THE LESSON OF THE OAK
Within the wood are many trees
And some are big and tall
With branches swaying in the breeze,
But one looks down on all;
It did not reach those beights sublime
With but a single stroke
It took long years of steady climb
To form the lofty oak.
That one small acorn in the ground
Could rise up strong and grand
Until it was a monarch crowned
Is bard to understand;
It did not sleep within the soil
Until great strengtb awoke,
But years of patient faithful toil
Brought out the sturdy oak,
'Tis true the little leaves we see, Which on their lofty beight
Add grace and beauty to the tree
May burst out overnight;
But they are born for one brief day,
As fir turns to smoke
They flourish, fade and pass away
Before the mighty oak.
The leafy branch is not the mark By which we judge the length, Nor is it just the outside bark Which gives the oak tree strength; We cannot measure real success
By grace or outward cloak . . .
It takes long years of faithfulness To grow a stalwart oak.
C. A. Lufburrow

While upon the teachers of today rests the responsibility of educating youth, upon school administrations rests the responsibility of supervising educational systems and planning for the school's future. Clarkston Community Schools Administration follows with preciseness the standards they have set to maintain a high level of education for the youth of Clarkston. Presenting an enterprising picture of efficiency, cooperation and organization, the Administration has maintained their goal of higher education and better educational facilities. With a new elementary school being planned for the near future, their duties will undoubtedly be made more difficult, but if met with the excellence of today's problems, the new ones of tomorrow will be taken in their stride.

Mr. George Barrie, Administrative Assistant, aids in the coordination of educational activities within the elementary schools of our system. Seen here in his office, he spends countless hours checking over new material that may be used in the education of Clarkston Elementary School students.

Mr. Floyd Vincent, Assistant to the Superintendent has countless duties to face each day. In his office at the Administration Building he supervises many various activities concerning the betterment of community schools, including those of buses, funds for the school, and new school sites.

Mrs. Hanson, girl's counselors, has belped many girls in time of need.

Choosing the right college is of the utmost importance to seniors. The counselors are always ready to go over all Michigan College bulletins at any time with the interested students.

Throughout four years of High School a student often needs someone to advise bim. Someone who is equipped to belp bim with bis problems concerning a carreet, a choice of a college, next year's schedule or even bis personal problems.

Who does be turn too? Our Counselors! Students know that the doors of Mrs. Hanson and Mr. Thomas are never shut to them.

Day after day they are there, ready to belp students with any problem that will arise. We truly owe them a sincere vote of thanks for their constant dedication and understanding for us.

Aiding the counselors with secretarial work are: (left to right) Jodie Strothers, Linda Quertermouse, Sandy Yingling, Gale Getzan, Bev Pike and Cindy Alexander.

Helping the Counselor's with their work of belping and guiding the students were six girls known as the "Counselor's Secretaries". These girls devoted one bour each day to typing up forms, running errands and just generally belping our Counselors.

Helping Mrs. Allen and Mrs. Weston with their daily office duties are: Linda Bordkorb, Gloria Bridges, Cricket Embrey, Louise Sexton, Jeanne McFarland, Donna Davis, Nina Brewer and Sue Hampshire.

Preparing report cards is only one of the tasks of Mrs. Allen as an office secretary.

The combined efforts of our two office secretaries, Dorothy Allen and Gwen Weston, went together to make this year successful. Day after day they worked co-ordinating the school procedures to make an efficient faculty and wellinformed student body.

Aiding four hours a week, six students gave up their spare time to work in the office. During this year they all worked toward making a school which we and others may look up to.

Mrs. Gwen Weston sorts the mail after it has been delivered.

In the following pages of our book we will show the many lessons which may be learned from four years of bigh scbool. During the years of our elementary and junior bigh schooling our teachers bave belped our parents to form the character and morals which we carry with us throughout our lives. But - in the high school years a student will turn more and more to someone besides his parents for advice and counsel. It is during these times that the high school teacher becomes not just a person who teaches us the basics of English and French, Business Math or Algebra, but someone who is always willing to listen to the problems plans and ideas of bis student.

