News Around Northville

Miss Leona Parmelee of 46159 Sunset recently returned from vacationing with her niece and nephew, Mr. and Mrs. Richard Parmelee. The three traveled to Oklahoma City where they visited with Mrs. Parmelee's relatives, Mr. and Mrs. Virgil Black.

Miss Parmelee then flew to Houston, Texas where she visited for a week with Mr. and Mrs. Clifford Hyde. (Mrs. Hyde is the former Doris Stark of Northville.) While in Texas she attended the Astro-Dome and traveled to Galveston to view the Seorama, a famous aquatic act. She returned to Oklahoma City and the three drove back to Michigan through the Southern States.

Arriving Saturday, July 26 from Philadelphia, Pennsylvania at the home of her daughter and son-in-law, Mr. and Mrs. R.G. Zimmerman of 20800 Chigwidden East were Mr. and Mrs. Jerry O'Sullivan and their daughter Mary.

The O'Sullivans plan a two week stay here in Northville and also will be visiting points of interest throughout the state of Michigan.

Mrs. Thresa Fallsetta of Lansing was in Northville last week visiting her sister, Mrs. Mary Anne Weston. Mrs. Weston has been ill in St. Mary Hospital.

Mrs. Dorothy Etz of Stoneham, Massachusetts has been visiting with her aunt and a friend, Mrs. Elizabeth Etz and Mrs. Marcella Douglas of South Rogers Street, since July 21. Now on vacation, she is employed as membership chairman of the Boston Museum of Science.

Daniel McGarry, son of Mr. and Mrs. William M. McGarry, 42061 Nine Mile Road, left Sunday for Syracuse, Indiana to spend the week at Smith-Waldbridge Drum Major Camp. Dan is the drum major for the Novi Marching Band.

Betty Hodges Married

Jaycee Women Enjoy A Tea

New faces peppered the last meeting of the Novi Jaycee Auxiliary on Wednesday, July 23. Both new and old members who attended the afternoon tea were entertained by an iced-tea demonstration given by Mrs. Barry Armstrong of Detroit.

Auxiliary member Mrs. Bo Rhudy added a few words about decoupage, another form of the decoupage look in art work. -- Decoupage is the art of decorating with paper cut-outs.

Next meeting of the auxiliary will be held on Wednesday, August 6, at 8 p.m. Final plans for Gala Days, which will be held August 16-17, will be the main topic of discussion. The women are planning sponsorship of mobile health units as well as a concession stand.

MR. AND MRS. DONALD RICHARD GARDNER

Horsfall-Gardner Speak Vows Here

In a candlelight wedding on June 21, Mary Louise Horsfall married Donald Richard Gardner in the First Baptist Church of Northville. The Reverend Cedric Whitcomb officiated at the 8 p.m. ceremony.

The bride is the daughter of Mr. and Mrs. Owen Horsfall of 490 Orchard Drive, and the bride groom's parents are Mr. and Mrs. George D. Gardner of Wixom.

The bride was given in marriage by her father before an altar banked with palms, candelabrum and baskets of red roses and pink fugu mums. A fireside log basket completed the altar decoration, and candles lined the church aisle.

Music was provided by John Hyde who sang "The Wedding Prayer" and "Oh, Lord Most Holy." Playing the organ was Mrs. Susan Gardner, sister-in-law of the bridegroom.

The bride wore a Victorian style wedding gown fashioned from white organza. The dress featured long pointed sleeves and a detachable formal train trimmed with seed pearls and lace. She wore a fingertip veil of French silk netting decorated with appliques and seed pearls and edged with Duchesse lace. She carried a colonial bouquet of white roses, stephanotis and baby's breath.

Lois Horsfall served her sister as maid of honor. She wore a white crepe floor length dress with pink insert in back and a floor length detachable pink train. The gown and train were trimmed in daisy lace. She carried a small fireside log basket with pink blossoms, baby's breath and statice.

Other bridesmaids were Valerie Richmond, Carolyn Davis (sister of the groom), Kathy Miller, Dianne Crawford and Shirley Lamp. They wore pink

Melissa McDaniel was the flower girl. She wore a dress matching the bride's gown and carried a similar floral arrangement. Jeffery Nieukoop served as ring bearer.

G. Dewey Gardner, brother of the bridegroom, chose as best man, Ushers included the bridegroom's brother-in-law, Calvin Davis, and David Fletcher, a friend from Westland.

For her daughter's wedding Mrs. Horsfall chose a Bermuda Blue crepe with a turquoise daisy lace overlay and turquoise accessories. The bridegroom's mother wore a turquoise brocade sheath with beige accessories. Both mothers wore corsages made from red roses and pink sweetheart roses.

Following the wedding about 300 guests attended the reception held in the lower auditorium of the church. Friends and relatives attended from Illinois and Michigan.

For a wedding trip to Nassau in the Bahamas, the bride chose a beige knit dress with long sleeves and a cowl neckline. She wore beige accessories to complete the outfit.

She is a 1967 graduate of Northville High School and recently graduated from Schoolcraft College with an associates of arts degree. The bridegroom, too, graduated from Northville High School and also Lawrence Institute of Technology. He is now employed as a designer with the Ford Motor Company, and is a partner in Lila's floral business.

The couple will make their new home at 525 Fairbrook in Northville. crepe floor-length dresses with a white lace detachable train. More daisy lace was used to edge the gowns and trains. Like the matron of honor, they carried fireside log baskets of flowers.

Earns Honor

A total of 206 Hillsdale College students, including one from this area, earned academic dean's list honors for the second semester of the '68-69 school year, associate academic dean Earle H. Munn has announced.

Among the current dean's list students at Hillsdale College is Lynn MacDermid, A.B., sociology, daughter of Mr. and Mrs. William MacDermid, 44050 Stassen Street, and a graduate of Northville High School.

Engagement

JOYCE ANNE LINDLEY

The engagement of Joyce Anne Lindley to H. William Alsted is announced by her parents, Mr. and Mrs. Damon P. Lindley of 220 North Wing Street. He is the son of Mr. and Mrs. Harold J. Alsted of Williamsport, Pennsylvania.

Miss Lindley attended Michigan State University and is presently based in Chicago as a stewardess with United Airlines. The bridegroom-elect is a graduate of Lebanon Valley College in Annville, Pennsylvania. He is now employed as Chicago area representative for the Sprout Waldron Company, Inc., of Muncy, Pennsylvania.

A fall wedding is planned.

Detroit Kids Get Lift from Suburbs

A picnic in the country or a trip to the zoo are "old hat" for most children but not those in Detroit's Brewster-Douglas Housing Project.

Two Northville families are helping make the summer brighter for the children in the project. The Stanton Schaefers, 47000 Six Mile Road, and the Edward Kellys, 44009 Brookwood Drive, are working with the children.

Families take the children on picnics, to museums, Belle Isle and the zoo.

Children are matched by age and sex with children in the volunteer families.

Each week the volunteers plan an activity with the children. Sometimes the children will come to Northville with the Schaefers and Kellys and other times the activity will take them to Detroit.

During the winter, monthly outings are planned.

Operation Understanding benefits both the families and children, giving each the opportunity to become acquainted with the other. The children can also take what they have learned from the volunteers and expand the world of their families.

The summer program continues through August 25. For further information on Operation Understanding year-round contact Mrs. Mann at 962-4312 or 961-4313.

College Sets New Test Date For Counseling

Because bad weather prevented many applicants from attending the last of the regularly scheduled counseling tests at Schoolcraft College on Thursday night, July 24, the college admissions office has announced a new test date.

Director of Admissions Barbara Geil said the test is rescheduled for 9 a.m. Saturday, August 16, in the Lois L. Waterman Campus Center. The test is required for admission to the college. Registration for the fall term is scheduled for Tuesday and Wednesday, August 26 and 27.

