## To Better Serve the Interest of A Rapidly Growing Community

This is the first issue of Michigan's newest weekly newspaper—THE NOVI NEWS. It is published as a companion paper to THE NORTHVILLE RECORD, which next week celebrates its 85th birthday, and enjoys the distinction of being the second oldest paper in Wayne county.

The reason for publishing THE NOVI NEWS is stated immediately below its name at the top of this page—"To Better Serve A Growing Community". It is the logical outgrowth of the greater emphasis which THE NORTHVILLE RECORD began to place on Novi news early this year. Since that time, it has consistently featured one and two pages of news and pictures devoted to happenings in Novi township. Novi's response to this change, both in personal comments and increased readership, has been both gratifying and encouraging.

It is, in fact, the encouragement we have received from many new friends in Novi that prompts us to move even faster than we had planned toward a full-fledged, distinctive weekly newspaper. Frankly, this issue of THE NOVI NEWS is substantially similar to THE NORTHVILLE RECORD in news and advertising content, although its format is such that Novi news is positioned on Page 1, 5 and 10 instead of exclusively inside the paper as heretofore.

Another feature—"The Willowbrook Corner"—has been added this week. Willowbrook, at the corner of Meadowbrook and Ten Mile roads, is one of Novi township's fastest growing communities. Twenty-five families are now living there, and 40 more families are scheduled to move in within the next two months.

Additional land has been secured and present plans call for from 500 to 800 homes to be built in this area. Willowbrook may well become more than just a corner in the next few years. Mrs. Thomas Morrison, known to her friends as Agnes, will be our correspondent in this area.

While we are on the subject of correspondents, it is appropriate to give a word of thanks to Mrs. Luther Rix, our Novi correspondent for many years. Much of the success we have achieved in the past few months with our special Novi pages has been due to Mrs. Rix's excellent news gathering efforts.

We are sending you THE NOVI NEWS this week instead of THE NORTHVILLE RECORD so you will become familiar with the newspaper to be published with Novi's interests especially in mind. We believe the new paper will perform a more valuable service for the Novi community than has been possible heretofore. It will contain all the news you have been getting in the past, plus additional Novi news and features as it grows in circulation.

Please note the self-addressed reply card attached to your paper this week. It asks whether you wish to receive THE NOVI NEWS instead of THE NORTHVILLE RECORD in the future. If you do, the balance of your subscription to the Record will be credited as a NOVI NEWS subscription. Please check the card and mail it today so we can revise our mailing list. IF WE DO NOT HEAR FROM YOU WE SHALL ASSUME THAT YOU WISH TO RECEIVE THE NOVI NEWS.

## Novi Will Honor War Dead With Special Program

Novi organizations will pay their annual Memorial Day tribute Monday morning to the men who have given their lives in defense of their country.

Preparations for the march and memorial ceremonies are under the leadership of Duane Bell.

Plans call for the participating groups to meet in front of the Novi Township hall at 10 o'clock Monday morning. Memorial ceremonies will be held at the Novi cemetery, Oakland Hills cemetery and the Community Bldg., Novi's living war memorial.

Highlight of the ceremonies will be the initial public appearance of the newly formed Novi Drum & Bugle Corps. Consisting of students from the Novi Grade school, the group was made possible by the contributions and efforts of various civic minded individuals and organizations.

Other organizations taking part in the program are the AMVETS of the Perry Kennep—Post No. 78 who will furnish a color guard and firing squad, the AMVET auxiliary, the Blue Star Mothers, the Gold Star Mothers, the Odd-fellows, civil defense officials, senior scouts, girl scouts and cub scouts.

Following the Novi ceremonies, some of the groups will go to Walled Lake where they will participate in similar ceremonies.

## Northville Schools Approve Conditional Novi Annexation

Gradual integration of the Northville, Novi and Salem school systems into one large school district appeared to move a step nearer realization as a result of a meeting of Roland Strolle, of the state department of public instruction, and the Northville board of education held in Northville on May 19.

After lengthy discussion of the over-all educational needs of children in the area, the Northville board of education adopted a resolution "in favor of annexing any of the following districts: Salem Union, East Novi No. 2, Durfee No. 6, Chap-man No. 7, Novi No. 8 and Putnam No. 9, if requested to do so . . ."

The resolution reserved the right "to submit any such annexation proposition to a vote of the electorate of the district . . . and to abide by the result of such vote."

When informed of the broader policy of the Northville board of education, James Mitchell, president of Novi District No. 8, and Mrs. Louis Larsen, secretary, said they welcome the suggestion if a new high school can be built on a site between the two communities.

Mitchell said that with the approximate \$14,000,000 tax base of the combined areas, an outstanding high school could be constructed "on a 40-acre site."

He is not in favor of additions to the Northville High school to handle the increased needs of the area, should annexation become a reality.

"Flabbergasted" "I'm flabbergasted, I didn't expect it at all," was the reaction of Mrs. Louis Larsen, secretary of the board. She believes that annexation would solve the school problem sooner, but like Mitchell, wants to see a new high school in a new spot as a "must" in any annexation package.

Adoption of the foregoing resolution ostensibly broadens the Northville board's concept of area educational responsibility. Individual board members, however, consider even more important the possibility that as a broad statement of policy it may offer a solution to the impasse created by Oakland county's opposition to piecemeal annexation of various Novi school districts by Northville. This opposition was

asked Study Two Years Ago Northville Superintendent of Schools Russell Amerman pointed out this week that about two years ago Northville told the various school districts whose children attend local schools that present and prospective growth of the entire area made a study of the immediate and long-term educational needs desirable.

He now feels that this suggestion for a joint study probably was premature as some smaller districts did not sense the rapidity with which the area's school population might grow.

Amerman Warns Against Haste Amerman does not believe the school needs of the Northville-Novu area can be solved in haste. (Continued on Page 10)

## Novi Highlights

By Mrs. Luther Rix Phone Northville 245-J

Mrs. Belle Walter returned to her home in Novi Thursday after spending the winter months with her brother, William McCowan, in Mason.

Mrs. William Mairs underwent an operation at New Grace hospital in Detroit last week.

Mrs. Dayce Ward celebrated her birthday Wednesday evening with a family get-together. Out-of-town relatives were Mrs. Ward's parents, Mr. and Mrs. Vanda Hunter, and her brothers and sister and their families, all of Detroit.

Thomas David Lien, son of Mr. and Mrs. George Lien of Twelve Mile Rd., will be confirmed at St. Paul's Lutheran church in Northville next Sunday. Thomas will be 14 years old in August.

Mrs. Joe Gardella had a luncheon for several members of the Novi chapter of the Blue Star Mothers at her home on Twelve Mile Rd. Wednesday noon. The occasion was also the "birthday" of the Blue Star Mothers president, Mrs. Fred Mandilk.

Mr. and Mrs. Alfred Gow entertained their pinocle club Saturday evening. First prizes went to Mrs. Russell Race and Otis Tewksbury.