This is why every bigh school student begins to show respect to bis teachers for other reasons than the threat of a whipping when be is bad.

Yet, not only respect but also a special kind of love and devotion for this person who has always been willing to spend some extra time with him is felt by each student for a special teacher who bas taken an interest in them.

It is with this love and devotion that we dedicate this section of our yearbook to those people who always make our memories from this portion of our lives worth remembering.

Our bus drivers are faced with a bard job, transporting sixty, yelling, restless students to and from school everyday, safely. At times it is quite difficult, because of weather, mechanical, or student problems. But, consistently they bring, unload and take bome, the students from school.

For this reason the bus drivers deserve much recognition.

Our bus drivers leave for their buses after a long wait at the high school.

Taking time out of their busy schedule to pose for a picture are our bus drivers: Sara Boggs, Eloise Beach, Marilyn Gauld, Norma Anne Ross, Doris Sunquist, Florence Blimpka, Leone McDonald, Helen Orr, Rose DeVar, Hazel Armstrong, Betty Prevo, Mary Russell, Elva Birchett, Lucille McDonald, Elaine Jones, Dorothy Samson, Audrey Pethers, Harris Pine, Raymond Cooper, Gladys Bates, Pauline Roy,Janet Trarop.

Always working night and day, to keep our school clean and attractive, are our custodians. They spend all their time working, to make our halls and classrooms, spotless. Ready, to belp at any time, cleaning up after a game, or preparing for a dance, they perform little tasks that we are thankful for, besides their regular duties. Everybody likes to point with pride to a clean and beautiful school.

With the halls now empty, Sherman Lowery finds work a little easier.

Frank Green belps during the day with Orville Nelsey, Ronald Clement and Frank Stauter assisting on night duty.

Serving students over the same familiar counters are: Mrs. Morgan, Bonnie Locklar, Nedda Sartell, Eleanor Verbeck, Lee Funk, Margaret Synder and Larell Verbeck.

The Cafeteria Staff is a very important part of our school. They plan, prepare, and cook meals and then, serve them to the faculty and student body. Day after day the preparation of our bot lunches are left up to them. With the aid of the government and at a low cost, they are able to prepare a well-balanced meal for the students every day. Each one of the staff deserves a big band for the great job that they have done.

## Seniors

All are architects of Fate, Working in these walls of time; Some with massive deeds and great, Some with ornaments of rhyme.

Notbing is useless is, or low; Each thing in its place is best, And what seems but idle show Strengthens and supports the rest.

The structure that we raise, Time is with materials filled, Our todays and yesterdays Are the blocks with which we build.

Truly shape and fashion these; Leave no yawning gaps between; Think not, because no man sees, Such things will remain unseen.

Let us do our work as well, Both the unseen and the seen; Make the bouse, where God may dwell, Beautiful, entire, and clean.

Else our lives are incomplete, Standing in these walls of Time, Broken stairways where the feet Stumble as they seek to climb.

Build today, then, strong and sure With a firm and ample base; And ascending and secure Shall tomorrow find its place.

This alone can we attain
To those turrets, where the eye Sees the world as one vast plain And one boundless reach of sky.

- H. W. Longfellow

## "From a líttle spark may burst a míghty flame."

Understanding is the acceptance of another buman being into your bome, into your life, and into your beart. This opportunity is afforded a family through the Youth for Understanding exchange program.

Students are familiarized with the American way of life with a "learn by doing" tecbnique and the expectation of responsibility. A teen-age exchange program allows us to interpret other countries and their people, which improves international relatzonships.

Clarkston welcomed Inger Ljung as a representative of ber, native country, Sweden. As a result of Inger's stay in America, ber thoughts and attitudes have changed concerning ber own country as well as the United States.

Inger received a most beart-warming welcome to Clarkston High School.

Inger takes a walk in the "typical Michigan weather."

Exploring our Library with Mr. Thomas to aid her, Inger finds she may learn alot about America in this one little room.

Inger discovers that America even has sewing machines in Clarkston's Home Economics room.

