## ***Last Will and Testament***

*We the class of forty-five  
Leave to those who are still alive  
Our special talents of which we are proud,  
And hope you'll repeat them all aloud.*

*To you, the class of forty-six  
To all the boys and every Miss  
We give our success in class debating  
And know you'll receive an excellent rating.*

*And to the "Soph's" who've climbed the first rung  
We give all the joy beneath the sun.  
Keep up the work you have begun  
And consider the race well worth the run.*

*To the little Freshies who're still quite shy  
Our musical talent we leave you to try,  
To keep the halls ringing  
As we with our continuous singing.*

*And last but not least to the faculty bequeath  
A host of memories, forming a wreath,  
May it serve as a symbol of love kind and true  
A ribbon of friendship that binds us to you.*

Now that football has again been restored to its proper place in Lake Orion's athletic program, we are wondering how we ever got along without it.

Through efforts of students, parents, and the school board, the boys were at last able to take part in their favorite sport.

Green as the green jerseys they wore, the squad of 35 boys set out to get the experience they should have gained before.

Under the guidance of Captain Bill Stokes and Coach Hale, the team began their season. There were no victories but plenty of experience was gained. We're proud of the record and of the boys who took these defeats to start football on its way again in Lake Orion.

# BASKETBALL QUEEN

**Jackie Bertram, Jean Toth, Francis Hickson, Margie Selberg, Margaret Willobee**

Every year the Girls' Glee Club sponsors a Basketball Queen who is crowned at the Oxford-Orion Basketball game. The Glee Club uses this idea as a project to earn money for robes, awards, music, and so forth. Each high school class nominates a candidate for the contest. Every penny contributed to a candidate counts as one vote for that candidate. Whichever contestant receives the majority of votes is crowned as queen. The other three contestants act as the queen's court. The evening the queen is crowned, a "Queen's Ball" is given in her honor.

This year Frances Hickson, representing the Senior Class, was elected as Queen of 1945. Other representatives were as follows: Junior, Jean Toth; Sophomore, Jacqueline Bertram; Freshman, Margaret Willobee.

After being discontinued for two years, baseball again became a major sport in 1944. Due to the fact that the baseball season does not end until June and our Dragon is completed by then, this is our last year's record.

Lake Orion finished the season with two victories and four losses. The team was weak on hitting, fair in the field, but very strong on pep and fight.

# HOME ECONOMICS CLUB

The Home Economics Club is a club for girls who are taking, or have had Home Economics for a year. Membership is limited to 30 girls and is affiliated with both the state and national organizations.

The objectives of the club are to foster the interest of Home Economics and improve ourselves; to prepare and do things for the school and community.

The Club meets bi-weekly on Tuesday evening from 7:00 to 9:30 in the home economics room. The business meeting is held first, followed by a program of work.

The Hi-Y Club is a club for the boys of the tenth, eleventh and twelfth grades. It is a high school branch of the Y.M.C.A. and is affiliated with both the state and national organizations.

The purpose of the Club is *"To create, maintain and extend throughout the school and community, high standards of Christian character."*

It's platform is *Clean Living, Clean Speech, Clean Athletics, Clean Scholarship.*

Membership is open to all boys of the upper three grades who present an approval slip signed by parents and Hi-Y sponsor and who accept the principles of the Club.

The Club meets bi-weekly on Wednesday night from 7:30 to 9:30. The first hour is spent on business and discussion topics and the second on a social or recreational program.

# GIRL RESERVES
