Chas. E. Gregory
James T. Halliwell
Board of Review.

STATE OF MICHIGAN,

COUNTY OF

Oakland.

SS.

I Hereby Certify, That I have set down in the foregoing and annexed Assessment Roll all the Real Property in the Township of Orion liable to be taxed therein, according to my best information and knowledge, and that I have estimated the said Real Property and every taxable interest therein at what I believe, according to my best information and judgment, to be the true cash value thereof, and not the price it would sell for at a forced or auction sale; that the said Assessment Roll contains a true statement of the aggregate valuation of the taxable Personal Property of each and every person named in said Roll, and that I have estimated the same at what I believe to be the true cash value, as aforesaid, according to my best information and judgment.

Given under my hand, this 28th day of May 1895

Assessment Roll for the Township of *Orion - Oakland Co*

No more than one tract or parcel is to be valued or taxed on the same line. Two descriptions *must not be joined* in one valuation or tax, unless contiguous and owned and occupied as a parcel of land described in the government survey by lot number must be so assessed. All lands in each town and range, city, village, or addition to any city or village, should be carefully written under the proper heading, designating accurately the town, city, or village, and the name of the owner of non-resident land is not known it should be assessed as "Owner Unknown." Enter the amount of any *Reassessment with red ink*, in the column of taxes to which it belongs, above the tax for the year for which this Roll is used, and in the column for "Remarks" *Personal Estate* must be valued and taxes entered on a different line, as well as column, from *Real Estate*. The attention of assessing officers is especially called to sections 1 to 43 of the Tax Law of 1893. They should be carefully studied and the directions therein contained should be strictly followed.

Use No. 340 for Cities.