The Novi board of commerce held its annual "Mystery Bus" ride Wednesday evening, beginning at the Community Bldg. After arriving at their destination there was dinner and entertainment. (Continued on Page 10)

## Mrs. Tom Morrison New Correspondent

A new correspondent, Mrs. Thomas H. Morrison, was appointed for the rapidly growing Willowbrook community this week. The Morrison family was one of the first to move into the new development this spring. They came from Detroit where Morrison is employed by the Ebling Creamery Co.

Mrs. Morrison, known to her friends as Agnes, will report the news in the Willowbrook area for The Record and The Novi News. The Morrisons have two children, Nancy, 14, and Tom, 10, who attend school in Northville.

## Traffic Jam Jells On Grand River Sun., Causes 18 Crashes

Eighteen accidents were reported in less than three hours and traffic was backed up for several miles on Grand River when one of the worst traffic jams in recent years occurred in Novi Sunday afternoon.

The tie-up occurred when thousands of picnickers and Sunday drivers all decided to head for parks at the same time. A crashing rain had forced them to abandon their Sunday outdoor plans.

All available policemen were called to handle the traffic, which at times was at a standstill as far west as Beck Rd. According to Lee BeSole, Novi director of safety, none of the accidents resulted in injuries, although many of the cars had to be towed from the scenes of the accidents.

## Mrs. Lou Hicks Buried Monday

Mrs. Lou Hicks, a resident of Novi all her life, died May 19 in St. Joseph's hospital in Pontiac, at the age of 77. She was born in Novi township Aug. 31, 1878, to Oliver and Eliza Hammond.

Her husband, Steven, survives her; also, a daughter-in-law, Mrs. Joseph St. Onge of Novi. There are two grandsons surviving; Harold Drouillard who is in the U.S. Army Air Force, and Ward Drouillard who resides in Novi. There are also several nieces and nephews in Northville and Novi who survive.

Funeral services were held at 2 o'clock Monday at the Casterline Funeral home and were conducted by Rev. J. M. McClucas of the Novi Methodist church. Burial was in Novi cemetery. Mrs. Hicks was a member of the Novi Rebekahs, No. 482.

Michael Eby, 12-year-old sixth grader at Novi Grade school, won top honors in the AMVETS "White Clover Day" poster contest. Michael's poster, which is shown above, won him a \$25 savings bond. Originally, the contest had been set up to include 10 second prizes of \$1.00 each but judging proved so difficult that the judges solved the problem by enlarging the field to include 13 runners-up. The 14 winning posters will be on display throughout the Novi area today, Friday, and Saturday, in conjunction with the AMVETS annual "White Clover Sale."

Hoisting American flags in preparation for Memorial Day and Fourth of July are two youthful members of the Novi Methodist church, Diane McCallum, left, and Shirley Coleman. The flags, which are made of cotton bunting approximately 3x5 feet, sell for \$3.50 and proceeds from the sales go to the church's building fund. Additional flags may be obtained from Mrs. Walter Tuck, chairman of the drive.

## Gas Lines Completed Along Ten Mile Rd.

The installation of gas mains along Ten Mile Rd. as far west as Meadowbrook Rd, was recently completed, according to Consumers Power officials.

The gas main, which follows a path along the south side of Ten Mile, will be available to all houses now under construction on the south side of the road. According to a representative of the builders, gas will be available for heating, cooking, and hot water.

The group of houses on the north side of Ten Mile are not being connected to the gas main at the present time, the company said. This particular group of houses, the first in Willowbrook, were planned and under construction previous to Consumer's decision to furnish gas to the area.

However, it is still possible for these residents on the northside of the road to have gas installed, according to company officials. Any group of residents may re- (Continued on Page 10)

## Housewarming Held At New Reed Home

Twenty-one couples descended upon Mr. and Mrs. Noel Reed and their daughter, Pamela, and son, Graham, at 48300 12 Mile Rd. Saturday evening for a housewarming.

The Reeds, who have been in their new home for about two weeks, have been house guests of Mr. and Mrs. George Lien since their arrival to this country from England.

They were presented with two beautiful table lamps and an ironing board. Mrs. Reed and Mrs. Lien are cousins.

## the Willowbrook Corner

by Mrs. Thomas Morrison Phone Farmington 1310J2

Willowbrook Village is becoming quite a community. We now have 23 families living on the north side of Ten Mile and about 40 more houses are well under way south of the road. The first people will start moving into these houses in three or four weeks. Eventual plans call for construction of between 500 and 800 homes in the Willowbrook area, a sizable community by any standards.

The first column will be devoted to introductions of some of our neighbors and a few interesting sidelights on their activities.

The first family to move into their new Willowbrook home during the last days of January was the Leon Hurlburts, 24441 Willow Lane. The Hurlburts have two boys, Richard, 13, and Larry, 7. They moved out here from Detroit where is sales representative for United Specialties-Co.

Moving in at practically the same time as the Hurlburts was the George Marinoff family, 24230 LeBost Drive. George is the painting contractor here at Willowbrook. Their two children, Eddie, 15, and Jay Ann, 13, attend Northville school. The Marinoffs are former residents of Detroit and George is an ex-hockey player.

Mr. and Mrs. Lawrence Hobbs, 24395 Willow Lane, are also former residents of Detroit where Mr. Hobbs works for General Motors.

Mr. and Mrs. Leonard Bacardi live at 41120 Ten Mile. Mrs. Bacardi works for the Bell Telephone Co. and hopes to be transferred soon to the Plymouth office.

The James Martin family lives at 24420 Willow Lane. Jim is a carpenter here on the project. They have two children, Jerry, 11, and Christine, 8.

The A. Richard Swensens, who moved into their new home early in February have five children. In fact, Mrs. Swensen had just brought their fifth and newest child home from the hospital when they moved in. Their children are Dawn, Joan, Audrey, Richard and Carl. Mr. Swensen works for Bennett & Straight, Architects, in Dearborn.

Mr. and Mrs. Jack Carter, 40960 W. Ten Mile, moved into their new home in March. Mr. Carter manages a Holbrook super market in Detroit. They have three children, Jack, 10, Vic, 3, and Debbie, 4.

The Bert LaBrom family, 24400 LeBost Drive, have a special claim to fame. Their household boasts Willowbrook's first citizen, Cheryl LaBrom. Cheryl was born May 3 at Mt. Carmel hospital and weighed 7 lbs 5 oz. They have another daughter, Denise, who is 3. Mr. LaBrom works for the Bell Telephone Co. in Farmington. They moved here from Livonia.

And now for a little news of what's going on around the area and who's doing it . . . The 9th and 10th grade home economics class at Northville (Continued on Page 10)

**LETTER TO THE EDITOR...**

Dear Sir:  
I thoroughly enjoyed reading your comments on insurance company practices in "FOR THE RECORD" last week. It is high time that somebody said something about these "holier-than-thou" boys.