Leaving after another day in Clarkston's "ballowed halls", Inger goes to meet her friends.

Inger Lhung, who came from Sweden, tries to explain her customs to Mr. Thomas with the aid of an encyclopedia.

## "The coming years bring many advantages with them:

Senior class officers are Don Stageman, Treasurer; Paul Hinkley, Vice-Pres.; Mr. McGrath, sponsor; David Coulter, President; Carol Cinader, Point Secretary; Cynthia Humphrey, Secretary; Mr. Dennis, sponsor.
> "The coming years bring many advantages with them: retiring they take away many."

With one phase of their life done, the seniors will now be leaving.

They will leave many advantages bebind. The advantage of not quite being on your own, of having someone to direct them in their endeavors.

Now they will be leaving, many never to return, but with them they will take many memories, of games and dances and clubs and friends and these memories will warm their bearts and help them through the struggles of the coming years.

On this stalwart oak there are branches which extend beyond all others. Our National Honor Society is a representative of the finest in scholarship and citizenship. These superior students rate being considered outstanding on our tree.

Each year, the Juniors who bave maintained a 3.8 average or above are sworn in. They carry on the work of the organization until the first semester of their Senior year. At this time, those students who have the personal qualifications of leadersbip and scholarship and a 3.5 average, are accepted as members. During the second semester of their Senior year, the eligible students who have a $B$ average are given the pledge of membership.

The doors are open to the gates of knowledge, and through these doors the National Honor Society will enter.

Cynthia Humphrey was this year's recipient of the DAR award.

National Honor Society Officers are Kris Smith, John Maier and Cynthia Humpbrey.

Members are: Lon Howey, Gary Fitch, Fred Swartz, Garry Foraker, Donald Stageman, Jobn Wilberg, Richard Funk, Richard Pallidino, James Jackson, Gaye Lynn, Jacquie Leonard, Robyn Rutzen, Nancy Goltschall, Carolyn Atkins, Marie Carlson, Donna Davis and Kathy DeArmond.

"There is one in every crowd."

In this class there were many! With-
out them times would have been a little duller, things would have been a little quieter.
sentor's chozce for "Prettiest Smile" goes to Bobette Buebrig and Keith LaDuc.

Cricket Embrey's coy expression and Keith LaDuc's nonchalant air are just the two reasons they were voted as "Class Rlirts".

Our "Most Handsome" Arch Hinkley gets spruced up by "Most Beautiful" Bobette Buebrig.

Dan Jenks and Penny Brockman re-
ceived "Best Build" and "Best Figure" titles respectively.

Kathy DeArmond and John Wilberg captured the title of "Most Atbletic" by fellow seniors.

Kris Smith and Arch Hinkley stare at each other with their "Prettiest Eyes".

The honor: of "Most Likely to Succeed" was given to Cindy Humphrey and Don Stageman.

Proving a point that the class of ' 65 bas known all along, Dave Coulter and Connie Papi were elected as "Class Clowns."

Pictured without partners are: John Garlak (Best Dancer), Linda Theise (Best Dressed), and George Denton (Most Beautiful Hair). Not pictured are Lucy Embrey, Douglas Osbo, and Carol Sage respectively.

Junior Class officers are Linda Bennett, Jeanne Slinkard, Cindy Mosier, Rod Allen, (standing) Mr. Robert Casteel, advisor, Steve Barnett, and Mr. Larry Thibault, advisor.

A class is a tree; a tree of knowledge, growing in stature and wisdom with each passing day.

Her roots are planted firmly and deeply in the solid foundation of a scbool, encompassed by loyalty and dedication. Her stem is straight and tall, bearing easily the beavy weight of ber branches. The stem, mainstream of life, carries the students toward the well balanced branches of musical, scholastic and physical endeavor. Here, in the branches burst forth the seeds of talent, maturity and guidance toward a future. Here the blossoms of achievement and understanding are born to embellish the world with their grace and beauty.

The tree is a living body, maturing with its members, the class of ' 66 .

## Our class rings, and new responsibility

Sophomore class officers are Jean Shoots, George Lekas, Mr. William Mackson, advisor; and Dan Fife.

