwell and Hughes, who was free on probation for B&E of the New Hudson Lumber Company and out on bond awaiting trial on a more recent B&E, and Caldwell were lodged in the county jail shortly after their admissions. Jobe and the 15-year-old were held for questioning on charges of violation of probation and violation of the curfew law, respectively. Tuesday night the additional charges were brought against Jobe and he, too, was jailed.

Eighth Grade Tops Novi Honor Roll

STUDENT PRODUCERS - They're only students but five young men have produced a professional-like film. Four of them discuss their film during the PTA Carnival: (l to r) Joe Hines, Conrad Kawel, John Balkwell, and Mark Tellam. Missing is Bob Yudashkin.

Eighth graders led Novi students in academic standing during the fifth marking period with 44 members of the class being named to the honor roll. But the edge was razor thin as both the seventh and ninth grades came up with 43 honor roll students while the tenth grade showed 42 and the senior class 40.

Following is the list of honor roll students by grade -
Seventh Grade: Jeanne Adams, Marlene Bennett, Kenneth Beers, Gail Blackwell, Susan Brush, Dan Clark, Debra Cox, Eileen Cunningham,

5 Boys Produce Film Sensation

What started out to be a simple English class report of five Northville High School Juniors has blossomed into a professional-like film production that is attracting community-wide attention. "We didn't think it would be anything like this when we started," admits Joe Hines, a little embarrassed by the glowing comments of adults. "It just started growing as things went along."

"We" means Joe and four classmates, Bob Yudashkin, Mark Tellam, John Balkwell and Conrad Kawel. Their teacher, Mrs. Sylvia Torma, assigned the class an English report encompassing literature, art, social studies, music and history "about Christmastime", and the five boys immediately joined together to "do something a little different."

And different it is: 35 minutes of slides and motion pictures, all beautifully complemented by classical and contemporary music and recorded voices from the past. Titled "Project I: A Sensory Trip Through Five Decades," the "report" so excited Mrs. Torma that she recommended it for showing to social studies classes. Excitement was catching. So recently the five boys spent one entire day showing it to class after class in the high school auditorium.

Then on Friday they were asked to show it several more times during the PTA Carnival. Requests for its showing to groups within the community are beginning to come in, too. Project I was no easy project. The boys figure they spent more than 100 hours in its production, working in their spare hours in the Tellam home. "But it was fun," they add. They poured through dozens of books on history, architecture, and art in selecting several hundred pictures for reproduction on slides and motion picture film. Many hours went into just planning Project I, which meant selecting the right pictures and picking appropriate stereophonic music. Pictures had to be photographed, and many of them were taken through filters for special effect. Then once they had the ingredients, assembling them so that each picture and the taped music and voices harmonized required still many more hours. When they were finished, they had a story of the years from just prior to World War I through World War II. Except for their own taped voices at the outset and the voices and sounds from the past, such as Winston Churchill, the story is told entirely in pictures and music.

Through the first three-quarters of the film, viewers are treated to more than 50 slides, ending with a blood red blur that gradually comes into focus as the atomic bomb explosion, then blurs again to fill the entire screen. The screen darkens briefly, and then the 8mm film begins as the tempo of the music increases. The motion picture is actually more than 200 still shots that, photographed in quick succession, race through the years as does the music. And here and there in that staccato of pictures is one of the boy's bare feet or ar. pen mouth.

Concerning the latter, Joe explains: "Many people try reading symbolism into that foot... but it's really there just for comic relief. With all the material about war we need something to break it up."

With such a fine first start in film production, will there be a "Project II?" "Maybe..." say the boys, "but we're not sure Mrs. Tellam could stand us in her basement for many more nights."

State Rules On Tuition

The state has no authority to reimburse Northville school district for children living on tax-free state property at institutions within the community and attending local schools. This is the opinion of the state attorney general, relayed in a letter from the Department of Mental Health and read at the board of education meeting May 26. The board already has gone on record that it will not admit such students without tuition payment beginning in September, 1969.

SPEAKING for The Record

By BILL SLIGER

Representatives of the Northville school district, township, city and economic development committee have lined up at least one meeting with city of Detroit officials to discuss the status of the Maybury Sanitorium property on West Seven Mile road.

School Business Manager Earl Busard hand-delivered a letter to Mayor Jerome Cavanagh's office last week. At the mayor's direction, a meeting between Northville officials and the Detroit comptroller will be held within a week.

Meanwhile, Detroit Council President Ed Carey has indicated that a hearing before the common council would also be in order.

Primarily, the local group wants to learn firsthand what plans, if any, Detroit has for the 860-acre Maybury site. Is it going on the block to the highest bidder? Is there a chance that efforts would be made to rezone the land - now R-1 and R-2 - to a higher density classification?

Of prime interest to local officials, of course, is the impact of any development on such a large parcel of land on the community, particularly the school system.

For example, development of the land under the present low-density zoning (about 2 1/2 single-family homes per acre) would double the present student enrollment - or add some 2,700 to 3,000 youngsters to the school system.

A development of higher density - such as R-4 - could produce upwards of 4,000 school children.

Although local officials are merely seeking information at this point, several ideas have been advanced.

Among them: a community effort to acquire the land partially for park use and a combination of residential-commercial-industrial development; as a possible state park site; as a planned-unit development in cooperation with a major private developer providing open space, single family and multiple units, commercial and possible industrial sites.

Northville's "centennial" graduation class is the smallest since 1964. This is due in big part to the fact that Novi, which in previous years has sent high school students to Northville, will this year graduate its own first senior class.

While Northville's one-hundredth class numbers 183 grads, Novi's first class graduating June 10 has 84 seniors.

Novi outstrips Northville when it comes to interest in election to the board of education. While only one candidate seeks election to the Northville board Monday, seven seek four seats on the board in Novi.

Looking tanned and chipper on a visit to Northville this week is Harry Smith, ex-main street school principal. The Smiths now reside at Cape Coral on the Gulf Coast in Florida.

They'll return to Northville for the month of August.

By ROLLY PETERSON

"What the job is ain't important," said the black man philosophically. "What is the way you do it." As a matter of self-comment on the movie, "100 Rifles", truer words were never spoken.

Unfortunately, however, acting is not the lot of the man speaking. Muscular and handsome, he was better known as the best fullback in the history of professional football. To see him bulling his way through a massive line, or skirting end like a malevolent truck was something to behold.

No one can blame Jim Brown for desecrating NFL football. For it is a grueling sport that taxes the best of men. And his contribution during seven exciting years on the Cleveland Browns, most professionals would be hard-pressed to match.