Miss Geil said the rescheduling of the test will provide an opportunity for other applicants who may have missed one of the three previously scheduled dates to take the test prior to the beginning of the fall semester.

Applicants intending to take the test on August 16 must make a reservation by calling the Schoolcraft College Admissions Office at 591-6400.

DEBBI QUINCE, daughter of Mr. and Mrs. Donald Quince, 41881 Quince, Novi, is presented with a citation naming her the outstanding musician in the Maroon Band at the 1969 High School Band Camp at Central Michigan University. Making the presentation is Rex Hewlett, camp coordinator and acting chairman of the CMU department of music. Debbi was one of 250 high school musicians selected to attend the camp which is sponsored each year by the CMU department of music. She will be a senior in Novi High School this fall.

OCC Offers Dental Training

Area residents have the opportunity of completing a one-year program in dental assisting in their own back yard.

Oakland Community College's Highland Lakes Campus in Union Lake offers a certificate for completion of the program. According to Robert Montgomery, D.D.S., assistant professor and chairman of the allied health department, the dental assisting students take a program of dental theory, office skills, human relations, first aid and x-ray technology.

"The students learn all aspects of dental assisting which varies from girl Friday to chair-side assisting to laboratory work. They also learn dental terminology, he said.

According to Dr. Montgomery, OCC is the only institution in the county to offer dental assisting.

"We have made the program available on a co-op basis for the last three years to seniors at Walled Lake High School. These students spend two days a week, three hours a day taking introductory dental assisting classes and receive college credit," he said.

"Dental assisting is an excellent field because the assistants work with people, the hours are good, and it's pleasant work," Dr. Montgomery explained.

With Our Servicemen

VIETNAM (FHNTC) July 23 — Builder Third Class Donald R. Goodfellow, USN, son of Mr. Donald S. Goodfellow of 7600 Curtis Road, and husband of the former Miss Pamela M. Roster of 725 South Lake Drive, is serving in Vietnam with Naval Mobile Construction Battalion (MCB) 133.

The battalion's base camp is at Camp Wilkinson six miles southwest of Huc, ancient imperial city of Vietnam.

On its third Vietnam tour since being recommissioned in 1966, the Seabee battalion will engage in hundreds of construction projects to support U.S. and Allied combat operations throughout the five northernmost provinces of the republic.

MCB 133 was originally commissioned in 1943 and achieved fame in World War II operations such as the invasion of Iwo Jima.

The battalion is homebased at Gulfport, Miss.

Plane Forced To Land Here

A Hamburg resident walked away from the scene of an emergency airplane landing in Lyon Township Thursday, July 24.

Leonard Herling, who had just had his Piper Comanche overhauled in Plymouth, had been in the air 15 minutes when the motor sputtered and stopped. He was able to make a dead stick landing in a field on the Ford Jones farm on the north side of 10 Mile Road, three tenths of a mile east of Chubb Road.

The plane was damaged when it hit a fence and tipped up on its nose. Herling was uninjured.

OBITUARIES

MARION R. JACKSON

Funeral services were held last Monday, July 28, at the Casterline Funeral Home for Marion R. Jackson, of Dearborn. Mr. Jackson, 74, died on July 24 at the Wayne County General Hospital after an illness of 15 years.

He was born on Feb. 23, 1895 in Moscow, Kentucky to Thomas and Amelia Jackson. During his life he was employed as a clerk by the McCord Radiator Company in Detroit.

In death Mr. Jackson leaves his wife, Effie. Other survivors include three daughters and two sons. They are Mrs. Donna Ruslow of Northville, Mrs. Christine Stockton of Detroit, Mrs. Wanda Lehnecker of Strongsville, Ohio, Louie Jackson of Hazel Park, Mr. Carl Jackson of Carrollton, Texas. He is also survived by one brother, Walter Jackson of St. Louis, and 11 grandchildren and one great grandchild.

The Reverend Charles F. Boeger of St. Paul's Lutheran Church officiated at the funeral ceremony. Burial was in the Rural Hill Cemetery.

WILLIAM J. SQUIRES

William J. Squires, 83, of 335 Eaton Drive died July 27 at Ridgewood Osteopathic Hospital. He had been ill for the past year.

Born November 25, 1885 in White Cloud, he was the son of Homer and Hester (Waldien) Squires. His wife, Oliva Anna, died November 24, 1968.

Mr. Squires moved from Plymouth to Northville in 1959. He had been employed by Pilgrim Steel Company of Plymouth.

He is survived by a daughter, Mrs. Joan Choate of Northville.

Funeral services were held July 30 at Casterline Funeral Home, with the Reverend Timothy C. Johnson of the First Presbyterian Church of Northville officiating.

Burial was in Glen Eden Cemetery.

Gregg B. Balko son of Mr. and Mrs. Elmer Balko of 744 Horton Avenue, is one of 28 young southeastern Michigan residents awarded Detroit Edison tuition grants for the first year of study at Michigan colleges. Gregg and the other recipients were selected by the college scholarship committees on the basis of scholarship ability, citizenship and participation in extra-curricular activities. Under the company-sponsored program, each freshman scholarship is renewable annually for students who maintain a "B" average. introduced to the staff.

Before an inmate joins the general population of 300, the Classification Committee studies her file and gives her a work assignment. She may be assigned to clerical, laundry, canning factory, sewing room, hospital work or food service. If she is not capable of work, she is put in the occupational therapy class.

The Friday before she joins the other inmates, she is issued seven outfits of clothes, according to the type of work she will be doing.

Blue jeans and green blouses or blue dresses are worn for work, checked dresses (each cottage having a different color to cut down on theft) for use in the sewing room and during free time. Shoes, underwear and linens are also given to the inmate. She may wear her own shoes, underwear, housecoat and pajamas if she wants, as "long as they are within reason and not too expensive."

Each woman is assigned a private room in one of the cottages. The cottages are kept "stable," so short-time women usually are in one cottage.

Every inmate must follow the rules. They are awakened at 7 a.m., eat breakfast, go to work, lunch, return to work and then home for dinner.

Free time is allowed after dinner until "lights out" at 10:30 p.m.

The inmates are expected to help with the upkeep of the cottage, flower and vegetable gardens and lawns.

A woman earns from 15 to 50 cents per day, according to her work assignment. Extra money can be earned by participating in research projects conducted by Parke-Davis, Dow Chemical and the University of Michigan.

The money earned can be saved, spent through mail order catalogues for clothes and room decorations or at the inmate store where each woman may spend up to \$10 per week.

The institution also has a beauty shop where women can learn cosmetology and have their hair done for about 20 cents. The women are encouraged not to have extremely short hair or long fingernails.

During orientation, each inmate is given an aptitude test. If she is found to have below fifth grade education (the average education among the inmates) she is required to attend school in the evenings.

The women may attend school and earn a high school diploma through classes taught voluntarily by 10 nurses. Currently 107 inmates attend classes. Typing and key punch also are taught. Key punching is done for the State of Michigan and the City of Detroit.

Each Sunday religious services are conducted by Catholic and Protestant chaplains, with weekly services held by the Salvation Army and Christian Scientists.

Sunday also is visiting day at DeHoCo. Each woman is allowed visiting privileges every two weeks, divided alphabetically. In the summer, families and friends may bring basket lunches and eat on the picnic grounds.

Coffee and soft drinks are available. No beverages may be brought from home because "spiked" lemonade and liquor in soft drinks has been found.

During the winter, visitors are met in the auditorium. Matrons supervise visiting periods to cut down on the chance of illegal goods entering the prison. Each inmate is searched before returning to her cottage.

There is no approved list of correspondents for an inmate, but out-going letters are limited to three per week. More may be written with inmate paying the postage.

Out-going mail is checked and each woman must insert a form giving the name and address of the person to whom she is writing and the relationship between the two.

No limit is put on in-coming mail.