Strength to your arm.

**Teaching Staff Is Host To Pregitzers**

Mr. and Mrs. C. T. Pregitzer were guests of the teachers of Northville Elementary school recently when they met at Hillside Inn at Plymouth for dinner. Mrs. Pregitzer was presented with a corsage. Pregitzer has resigned as principal of Northville Elementary school.

After the dinner the party returned to Northville where they gathered at the residence of Miss Florence Keith, Miss Pearl Hench and Miss Margaret Sours, 117 Linden for coffee and dessert. At this time Pregitzer was presented with a beautiful 400-day clock, a gift from his staff of teachers.

The teachers expressed their appreciation of his conscientious and efficient work with them, and praised him for assistance and cooperation.

**Report of the Superintendent:**

1. Mr. Amerman advised the Board that the 1955-56 budget had been presented to the Wayne County Tax Allocation Board, with definite results. No figures as to how much millage the District will be allowed to levy were available, although it is believed the amount will be 7.95.
2. There are three teaching vacancies in the high school at present, in the fields of art, mathematics and English, and it is expected that two additional elementary teachers will be needed.
3. The Superintendent reviewed with the Board the applicants for the positions of Grade School principal and assistant principal, and recommended that Harry B. Smith and Richard W. Kay be named to fill these vacancies.
4. A new payroll system, sold by Doubleday Bros. at a cost of \$168.00, was described to the Board, with the recommendation it be installed here beginning July 1, 1955.
5. Needs for annual school census were discussed, with the recommendation that Mrs. Eural Clark again be employed to take charge of this project. Board approved this recommendation.
6. Annual school election was discussed with the Board and Superintendent was authorized to proceed with the usual plans to carry out this project. Mr. Eural Clark's term of office will be completed on June 30th.
7. Mr. Amerman advised the Board that the P.T.A. has set May 6th as the date of its annual carnival and requested permission to close the school at noon on that date. Permission granted.

**Report of the Treasurer:**

Treasurer Clark reported receipts and balances as follows:

Received since last meeting	\$20,144.30
Balance in General Fund, April 30, 1955	1,614.62
Balance in 1949 Debt Retirement Fund, April 30, 1955	2,293.19
Balance in 1954 Debt Retirement Fund, April 30, 1955	9,080.42
Balance in Building and Site Fund, April 30, 1955	52,509.94

Mr. Severance moved, and Mrs. Wagenschutz supported the motion, that the Treasurer's report be accepted. The motion was carried.

Mr. Severance moved, and Mrs. Wagenschutz seconded, that the following bills and payrolls be paid: Bills, \$3,612.79; Payrolls, \$27,599.31. Motion was carried.

**Unfinished Business:**

1. Mr. Littell described to the Board the statutory procedure required relative to the annexation of Novi School District No. 7. Upon motion by Mr. Severance, seconded by Clark, the following resolution was adopted:

WHEREAS, the Board of Education of Northville Public Schools School District, Wayne, Oakland and Washtenaw Counties, Michigan, has received from the Board of Education of Novi Township No. 7 School District a certified copy of the resolution of the School Board of that District, approving that primary district's annexation to the Northville Public Schools School District, Wayne, Oakland and Washtenaw Counties, Michigan, and

WHEREAS, the Board of Education of Northville Public Schools School District, Wayne, Oakland and Washtenaw Counties, Michigan, has given serious consideration to the question of the enlarged school district for the area and after consultation with local, county and state officials:

BE IT RESOLVED that the Board of Education of Northville Public Schools School District, Wayne, Oakland and Washtenaw Counties, Michigan, approve, and it hereby does approve, the annexation of primary district Novi Township No. 7 School District to the Northville Public Schools School District, Wayne, Oakland and Washtenaw Counties, Michigan, as provided in Act No. 248 of the Public Acts of 1949, as amended.

Ayes: 4  
Nays: No

2. Mr. Clark moved that the Board grant a \$200 across-the-board raise to the teaching personnel, thus raising the starting salary on the salary schedule to \$3,350. Mrs. Wagenschutz seconded the motion, which was carried.

3. Mr. Severance moved that the Superintendent's recommendations for filling the principals' vacancies be accepted, Mr. Harry B. Smith to be principal, Mr. Richard W. Kay to be assistant principal, salary of the latter to be figured by the superintendent according to the salary schedule. Mrs. Wagenschutz seconded and the motion was carried.

4. Miss Knapp reported to the Board the results of the Salk polio vaccine program authorized at the last regular meeting. 264 first and second graders were inoculated by Drs. Bosch, Sparling and Atchison, in a period of 45 minutes. Eleven children were absent and these will be taken care of at the Wayne County Health Unit on a specified day. To date, no ill effects have been reported on any of the children inoculated.

Miss Knapp also advised the Board that she now has 250 children registered for fluoride treatment on their teeth in June and has made arrangements with the State Health Department for the purchase of a dental chair and compressor for next year.

**New Business:**

1. Mr. Severance moved that the bid of Marr Taylor Ford Sales, on a 1/2 Ton stake body pick-up truck, be accepted and the superintendent instructed to order the vehicle. The motion was supported by Mrs. Wagenschutz and was passed.
2. Mr. Severance moved that Mr. Amerman's recommendation regarding the new payroll system be accepted and the system be adopted. Mrs. Wagenschutz seconded the motion, which was carried.
- Mr. Clark moved, and Mr. Severance seconded the motion, that the meeting be adjourned at 11:10 p.m. Motion carried.

**1st Yerkes Unit Mains From Village Given OK By State**

Construction of 28 homes in the first unit of the Yerkes subdivision by D & R Construction Co., Detroit, moved closer to a start with approval by the village commission Tuesday for bids on water and sanitary connections, village acceptance of the plat of the lots along East Novi Avenue and permission from the Michigan department of health for water main extensions as part of the Northville water distribution system.

The construction permit from the state covers mains on Carlyle St., from Novi avenue west to the existing main; Novi avenue from Carlyle St., south to the existing six-inch main between Eight Mile Rd. and Rouge Ave., in the court south of Carlyle St. from Novi Ave. east; in the court north of Eight Mile Rd. from Novi Ave. east.

The bids will be opened at a special meeting of the commission May 31 at 8 p.m.

R. P. Benetke and Robert Krue of Detroit, backers of the Yerkes subdivision development, told the commission that they wished to conform with the restrictions of the Northville zoning ordinance.

Village Attorney Philip Ogilvie was asked by the commission to draw up an agreement to this effect between the Detroiters and the village.

Since 1950, only three states—California, Texas and Florida—increased more numerically than Michigan.

**New DAR Officers Include Women From Northville**

The installation of Mrs. Claude A. Crusoe of Northville as new regent of the Sarah Ann Cochran chapter, Daughters of the American Revolution, Plymouth and Northville, took place Monday at the Annual meeting of the organization.

