I do hereby certify that I have set down in the foregoing Assessment Roll all of the Real Estate in township of Orion liable to be taxed according to my best information and that I have estimated the same at what I believe to be the true cash value thereof and not at the price it would sell for at a forced or auction sale. That the said assessment Roll contains a true statement of the aggregate valuation of the taxable Personal Estate of each & every person named in said roll and that I have estimated the same at the true cash value as aforesaid according to my best information and belief.