SPEAKING for The Record

By BILL SLIGER

One of the national magazines featuring femininity uses the slogan "never underestimate the power of a woman" to help sell its pages to advertising agencies.

Somewhat the slogan came to mind as I enjoyed breakfast Monday morning as the guest of the Northville-Plymouth branch of the League of Women Voters at the Mayflower hotel.

I was invited along with Mayflower-owner Ralph Lorenz, Phil Power of the Observer, Plymouth Chamber Secretary Lewis Goddard and Russ Amerman and Russ Clarke of Northville.

What the Women have in mind is a fund drive. And after filling us with eggs, bacon, rolls and coffee they let it be known, ever-so-tactfully, that we had been selected as their "expert advisors" on how to raise money.

I must admit that Mrs. Howard Meyer had forewarned me. But she didn't tell me what a selling job her cohorts were capable of performing in the short time it takes to eat breakfast.

I'm not unfamiliar with the League of Women Voters. As a matter of fact, since their group organized in Northville and Plymouth I've noted that it has managed to gain more than the normal measure of space in area newspapers, including ours. Now I know how and why.

This is not a run-of-the-mill woman's club. Cards, flowers, recipes or small-talk are not their forte.

These girls, at least the ones that hosted our breakfast, are devoted to enlightenment of themselves and the public at large.

I've witnessed some of their representatives covering local city council, school and township board meetings, taking notes, listening intently. And I learned Monday that this information and a lot more, is being gathered and discussed by the local League. In addition they're studying the problem of financing education and several other local, state and national issues that should be better known to all persons, men and women, who vote.

They're enthusiastic, they're informed and they're dedicated to learning more and helping others become better informed.

Needless-to-say, their "expert advisors" accepted the invitation and by next fall we'll be helping; the local and national League of Women Voters—soon to be celebrating its fiftieth year—raise funds for a most worthy cause.

I've been convinced, and I hope you will be too, that every civic-minded citizen and organization should want to support the League of Women Voters. It helps us become better informed citizens. Their work benefits us all.

One more suggestion. The League could use more members. All you have to be to join is a woman and at least 21. Call Mrs. Meyer, 349-3045.

It isn't true that City Attorney Phil Ogilvie is accepting appointments to give diving lessons.

The rumor started last week at the Swim Club when he volunteered to instruct a small boy in the art of diving from the side of the pool. Ogilvie forgot that he was giving his lesson at the shallow end.

The dive was perfect, but the stop was sudden. It only required a few stitches on top of his scalp.

Chamber of Commerce President Bob Webber had better luck in the role of an "expert."

As one of the guests of Northville Downs on "Chamber of Commerce Night" last week, Webber decided to show his wife Betty how to win a fast buck at the windows.

After long study of the program Webber picked the No. 5 horse. He ran to one of the windows, a little late and confused by the fact that he had never before placed a bet, and ended up at the \$5 win window.

"Give me one," Webber told the mutual man, meaning "one ticket." Naturally, the seller gave him a ticket on the No. 1 horse.

Webber returned to his seat and as the horses crossed the finish line—No. 1 well in the lead—he proudly produced his winning ticket, which netted a neat \$40 profit.

WHO ARE THEY? asked The Record in its centennial edition. The ink was still wet when two people called to identify the members of the "entire Northville high school." Both of them, Mrs. Pearl (Little) Dunn of Plymouth, niece of The Record's founder, and Ralph Gibson of Six Mile Road, said the picture was taken in 1902. They are identified in six rows, left to right, beginning at the top: Mark Willis, Ralph Gibson, Clyde Lewis, Charles Hamilton, Charles Gentz, Vernice Sanford and Evelyn Bryant (both teachers), Professor Charles Martin, Art Phillips, Ed Perrin, Ray Holcomb, and Lynn Northrop; fifth row, Roy Terrill, Pearl Little, Daisy Wood, Zenith Merritt, Paul Dubuar, Bessie Brown, Myrtle Brown, Harriet Skinner; fourth row, Genevieve Clark, Lilla Dolph, and Erma Greer; third row, Mary Sleater, William Sleater, and Lida Richardson; second row, Estelle Angell, Elbridge Lapham, Susie Dandison, Shirley Timham, Louise Joslin, and Lucille Clarks; front row, Ethel Scott, Mary Holt, Minnie Gayle, Mabel Harrington, (Gert) Wilkinson, Berdie Johnson, and Essie Shotwell.

To the Editor:
Received The Centennial Record which is really outstanding and it brought back memories of 1942-1948 when we once lived in Northville. I knew many of the people mentioned in the history of Northville. Thank you so much for The Centennial Record. I remain yours truly
Mrs. Carl Gasper

To the Editor:
You are to be commended for the Centennial Edition of the Northville Record!

Novi Police Officer Kidnapped

ONE YEAR AGO...

Five North Lyon youths kidnaped a Novi police officer Tuesday afternoon and held him captive at gunpoint until a South Lyon officer and state police officers finally seized the weapon. Novi Officer Robert Starnes was overwhelmed by the youths when he stopped them in their red convertible as they threw beer bottles out of their car.

Northville Downs closed its 54-night Silver Anniversary season—a favorite to set a new record for mutual handle. While betting was up 11.1 percent over the previous years, attendance showed a modest increase of 3.3 percent.

FIVE YEARS AGO...

The Northville school board took its first step in consideration of a new elementary school when interviews were conducted with six architectural firms.

The Gulf Oil Corporation, one of the world's largest oil producers, announced that Novi would soon rank as a major petroleum redistribution center in the United States. Construction began on July 21 as a step toward Gulf plans to pump about \$1 million into a 23-acre tank field facility on Grand River near Seelye Road.

After more than two years of vacancy the former Community General (Sessions) Hospital was to be re-opened as a nursing and convalescent home. The building, undergoing complete renovation, had been purchased by Dr. E. T. Capuzzi, William Fenkell and William Jacobs.

A large number of candidates were stumping for State Legislative, State Senate and U. S. Congressional District seats in the Northville-Nowi-Wixom area.

FIFTEEN YEARS AGO...
Frank LaSalle Thompson, a

member of one of Northville's pioneer families, died Saturday at Atchison Memorial Hospital—two weeks before his 84th birthday. Mr. Thompson, who was born August 6, 1870, in Novi Township, to Edwin and Eleanor Thompson, spent most of his life in and around Northville.

Chick Harbert, genial professional at Northville's Meadowbrook Country club, was the newly crowned King of professional golfing ranks—National PGA champion.

25 YEARS AGO...

President M. J. Kaldyke of the Northville Exchange Club, announced working committees for the ensuing six months.

Tuesday evening saw the first game played in the new Summer Soft Ball League at Ford Field. Teams which opened the season represented Petz Brothers and Twin Pines, with the

"Police were here today," she said tossing the words over her shoulder while squeezing out a diaper at the kitchen sink. "I called 'em," she added quickly.

Washing diapers has never really fascinated me. As a matter of fact I've found this kitchen recipe a little repulsive. Nevertheless, this time the art had me hanging in suspense, and it occurred to me to pose a question.

"Why, pray tell me, did you call the police? And don't you dare tell me someone robbed the place. You and I both know a thief would starve to death on pickin's in this house."

"Oh, nothing that serious, silly. It's just that Jim came running in to tell me that Joey had been bitten by a water moccasin."

Suddenly, diaper washing was no longer interesting.

"What! Good gracious, woman, a water moccasin?"

"Not really," she said. "Well, was he or wasn't he?"

Whereupon she delivered herself of this story: The boys had been "down at the creek again, catching frogs and things" as is their habit when Jim came bursting into the house screaming that Joe had been bitten by a water moccasin.

His revelation scared the dickens out of my wife, who envisioned her youngest son convulsing on the creek bed with a ballooning leg. When she asked the whereabouts of the victim, the runner of bad news said, "Oh, he's coming along."