### Mothers Thank Fair Donors

The members of the Novi Mothers' club take this opportunity to thank everyone in the community for cooperation on the second annual School Fair.

Mrs. George Kahrl and Mrs. McKinlay were generous in contributing their time. Special thanks go to the following members and parents who contributed door prizes: Mesdames Sprenger, Hayes, Harrawood, F'Geppert, Schenimann, Krug and Taylor. Gratitude is extended to the following companies for donating door prizes: Helen Curtis, Toni Home Permanent, Barton's Chocolate and Nicelay, Dancy New Era Potato Chips.

The game prizes were given by the following: Sam's Inc., Heinz, Wonder Bread, Eby and Sons, Salow Electrical Service, Clarke Service Station, D & H, Smith-Tupper Hardware, Nowels Lumber, Wholesale Builders Supply, Town Electric, Standard Electric, Sears, Rival Dog Food, Maytag, Dunning's, Stanley Home Products, Whittaker Dept. Store and Detroit News.

Other donors were Bake Shop, D & C Store, Dunk Donut Shop, Ginny Krug, cake; the Smith girls, posters; and to several former pupils.

Provisional reports show 190-759 births last year in Michigan—more than ever in the history of the state.

**DOG KIDNAPS BABY KITTEN**—April 8 "Herbie", the three-year old Cocker Spaniel owned by Mr. and Mrs. Robert Parmenter, 708 Baseline Rd., gave birth to seven puppies. One died at birth and after five weeks the others were given to considerate owners. "Herbie" apparently thought that her offspring were given away too soon, because the following day she proudly brought home two baby kittens and began to mother them as her own, according to Mrs. Parmenter. One died, but the other is doing fine under "Herbie's" loving care. She carries her "adopted" baby around in her mouth. About three times a day she brings the kitten to Mrs. Parmenter "for she knows that I will give the kitten some extra feeding with an eye dropper," Mrs. Parmenter said. The Parmenters do not know where she found the kitten. —Photo by John Stark

Members attending the executive meeting with the men on Wednesday night were President Audrey Ortwine and Treasurer Dorothy MacDermaid.

### Social Security Urges Brides To Report New Name

Here is a reminder from the Social Security administration to the many women getting married this spring.

They should exchange their social security card for one showing the same number but their married name. This can be done by getting in touch with any social security office.

When the new card is received it should be shown to the employer. He will then have the correct name and number for his quarterly reports. This correct information enables the Social Security administration to give the worker the proper credits for her earnings.

In Northwest Detroit the Social Security office is at 14600 Grand River. The phone is Broadway 3-1717.

Before peeling or cutting vegetables for canning, wash them well. But Michigan State foods and nutrition experts say, "Don't let them soak, they lose food value."

### Pool Not Just a Dream

Workmen pour concrete apron as a finishing touch after swimming pool itself has been completed. The pool also is concrete, sprayed on by Gunitite process.

A private swimming pool is a home-owner's dream—and one which is coming true more and more every year. With simplified methods of construction, American Builder magazine says, a swimming pool is no longer a luxury item but a definite possibility for any property with a firm, undisturbed soil.

A pool should be located where it can be seen from the most lived-in room in the house. Waterproof concrete, sprayed by a Gunitite process, is frequently used in constructing a pool. Walks may be built of non-slip flagstone or brick.

"Pool walks should be at least 3 feet wide on all sides, with additional space at the springboard," according to American Builder. "Thus, a 20 x 40-foot pool with walks and a 12-foot springboard will require an overall area of 28 x 64 feet minimum. The rule-of-thumb method for computing the size of a pool is to allow 38 square feet of water area for each swimmer and 100 square feet for each diver."

The deep end of the pool should be placed so that the sun is at the diver's back. The entire area should be open to sunlight but not far removed from shade and shrubbery.

### Tuna Cottage Cheese Salad

Engagingly simple to prepare is this jellied tuna salad.

A package of lemon gelatin is used for the base. Undiluted evaporated milk is used as part of the liquid for the gelatin to make it richly creamy. At the same time, the milk adds extra food value.

Cottage cheese is teamed with tuna in this molded salad for substantial good eating. Diced pimiento and green pepper add gleaming bits of color as well as flavor goodness. Mayonnaise and lemon juice impart an agreeable tang.

#### TUNA AND COTTAGE CHEESE MOLDED SALAD

- 6 servings
- 1 quart mold or 8 1/2 x 4 1/2 x 2 1/2 inch loaf pan
- 1 package lemon flavored gelatin
- 1 cup boiling water
- 1 cup evaporated milk

- 1/2 cup mayonnaise
- 1 cup creamed cottage cheese
- 3 1/2 tablespoons lemon juice
- 1-7 oz. can tuna, drained and flaked
- 1/2 cup diced celery
- 1 tablespoon diced pimiento
- 1 tablespoon diced green pepper
- 1/4 teaspoon salt
- Few grains pepper

Empty gelatin into a large mixing bowl. Add boiling water and stir until gelatin is dissolved. Cool slightly, then stir in milk. Chill until partially set, stirring frequently during chilling to keep smooth. Fold in remaining ingredients. Turn into a 1 quart mold or a loaf pan 8 1/2 x 4 1/2 x 2 1/2 inches. Chill until firm, about 3 to 4 hours, before serving. When ready to serve, unmold on chilled platter. Slice and serve on crisp salad greens.

## 25 Classes of Competition Listed For Optimist Sponsored Annual Horse Show

The Northville Optimist club's 7th annual Junior Horse Show, scheduled for Saturday and Sunday, June 4 and 5, at Northville Downs, marks the opening of the Michigan Horse Show circuit of summer shows.

Highlighting the many events of the two days of junior competition will be the traditional opening of the season's competition for the Junior Olympic team riders, with their eyes on a future place on the U.S. Olympic team.

The trotting and pacing classes for juniors are a new departure in horse show competition for Michigan shows. First entries in this division are Dena and Sandra Penny of Plymouth.

The honor of being number one entry in the show goes to Barbara Groom, 16, of Wayne, Mich.

**25 Classes**  
 The 25 classes in the show include, Lead Rein class, for children up to 5 years old; 4-H horsemanship; Western Equitation with two class divisions; Hunter Seat Equitation with two class divisions; Ponies under saddle, English and Western; Western Pleasure horses; Palomino Horses; Junior Stock Horses; Trail Horses; Bending Race; Working Hunters; Hunter Hack; F.E.I. Jumpers, two age divisions; the three jumping events of the Junior Olympic riders; Elementary Dressage; Harness Horsemanship; Harness races; Western Equitation championship, and Saddle Horse Equitation, for the Harry B. Clark Memorial Challenge trophy.

The show will start both days at 1 p.m. and will run to 5:30 p.m. Feature event of Saturday will be the half-mile trotting race and on Sunday the half-mile pace, with championship trophies going to

the winners.  
 Mrs. Franklin Becks, 690 Thayer Blvd., is the show secretary.