But there is no mistaking that acting is not Jim Brown's bag. Out of his element, he delivers his lines like a near-sighted amateur reading a teleprompter. In the rendering, his words flatten out and conviction wavers like a lost child.

Brown can't be blamed alone for making "Rifles" one of the worst movies of the year. He's got plenty of help in Raquel Welch, whose visual talents can't be denied, Burt Reynolds, the

poorman's Zapata and Fernando Lamas, the debonair non-actor. Adapted from the book by Robert MacLeod, "Rifles" actually has the makings of an exciting adventure movie. The 100 rifles are intended for the yaki Indians, original inhabitants of the Mexican state of Sonora who are being wiped out by well-armed Mexican militia men.

With rifles, the Yacqui can hope to defend themselves and their land against the tyrannical raids of the militia. The suppressed minority might then claim what is rightfully theirs.

The Yacqui are also badly in need of leadership. There is no one person experienced in military tactics and able to rally the troops. Yacqui around a common purpose.

Jim Brown as Lydecker, the aspiring sheriff from Phoenix in hunt of a bank robber, is the ostensible leader of the Yacqui since he is a former cavalryman. How to gain his sympathies is the question, however.

Among other things, enter Raquel Welch as Sarita, the hardbitten, you guessed it, Yacqui maiden. With every militarian south of the Rio Grande eyeing Sarita as a bed mate, only time is needed to convince Lydecker that the Yacqui fight is truly a worthy cause.

Menace for Fans

Fans at Northville Community Recreation ball games find the stands at Ford Field neither attractive nor safe. Broken concrete, twisted and broken guard rails make it a menace in anyone's book. Although the city is given free use of the field by the Ford Motor Company, which owns the property, the city contends repair is the responsibility of Ford. City efforts are being made to either acquire the property from Ford or to have improvements made by the company. Meanwhile, the menace continues.

Readers Speak

To the Editor:
I am a new resident in this area, and I reside in Kings Mill. I have read, with keen interest, all I could about the proposed CBD-CBP Plans, and I must say that I heartily agree with the opposition to the Plan. One of the most attractive of Northville's assets is the obvious pride in its stately homes, well-kept lawns, serene, shady streets, and well-maintained, "interested-in-serving-its-patrons" shops along its business section. To destroy this vital factor in a village's "social health" would seem to me to be striking a telling blow. Within easy driving distance on several sides one may go to a shopping plaza, but I feel, even as a newcomer, a warm pride in our own village, and I would be loath, indeed some worried, to see its present charm threatened rather than strengthened. I wish to continue to patronize it and support it as it is.

EDITOR'S NOTE - The following letter was sent to the Reverend Frederick C. Brauer, pastor of the First United Methodist Church of Northville, with a copy of it to the editor.

As you probably know, I am the primary sponsor of the two captioned bills (3217 and 3218). These bills are designed to give the Northville Public Schools some relief from the burden of the large amounts of tax-free land in the district. I made a sincere effort to secure a favorable vote on the bills from committee on two occasions, the latest of which was May 26. The last time, the committee refused to report either bill.

I shall continue my efforts during the summer months and into the fall season to get favorable action on this problem.

My best personal regards to you.
Very truly yours,
MARVIN R. STEMPFEN
State Representative

To the Editor:

For the past school year I've been on academic leave from my counselor's position at Northville High School and have been attending the University of Michigan. At the University I have had the opportunity to associate, both in class and informally, with many young, bright, articulate students. Along with other adults I sometimes experience difficulty in fully understanding the feelings and concerns of these young adults.

Of the many adults with whom I am associated, Dennis Dilly stands head and shoulders above others in his ability to communicate and bridge the divisiveness and alienation among the generations. If Schoolcraft College is to progress and avoid the conflict and strife currently sweeping college campuses, we need trustees like Dennis who can communicate and "tune in" with the young. I believe that he can provide the leadership that will wed the vigor and idealism of youth with the temperance of maturity and result in educational policies and programs advantageous to all.

In my opinion his role as teacher of disturbed children at Hawthorn Center, his experience as Probation Director for the 35th District Court, and his voluntary leadership role working with narcotic addicts at Synanon in Detroit, coupled with his organizational and administrative ability, qualify him admirably well for

When they put the new (196) expressway in you remember I was flooded out. The Health Department said it had no jurisdiction over it. The Drain Commission said it had no jurisdiction south of 12 Mile Road. The State Highway had no jurisdiction over it. Then The Novi News and Governor Williams came to our aid. Now they have a marking on my fence for a drain to come through. When I tried to get help before I was told it was a civil matter. What happened to all the buck passing they gave? Now they want to rip up 178 feet of ground on our place.

To the Editor:

I like to take time out now and then from my busy practice in internal medicine to travel into the outlying suburbs of Detroit and some of the surrounding towns, and I should like to say that I am especially fond of Northville as its quaint atmosphere most reminds me of my native town in Northern Ontario. I should, however, like to question one little institution that you have and that is the practice of holding up traffic all four ways on Sheldon Road and Seven Mile Road (I believe) for a matter of minutes while some dandies dressed in pretty silk shirts casually trot their horses to and from a race track. Would it not be slightly more reasonable to make these horses wait a while until there are perhaps seven or eight and then stop traffic to let them all cross together?

Yours sincerely,
Edgerton Y. Davis, M.D.

Danny Gets Role Paratroopers Restage D-Day

A Novi man will play a key role tomorrow as World War II members of the 82nd Airborne Division C-47 club restage the airborne invasion of Normandy, France on the 25th anniversary of that historic occasion.

Danny Latchford, 46901 Grand River, who left for France Tuesday, has been named honorary jumpmaster for the occasion.

Latchford is the man who, during World War II, ran the world's largest parachute factory, turning out parachutes which the fearless paratroopers used in the 1944 invasion of Normandy.

Parachute conscious as he was, Latchford tried to go "airborne" himself but was forced to stay in the factory to make those essential parachutes.

Latchford is an honorary member of the 82nd Airborne Division Association, having received the honor for his devoted efforts in parachute manufacturing during the war.

Now operator of the Midwest Parachute Center in Novi, he has been making parachutes for 35 years. He is permanent jump director for the 82nd Airborne Division Old Timer's Jump Meet, which he also sponsors annually.

"Paratroopers everywhere are indebted to Danny Latchford," a Division spokesman said, "for his dedication and devotion to parachuting, and for the advancement and improvement of this efficient means of descending from dizzy heights to land in a matter of seconds."