And, sure enough, along comes Joe, clutching a dirt-crusted paw that bore the telltale marks.

Frantic, it occurred to her to grab the snakebite kit but, such countermeasures being uncommon in our medicine chest, she thought next of calling her blood-fearing husband. Recalling his propensity for violence, she decided instead to call the police. "I don't know why, I just did."

The good policeman arrived shortly, quizzed the tight-lipped victim, examined the snake ("we killed it," explained Jim, "so we could have it tested for rabies"), and pronounced it harmless.

"And do you know," she said, "he hardly spoke a word all the while. Then after the policeman's gone and I'd stopped shaking he says to me, 'Don't that policeman think I know anything—I could have told him it wasn't poisonous right from the start.'"

The art of washing diapers may not be fascinating but it beats watching television.

Why Not 'Northville Day at Maybury?'

Si Quæris Peninsulam Amoenam Circumspice. An adaptation of Michigan's state motto, translated "If you seek a pleasant peninsula, look about you", can be made in Northville: "If you seek nature's pleasant, untouched beauty, look about you."

Northville need not look far. The area lying west of Beck Road, bounded by Seven and Eight Mile roads, offers as much beauty as some of our favorite Northern Michigan haunts. It offers stately pines and hardwoods, leafy shrubs, swamps and shallow lake, stream and icy springs, deer and squirrels.

The Record believes it is the finest remaining natural beauty spot in Northville.

So do others. But for most Northville area residents the Maybury Sanatorium property—if they know where it is—represents unseen buildings where people are treated for tuberculosis. That the area may contain a piece of Northern Michigan is for them an unlikely fairytale.

Recent talk by public officials of possibly purchasing part of the property for recreation couldn't interest them less except that, perhaps, they are concerned that such talk "is just another wild scheme" for spending their tax dollars.

We have tramped the property and, frankly, the natural beauty of it alone convinces us that purchase of at least a good portion of it would be a worthy investment.

We are equally sure that many others—adults, teens, and children—would share our enthusiasm if they could see the property themselves. That is why we urge the city—AND township officials to endorse a plan of the recreation department to conduct a public tour of the property so that our citizens can make their own judgments.

Why not a "Northville Day at Maybury"?

UNTAPPED BEAUTY—Tucked away behind the vacant and dying children's cottages (at left and right) at Maybury is a natural beauty unsurpassed in the Northville area. At top left city officials follow a winding path through a portion of the property. Above an icy spring flows constantly.

ORDINANCE NO. 18.128

AN ORDINANCE TO AMEND ORDINANCE NO. 18, KNOWN AS THE ZONING ORDINANCE OF THE CITY OF NOVI, AND ORDINANCES AMENDING ORDINANCE NO. 18.

THE CITY OF NOVI ORDAINS:

PART I. That Article III, Section 3.14, be amended to read as follows: 3.14 ESSENTIAL SERVICES - Essential services serving the City of Novi shall be permitted as authorized and regulated by law and Ordinance of the City of Novi. Overhead or underground lines and necessary poles and towers to be erected to service primarily those areas beyond the City shall require the review and approval, after a public hearing of the Board of Appeals. Such review of the Board of Appeals shall consider abutting property and uses as they relate to easements, rights-of-way, overhead lines, poles and towers and further, shall consider injurious effects on property abutting or adjacent thereto and on the orderly appearance of the City. A building permit shall be required for any such construction.

PART II SEVERABILITY CLAUSE. Should any section, clause or provision of this Amending Ordinance be declared by the Court to be invalid, the same shall not affect the validity of the remaining portions of such section or of this Ordinance or part thereof other than the part so declared to be invalid.

PART III. CONFLICTING PROVISIONS REPEALED. Any Ordinance or parts of Ordinances in conflict herewith are hereby repealed.

PART IV. This amendment to the Zoning Ordinance dated October 10, 1969, as amended, shall become operative and effective ten (10) days after the passage thereof by the City Council of the City of Novi, publication of the same to be by the provisions of Section 7.5 (c) of the Charter of the City of Novi.

Made, passed and adopted by the City Council of the City of Novi, Michigan, this 28 day of July AD, 1969.

(s) Joseph Crupi Mayor Mabel Ash Clerk

I, Mabel Ash, Clerk of the City of Novi, do hereby certify that the above Ordinance was approved and adopted by the Novi City Council at a Special Meeting thereof, duly called and held on this 28 day of July A.D., 1969, and was ordered to be given publication in the manner prescribed by law.

Reef So Close But...

Dreams of dethroning defending Free Press League champion Redford Township became a wait-until-next-year proposition for Manager Dick Willing's Reef Manufacturing of Northville last week as the local team lost a crucial 2-1 playoff opener before falling 9-4 in a contest Friday which decided the title.

In the opener last week Wednesday, Reef out-hit Redford 5-4 and briefly held a 1-0 lead before being overcome by a fourth-inning rally. The initial victory allowed Redford, the league's second round winner, to maintain its late-season surge culminated by its 9-4 decision Friday at High School Field.

Originally, the Livonia Parks & Recreation Department had planned to begin the playoff last week Wednesday with the second game slated for Sunday. However, within the week of the series it was announced that the second game would be played Friday.

The playoff concluded an outstanding season for Willing's squad as it surprised many suburban fans with a 9-1 first round showing. Reef was particularly impressive winning its first nine games before dropping a decision the day it claimed the title but the second half it was all Redford with its tourney savvy apparently contributing during crucial moments along its way to the championship.

The season seemingly will establish Northville as a contender in the league which has been traditionally dominated by the Livonia-Redford entries. The playoff's opener, played at Thurston, matched Reef's Fred Holdsworth against Dale Bjerkie of Redford in a pitching duel resulting in five scoreless innings.

Holdsworth finished the contest with six strikeouts and no walks while Bjerkie had seven by strikes and three bases-on-balls.

Singles by Terry Mills and Jeff Taylor in the third inning got Reef off to a 1-0 lead before Redford combined two singles and an error for two runs in the fourth. Neither team scored during the final three innings.

Holdsworth also led the local team's attack with a triple.

On Friday at the high school, Redford turned 13 hits into nine runs while a fourth-inning rally in the last frame by Reef was too little, too late.

Jeff Taylor got the assignment on the mound and struck out six while walking three over the seven innings. Catcher Pat Cayley had two doubles at bat and teammate Bill White tripled.

The local team's four-run seventh inning was capped by a home run by Terry Mills.

Reef's offense was held to a 1-0 lead by Redford's pitching staff in the eighth and ninth innings. The contest was a 1-0 victory for Redford.

Reef's offense was held to a 1-0 lead by Redford's pitching staff in the eighth and ninth innings. The contest was a 1-0 victory for Redford.

Reef's offense was held to a 1-0 lead by Redford's pitching staff in the eighth and ninth innings. The contest was a 1-0 victory for Redford.

included a single by Stan Nirider, an error, one of Cayley's doubles and White's triple plus a sacrifice.

The combination of its 9-1 first round and a 3-5 performance in the last half along with the two defeats in the playoff gives Reef a 12-8 mark for the season.

Drop Three, Now 5-20 Week Dismal Experience For Slumping Merchants

Bad was the week that was for the Northville Merchants in the Stan Musial Baseball League.

Manager Bill Primeau's squad dropped all three decisions last week - the last of which was a disappointing 11-10 loss in extra-innings to Livonia's Village Rambler. The Merchants previously had lost, 5-1, to Redford Township and 10-1 at the hands of league-leading Hubert Realty of Livonia.

Now 5-20 for the season, the Merchants were to play Rambler again on Monday and Plymouth K of C yesterday (Wednesday) before meeting Redford on Sunday at Thurston. Game time is slated for 3:30 p.m.

The local team is scheduled to close its regular season on Monday in a contest with Rambler at Henry Ford Field beginning at 8:30 p.m.

