

# Assessment Roll for the Township of Orion

~~200~~ No more than one tract or parcel is to be beluded or taxed on the same line. Two descriptions *must not be joined* in one valuation or tax unless contiguous and owned and occupied as one. A parcel of land described in the government survey by lot number must be so assessed. The description of all lands in each town and range should be carefully written. In the case of platted land, the name of the plat must be given in full at the head of all descriptions included. If the name of the owner is not known, it should be assessed as "Owner Unknown." Enter the amount of any *Reassessment with red ink*, in the column of taxes to which it belongs, *above* the tax for the year for which this roll is used, and in the column for "Remarks" opposite each. The Valuation of Personal Property must be in a different column, and the taxes thereon entered on a different line from the Real Property. The name of each special tax must be entered at the head of the column in which it is placed. Supervisors will make no entry in column 10.