"When the first jumper steps out into the sky on this memorial invasion of Normandy, 25 years later, it will be Danny Latchford who gave him the word to go."

Hospital Honors Volunteers Here

Northville State Hospital personnel honored the groups and individual volunteers at a Volunteer Reception in the hospital's A Building Cafeteria here Thursday.

During the past year over 1400 volunteers have recorded over 12,200 hours of service. Jack McCarthy, WJBK-TV news commentator, was the speaker. One of the hospital's young adults rendered several songs.

"Our volunteer programs have undergone considerable modification," commented Richard D. Budd, M.D., medical superintendent. "These have paralleled the many changes in our hospital's psychiatric services. Greater emphasis now is being placed upon individual patient involvement, with our volunteers serving shoulder to shoulder with treatment team members."

Northville Board OKs 11 Textbooks

Eleven new textbooks were approved for use in the Northville schools next year at the May 26 board of education meeting. The majority, Superintendent Raymond Spear reported, are for newly established courses.

They were selected by Miss Florence Panattoni and faculty committees with several tested by teachers during the year.

Approved are "27 Contemporary Essays," Scribner's Sons; "Retailing Principles and Practices," McGraw-Hill; "How to the Adding and Calculating Machines," McGraw-Hill; "Exploring Regions of the Eastern Hemisphere"

and "Exploring Regions of Latin America and Canada," Follett Company; "General Business for Everyday Living," McGraw-Hill; "Focus on Earth Science," Merril Publishing Company; "Psychology, Its Principles and Application," Harcourt, Brace and World; "You and Your Food," Prentice Hall; and "Algebra," MacMillan.

This alienation hopefully lies in meaningful negotiations. It is imperative that the Board initiate action to open channels of communication. As a member of the board, I would propose grievance-handling procedures be initiated to permit individuals or groups to influence decisions regarding the school's operation. Lasting creditable legal authority can be achieved only through responsible discussion between the four groups that have a stake in the operation of Schoolcraft - students, teachers, administrators, and trustees. The role of the trustee is fundamental to the total process of definition. He is the voice of the community."

Purdue University; M.S., University of Michigan; occupation: Assistant Professor, Electronic Engineering, University of Michigan, Dearborn Campus; formerly associate research engineer, University of Michigan; member, Engineering Society of Detroit. Qualifications: "20 years engineering experience including teaching, research and development. Prior to past 12 years in university research and teaching, was engaged in engineering work in U.S., Europe and Far East. Other academic experience includes lecturing in engineering short courses at University of Michigan and Alabama, teaching in-plant engineering courses for Institute of Labor and Industrial Relations."

institution. In serving on the board I would be hard-headed about finance, hard-hearted about academic excellence, fair but forcefully firm about human problems and in general conservative and constructive."

ROBERT F. SWANSON, 29; 31036 Grenada, Livonia; B.A. (education) University of Michigan; advanced business courses at University of Colorado and Wayne State University; occupation: warranty and policy coordinator, Lincoln-Mercury Division, member, Livonia Republican Club. Qualifications: "Formal training in the field of education; practical experience in business; involvement in school affairs in New York, Colorado and Michigan; members of Mayor's Advisory Committee in Arvada, Colorado."

"The tremendous growth rate of student enrollment at Schoolcraft is placing an equally tremendous strain on its financial resources. With the amount of millage available set by law at 1.1 mills, and the state aid a fixed amount on a per student basis, only the tuition fee is flexible. To increase the tuition beyond its present level would be unacceptable. Thus it will be necessary to apply proven business techniques to ensure that maximum value is received from each dollar. At the same time extreme care must be exercised that these necessary budget cuts do not in any way endanger the quality of education offered. I believe that my background of formal training

in the field of education combined with practical business experience will enable me to achieve that financial stability so necessary to ensure top educational quality to the maximum number of students."

SENIOR CAMPERS - Nearly 100 seniors and 10 adult advisers left Northville Friday morning on a 3-day canoe-camping trip on the Ausable River. The unusual senior trip was the first of its kind here and reportedly was a whopping success, despite sunburns and periodic soakings in the river.

Spear Won't Ask for Extra Mill

By law the city does not have the right to levy a higher rate in the city before the county board last week.

The council Monday night he was informed that the tax allocation board had not given weight to these arguments, but had only considered the fact that it is legal to levy different rates within the same school district.

He pointed out that the ruling did not mean that the school board "must" levy the additional mill in the city, only that it "may".

The council instructed the manager to write the Northville board of education restating the city's opposition to the higher rate. A meeting between the manager and superintendent of schools, or the full council and board of education, was also suggested if necessary.

Downs '69 Season Off to Fast Start

Northville Downs is off to a good start in its 26th season of night harness racing.

Opening Wednesday night (May 28) the track showed a four per cent hike in betting and a 3.3 per cent gain in attendance in its first four nights of the 54-night meet.

A Saturday night storm that knocked out the electricity forced cancellation of the final race of the night, cutting the mutual handle to \$395,582 for nine races.

On Friday night (Memorial Day) bettors showed \$412,863 through the windows.

Through the first four nights of racing the mutual handle totaled \$1,417,738, up from \$1,363,789 for the first four nights of 1968. Attendance was 20,562, compared to 19,902 for the same period last year.

Construction of the tri-level clubhouse is underway causing little disturbance with normal operations except for the loss of a few parking spaces. Downs' Executive Manager John Carlo reports. Most of the steel superstructure is now in place. Carlo said he expects to be able to use the lower level for the track's first winter meet, a 30-night season from November 29 through December 30.

He's Elected VP at Valpo

Kenneth Rathert, son of Mr. and Mrs. Kenneth Rathert, 250 Maplewood, Northville, has been elected vice-president of the Student Senate at Valparaiso University in a student-wide election held recently.

Rathert, a junior government major, is a member of Phi Kappa Psi fraternity, and the All Student Congress.

Valparaiso University, located 45 miles southeast of Chicago, has an enrollment of more than 4000 students in the College of Arts and Sciences, the College of Business Administration, the College of Engineering, the College of Nursing, the School of Law, and Christ College (Honors College).

The university offers 16 degrees including the Juris Doctor, the Master of Arts in Liberal Studies, and the Master of Arts in Teaching.

SPORTS

MVP SMILE - Coach Dick Willing congratulates his bearing "Most Valuable Player", Jeff Taylor, who was elected to the coveted position by teammates upon concluding the 1969 varsity baseball schedule. Northville's Fred Holdsworth was voted the team's Most Valuable Pitcher.