Last week Monday the Merchants show a one-run lead vanish as Redford came-from-behind capitalizing on several errors to win, 5-1. The local team was handed setbacks by Hubert (10-1) and Rambler (11-10) in a doubleheader Sunday.

Sunday's loss to Rambler was a heartbreaker as the Merchants spent a seven run lead with three errors in the sixth for four runs and then added a run in the seventh for its 5-1 victory.

Diemer pitched for Northville and had four strikeouts and two walks. Fox and Holman each had two singles.

THIS WEEK'S GAMES Sunday: Merchants vs. Redford at Thurston - 3:30 p.m. Monday: Merchants vs. Rambler at Henry Ford - 8:30 p.m.

(LAST WEEK MONDAY) Redford 0 0 0 0 1 - 5-22 Merchants 0 0 1 0 0 - 1-55 BATTERIES - Berryman, Krumm and Bothwell; Diemer and Schaffer, Klitz (4).

(SUNDAY'S FIRST) Merchants 0 0 0 1 0 - 1-14 Hubert 3 4 0 2 X - 10-6 BATTERIES - Svenson and Schaffer; Ziegler and Krupinski.

to account for the Merchants' safeties. Harry Svenson pitched for the local team and struck out three while walking eight.

The Merchants-Redford game last week Wednesday saw the local team take a 1-0 lead in the fourth on singles by Chris Holman and Gary Fox and a sacrifice fly. But Redford combined two singles with three errors in the sixth for four runs and then added a run in the seventh for its 5-1 victory.

Diemer pitched for Northville and had four strikeouts and two walks. Fox and Holman each had two singles.

THIS WEEK'S GAMES Sunday: Merchants vs. Redford at Thurston - 3:30 p.m. Monday: Merchants vs. Rambler at Henry Ford - 8:30 p.m.

Holdsworth Just Perfect Mackers Win League Championship

MEMBERS OF THE champion Reef Manufacturing Mackers, catching a breath after Tuesday's victory, are standing (left to right): Coach Art Adams, Jeff Taylor, Stan Nirider, Steve Utley, Bernie Bach, Pat Cayley, Coach Dick Willing and Jan Reef, sponsor. In front are Tom Singer, Rick Adams, Terry Mills, Fred Holdsworth and Rich LaRue. The team begins Connie Mack district tournaments Saturday at Ann Arbor.

City 'Nine' Persists In March for Title

If the sun's out and the Reef Manufacturing of Northville Mackers shine, they could claim the Livonia Connie Mack League championship this week and head to Ann Arbor for the beginning of district tournament competition Saturday.

Manager Art Adams' 'club' last week defeated Plymouth K of C, 3-2, and Stevenson Spartans 6-0, extending its win string to five and seven in the last eight attempts. The Mackers, re-scheduled to play Redford Big Boy

on Tuesday in a contest which will decide the title, are now 11-3-1 for the season.

The Reef - Big Boy game was originally slated for last Thursday but the threat of bad weather and a mix-up caused it to be postponed.

Last week Tuesday's encounter with Plymouth was highlighted by the long ball with catcher Pat Cayley and Stan Nirider swatting homers.

Jeff Taylor held the Knights to five hits as he struck out eight and walked two.

Plymouth tallied once in the fourth and after the Mackers tied the count in the fifth, it added a run to take a 2-1 advantage. But Nirider connected with teammate Fred Holdsworth on base in the sixth for the decisive runs - Cayley's homer was a solo blast in the fifth.

The homers were the third of the season for both Cayley and Nirider. Holdsworth also had a double in the contest.

Literally it was a perfect one "best" through with many not-so-goods. Winning is what it's about and championships aren't given away.

But then there's Art Adams and Dick Willings and Jan Reef and all you've got to do is ask one of the youngsters about "the Coach" or "Mr. Reef" and they'll tell you how important to them it is to be able to play and to have someone help you play well and learn the lessons the game has to teach.

It wasn't an easy road. It wasn't a matter of leading the league all season and coasting home. It wasn't a matter of loading up with talent from several school districts and overwhelming the less fortunate.

It was a matter of taking your guys - your team - and doing the best with what you had convinced that your best was the way you have to play the game if you're going to play at all.

Connie Mack Champs

MEMBERS OF THE champion Reef Manufacturing Mackers, catching a breath after Tuesday's victory, are standing (left to right): Coach Art Adams, Jeff Taylor, Stan Nirider, Steve Utley, Bernie Bach, Pat Cayley, Coach Dick Willing and Jan Reef, sponsor. In front are Tom Singer, Rick Adams, Terry Mills, Fred Holdsworth and Rich LaRue. The team begins Connie Mack district tournaments Saturday at Ann Arbor.

City 'Nine' Persists In March for Title

If the sun's out and the Reef Manufacturing of Northville Mackers shine, they could claim the Livonia Connie Mack League championship this week and head to Ann Arbor for the beginning of district tournament competition Saturday.

Manager Art Adams' 'club' last week defeated Plymouth K of C, 3-2, and Stevenson Spartans 6-0, extending its win string to five and seven in the last eight attempts. The Mackers, re-scheduled to play Redford Big Boy

on Tuesday in a contest which will decide the title, are now 11-3-1 for the season.

The Reef - Big Boy game was originally slated for last Thursday but the threat of bad weather and a mix-up caused it to be postponed.

Last week Tuesday's encounter with Plymouth was highlighted by the long ball with catcher Pat Cayley and Stan Nirider swatting homers.

Jeff Taylor held the Knights to five hits as he struck out eight and walked two.

Plymouth tallied once in the fourth and after the Mackers tied the count in the fifth, it added a run to take a 2-1 advantage. But Nirider connected with teammate Fred Holdsworth on base in the sixth for the decisive runs - Cayley's homer was a solo blast in the fifth.

The homers were the third of the season for both Cayley and Nirider. Holdsworth also had a double in the contest.

Lanky righthander pitcher Fred Holdsworth all season long and Tuesday with a Connie Mack League title riding on the outcome, he was.

Holdsworth's perfect game from the mound - including eight strikeouts and, of course, no walks - combined with batterymate Pat Cayley's big bat and some exceptional defense by the team mates powered Reef Manufacturing of Northville Mackers to an impressive 2-0 victory over visiting Redford Big Boy and onto district tournament competition in Ann Arbor-Ypsilanti.

The contest, played at High School Field before about 100 people, was a makeup of one weathered-out last Thursday and decided a Livonia Connie Mack League title for Manager Art Adams' Mackers.

Reef was in contention for the championship all season but held first place only since the weekend as Stevenson Spartans and Big Boy couldn't come up with crucial decisions.

"We just played a perfect game tonight," Adams observed afterwards. "Our defense was superb."

The Mackers open district tournament play Saturday in Ann Arbor when they meet Wayne in a contest to begin at 6 p.m. The game is to be played at Veterans Memorial Park in the northwest section of the city.

The tournament is to continue Sunday with sites and pairings to be announced. It's a double-elimination affair with the winner advancing to Marshall.

Holdsworth, outstanding all season in Free Press League and Connie Mack play, sparked Tuesday despite a sore arm. The Mackers scored in the first inning as Terry Mills doubled, went to second on a sacrifice and scored on a passed ball.

Then Cayley boomed out his fourth homer of the season in the second frame to conclude the game's scoring. Big Boy's Ron Munson and Holdsworth dueling over the last five innings without any scoring and only one hit - Steve Utley's second-inning single - the remainder of the way.

League, respectively, sacrificed time that other men selfishly keep to themselves and Mr. Reef wasn't a sponsor who just paid the way, he cared and made it obvious.

And the players - where do you start and where do you stop? The beauty is that once you start giving credit you can't stop because everyone played a part and you can't separate those parts from the whole when you're talking "team."