The events of the show are divided as follows:  
 On Saturday there will be all hunter seat and western seat equitation classes; two-team jumping events, Palomino horses, working hunters and hunter hacks, harness race for trotters.

Sunday's events include all other western horse classes, 4-H horsemanship, individual jumping events, final team jumping event, English equitation, harness race for pacers, and championship classes.

## Final Band Concert Slated For May 31

The Northville High school band will give its final concert of the school year at the Community Bldg., Tuesday, May 31 at 8 p.m. under the direction of Robert Williams and Leslie Lee.

The program will be as follows:  
 March of the Majorettes, Simon;

Blossom Time, Schubert-Romberg;  
 Carousel, Rodgers;  
 In A Monastery Garden, Ketelbey;  
 In A Persian Market, Ketelbey;  
 Marianna, Singer;  
 Invercargill, Lithgow;  
 Bugler's Holiday, Anderson;  
 Broadcast From Brazil, Bennett;  
 Meditation, (Thais), Massenet-Isaac;  
 Gloria, Losey;  
 First Roumanian Rhapsody by Enesco.

Special numbers will be a clarinet solo by Marilyn McCarthy, and baritone solo by Joel Soule.

**VILLAGE OFFICIALS DINE WITH WIVES**—Members of the village commission and other Northville officials were hosts to their wives at a dinner at Black's White House. ## World War I Vets Unite Here For More Benefits

A new organization composed entirely of World War I veterans is being organized in the Northville area, under the direction of Leon W. Gagner, 41810 Seven Mile Rd., phone Northville 455.

The program is to secure for veterans of World War I the same policy of treatment by the governments, both federal and state, that is accorded Civil War Spanish American war, and veterans of World War II, obtaining for veterans of World War I the benefits, privileges and preferences which they, through patriotic service and sacrifice to their country have earned and to which they are justly entitled, Gagner states.

Objects of the group are: 1. An increase in pension benefits now being paid to any veteran of World War I, as well as the widows and orphans of such deceased veterans, in accord with increased living costs during the past several years.

2. To work for adequate pensions when such veterans attain their 60th birthday, and for their widows and orphans, without necessity of subscribing to an income limitation.

3. To secure hospitalization for all World War I veterans, including those with non-service connected disabilities, without necessity of subscribing to the so-called "pauper's oath" and without regard to income limitations.

4. To secure out-patient treatment for all veterans of that war with non-service connected disabilities, without the necessity of signing the so-called "pauper's oath" and without regard to income limitations.

Those interested are asked to attend a meeting at 41810 Seven Mile Rd., Northville, Thursday, June 2 at 8 p.m. It is requested that veterans bring their World War I discharge.

## Bank Photo Contest Closes At Noon Wed.

John Stark, manager of the Northville Spring Photo contest, said Wednesday that the bank stresses that the contest will close at noon Wednesday, June 1, since the bank's closing hour that day is 12 o'clock.

First prize is a \$100 savings bond; second, \$50 savings bond, and third, a \$25 bond. In addition, seven \$10 savings accounts will be awarded.

Because of the relatively small number of entries, the bank points out that amateurs have a good chance of capturing one of the prizes. Only scenes of the old spring at E. Main St. and Northville Rd., will be accepted. The contest is also limited to black and white prints and pictures that have not been published.

## Wins In State Contest

**Brodie Humphries, son of Mr. and Mrs. Ray Humphries, won first place in the state oratorical contest, sponsored by the Optimist club at Holland last Friday. Coached by Miss Florence Panatoni of the Northville High school faculty, Brodie is now headed for the international contest at Montreal during the international conclave of the Optimists June 29-July 2. The prize in the Montreal competition will be a \$1,000 scholarship to a college of the student's choice. Optimist Club President Donald Severance and Mrs. Severance and President-Elect Max Austin will attend the Montreal parley.**

## Cancer Drive Netted \$740; Plan Opening Of Local Center

Appreciation of the efforts of those who took part in the successful educational crusade of the American Cancer Society here in April is expressed by Mrs. C. O. Hammond, local cancer society chairman.

Northville citizens contributed \$740. Nearly 50 persons volunteered for the tasks in the month-long campaign.

Aides are now being recruited for the new cancer center which will be opened soon at the Community Bldg. Volunteers are needed for cutting and sewing cancer pads. Also, staff workers are needed. Northville women who can give a few hours on a Thursday from 10 a.m. to 4 p.m. are asked to call Mrs. Hammond, 897 for further information.

## "Flowerama" To Be Held June 17

The Northville branch of the Woman's National Farm and Garden Assn. will hold its 16th annual flower show, "Flowerama", in the Northville Community center Friday, June 17, from 2 to 8 p.m.

All growers are urged to display their special flower and vegetable specimens. Table settings and flower arrangements will be open to anyone who wishes to exhibit.

## Red Prosecutor Is Memorial Day Speaker

Northville is ready again to honor those who died in combat—Sunday, May 29 at a memorial church service at 9:45 a.m. in St. Paul's Lutheran church and May 30 with Memorial Day exercises in the Community Bldg. at 11 a.m.

For the Sunday services, all organizations are urged to meet at the Veterans' Memorial hall at 9:30 a.m. and march to the church. The meeting time for the Monday observance is 10:30 at the same place, followed by the march to the Community Bldg.

The Rev. B. J. Pankow, pastor of St. Paul's, will be the speaker at the Sunday service. Donald B. Severance will be master of ceremonies the following day in the Community Bldg.

Dwight H. Hamborsky, assistant U.S. attorney, Detroit, who pressed the government's charge against six communists in a Detroit trial on charges of violation of the Smith act, will be the speaker for the Memorial Day program. Hamborsky has tried more Communist cases in federal courts than any other person. A graduate of Detroit public schools, he also attended Washburn college and received his LL.B. from the University of Michigan. Hamborsky is a vice-president of Detroit Police Youth Bureau.

**Complete Program**  
 The program in detail is: Prelude, Northville High school band; advancement of colors, color bearers and guard; "Star Spangled Banner", audience, led by Leslie G. Lee of the high school faculty; invocation, by the Rev. John O. Taxis, pastor of the First Presbyterian church; awards to best poppy posters in a contest sponsored by the Lloyd H. Green post of the American Legion.

Ken Krezel, winner of citations in forensics contests for students, will deliver the tribute to the war dead, followed by a vocal solo by Mm. G. Williams, accompanied by Mrs. Williams. After the introduction of the Gold Star Mothers, Hamborsky will speak on "Loyalty".

The remainder of the program will be, benediction, Rev. Taxis; taps and echo, Geoffrey Schoof and Judy Leavenworth; retirement of colors, and postlude by the high school band.

Parade marshals will be Howard Beech and Charles Murphy. The order of march will be colors and color guards, band, firing squad, veterans of all wars, Gold Star Mothers, Blue Star Mothers, American Legion and Veterans of Foreign Wars auxiliaries, Boy Scouts, Cub packs, Girl Scouts, Brownies, Campfire Girls, and school children.

