Non-resident land must be entered in numerical order, beginning with section one. Enter the amount of any *re-assessment with Red Ink*, in the column of taxes to which it belongs, *above* the tax for the year for which this Roll is used, and in the column for "Remarks," state opposite each parcel *for what year the re-assessment was made*. Two or more City or Village lots, owned and occupied as one parcel, may be assessed as one parcel; but the fact must be noted that they are so occupied. The school, library and school-house taxes must be placed in one column, the highway taxes in another, the township taxes in another, the county taxes in another, and the State taxes in another column.—Auditor General's Office, 1866.]