Everybody likes a winner but few winners are champions. And we've got champions.

Lack of Board Quorum Forces Delay of School Plan Approval

Lack of a quorum forced the Northville School Board to open and close the meeting in one breath Monday night.

The agenda was adjourned until August 11, the next regular board meeting.

Final approval of preliminary plans for Amerman Elementary is expected at that meeting.

An informal discussion of the proposed school addition plans took place with architects from Ralls, Hamill, Becker Associates. A handful of interested citizens, board members Richard Martin, Andrew Orphan and Stanley Johnston, Superintendent Raymond Spear and Business Manager Earl Busard reviewed the plans.

Architects presented a revised plan for Amerman Elementary. The multi-purpose room has been reduced in size to 4,480 square feet, a size felt to be more than adequate.

The board had surveyed multi-purpose rooms in area school districts before deciding on the size.

The Board is expected to give approval to the plan at the August 11 meeting.

In a progress report on the plans for Moraine Elementary, the architect said the folding walls in the octagonal classroom addition have been rearranged. The present design allows four rooms to be opened up into one large group instruction area.

Ensemble and practice rooms in the band room at Cook Junior High have been moved to allow easy access from the hall without going through the band room.

Revisions in the senior high school plan are continuing. Monday's discussion favored grouping classrooms of each department into one area.

The architect is expected to have a comparison of costs on the original plans and the revised plan for the senior high August 11.

Plans for the remodeling of Main Street Elementary include adding a second kindergarten and making one large group instruction room out of two existing rooms.

Additional restrooms will be added on the second floor. The office will be moved to the first floor with the teachers' room going into the old office area. These are just a few of the changes.

Spear told the group the inside of Main Street has been completely repainted.

The architect requested permission to begin soil borings at Amerman Elementary to determine the type of footings needed for the addition.

Action on the proposed school district budget for the 1969-70 school year will be taken at the August 11 meeting.

at 20348 Lexington Boulevard. The incident occurred in the early morning hours Monday.

Officers found tire tracks at the scene and are still investigating.

Beulah Elison, 562 Baseline Road, told police her apartment had been ransacked early Sunday morning.

Shortly after 4 a.m., investigating officers found the front door jimmied, a bedroom window broken, furniture overturned, pictures and dishes broken and jewelry missing valued at \$60.

Joseph S. Smalley, Garden City, reported he was the victim of a pickpocket Saturday night at the Downs. A wallet containing \$170 and credentials was taken.

The same evening Jack E. Skitch, Royal Oak, had \$78 stolen by a pickpocket at the Downs, Ernest L. Hopson, Dearborn reported a \$90 social security check was stolen at the Downs the same evening.

A battery was taken from a car owned by Milton L. Bronson, Montrose, while parked at the Downs Saturday night.

Donald A. Mohlman, Detroit, reported the battery from his car was stolen and cables cut July 24. He had parked the car on Hines Drive while he attended the races.

Eight-year-old Tammie Jean Lewis was bitten by a dog July 22 in Barn "L" at the Downs. She was treated by Dr. L.W. Snow for bites on the upper left arm. The owner of the dog, Odie Boring, Adrian, was not ticketed.

Joel Hoffman, 8, of 573 Langfield was bitten by a snake July 23. The snake was not poisonous and no treatment was required.

Two men drew jail sentences and four paid a total of \$187 in fines July 22 in Judge Dunbar Davis's 35th District Court.

Thomas A. McGuire, Detroit, was sentenced to 30 days in the Detroit House of Correction for vagrancy and begging.

Thomas R. Adams, Redford Township, was sentenced to eight days in DeHoCo for drunkenness.

A Detroit man, William C. Drozdowski, was fined \$53 for drunkenness.

Charges of disorderly conduct drew fines of \$48 for Martin W. Nash, Grand Lodge, and Elzona P. Bannister, Middleville.

Danny W. Cone, Westland, charged with violation of the financial responsibility act, was fined \$38.

Stanley Edward Dunlow, no permanent address, arrested July 25 for drunkenness, pled guilty to the charge in court July 26. He was sentenced to three days in jail, a period he served in the Northville jail.

After a pre-sentence investigation, Alvin Dudley, 46056 Sunset, was fined \$38 for drunkenness.

FROG LEG SPECIAL - If 13-year-old Gary Gooch liked frog legs (he doesn't) he'd be in for an extra treat this week. Gary and "a pal" went froggin' Friday in the branch of the Rouge River and came back with eight beaus, including this small fella that sported five legs instead of the conventional four. Gary, who lives at 430 North Center Street, said he'd "probably" let his captives go. But if anyone knows of a frog leaper contest coming up, let him know. He might change his mind.

Police & Courts

City of Novi Police arrested James Michael Campbell, 33, of Windsor, Ont. last Thursday on charges of carrying a concealed weapon.

Campbell, driving a car which Farmington Township Police had issued a lookout for, was stopped at Novi Road and Eight Mile Road where he allegedly was in possession of a .25 caliber pistol.

A missing car owned by Richard McCordle of Howell was found by City of Novi Police last week Tuesday destroyed by fire on Meadowbrook Road.

The 1968 model sports car reportedly had been stolen the same day from the parking lot of Dave's Hamburgers, 43410 Grand River Avenue. The case remains under investigation by police.

Barbara J. Blanton, Westland, was ticketed for failure to yield causing an accident after the car she was driving collided with another vehicle Thursday night.

The accident occurred on North Wing and West Dunlap as Miss Blanton pulled from a stop sign into the path of a car driven by Mary S. Longeman, 224 Linden.

The Blanton car was damaged on the right rear side. Front end damage to the Longeman car was reported. There were no injuries.

A hit and run accident caused \$300 damage to a parked auto July 18. Richard Milello, Farmington, told police he parked his car in a driveway at 105 Baseline. When he returned he found another car had struck the car in the rear, pushing it into rocks stacked on the driveway.

Damage amounting to \$75 was reported at the lower grandstand area of the Downs on July 19. An unknown vehicle backed into a newspaper rack and an "I" support beam.

Vandals damaged two front lawns and a tree when they drove a car across the lawns July 24.

Mrs. Eugene Flannigan, 330 Hill St., told police she was awakened at 1 a.m. by a noise outside. She saw a car drive across the lawn and back onto Hill.

The same evening, Mrs. John Steimel, 488 Hill, told police an auto drove across the lawn damaging sod and a large tree.

Investigators officers found the tracks leading from Hill Street, across the lawn and exit on Novi Street. Another set of tracks showed the car was driven twice across the lawn.

New Bell Complex Ready for Disaster

The new Plymouth long distance switching center is virtually a small, self-contained city.

Robert E. Morrison, district switching systems manager, estimates

The primary function of the building is to house a huge long distance switching machine that will handle the long distance calling needs of more than 370,000 telephone customers in the area.

Later this year the installation of 124 consoles of a new Traffic Service Position Systems (TSPS) will begin.

These new cordless positions feature pushbutton operation and will gradually replace conventional switchboards in the future.

By 1971, the Plymouth building will house about 400 employees, including several hundred additional operators and some Fort division administrative personnel.

Included in the building at 1360 Ann Arbor Road near Sheldon Road are a kitchen and cafeteria. Sufficient provisions will be kept on hand to last two weeks, and longer with rationing.

The building, measuring 204 by 156 feet, contains 118,000 square feet of space.

The entire switching system project, including long distance circuitry and connecting cable, represents an expenditure of nearly \$25 million. The project is the largest single investment to date by Michigan Bell and the second switching system of its kind in the nation.

On a very interesting centennial issue. Everyone I have talked to had a very favorable impression of the paper. The only problem I had was in identifying the younger versions of such prominent persons as Russ Clarke, Phil Ogilvie, Jack Stubenwolf, etc.

Congratulations again and very best regards.

Sincerely,
Paul
Vice President.