Good Pitching, Poor Fielding

Two losses and a victory, which gave the Wildcats a 11-7 season record, closed out Novi's varsity baseball schedule.

The last game of the season was 6-0 shutout Friday at the hands of Oakland County's top rated team - Waterford Township - in the Pontiac Press Invitational Tournament. It was Novi's first invitation to play in the select tourney.

Despite the loss, Novi's hurler, Lee Snow, pitched a fine game, giving up only two earned runs, walking four and striking out six.

As was the case throughout the season, however fielding errors proved to be Novi's downfall. The Wildcats picked up five hits and committed an equal number of errors in the field.

Waterford picked up seven hits and committed just one error enroute to its shutout.

Michigan Tractor Remains Undefeated

Michigan Tractor rolled over Paragon last week Wednesday to maintain its edge in the Red Division of the Novi Little League Majors.

Meanwhile, Rexall Drug is still on top in the Blue Division, while Herb's Standard and Fendt Transit lead in the East and West divisions, respectively, of the Minor League standings.

Randy Selep gave up just two hits - one a double off the bat of Tom Hardick - to spark Michigan Tractor to its 6-1 victory over Paragon. Three Tractor batters collected doubles for the undefeated winners - Ken Beers, Scott Parsons, and Tim McCaluso. Altogether, Michigan Tractor picked up nine hits.

In other recent action: Novi Rexall barely edged Pink Builders, 9-8, behind the six-hit pitching of Eric Hansor. Hansor held his own cause by collecting a double and single. Larry Pink and Dave Piotrowicz banged out doubles for the losers.

The second-place Wrote Brothers bombed Carl's X-Way, 22-6, while collecting a total of 20 hits. Winning hurler was Brian Wroten.

Big blows came off the bats of Randy Wroten (one triple), Rick Gault (two triples), Gary Canfield (two doubles), and single two-baggers by Brian and Randy Wroten, Donald Ling, and Kirk Tyler.

Mike Luttmann was the winning hurler as General Filters downed B & V Earthmovers, 6-4. While he was giving up four hits, his own squad was picking up only three, including doubles by Terry Connor and Tom Cunningham. Jeff Pickeral doubled for B & V.

Ron Buck smashed a two-run homer and punched out a single but it wasn't enough as Mobarak Jayhawks nipped the Party Store, 5-4. Kevin LaFleche scattered five hits while he and his teammates collected four.

Wrote Brothers also pounded out a 16-7 triumph over the Jayhawks, collecting a total of 14 hits enroute to the victory. Big blows for the winners included a homer off the bat of Randy Wroten and a triple by Tom Tyler. Rick Gault and Brian Wroten each doubled twice.

Craig Love, who picked up one double, was the winning hurler.

Merchants Drop Three

Northville's lone entry in the Class "A" Stan Musial Baseball League at Livonia dropped its first three games in a row - but Manager William Primeau refuses to panic.

A number of college students, who are expected to give the Northville Merchants a big lift, have not yet returned home for the summer vacation, he explained.

In those first three games, Livonia won 7-1; Plymouth took a 6-2 decision; and last year's Class "A" Michigan champions, Redford, whipped the Merchants Sunday, 7-2.

The Merchants face a tough 26-game schedule, Primeau reports, playing against four other squads including Redford, Village Rambler, Plymouth K of C, and Hubert Realty.

Remaining games of the schedule include:

June 8, 3:30, vs. Hubert; June 9, 6 p.m., vs. Plymouth; June 11, 8:30, vs. Redford; June 15, 3:30, vs. Plymouth; June 16, 6 p.m., vs. Rambler; June 18, 8:30, vs. Hubert; June 22, 3:30, vs. Plymouth;

June 23, 6 p.m., vs. Redford; June 29, 6 p.m., vs. Rambler; June 30, 6 p.m., vs. Hubert; July 2, 6 p.m., vs. Plymouth; July 9, 6 p.m., vs. Redford; July 13, 8:30, vs. Redford;

July 14, 8:30, vs. Rambler; July 16, 8:30, vs. Hubert; July 20, 6 p.m., vs. Plymouth; July 21, 6 p.m., vs. Redford; July 27, 8:30, vs. Rambler; July 28, 8:30, vs. Rambler; July 30, 6 p.m., vs. Plymouth; and August 3, 3:30, vs. Redford.

Mustangs Play Spoilers Northville Hurlers Post Amazing Record

Northville may have finished in third place in the Wayne-Oakland League but they finished at the top in pitching.

"The pitching was simply outstanding," said Coach Dick Willing in reviewing the season. "I don't think there's a high school pitching staff anywhere that can stand up to our guys."

While the Mustangs' hitting left something to be desired, pitching and fielding was another matter. In 23 games Northville pitchers gave up just 19 earned runs. His earned run average was 2.2. Five of his last six games were shutouts, and the sixth, while not a shutout, was a 3-1 no-hitter over Bloomfield Andover.

For his performance this season Holdsworth was voted the team's most valuable pitcher - an honor he also won last year as a sophomore, and he was named next year's captain.

Northville's number two pitcher, Jeff Taylor, pitched a total of 79 innings during the season, giving up 12 earned runs for an ERA of .979. He also was the team's leading pitcher in strikeouts, fanning a total of 112 batters.

Taylor's record for the season was 5-3. And of those three losses two were by single runs. It was Taylor who worked the 11 innings at Northville and Waterford Kettering tied 3-3 earlier in the season.

Bernie Bach's record for the season was 3-0. He gave up two earned runs in those three games for an ERA of .667. He also forced a no-hitter during the season - a 4-0 victory over Clarencville.

Taylor, who was voted the team's most valuable player, also was

Title Bent Kettering Falls, 4-0

If Waterford Kettering's diamond dwellers look mean these days there's a good reason for it.

Tied for first in the Wayne-Oakland league and holding a piece of the league championship, Waterford took on Northville's varsity nine last week in a make-up game. And when the smoke had cleared, the Mustangs were clutching their 10th league victory of the season while Kettering found itself chopped down to second place in the final W-O standings.

Milford players couldn't be happier over Northville's 4-0 triumph over Waterford. The Redskins took undisputed possession of first place and claimed the league title with a record of 12 wins and two losses.

Second-place Kettering finished the season at 11-3, while Northville took third at 10-4.

The Mustangs' victory in the final game of the season was especially sweet because the two teams had battled to a 3-3 tie in 11 innings earlier in the season. The tie resulted in last week's makeup. In their first game this season, Kettering won in the seventh inning on a homer, 2-1.