As the leaves descended upon the ground, still in our minds and bearts was the exciting events of our Freshman year. The Sophomore class awoke to a bright new year with much fun and work. We were not freshmen nor were we mighty seniors, but we would play an important role in our school and numerous activities.

With our newly acquired dignity, we blossomed and became the leaders of and the participants in, many organizations. Student Government representatives, class officers, club members, atbletes, and cheerleaders all endeavored to make their Sophomore year successful. Adding to the tradition of our eventful year, our lively maid, Sbayla Smith, graced the Homecoming court.

The Sophomore class will always remember and cherish the enthusiasm in the ordering of their class rings. After many months of anticipation our rings finally arrived, a lasting remembrance of our Sophomore year.
made us better for the future.

Freshman class officers are Mr. James Davidson, advisor; Steve Crabtree, Scott Embrey, and Cheryl Gura.

Our Freshman year now lies in the past. It represented a totally new concept of life to us-one which will not be forgotten for many years to come.

We look back on the events outstanding in our minds. Class elections, new club memberships, and the Freshman dance. Homecoming festivities captivated our minds for weeks. Strange faces developed into lasting friendships. Clarkston was a whirlwind of activities!

But many of us do not realize now that our Freshman year presented us with more than a glamorous social life. Education played the strongest and most important role to every member of our class. We gainedknowledge from classroom studies, and also, began our academic climb to maturity and responsibility. Each achieved experience essential to our individual growth.

This year was only, however, the beginning of our high school career. In our future years at Clarkston, we will continue to strive, arriving finally at our goals.

Specíal Events

The setting sun leaves a dim glow over the shimmering palms. Monkeys baing quietly in patient expectancy. The fountain splashes restfully over the slippery rocks and through the tropical garden. The barbeque pit stands ready, adorned with meat and fruit. Simple music issues from an old thatched but.

As dusk settles over this enchanted land, the first prince and princess cross through the mountains, over the silver bridge, and into "Tabitian Paradise."

The night of enchantment begins as Judy Szymanski, attends with boy from Kettering, Vicki Davison, and Bruce Milky enter the Tahitian Paradise.

Mr. Mason looks very content as be leads the grand march, hanging on to Bobbette Buehrig's hand.

The Fenton Weaver Band supplied the music for the prom.

But passes into other lovelíness,

The Senior Cheer-Leaders, Rich Paladino, Jim Jackson, Yogi Coulter, Bruce Hamm, Paul Allen, and Paul Hinkley, pause after a rousing cheer in the "Powder Puff" football game.

The students of Clarkston High School were justly proud of their 1965 Homecoming Court. Left to right, Laura Soncrant, Linda Bennett, Connie Papi, Sue Hampsbire and. Shayla Smith.

Tears of happiness are shed by Connie Papo who was tapped 1965 Homecoming Queen by football co-captains Jobn Wilberg and Dave Coulter.

Star-dust,

Candidates for the 1964 Homecoming Court were chosen in the traditional manner, by the Varsity, JV, and Freshman football teams. Following an all school election, Queen Connie Papi and her maids Sue Hampshire, Linda Bennett, Shayla Smith, and Laura Soncrant were tapped amid the beating of drums and applause from the student body. The Queen and her court were presented at the annual Queen's Assembly.

A new addition to the bomecoming festivities was a Powder-Puff football game.

After weeks of practice the senior girls met the junior girls in a game of touch football.

The team practice under the lights, followed by a snake dance and bonfire, added to the mounting excitement.

The Homecoming dance, Some Enchanted Evening, added the perfect climax to a week of exciting activity.

Homecoming Queen, Connie Papi, is crowned by the out-going Queen, Corinne Blackett, at the balftime ceremonies.

The Junior Float "Lindarella" majestically carrying the Junior Maid Linda Bennett, was the prize- winner.

The cast returns to the stage for a curtain call, and a tremendous band of applause.

Cast

Mr. Wilson tells Ginger's father, Mr. Caroll, that she is disgracing the name of the school, by playing football.