On behalf of the entire blood bank committee of Novi, I would like to thank you for your co-operation in aiding the public in knowing of the blood bank drive.

Please convey our appreciation to all those who printed and ran off the copies of the paper. Here's wishing you continued success in your centennial year. If I can be of any service, please feel free to contact my office.

Sincerely yours,
R.J. Stiles, D.C.

Fishing Provides Ups and Downs

The Kent Lake section offers swimming, picnicking, along with canoe rentals, swimming in a designated area under supervision of a life guard, four parking lots, a bathroom, concession booth, boat dock and picnic areas.

Boats may also be rented by the day or hour. There is a deposit of \$5, plus a charge of 50 cents per hour on weekends, 75 cents per hour on weekdays and holidays. There is a two-hour minimum, and life preservers rent at 25 cents each.

"According to Paul Wigg, park supervisor, the best fishing may be found at the foot of the dam, constructed by the Huron-Clinton Metropolitan Authority, yet located on state land at the southwestern end of Kent Lake. There, Wigg says, there are black bass, croppies and blue gills, and of course, sun fish.

It's a popular fishing spot, however, with as many as 60 persons angling for big ones on any summer weekend. Fishing further down stream and in Kent Lake bring happy results also, but not as consistently as at the dam base, Wigg advises.

While boats may only be used near Kent Lake, canoes may be taken downstream through the recreation area - all six miles of it - and on down river to the point where the Huron River empties into Lake Erie.

Pick-up service is provided, but there's a charge for it, 25 cents per mile for individuals and within the park, \$2.50 to \$5.50 for groups of eight canoes.

Six miles of the Huron River course through the park's rolling hills, farm land, and woodlands, beginning at Kent Lake near the northeastern edge and terminating at Old U.S. 23 on the southwest.

By canoe is perhaps the most scenic way to travel from one end of the park to the other. Canoes may be rented at Kent Lake at a cost of \$6 per day for weekends and holidays, \$5 per day during week days, or for \$1 per hour.

Boats may also be rented by the day or hour. There is a deposit of \$5, plus a charge of 50 cents per hour on weekends, 75 cents per hour on weekdays and holidays. There is a two-hour minimum, and life preservers rent at 25 cents each.

"According to Paul Wigg, park supervisor, the best fishing may be found at the foot of the dam, constructed by the Huron-Clinton Metropolitan Authority, yet located on state land at the southwestern end of Kent Lake. There, Wigg says, there are black bass, croppies and blue gills, and of course, sun fish.

It's a popular fishing spot, however, with as many as 60 persons angling for big ones on any summer weekend. Fishing further down stream and in Kent Lake bring happy results also, but not as consistently as at the dam base, Wigg advises.

While boats may only be used near Kent Lake, canoes may be taken downstream through the recreation area - all six miles of it - and on down river to the point where the Huron River empties into Lake Erie.

Pick-up service is provided, but there's a charge for it, 25 cents per mile for individuals and within the park, \$2.50 to \$5.50 for groups of eight canoes.

... Just Look About You

Island Lake Makes A Big Splash

The Island Lake State Recreation Area is an anomaly of sorts. Flanked by two major expressways - I-96 and U.S. 23 - it nonetheless is a controlled wilderness wonderland of over 3,150 acres which offers the nearby city resident a chance to enjoy what is popularly called "The Great Outdoors."

One of 74 state parks, which range in size from 45,000 to 50 acres, the recreation area near Brighton has two major beach and picnicking facilities, two "primitive camp grounds", an Outdoor Center for groups, canoe and boat rental. It is a haven for hiking birdwatching, and to a lesser extent, hunting and fishing.

Six miles of the Huron River course through the park's rolling hills, farm land, and woodlands, beginning at Kent Lake near the northeastern edge and terminating at Old U.S. 23 on the southwest.

By canoe is perhaps the most scenic way to travel from one end of the park to the other. Canoes may be rented at Kent Lake at a cost of \$6 per day for weekends and holidays, \$5 per day during week days, or for \$1 per hour.

The Kent Lake section offers swimming, picnicking, along with canoe rentals, swimming in a designated area under supervision of a life guard, four parking lots, a bathroom, concession booth, boat dock and picnic areas.

Boats may also be rented by the day or hour. There is a deposit of \$5, plus a charge of 50 cents per hour on weekends, 75 cents per hour on weekdays and holidays. There is a two-hour minimum, and life preservers rent at 25 cents each.

Spice Cabinet

SPICED PEACHES

1 can (1 lb. 13 oz.) BLANDED PEACHES
2 sticks (2-inches each) cinnamon
15 whole cloves
1 1/2 teaspoons cornstarch
2 ounces brandy

Drain juice from peaches into a saucepan. Add cinnamon and cloves. Bring to boiling point. Blend cornstarch with 1 tablespoon water and stir into juice. Cook until juice is clear and transparent. Add peaches and heat only until they are hot. Turn into a heatproof serving dish. Heat brandy and pour over the fruit. Ignite and bring to table flaming. Serve as dessert. Six portions.

TOSSED MUSHROOM SALAD

3 cups shredded lettuce
1/2 pound (2 1/2 c.) fresh, sliced mushrooms
1/2 cucumber, peeled and sliced
6 cherry tomatoes, halved
1/4 cup sliced scallions
1/4 teaspoon Italian seasoning
1/4 cup bottled low calorie Italian salad dressing
Combine lettuce, mushrooms, cucumbers, tomatoes, scallions and Italian dressing in a salad bowl. Pour Italian salad dressing over all. Toss gently. Six portions.

ARTICHOKES WITH WHIPPED BACON BUTTER

4 artichokes, prepared as directed
1/2 cup butter, softened
1/2 cup heavy cream
1/2 teaspoon onion powder
1/4 teaspoon each: dry mustard, thyme
4 slices bacon, cooked crisp and crumbled
Paprika

Cream butter until light and fluffy; gradually beat in cream. Stir in onion powder, mustard, thyme and bacon. Sprinkle with paprika. Serve as dip with hot artichokes. Four servings.

PARTY CELERY DIP

1 pound cream-style cottage cheese
1/2 cup finely chopped celery
2 tablespoons finely chopped fresh chives
1/2 cup minced green pepper
1/4 cup finely grated carrot
Celery sticks
Combine cottage cheese and seasoned salt; beat well with electric mixer. Stir chopped celery, chives, green pepper and carrot into cottage cheese. Chill. Serve as a dip with celery sticks. Makes about 2 1/2 cups dip.

FIX-IT TIP

Intend to hire a painter to do the interior of your home? Save him some time and yourself some money by taking down all curtains, blinds and wall decorations. Dust the walls and windows, or wash them if there is an accumulation of grease or grime. Move all furnishings to the center of the room where they can be covered with protective drop cloths.

It is sometimes necessary, when replacing or fitting window glass, to tap the pane to loosen it or push it into place. A rubber crutch tip slipped over the handle of your putty knife will enable you to do this without the danger of breaking the glass.

Don't throw away screw-top jars. Instant coffee and peanut butter jars especially make wonderful storage containers for leftover paints. Be sure to fill the jars to the brim. Then screw the lid on tightly. By sealing out the air, you can keep your paint fresh until you're ready to use it again. The clear glass jars enable you to see exactly what color the paint is.

Make a disposable brush for those quick touch-up painting jobs by folding a small piece of cloth lengthwise several times, then attaching it to a piece of wood with a string or rubber band.

City Millage Cut, Tax Hike Seen

City officials are expected to announce a 10 percent millage cut and a 10 percent tax hike on property taxes. The city council is expected to meet on Monday night to discuss the proposal. The millage cut would reduce the city's revenue by \$1,000,000, while the tax hike would increase it by \$1,000,000. The net result would be a \$2,000,000 increase in revenue. The city council is expected to vote on the proposal on Tuesday night.