Northville's ace hurler, Junior Fred Holdsworth took credit for the last victory of the season, firing a six-hitter while striking out 12 and walking two. The Mustangs scored a single run in the first, second, third and sixth innings.

In the third, Terry Mills singled to left and then stole second. Later he stole third and as Kettering tried to throw him out the ball went wide of the mark and Mills streaked home for the third run.

In the first, with two outs, Jeff Taylor drove a ball deep into left field and by the time the leftfielder caught up with it Taylor was already headed from third to home.

Holdsworth singled to center in the second. Craig Turnbull sacrificed him to second, and Bernie Bach laced a single up the middle to score the pitcher.

In the third, Terry Mills singled to left and then stole second. Later he stole third and as Kettering tried to throw him out the ball went wide of the mark and Mills streaked home for the third run.

In the last run came in the sixth when Taylor led off with a single to left. Pat Cayley gained first when he was hit by a pitched ball. Taylor advanced to third on a fielder's choice with Cayley being called out at second.

Racing Blacked Out

Electrical Storms Cut Power Twice

Bolts of lightning proved faster than the horses Saturday night as an electrical storm churned over the Downs oval and left the track in pitch darkness to force cancellation of the final race.

Saturday's blackout was one of two to hit the community over the weekend as storms riding on high winds and carrying hints of tornadoes rocked the area, toppling trees, downing wires and scaring the chickens out of many inhabitants.

As the storm moved across Northville Saturday night a bolt of lightning hit a power line and opened the circuit breaker at Garner and Seven Mile Road, disrupting electrical service throughout the city, the northern part of Northville Township and the southern part of Novi.

An estimated 10,000 Detroit Edison Company customers were affected.

Partial power was restored within 40 minutes. But by then most of the 6,280 fans at the Downs had grooped their way out of the track grounds. There was no panic, police reported, but for awhile they braced for trouble that failed to materialize when racing fans began burning their racing programs for light.

Police, busy guarding the money windows, spent part of their time stamping out fires.

Torched programs proved to be the least of the storm's problems. When the power went so did the radios. One patrol car was quickly called back to the station in order to relay calls to

the other car. Burglar alarms, touched off by broken electrical contacts, sounded in Northville business places and police, working in the dark, had to check out each one to be sure they weren't caused by human hands.

Wires fell across Northville Road and, with the assistance of Plymouth police, Northville patrolmen blocked off the area to traffic until they had been repaired.

It was much of the same the next day - Sunday - when another electrical storm passed through the area. At 4:40 p.m. a wire came down at the rear of 401 Welch Street, police said. The hot line touched a cyclone fence, knocking out power from Randolph Street north into southern Novi.

A traffic jam occurred at Eight Mile and Center when the traffic signal went dead.

Another unconfirmed lightning bolt hit a utility pole near the Clark service station on South Main. No damage was reported.

High winds toppled trees and limbs throughout the area over the weekend but the most extensive property damage because of fallen trees occurred at the Brookland Farms home of the Kenneth Dodds, 44536 Chedworth Court, where a huge tree fell, smashing two corners of the home, and seriously damaging the roof. Rain seeped through the roof causing minor damage inside of the home.

The Dodds were away over the weekend and returned to find the

broken results. Despite extensive damage, however, Mrs. Dodds reported they were fortunate. Had they been home and had the tree fallen a foot south it would have smashed into the bedroom where their son sleeps, she said.

DESTRUCTIVE VIEW - A huge tree on the Brookland Farms property of Mr. and Mrs. Kenneth Dodds toppled under the heavy winds of the electrical storm this past weekend, damaging sections of their home. Part of the destruction is seen in this view from the living room of the home.

Thefts Hit Northville

An employee of the Eastlawn Rest Home reported a theft of \$210 from her purse.

Rosalyn Kortkin, Detroit, told police she discovered the money missing May 24. She had not checked her wallet since the previous day and could not pinpoint the time the money could have been taken.

Northville Downs was the scene of an attempted forcible entry June 1. The damage was confined to the area of the press boxes.

Louvers were missing from the doors of three rooms and screens had been torn off. Police began a thorough investigation June 2.

Three Northville youths reported property missing from a shed located at 542 Joy Street. The theft occurred May 31.

Taken from the shed were three transistor radios, a walkie talkie, fire extinguisher, BB gun, suit case, boy scout pack, three fishing rods and reels and three flashlights.

Value of the goods was placed between \$125 and \$150.

Joseph Vrobo, 24561 Glenda Drive, reported hubcaps missing from his 1964 Cadillac. The theft occurred May 29 while his car was parked on South Center Street.

Two tires and rims were removed from a car owned by Donald H. Spynieski May 31. The car was parked in the employees parking lot at the Downs.

Spynieski also reported damage to the rear fender of his car. The total cost of the theft and car damage was placed at \$150.

Two wire wheel covers valued at \$40 were taken May 30 from a car owned by J. S. Canterbury, 204 Randolph Street.

Northville District Court

Northville Police arrested four persons for drunkenness at Northville Downs this past week.

Albert L. Traywick, Taylor, was arrested May 31 on charges of drunkenness, resisting arrest and violation of city ordinance while attempting to set a fire at the Downs during Saturday night's blackout. He was released on \$150 bond and will appear in court June 20.

Paul M. Eldridge, Romulus, was arrested May 31 and charged with drunkenness. He pled guilty to the charge and was sentenced to Detroit House of Correction for 10 days.

Drusey Emma Hutko, Detroit, was arrested by police May 31 and charged with drunkenness. She was released on bond and will appear June 10 in court.

Richard H. Vaughn, arrested May 29 and charged with drunkenness, was released from jail May 30 on \$100 cash bond. He will appear in court June 10.

Novi OKs Subdivision Plat

Michael Jordan, 137 North Center Street, reported the loss of two motorcycle helmets valued at \$46. The theft occurred between May 29 and June 1.

Terrance D. Hunt, Plymouth, was arrested May 29 and charged with trespassing at the Downs. He was released on \$100 bond. No trial date has been set.

Novi OKs Subdivision Plat

Acting on the advice of the planning commission, the Novi City Council Monday night approved the final preliminary plat for the proposed 50 acre plus Heatherbrae subdivision at the northwest corner of Meadowbrook and Nine Mile Roads.

Approval was voted by all six councilmen present.

Kaufman & Broad Homes, Inc. proposes to build a 138 home development on the property of the old Durtice farm. To prevent additional work from flowing into the subdivision property into Ingersoll Creek, the developer also proposes to construct a weir between a gravel pit lake on the property and the creek.