This was the year for "first's" in the field of dramatics for Clarkston. Along with the first musical Clarkston also produced ber first allschool play in the form of a "Solid Gold Cadillac".

You might say that "My Fair Lady" was the first successful musical that Clarkston has put on for the public because it was the first musical that Clarkston bas produced. And under the direction of Mr. and Mrs. Moore thirty-five talented members of the cast made it very successful.

My Fair Lady cast invites the student body to the play as they present a scene to the lunch hours.

## Entertaínment for all.

The teen-age section of the audience enjoyed the sounds of the "Majestics" and kept hoping for more.

A dramatic scene in "The Bee's Knees" came when Jobn Slade and Andy Rossano gave a scene from "Inherit the Wind."

Ted Hollis, Carol Cinader, Nancy Gotshall and Andy Rossano did a selection of folk songs for the appreciation of folk music.

Another successful talent show bas past. We remember the fright in the eyes of many and the confidence in the eyes of others. Beatnick costumes and props created a lasting image in our minds.

We recall the folk songs, the speeches, the comedy skits, and the instrumentation performed by the cast. The audience of adults, teen-agers,
and children projected the excitement and laughter throughout the program.

We recollect the effort of the countless number of people who made the show a success.

The rembrance of "The Bee's Knees" is bard for a few, but the impression is still in the minds of many.

Another selection of folk songs was done by Dave Sutton and Jane Hallman.

The C.H.S. debate team did an outstanding job during the 1964-65 season debating the question: resolved: That nuclear weapons should be controlled by an international organization.

## Debate

A common practice in our society is to express our opinions, or ideas on given topics. Before a person is able to do so with any authority, be must bave the background necessary. The debate team offers to any student the opportunity to state his views on certain subjects to the public. More goes into the speech then the words alone. Selected material for every possible source, a careful study of notes, the ability of effective speech, and the genuine desire to express oneself are necessary before an efficacious debate can result.

This year the CHS debate team did an outstanding job debating the question: Resolved: that nuclear weapons should be controlled by an international organization.

While the giant oak trees regained their color in the early days of Spring, the Wolves track team started their season. At the close of this hard fought season, the Wolves confronted a 9 wins, 15 losses record. Although these may appear to be rather discouraging figures, they were$n^{\prime} t$. Many good things came from within the spirit of our team. Five new school records were set by Mark Seath, Dennis Sommers, Mike Turek and the team of Billy Swayne, Mike Madison, Mike Turek and Rick Blimka.

The 1964 track season turned out many fine trackmen and the most valuable of them proved to be Mark Seath. Mike Turek and Rick Blemka shared the bonors of "most improved" runners.

Although these boys stood out in their areas, many other promising atbletes developed as a result of their team efforts, strong spirit and unbeatable sportsmanship. With a combination like that, the Wolves will win again.

## Varsity Baseball

Baseball, like any other sport, is the man rather than the game. The record developed by a bigh school nine is secondary to the character that an individual develops.

Clarkston's squad tied Bloomfield Hills for the league championship by earning a 10-4 record; but even more important than the outstanding ability of the team, is their display of sportsmanship and cooperation. Coach Thompson's nine showed all of this throughout the season.

Bebind Ken Miskins . 373 average, the pitching of Gary Pearson and Johnny Williams (5 wins, 2 losses eacb), and a complete effort in every game, Clarkston gained the respect of the entire league both on and off the field.

At the end of the season the team members left the field not only with an admirable record; but also with a newly developed concept of spirit and sportsmansbip.

Bottom Row (Left to Right) Ron Lippert, Richie Paladino, Jobn Wooley, Rod Allen, Paul Allen, Danny Fife. Top Row (left to right) George Wbile, Jobn Williams, Ken Miskin, Jon Gary, Dan Graven, Tom Schoff, Mr. Thompson, Hugh Rose.

(3rd row) Wayne Goins, Dennis Akins, Jobn Getzen, Richard Chamberlain, John Seaman, Chuck Underwood, Dennis Pine, Harley Feree, Emie Morgan.