Mrs. Mabel Cooley of Center St. will attend the regional workshop for chairman of sections of the Michigan Nurses Assn. meeting in Cincinnati the first of next week. Mrs. Cooley is chairman of Michigan state nurses general duty section and a nurse at Maybury sanatorium.

## Therapists Hold Spring Meeting Here Fri., May 27

The Occupational Therapy department of Northville State hospital will be host to the annual spring conference of the Michigan Occupational Therapy Assn. May 27. The morning program will consist of a talk by Dr. Gordon Forrer, clinical director of Northville State hospital on "Occupations: Is It Therapeutic".

Dr. Roscoe W. Cavell, staff psychiatrist of the Veterans' Readjustment Center, Ann Arbor, and psychiatrist consultant to the polio center of the University hospital will also speak on "The Psychiatric Aspects of Physical Disabilities".

In the afternoon, following a luncheon and business meeting, Dr. James E. Lofstrom, director, department of radiology, Detroit Memorial hospital, Detroit, will speak on "Cobalt Cancer Research".

Following a program of movies there will be a tea for the group. Mrs. Gordon Forrer will serve as hostess. Mrs. Philip N. Brown, wife of Dr. Brown, Northville State hospital's superintendent, and Mrs. Donald O'Connell, chairman of Northville State hospital American Red Cross Gray Lady Service, will pour.

The evening meeting will be held at the First Presbyterian church in Northville. The speaker for the evening will be Miss Marjorie Fish, O.T.R., executive director of the American Occupational Therapy Assn. Miss Fish is one of the leading figures in occupational therapy in this country. She was formerly director of the occupational therapy program at Columbia university. She held a similar position in Sidney, Australia, where she organized the first occupational therapy program in that country. She has been executive director of the Occupational Therapy Assn. since 1951.

Attending the meeting also will be Miss Dorothy Lehman, director of recruitment and publicity for the AOTA. She will meet with state recruitment leaders for the purpose of intensifying and coordinating national and local recruitment efforts.

Arrangements for this meeting have been made by Miss Janet Patterson, director of the occupational therapy department and her staff. Serving with Miss Patterson has been Mrs. Millah Nikke, vice-president of the Michigan Occupational Therapy Assn. Mrs. Nikkel is supervisor of the home-bound occupational therapy program for the Michigan Society for Crippled Children and Adults.

Miss Barbara Jewett, associate professor of occupational therapy at Wayne university, is president of the Michigan Occupational Therapy Assn. and will preside at Friday's convention.

## Elmer Perkins Died Tuesday At Sessions

Elmer E. Perkins, 16675 Meade Rd., Waterford township, died Tuesday night at Sessions hospital at the age of 74. He was one of the few remaining blacksmiths and owned a repair shop.

Besides his wife, Elida, he is survived by two daughters: Mrs. Ray Davidson of Plymouth, and Mrs. Jim Wilson of Hillsdale. A son, Olin, died in 1945. There are also five grandchildren and four great-grandchildren surviving.

Funeral services will be held at the Casterline Funeral home and information as to date of the funeral may be had by calling them. Burial will be in South Lyon.

Perkins had lived in Plymouth and South Lyon previous to coming to Northville 41 years ago.

## 9 Commissioners Named To Study New Charter

### Students Get Set For Exercises, Vacation Days

This week and next are filled with activities for senior and underclassmen at Northville High school. School closes a week earlier than last year.

The banquet for members of the high school band was held Monday night in St. Paul's Lutheran church. Three freshmen cornetists from Michigan State college were on the program and the guests were shown a film on the Rose Bowl game. Mr. Stover from MSC was the speaker.

Awards to the band members were presented by Robert Williams.

The choir gave a concert Tuesday night under the direction of Leslie Lee. The Junior Rotarians had charge of the Rotary meeting Tuesday noon with the following taking part: Lynn Matzen, Larry Meyer, Joel Soule, Traute Schafer, Ed Mollema, John Funk, Jim Rambeau, John Clark, Paul Schulz and Paul Hamlin.

Wednesday, the Girls Athletic League, under the direction of Miss Lemoyne Markman held its banquet at the Methodist church. Next Monday at 9 in the morning, students will be awarded scholastic honors at an assembly. In the evening, the band will present a concert in the Community Bldg.

Senior examinations will be held June 2 and 3 and they will receive their caps and gowns June 3. Underclassmen take their examinations June 6 and 7.

Baccalaureate night has been set for June 5 and the Junior and Senior banquet for June 7. Commencement exercises will be in the Community Bldg. June 9.

June 1, the high school students will be privileged to see the movie, "Macbeth".

### Students Get Set For Exercises, Vacation Days

Incorporation of Northville as a city was approved by a vote of 475 to 334 at a special election Monday, May 23.

Voters also elected a nine-member commission to write a charter for the new city. This group must submit a charter to registered voters for their approval within 90 days.

Gerald Woodworth received the highest number of votes for the commission—552. Other members are A. Malcolm Allen, 543; John F. Stupenvoll, 540; Thomas R. Carrington, 502; Earl L. Reed, 501; Ed C. Welch, 444; Levi M. Eaton, 430; Harvey P. Ritchie, 406; and Lynn C. Sullivan, 381.

Approximately two-thirds of the village's 1,209 registered voters cast their ballots for or against the city. Precinct No. 1 had 310 "yes" and 159 "no" votes but Precinct No. 2 had a negative plurality of 10. The vote in this precinct was 175 "no" and 165 "yes".

The result of this week's election was quite different from that of the election in 1953, when the city proposal was defeated by a margin of 75 votes, in the village and by 81 votes in those portions of Novi and Northville townships which were entitled to vote.

Members of the Citizens Committee on City Incorporation, which brought about the present election, attribute the favorable vote this week to the fact that no annexation of adjacent areas was proposed. An additional factor, some believe, was the lack of interest of any group except Northville township officials, in opposing the plan.

Election officials estimated that between 90 and 95 Northville residents lost the privilege of voting because they mistakenly had believed themselves registered for the special village election because they had voted at the last state and national elections.

## Mrs. Wagenschutz Is Renamed To Library Board

Mrs. Harry Wagenschutz, secretary of the Northville board of education, has been re-elected chairman of the Wayne county public library board.

She has served continuously on the board since 1943, having been reelected three times by the Wayne county board of supervisors.

In point of seniority, she is ranking member of the board. Mrs. Wagenschutz is a past president of the Woman's club of Northville.

## To Be Ordained

**Elizabeth Ets**  
 Miss Elizabeth Ets, Protestant chaplain and academics teacher at Wayne County Training school, for his past 18 years, will be ordained into the ministry of the Universalist church at Farmington Sunday, June 12 at 5 p.m. vesper services. Miss Ets is a past president of the Business and Professional Women's club of Northville and has served on the board of trustees of the Universalist church in Farmington.