Pool to Open Here June 17

Northville high school's swimming pool will be open from June 17 through August 15 in a community program and in the Northville Recreation Association program.

It will be open from 1 to 3 p.m. Monday through Friday for recreation department swimming and from 3 to 5 p.m. on those days and 1 to 5 p.m. Saturdays for public use.

Under the plan prepared by Earl Busard, board of education business manager, the board approved the hours Monday.

For public use children under nine years of age or under 48 inches tall must be accompanied by an adult. Each swimmer must bring towel, suit and bathing cap, if required. Charges will be 50 cents for school-age children and 75 cents for all others.

At the suggestion of the board of education, Tuesday and Thursday nights will be reserved for adult community swimming in the high school pool. Fee will be 75 cents with the same regulations applying as for other swimming.

Adults are those above high school age.

1-Card of Thanks

The family of Ernest Harst wishes to thank all our friends for the many acts of kindness shown us during the illness and loss of our loved one. The floral tributes, Memorials, cards, food and many other remembrances, were all so very much appreciated. Our special thanks to the Martin Luther Memorial Home and their wonderful staff, Rev. George Traflet, Jr., Dr. R. M. Jackson and to the Caterline Funeral Home.

I would like to express my deepest and most sincere thanks to our neighbors, friends and relatives for all their cards, comforting words and kind smiles that they gave me at the time of my recent sorrow.

Mrs. Arnold Lukache H-23

We wish to express our deepest gratitude to our neighbors, friends and relatives for their many acts of kindness during the recent death of our father.

Mr. & Mrs. Virgil Tompkins
Mrs. & Mrs. Leo Tysar
Mr. & Mrs. Kenneth Shear A-7

Thanks to participating Brighton businesses for contributing refreshments for Memorial Day parade marchers. Special thanks to Fair Dept., American Legion, participating groups.

Mrs. Helen Markus A-7

The August Musolf family

In loving memory of William Wilson who passed away June 8, 1965. Treasured thoughts of one so dear, often bring a silent tear. Thoughts return to scenes long past. Time rolls on but memories last. Sadly missed by his wife and family.

DEADLINE FOR CLASSIFIED ADVERTISING

IS 5 P. M. MONDAY
Our want ads are better than ever! But the deadline for inserting a classified advertisement is also earlier than ever... Monday at 5 p.m. to be exact.
That's because all our want ads now appear in four newspapers... The Brighton Argus, South Lyon Herald, Northville Record and Novi News.
But remember to do it before 5 p.m. Monday.

IT ONLY TAKES ONE CALL TO PLACE A WANT AD IN THE RECORD-NEWS-HERALD AND ARGUS

COME IN AND ME

Humble yet Proud

He marvels at the majesty of the clouds and the vastness of the sky. He thrills at the reflections cast upon the water by the rainbow palette of the setting sun. He is awed, humbled—yet, at the same time, fiercely proud.

His feelings contradict each other. For he knows he is a small creature dwarfed by the overpowering glory of nature, yet, at the same time, a man—a man created in the image of God.

Of course, we all need to be humble, but we also need to be proud. In one sense we are insignificant, and in another we are all-important. The problem lies in finding the proper balance between the two.

To understand the whole man—the all of you, you must turn to His Church where God is forever revealing the mysteries of His universe. Here we are taught truths that have endured throughout the ages. Here we must come if we are to find the proper balance in life.

from the Pastor's Study

When the first Russian astronauts circled around in space, they reported on their return that they had seen no sign of God's being up there. Reactions among Christians at the time were quite varied. Some felt that the remark was an insult to God, where He was. Presumably God must be somewhere up there, and the fact that the astronauts did not see Him was no proof at all that He wasn't there.

Other Christians were quick to point out that no one had ever believed in the "pie in the sky when you die." The Communists were just killing a man of straw who had never existed except in their propaganda. No sensible Christian had ever believed that God was up in the sky somewhere or that heaven was just beyond the atmosphere. These people didn't seem very sure where God or His heaven might be, but they were sure He wasn't in the sky.

Other Christians, more sophisticated, pointed out that the imagery of the Bible is like poetry; it is impossible to put the truth of God into human language in any direct kind of way, since it is a mystery beyond all human understanding. These people would say that the picture of Christ ascending in a cloud to the right hand of His Father in heaven is part of the rich poetry of faith.

In spite of all this discussion, we know that Christ's Ascension was a great event and that it really happened; the manner of His Ascension is not important to us; neither are we particularly worried about the Lord's exact address. We are happy to leave much of the argument to the philosophers, theologians and the astronauts.

Rev. Father John Wittstock
Our Lady of Victory Church

We can open ourselves to the understanding of the Ascension which comes to us from the Faith of the believing community through the centuries. If we do this, I think we may not be very concerned with the theoretical questions about the location of the Lord and His mansions. In fact, it seems to me that this is the very hard point of the whole story as it has been passed on to us. If we were to spend any more time looking up to heaven, we might even see one of the angels whom the apostles saw; he would have the same message—"Why are you standing here looking into the sky?" If he were a modern angel, he might be telling us, "That's not where the action, don't stand idle!"

The New Testament story, from this point on, tells us of two

Michigan Mirror Dems Push Soapy For MSU Post

LANSING—Former six-term Gov. G. Mennen (Soapy) Williams has returned to Michigan, and Democratic Party regulars would like nothing better than for him to get the Michigan State University president's job.

No matter what his administrative qualifications, his political background rules him out in the minds of many university academic people whose backs bristle at the suggestion. The issue is not what the background amounts to, but that it exists at all. In general, university people do not want any former governor or other political figure as president of the institution. They prefer a man with a more academic background.

But House Speaker William A. Ryan, D-Detroit, has confirmed persistent talk that Democratic leaders want Williams in the \$40,000 per year job in the west.