To be able to gain honor as a baseball player, a boy must first start with J.V. Baseball. This gives them a chance to compete with other schools, work as a team, and learn the fundamentals of a good ball team. This year the team showed with combined, as well as, individual efforts that some are ready to receive higher bonors by playing on Varsity Baseball.

## Tennis - the action sport.

To play a sport well, a person must bave not only sportsmanship, the individual desire to win, and physical accuracies, but also team spirit. For only when a group of boys is co-ordinated into one, as a team can they win.

Coach Thibault Tennis squad deserves praise for the team spirit displayed and their commendable record of 8 wins and 15 loses.

Football is a sport which plays a dual role in the lives of its participants .- to strengthen ability and to build character. A player cannot be considered complete unless be bas developed to the full bis potential talent and bas proven be can take both winning and losing with equal stature.

Playing with the bigh costs of graduation affecting key positions Clarkston's atbletes nevertheless put on an extreme effort in every game played. Often going into a contest knowing that they were a team possessing little experience and much potentiality, they clashed helmet to belmet with some of the strongest squads ever produced by the Wayne-Oakland County Leauge. Fans were always able to sense the Wolves' neverending spirit which prevailed over any other squads they faced, and they respected Coach Kenyon's entire squad for this.

Every boy who stepped onto the field realized that be bad given an absolute effort and knew that after the game be could hold his head in pride.

The team's most valuable player, John Wilberg, and the most improved player, Paul Hoxsie, both shared the honors of being on the all league team.

As a team the Wolves could be called complete .as every player developed his potential to the utmost and even in loss the Wolves were able to look with pride at their attempts.

Freshman Football

To become successful in sports one must not only bave a certain amount of talent; but be must also bave the proper training to bring this talent to light.

Freshman football provides the opportunity for this important training. It begins to develop talent, build character, instill good sportsmanship and give experience to our future Varsity grid stars.

By competing in an intramural program, the Frosh teams got the chance to learn the meaning of competitive sports. This year three teams were organized among the Freshman; and as a result of a season of excitement, victory and defeat, the coaches felt that next year's J.V. team would acquire a great deal of this newly developed talent.

## J.V. Football

In man's many endeavors be has extracted great knowledge from books. There bas never been a book, though, which can teach a man talent and skill. That is sometbing which comes through training, practice and performance. Tbis generalization applies to many phases of todays life, and included within this realm we may speak of football.

The J.V. team this year proved that they were ready to take their place in Varsity competition next year. When the final gun sounded, they left the field with a 3,4 record. They did not, however, take with them just a list of scores; they also took an invaluable amount of experience.

Due to an abundance of cooperation and the desire for perfection, you can expect to see many of these boys as the stars of next year's Wolves.

1st row - Ron Sanchez, Ray Chenoweth, Gerry Keener, Tim Bond, Brian Woodworth, Jobn Mac Gregor, Brian Gallipo, Danny Wilson, Roger Erickson, Mike Schweitzer, Gary Stelmach. 2nd row Mr. Mackson, George King, Joe Deneen, Richard Bass, George Lekas, Larie Walter, Jack Hancock,

Richard Studebaker, Mark Erickson, Steve Crabtree, Rich Johnson, Steve Fancher, Bill Miller, Mr. Davidson. 3rd row - Marc Cooper, John Getzan, Hugh Rose, Mark Hood, Dave Hammack, Tom Woodard, Larry Ducan, Chris Birkelo, Charlie Horsch, Tom Bullard, Steve McGill, Doug Strilecky, Mark Richard.

Soon after the lootball stands are emptied and the lights are put out for another year, the gym doors open and the spotlight turns to basketball.

Coach Bud McGrath brought out the best in his boys as be helped them earn a second place standing in the WOCL.

The competition this yeat was keen, but the Wolves once again displayed some fine talent expecially in the person of the team's most valuable player Dan Fife. Captain Ron Lippert was the receiver of the most improved player while the bonor of the Dom Mauti Award went to Gary Pearson.