## Engagements

Janice Smith

Mr. and Mrs. Leland V. Smith of 419 Yerkes, announce the engagement of their daughter, Janice, to Gerald Nowland, son of Mr. and Mrs. Bryan Nowland of Huron River Drive, New Boston. The young couple are planning an early fall wedding.

## Small Fry Favor Pre-Historics

Mrs. Ruff Carter's first graders visited the Museum of Natural History in Ann Arbor May 19. Since it was Michigan Week, the real purpose was to view Michigan animals but there was a surprising amount of interest shown in pre-historic animals.

Mrs. John Gibson and Mrs. Wilfred Becker are the room mothers who arranged the trip.

## Bible Comment:

## St. Luke Gave Us Priceless Record Of the Gospel

SAINT LUKE, author of the Third Gospel, was not one of the Twelve Apostles. But to him we owe a great deal of our knowledge about them.

For the history of the early church, we again depend upon St. Luke, whose Book of Acts is a valuable supplement to the Pauline Epistles.

Of the Gospel incidents, Luke was not an eyewitness (Luke 1:2), but in relating what eyewitnesses told him Luke brought to his Gospel the same power of narration so vividly displayed in his reports of things of which he was a part.

Two parables of Luke's are notable: the Prodigal son, recorded only by him, and the Lost Sheep.

Though Man thinks in terms of numbers—we estimate the seriousness of a calamity by the number of lives lost—Luke, following the Master, reveals God's concern for a single soul in his unforgettable parable of the Lost Sheep.

Of Luke, himself, we have but a limited knowledge. References in Colossians IV indicate he was a Gentile convert.

That he was the companion of Paul in much that he narrates is implied in passages where "we" appears, and it seems probable that Luke became a Christian through Paul.

What is certain, apart from all conjecture, is the place that Luke occupies in preserving for all time the most complete record of the Gospel story.

He has given the world the life and work of Jesus, and also the vivid story of how Christianity spread from Jerusalem to Antioch and to Europe.

## Meal-in-a-Pot Saves Work, Satisfies Heartiest Appetites

BY DOROTHY MADDOX

MORE time to enjoy your family and just as much good eating—that's what this one-burner, one-pot dinner offers. Meat and potatoes (lots of them), plus vegetables, tender and flavorful. This meal will satisfy the heartiest of family appetites.

#### Sunday Dinner in One Pot (Serves 6 or 7 generously)

Three and one half to 4-pound piece eye-round of beef, small piece of fresh pork fat, 2 onions, 1 teaspoon chopped garlic, 1/2 teaspoon black pepper, 1 bay leaf, 1/4 teaspoon thyme, 1/4 cup tomato sauce, 1 tablespoon salt, 12 to 15 3-inch stalks celery, 5 carrots, cut in 1/4-inch rings; 5 large potatoes, scraped, peeled and cut in two; water.

Start this meal about four hours before dinnertime, or cook meat on previous day to point where vegetables are to be added. Cut pork fat diced small, and heat in Dutch oven until browned and crisp. Add beef and brown well on all sides.

Now add onion, garlic, seasonings and two cups of water. Cover tightly and cook over low heat, turning meat occasionally to permit even absorption of flavors. After 2 1/2 hours add potatoes and enough water just to cover.

Fifteen minutes later add carrots and celery. Make sure all vegetables have a chance to cook in liquid for a time. When vegetables are tender, pour liquid off into saucepan.

Skim off fat. Reheat and serve as gravy. Arrange meat and vegetables on one large platter.

When friends drop in for Sunday supper, try these cheeseburger snacks.

#### Cheeseburger Snacks (Yield: 8 to 10 servings)

Two and one half pounds ground beef, 1/2 cup chopped onion, 1/2 teaspoon dry mustard, 8 to 10 slices processed cheese, butter or margarine, 4 or 5 hamburger buns.

Combine ground beef, onion, salt and mustard. Mix to blend well. Divide into 8 to 10 portions and form into flat patties. Place

Out of the pot and on to the table, a whole meal at one cooking. It's hearty, delicious fare for the "can't-fill-'em-up crowd."

on baking sheet and broil until well browned on both sides. Cover each patty with a slice of cheese. Broil a minute or until cheese is hot. Serve each cheeseburger on a buttered half bun.

quest service at any time, they explained.

The company will lay 94 feet of gas main free of charge for each domestic user. Thus, if five residents were to jointly petition for service, Consumer would furnish 470 feet of gas lines to connect with the existing main. If the amount of lines needed averages more than the 94 feet furnished, the company will lay the extra required footage on a time and material basis, officials explained.

No immediate plans are under way for continuing the gas main as far as Novi Rd. or into Novi and to the north. The construction of additional facilities will depend on the demands of the area and the number of potential customers.

However, because of the rapid industrial expansion in the Novi area, and the important role played by gas in industry, Consumers Power Co. officials added that this industrial expansion, if along the right lines, might hasten the installation of additional mains.

### Annexation...

(Continued from Page 1)

"We have in Northville a school system that was founded more than 100 years ago and which has been functioning since 1867 with complete facilities through high school. Surrounding it to the west, north and east, are several districts that are mostly rural in character, which quite suddenly are starting to burst at the seams with new residents and children of school age.

"Opinion as to the rate of future growth varies widely, with some groups feeling that Novi will soon be able to support a school system entirely independent of Northville.

"Naturally, these widely different viewpoints must be reconciled in any move to solve the area's school problems. Population trends may develop tomorrow that are quite contrary to present indications. Districts which today lean toward Northville may ultimately find their interest drawn to Farmington, or Walled Lake, or Novi.

"In this period of transition, it is to be hoped that everyone will keep an open mind on the subject of integrating the school systems of the entire district to the best interest of the boys and girls whose needs must be served. Whether this integration takes place through consolidation, or through annexation is less important than that their needs be met," Amerman said.

**Severance's Motion**  
Donald B. Severance, a member of the board, made the motion

which places the group on record with the state department and Charles Brake, Wayne county superintendent of schools. The move was seconded by Mrs. Harry Wagenschutz. Mrs. Wagenschutz, Severance and Eural Clark, treasurer, voted in favor. Nelson Schrader, vice-president, cast the only dissenting ballot.

Schrader said his vote against the motion was "because in a previous meeting the school board had been advised by our local division of the area study group that a school district comprising this additional area would not be feasible or practical.

"I see no reason to change now because of the high caliber of the Area Study members representing Northville, which devoted more than a year of painstaking investigation before arriving at its conclusion. The board of education unanimously approved the decision to withdraw from the study group.

"Another reason, but of lesser importance, is that the special meeting of the local board last Thursday was called specifically to discuss annexation of the Chapman district, a move which I favor. Instead, it developed into a discussion involving six districts.

school put on a fashion show last Thursday night and modeled the fashions they had created. Eddie Wittenberg escorted Elsa Couse in the fashion show. Elsa modeled a white linen skirt with a printed bolero jacket. Eddie wore a dark sport coat with charcoal pants, a white shirt, and a pink tie.