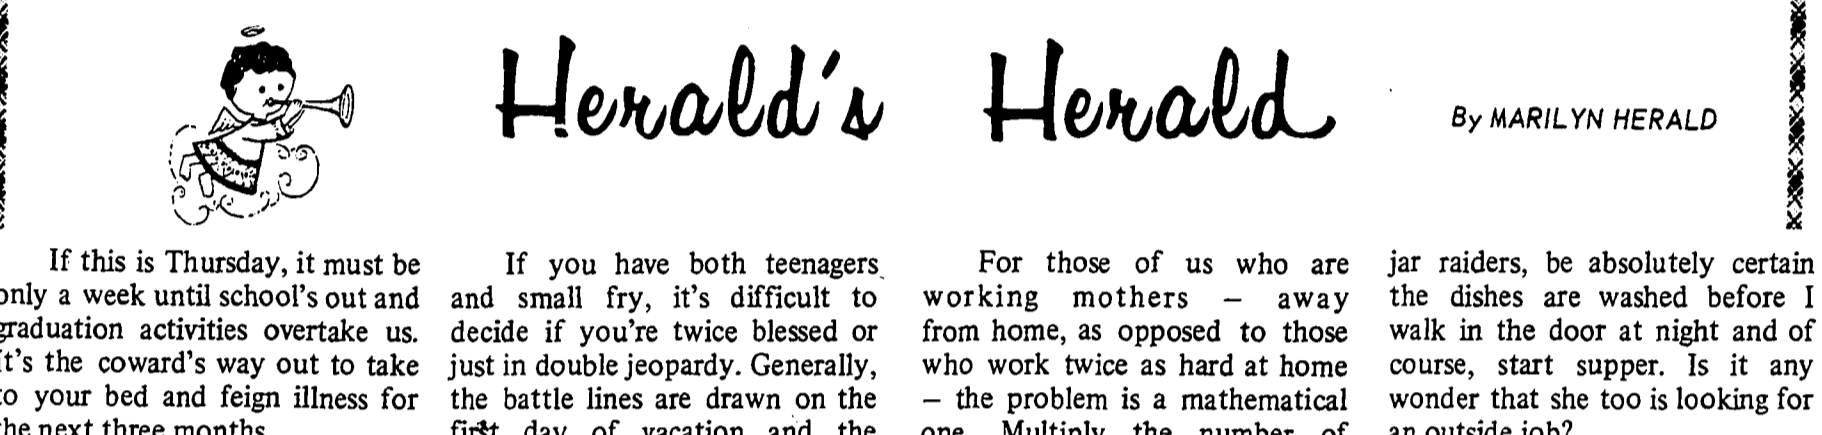

WHETHER THEY get their wish will depend on the MSU Board of Trustees, the unit that must select a permanent replacement to John A. Hannah, who retired last March to become director of the U.S. Agency for International Development.

Democrats hold a 5-3 edge on the board but chairman Donald Stevens of Okemos, a staunch Democrat, insists the party label of the man selected won't matter too much.

Former Health, Education and Welfare Secretary John W. Gardner has been mentioned as a possibility for every major college presidency to come up since he left the Johnson Administration and the Michigan State University in 1965. Gardner, now head of the Urban Coalition, was reportedly one of the top three candidates for the University of Michigan presidency last year.

And, of course, now that Hubert H. Humphrey is a college professor instead of vice president of the United States, his name has cropped up.

Also included is Secretary of Agriculture Clifford M. Hardin, chancellor of the University of Nebraska for 14 years before going to Washington as cabinet member in January. He was dean of agriculture at MSU in the early 1950s.

If this is Thursday, it must be only a week until school's out and graduation activities overtake us. It's the coward's way out to take to your bed and feign illness for the next three months.

You resolve yourselves mothers, winter vacation on the home front is nearly over and summer torment is about to begin. The daily routine of late sleeping youngsters and the cafeteria style kitchen which caused that summer syndrome, the frustrated mother, is about to appear on the land.

We probably never appreciate the teachers who, nine months of the year, wrestle with our little darlings or demons, as the case may be, nearly as much as when we are forced to take up the tussle ourselves—24 hours a day.

If you have both teenagers and small fry, it's difficult to decide if you're twice blessed or just in double jeopardy. Generally, the battle lines are drawn on the first day of vacation and the conflict rages throughout the summer, with mother the unofficial and unsuccessful arbitrator.

The battle between the roadraze in the basement and the TV on the main floor seems like a little thing but when the motor noises reverberate through the picture tube and the screaming of the kids rings through your head, you long for the cold winter days with the younger generation nicely tied down to their school floors, keep ahead of the cookie

For those of us who are working mothers—away from home, as opposed to those who work twice as hard at home—the problem is a mathematical one. Multiply the number of offspring by the number of the days you work, add the neighborhood playmates, subtract the dog and cats, divide by a baby sitter and you have an undecipherable exercise. It's like trying to teach modern math to an advocate of the old school type reading, writin' and 'rithmetic.

All I require of my baby sitter, who incidentally just happens to be one of our teenagers, is to watch her little brother for signs of poivy, cut lip, or scraped knees, vacuum the floors, keep ahead of the cookie

Of course there are very few jobs like hers that allow for sleeping late, reading all morning and rushing through the chores in that final hour before the dinner bell is due to toll. The pay may be bad but the working conditions can't be beat.

If she plays her cards right, she can even make a reciprocal agreement with a neighbor to watch her brother, so that a swimming date or shopping can be fitted into the jigsaw puzzle of her day.

Babson Report

WELLESLEY HILLS, Massachusetts—The sending of information in printed form or handwritten over microwave, satellite, radio, or privately leased telephone lines—facsimile transmission—has long been used by newspapers, magazines, and government bureaus. However, the recent development of simpler units which can be sent and received over the ordinary public telephone system (for the cost of a regular telephone call plus equipment rental charges) opens up an entirely new and promising area for business information. Babson's Reports expects an explosive growth, in time, comparable to the office copier boom.

Because of technological breakthroughs, in the form of the Transceiver (a combination transmitter-receiver) and a Dataphone which can provide automatic answering there is an almost unlimited range of applications from engineering drawings, medical records, criminal identifications to simple letters and customer orders.

In addition, the declining costs of transmission from six to three minutes and soon to one minute of time plus the drop in rental charges to as low as \$65 monthly open up a vast market. At present there are fewer than 20,000 facsimile systems in operation but only 4,000 of them are currently for business correspondence. Industry estimates look for the sale of at least 100,000 units within the next three years and one fledgling manufacturer sees a total market of 500,000 machines during the next 10 years.

A service or ancillary network has sprung up where individuals and companies not owning the necessary facsimile equipment can send their documents at a charge ranging from \$2.50 to \$8.95 per page. Already several companies have set up operation. These firms lease or buy the various facsimile equipment now on the market and, in turn license

franchised operators who open up different locations and pay royalties to the parent service networks. It was estimated that as of last September some 500 machines were in operation but that more than 5,000 units would be needed in the future. Babson's Reports believes the creation of these satellite bureaus could give a dynamic stimulus to the, up to now, nascent industry.