A successful ball club, such as the Wolves, is not dependent upon individual performances as much as it is on the cooperative efforts of an entire team. Our team worked well together and with the passing of each game the spirit and enthusiasm of the players and fans grew. When the tournaments began you could feel the excitement in the air.

After we defeated Grand Blanc in the district play offs, our season came to an end when Waterford Kettering defeated us in the most ex-
 citing and beartbreaking game of the year.

## From basket to score board.

From the experience gained through J.V. Basketball emerges Clarkston's top notch Varsity players.
Though the record of wins and losses may not be the best something more important is achieved through the playing of J.V. sports. That is the lesson of sportsmanship. A quality which is necessary in the playing of any sport at any age. Also with every J.V. game a boy plays be is gaining the experience necessary if be is to play Varsity well.

Clarkston's J.V. Basketball team may not have placed at the top but each boy learned the on the team lesson of sportsmanship and gained the experience necessary to belp them through the year's of sports abead.

Row 1 - Manager Charles Horsch, Mike Dougherty, Mark Richards, Allen Mortz, Mark Ericson, Dave Hammack, Coach Jim Davidson. Row 2-Rich Jobnson, Hugh Rose, Richard Bass, Mark Hood, Larry Duncan, John Getzan.

Row 3 - Manager Brian Woodworth, Larry Parker, Mike Schweitzer, George Lekas, Randy Nicoson, Jobn Vonkoebnan, and Jobn Simonds.

Freshman Basketball players are: Front row: Jack Dougherty, Joe Fredericks, Fred Smith; Row 2: Danny Van Horn, Charles Boggs, Gary Wade, Mike Hughson, Kim Beattie, Gorrie, Brian Di Pietro, John Lynn, Bob Nicoson; Row 3: Mr. Gorrie, David Franklin, Chris Rose, John Strobkirch,

Ed Choate, Gary Stelmach, Jerry Ostrum, Bill Medlin, Mark Adams, Larry Lewis, Fred Hall; Row 4: Mr. Hanson, Tom Bullard, Chris Birkelo, Tim Kitchen, Larry Heflerman, Lyle Walters, Ray Hipshire, Steve Crabtree, Kurt Mathews, Kurt Maslowski, Steve McGill.

In a sport such as basketball, it is difficult to acbieve a recognized position unless you have first accomplished the task of learning the sport before doing the sport. You will find that every instance of success was preceded by bard work and many bours of practice.

To belp boys get the required skills for basketball a program was set up so that Freshmen could learn the fundamentals of the sport. They were given a foundation upon which they themselves must choose to build ability,
diligence, and achievement.
Mr. Nowak, Mr. Kenyon, Mr. Hanson and Mr. Gorrie took the time to teach these boys some of the basics of the game. They belped develop some talent that will undoubtedly appear in Clarkston's beadlines in a short time.

We will fight and we will win!

"With sanctity of reason,

Varsity Cheerleaders Carol Sage, Donna Davis, Darlene Craven, Robyn Rutzen, Connie Papi and Joanne Kriss are shown with manager Bobette Buehrig.

The Varsity Cheerleaders show enthusiasm needed to lead school spirit at a bome game.

Getting ready for the Powder Puff Football Game are Karen Woodworth, Cindy Moiser and Jeanne McFarland.

Taking time out of their active cheering at this game is Shawn Blasey, Linda McCracken, Pam Affolder, Linda Bennett, Caroline Giles and Shayla Smith.

## grace and accomplishments."

Clarkston High School's infamous school spirit was at its usual soaring beight this year. As in the past the main instigators of this enthusiasm is found in our own Varsity and Junior Varsity Cheerleading squads. Each girl carries great and numerous responsibilities. They represent our school proudly, wearing blue and gold in true Clarkston fashion as they lead an excited crowd. Giving of their time faitbfully, executing their ability masterfully along with spontaneous loyalty, comprise a few basic requirements for a Clarkston Cheerleader. Our school says thankyou to these twelve devoted persons in saying "job well-done".
The versatility of our Junior Varsity Cheerleaders is shown in this formation.

Showing the J.V. Cheerleaders the proper way to clap is their manager, Cindy Moiser.