Wixom Beefs Up City Requirements For Multiples

Wixom city officials are expected to announce new requirements for multiple dwellings. The new requirements would require a minimum of 10 units per acre and a maximum of 20 units per acre. The city council is expected to meet on Monday night to discuss the proposal. The new requirements would increase the city's revenue by \$1,000,000.

from the Pastor's Study

Rev. Timothy C. Johnson
Assistant Pastor
First Presbyterian Church, Northville

Many people have travelled through Europe and on each trip a visit to one of the Gothic cathedrals is a "must." These beautiful and graceful buildings are unmatched in the grandeur of architecture. But a curious phenomenon exists: where are the people who were served by them? Many of these cathedrals have become monuments, marking the place where once upon a time a congregation worshipped God. Now they stand empty, except for the tourists.

Jesus said, "Whoever would save his life will lose it; whoever loses his life for my sake will find it." (Luke 9:24) Could it be that the cathedrals stand empty because their congregations failed to match outer renewal with inner, spiritual renewal? In our country spiritual renewal is at a low ebb. Church attendance, interest, and giving are down. And we are losing ground. Could it be that the words of Jesus, "whoever would save his life will lose it," hold some truth for us? If they, then what they say, then as churches and individuals seek to save our church life, we must be concerned with not just ourselves, but with others. Perhaps we have been misled into believing that success of parish life depends on budgets, buildings, bodies, and baptisms. We are seeking to find our life, by living too much to ourselves.

As long as our energies and programs seek to serve only ourselves, we shall never see a true renewal of church life. We may see some sterile re-organization. But for genuine renewal to take place we need to minister to people who are in need of love and attention. "Whoever loses his life for my sake will find it."

VITAL BRIDGE

Living on an island has its problems! Islands are just fine... until you run out of bread or need the refrigerator fixed. That's why we built this rustic bridge last summer. It's safer for the children than our old boat, and it links us with our neighbors if we or they need help in a hurry.

There is great need for another bridge these days... not of wood or stone, but of understanding between the world's people. "No man is an island..." We are all children of God, made in His image.

The Christian Church is the living bridge that seeks to unite men everywhere in the fellowship of Jesus Christ, the Prince of Peace. By supporting your church and striving to live by its teachings, you help to span the gulf of ignorance and fear that still separates us from our brothers.

Consumers May Combat High Prices

As the weather gets hotter, the economy could get cooler, says Dr. George Dike, Michigan State University agricultural economist.

MILK - New Class I price levels have been announced to become effective August 1. The new price will be \$6.62 per hundredweight in the Detroit area.

CATTLE - With a booming economy, and the kind of demand seen in June, high prices for choice slaughter steers could again reach \$35 to \$36 in Chicago in the last half of 1969.

EGGS - The rise in demand which we have been witnessing will probably continue into August and September helping to maintain prices at Chicago around \$23 to \$24 for 2 1/2 and 3 1/2.

EGGS - Prices paid by wholesale distributors in late June for Grade A large white eggs averaged about 35.5 cents in Detroit.

From July to September, U.S. farm egg prices are expected to average about 34 cents, 2.5 cents below the same months of the previous year.

BROILERS - Wholesale broiler prices in nine major cities are expected to average about 29 cents in the third quarter of 1969 - about 1/2 cent above July to September 1968.

TURKEYS - Wholesale turkey prices in the major marketing period of September through December are likely to be 36 to 37 cents.

CHERRIES AND APPLES - The USDA estimates the 1969 tart cherry crop in Michigan will be 110,000 tons compared to 100,000 tons in 1968.

SUNKIST LEMONS - The American Agricultural Marketing Association's Tart Cherry Division has asked 12.5 cents per pound for the 1969 crop.

APPLES - The 1969 state apple crop is being "guesstimated" at 14 million bushels.

APPLES - The 1969 state apple crop is being "guesstimated" at 14 million bushels. The National Apple Institute "guesstimates" total U.S. production will be 154 million bushels in 1969.

OFFICIAL NEWSPAPER OF THE CITY OF NOVI AND THE CITY OF WIXOM

On Division with Township City Anxious for Action

City of Novi Mayor Joseph Crupi promised on Monday that he personally will attempt to expedite appraisal of property and equipment as groundwork for a division of assets with newly-organized Novi Township.

Effective February 24, most of the former Novi Township was incorporated into the new City of Novi. However, property owners of eight parcels of land spotted throughout the area decided to remain as a township with the revised governments required by law to divide joint assets proportionately.

Crupi and Kalota reportedly have met on the issue and are apparently near in selecting appraisers. All jointly-owned property must be appraised and then divided proportionately with the new city expected to assume about 97 percent of the ownership.

Council Increases Rate of Meetings

The press of governmental affairs has forced the City of Novi Council to institute weekly meetings as a means of pacing the work load.

The council unanimously endorsed a proposal Monday to convene in weekly sessions until it "catches up" on pending matters.

They also observed that for councilmen who begin work early in the morning, a session that lingers into early-morning hours can be a hardship.

The council commonly suspends the rule of order and extends its session into the early-morning hours.

Decision Apparently Near for Position

Advertisements by the City of Novi for city manager, assessor and Department of Public Works' superintendent have resulted in a limited response with City Council apparently near a selection for the DPW post.

Reportedly four candidates have applied for the position in the Department of Public Works with two apparent finalists for the appointment.

Features Jumpers Gala Days Set For Next Week

The annual Novi Gala Days - featuring everything from games to parachute competition - will begin August 16, according to an announcement today by the Chamber of Commerce and Jaycees - joint sponsors of the two-day event.

Pioneer Meadows Eyed For Engineer's Study

An engineering study for streets in Pioneer Meadows Subdivision will be instituted by the City of Novi if residents of the area agree to assume its cost in excess of monies collected through road taxes.

Councilman David Harrison, a resident of the neighborhood, emphasized the subdivision's desire to have the streets engineered so that future improvements can be coordinated.

The Jaycee Auxiliary reportedly has arranged to have health testing units at Gala Days offering individuals the opportunity to be examined for hearing, speech, diabetic or heart ailments.

Novi Road Crash Injures Two

TWO WOMEN were in fair condition Wednesday at Farmington's Botsford Hospital after the car in which they were riding collided with a semi-dump truck Tuesday. The accident occurred at Ten Mile and Novi Roads.

hit them broadside, according to police. Barnes, reportedly unable to see the signal because of another car blocking his view, pulled into the right lane, hitting the car, police said.

Sex Education Topic Of Varying Popularity

The subject is now a common one - if not a popular one - for area school administrators, traditionally common and popular for students and apparently uncommon amongst adults.

The subject is sex education - more specifically, a formal program in schools on sex - with citizens from area districts seemingly in favor of maintaining a status quo of "yes, we have no program" or reluctant to express their favor for change.

Northville Public Schools' Superintendent Raymond Spear sums up the administrator's position: "It's the parents' right to say what we teach; it's the educator's right to say how."

Administrators at Northville, Novi, Brighton and South Lyon public schools report that they have no sex education program as such although the subject is considered in relation with other courses such as biology, physical education, etc.

Other administrators explain that materials for teaching in sex education have undergone radical changes in recent years and that few educators feel qualified to teach a subject which

"Before anything is done in this area, it will go before the board," he observed. "The board authorized our involvement in this study."

Corresponding to a trend statewide, the subject presently is common at school board and parent association meetings oftentimes causes people to squirm in their seats wishing that somehow the matter could be

resolved without any person having to resolve it. School board members seemingly would like an administrator to bail them out on the issue while administrators seek some policy direction from their boards.

Brighton Public Schools recently completed - and abandoned - a pilot program in sex education for its middle school and just recently handed down a "let's wait and see" directive to its new superintendent, Robert Lone. The program was for a select group of sixth, seventh and eighth graders with administrators maintaining contact with parents in order to measure results and reactions.