There are several major companies producing facsimile transmission systems and a growing number of smaller but distribution and resource-limited newcomers. It was Magnavox in 1966 that introduced a single low-cost unit and started the movement for business applications. Magnavox makes and sells the device but has given Xerox a non-exclusive royalty-bearing license to produce a similar machine.

Another major company, Addressograph-Multigraph, is planning to introduce its own version by the end of 1969. One service network is already preparing to offer its services publicly, but its success will depend on adroit marketing.

Babson's Reports is recommending

what's a funny place for a phone?

That depends on your sense of humor. If interrupting your washing or ironing to rush upstairs to answer the telephone leaves you breathless, then an extension telephone makes good sense.

An extension telephone saves steps and lets you do your telephoning from where you are. You can select from many smart styles and decorative colors.

Call your Michigan Bell Business Office or ask your telephone man. For as little as ninety-five cents a month (plus tax) you can have an extension telephone in any funny old place you'd like.

Newspaper Gap Bridged By Douglas

Supreme Court Justice William O. Douglas doesn't know it but indirectly he's helped make The Northville Record's special centennial edition a little more complete.

For the past several months staffers at The Record have been trying to obtain a picture of one of the newspaper's former publishers—Frank S. Neal, who owned and published the newspaper for 28 years from 1891 to 1919.

Although the late Mr. Neal owned the newspaper longer than any of its publishers over its 100 year history, a picture of him was unavailable locally.

Then, a week ago, as Justice Douglas came under fire for his paid position as president-director of the Albert Parvin Foundation, it was announced that Fred Warner Neal, professor of international relations at the Claremont Graduate School in Claremont, California, would succeed him.

Because it seemed unlikely that there could be more than one Fred Warner Neal in the nation, The Record called California and, sure enough, it was the former publisher's son who had himself worked at The Record years ago, graduated from the University of Michigan, edited the university newspaper, and later became a Washington correspondent for The Wall Street Journal.

Delighted to hear about The Record's upcoming (July 15) 100th birthday edition, Professor Neal agreed to send pictures of his father and his own recollections of newspapering in Northville.

Professor Neal was named after Governor Fred W. Warner of Farmington, whose candidacy was inspired by the The Record publisher, F. S. Neal, who served two terms in the Michigan Legislature while publisher, served Governor Warner as his private secretary.

It was largely through the efforts of F. S. Neal that the old East Michigan Press Association was organized. This association later became the Michigan State Press Association, today one of the most prominent press associations in the nation.

The former publisher died on November 13, 1928; his wife succeeded him in death in the Forties.

Several other area residents recognized Fred Warner Neal's name in connection with his newest appointment. Among them was Orlo Owens of Northville, who called The Record to mention that Professor Neal was once a member of his Boy Scout Troop and the first Eagle Scout of the community.

Mrs. Sterling Eaton of Plymouth, widow of another former Record publisher, was in New York City at the time the announcement was made of Neal's appointment and recognized the name while reading The New York Times.

GRADUATION HISTORY - Novi's first commencement exercises became a page in history Tuesday evening as 84 high school seniors were awarded diplomas. Guest speaker for the historic occasion was Frederic W. Bennetts, assistant director of public relations for the General Motors Corporation.

Wixom Appoints Acting Police Chief

A "recess" to discuss in private a letter from Acting Police Chief Lawrence Beamish took almost as long as the complete Wixom council meeting Tuesday night.

Chamber Taps Burr

Richard Burr was installed as president of the Novi Chamber of Commerce Thursday during a dinner meeting at Rosewood Restaurant.

Harold Ackley, vice-president; Mrs. Florence Harris, treasurer; Russell Taylor, Kenneth Bassett and James Mitchell, directors.

Installation ceremonies were conducted by Lee BeGole. In accepting his new post, Burr said his primary aim during the term of his office will be to establish an active industrial committee.

Program for the evening concerned an explanation of the newly organized cooperative occupational training program at Novi High School.

Admission of Robert Muncy of Muncy Marathon into membership of the organization for a June sign, including the names of all Novi's service organizations, for installation at the public library under the direction of Edwin Presnell.

A traffic light will be installed at the corner of Ten Mile and Novi roads "sometime this summer."

Whittled Novi Area Decides 'Let's Keep Our Township Status'

Property owners within the whittled-down Township of Novi voted Monday night to maintain township status following the election of a new board.

With about 30 of the estimated 80 persons who reside in the eight incorporated areas voting, a slate of three men and one woman—all residents of Brookland Farms—were elected by unanimous voice vote.

Township status of all other areas of Novi was dissolved with the recent city incorporation of Novi. The eight unincorporated remaining township areas were not part of the village of Novi.

Ackley's Job on Block Novi to Advertise for New City Manager, Assessor

It's not official by any means but Novi City Manager Harold Ackley appears to be on his way out.

The city council Monday night authorized advertising for both a city manager and a city assessor in the Michigan Municipal League's journal.

Applications are now being taken for the position vacated by Chief D'Arcy Young. Deadline is June 23. The post pays from \$10,500 to \$12,500 per year.

Permission Sought For New Novi Bank

Application to organize a new national bank in Novi has been submitted to the federal comptroller of currency, it was revealed Tuesday.

Richard E. Cook of Bloomfield Hills, a general auditor for the Ford Motor Company; Robert E. Johnson of Birmingham, vice-president of a construction firm; E.R. Davies of Bloomfield Hills, president of a conveyor manufacturing company; Byron W. Terrell, Jr. of Birmingham, owner of a large real estate firm; and Robert Temmerman of Birmingham, president of a warehousing firm. Nayer is a Huntington Woods resident, with law offices in Detroit.

Nayer said the applicants "have nothing to do with" a recent zoning change request at the corner of 10 Mile and Meadowbrook Roads that was denied by Novi planners a week ago.

Traffic Light Set for 10 Mile

A traffic light will be installed at the corner of Ten Mile and Novi roads "sometime this summer."

Police of the remaining township areas would be in the hands of the county sheriff's department and the state police, which according to residents has been satisfactory.

Revenue from these property taxes together with state tax reimbursements and monies that will result from the division of township assets with the new city, were viewed as sufficient to operate the new township.

STRAIGHT AS A PINE - Principal Gerald Hartman admires an oil painting presented to the high school as a symbol of Novi's first graduation class. Gift of the artist, Mrs. Laverne DeWard, wife of a school board member, the single, straight and enduring pine is her wish for the 1969 graduates as they go their separate ways as adults seeking their new roles in society.