Nancy Morrison modeled a chintz skirt with a brown and tan design on a white background. She chose a brown blouse to go with her skirt.

The organization of a women's afternoon club was postponed due to the death of Mrs. Hobb's sister-in-law in Cleveland.

Mr. and Mrs. George Marinoff are entertaining her aunt and uncle, Doris and Bill Stremick, of Albuquerque, N.M.

Mrs. Swensens caught a pheasant the hard way last week while Mr. Swensen was driving along Ten Mile. A pheasant flew into his windshield and completely shattered it. The pheasant was also quite shattered by the experience.

The envy of the neighborhood are the beautiful petunias at the

Walter Thompson home on Ten Mile and LeBost Drive.

Incidentally, a very important notice for those with small children... we have two very reliable baby sitters, Jay Ann Wittenberg of 24230 LeBost Drive, and Nancy Morrison of 24319 LeBost Drive. Jay Anne's phone is Farmington 1310-J1 and Nancy's is 1310-J2.

The neighborhood boys have been doing quite a bit of fishing in the brook and pond south of Ten Mile. To date no record catches have been reported and any fish appearing on Willowbrook tables were undoubtedly purchased at the fish market. The young members of the Davy Crockett set also find this country living ideal for hunting bear and Indians in the nearby fields.

Mrs. Jack Carter entertained her pinocchio club, known as "The Cats", last Thursday at her home. She had 12 guests. They played eight hands of pinocchio and prizes were given. She served a buffet luncheon.

Congratulations are also in order for the Carters who celebrated their 13th wedding anniversary May 23.

## Baseball Here Sun., Mon.; Scouts Eye New 2nd Bagger

The holiday week end will find the Northville baseball team in the Inter-County league busy with two home games at Cass Benton park. Games will start at 3 o'clock. Sunday's clash will be with Wallaceville. Monday, Dietrich Buick of Wayne will be here, according to Steve Polino, manager of the local team.

Wallaceville is the weaker of the two opponents coming up for holiday fare, with a season record of two losses and no victories. Wayne Dietrich has chalked up two wins against one defeat.

Not only is Polino pleased with the record of his latest acquisition to the local nine—Wally Messina, second baseman—but takes added pride in the fact that the 17-year old kid from St. Bernard's High school in Detroit has been watched by two major league scouts here.

The "ivory hunters" were from both the American and National league. Messina had previously played with the Molnar nine in Federation league at Detroit.

More than 90 percent of Michigan's population is covered by local health services.

## Recreation Plans Selection of Boys For League Play

The Recreation Department would like to remind all boys between the ages of 10 and 16 that the baseball school being conducted is still being held on Saturday mornings.

These boys will be divided into different age groups this Saturday as the first step in organizing them for competition in league play this summer.

This Saturday the boys should report for practice at Cass Benton at the following times:  
10 to 12 years, 9 a.m. to 11.  
13 to 16 years, 11 to 1 p.m.

## Northville Group Enjoy Tour of Kellogg Sanctuary

Mrs. John Haller, Mrs. R. D. Merriam, Mrs. Paul Schulz, Mrs. M. L. Hoysradt, Mrs. John Burdman, Mrs. George Alexander and Mrs. L. M. Eaton attended the annual meeting of the Michigan division of the Woman's National Farm and Garden Assn. at Post Tavern in Battle Creek last week.

The schedule for the afternoon session was a conducted tour through the Kellogg Bird sanctuary. The Northville group concluded the trip with dinner at Schulers in Marshall.

## Here's why PONTIAC WINS BUYERS FROM EVERY OTHER MAKE

It's a king-size luxury car—Biggest at its price!

Pontiac is a big, roomy car. Here it is: A car with 122" or 124" wheelbase—longest in its price field, even longer than some models in the top price range—and with true big-car stability to match. Luxury is in key. For quality of fabrics, conveniences and appointments, Pontiac compares with the costliest cars.

It's a 200-horsepower performer—Most powerful at its price!

As the only car with the Strato-Streak V-8, Pontiac has a big performance advantage. This newest and most efficient V-8 enables Pontiac to provide more power than any car has ever delivered at Pontiac's price—a full 200 horsepower with the four-barrel carburetor, an extra cost option; 180 H.P. is standard.

It's a future-fashioned beauty—Most distinctive at any price!

Style-conscious motorists turn to Pontiac for true mode-of-tomorrow design, beautifully different from any other car on the road. Exclusive Vogue Two-Tone styling, Twin-Streaked hood and low, rakish lines give you a car that you know will remain a prideful possession for many years to come.

You can buy a big, 200-horsepower Strato-Streak V-8 Pontiac for less than many models of the lowest-priced cars and for much less than stripped economy models of higher-priced makes—none of which equal Pontiac in combined power, size and future-fashioned beauty.

It's America's topmost value—Greatest buy of any year!

Pontiac is selling at the fastest rate of all time for this simple reason: America agrees—when you can get the size, power, beauty and luxury you want at Pontiac's easy price, that's the place to put your money. Come in and get all the facts.

CAN YOU SEE, STEER, STOP SAFELY? CHECK YOUR CAR—CHECK ACCIDENTS.

**'60 Population Set At 4 Million By Edison Planners**

Arthur Cole, dealer sales representative of Detroit Edison Co., told the Exchange club of the optimistic forecasting of the development of the Wayne, Macomb, Oakland county areas as foreseen by the planning department of the Edison Co. These "planners" have been more than 95% correct in their forecasts of the needs in Edison expansion, he said.

They predict a population increase in this three-county area from about 3½ million (1954) to almost 4 million in 1960. He said that the improvements to the St. Lawrence waterway will open unexcelled seaports in Michigan.

The creation of expressways, 105 miles of them in Detroit now, with all the buildings planned, or in process of construction, will enable the Detroit area to hold a foremost position as a convention city. It, too, will become an even greater center of industrial activity, as well as possessing ever expanding cultural facilities.

The impressive chain of Edison power installations along the main waterways manifests knowledge of the soon-coming increases in demands for electric power, he added. They'll be prepared to supply it. When it does arrive, nuclear power converted to electric power will not alter the cost of electricity to the consumer. The biggest part of the bill pays the cost of labor and distribution of the power, Cole declared.

Harry Wagenschutz, manager of the local Edison branch, introduced the speaker.

**Former Resident Dies In California**

Ernest A. Kohler, a former Northville resident, died May 21 at his home in Canoga Park, Calif. at the age of 75.

Surviving are his wife, Celeste; a son, Albert of Los Angeles, and a son, Edward Leo, of Salt Lake City, and five grandchildren. Three sister, Miss Lena Kohler, Miss Permelia Kohler and Mrs. Roy Terrill, all of Northville, and one brother, Fred J., of Plymouth, also survive.

A Masonic funeral was held on Tuesday.

Seventy out of 83 Michigan counties are served by full time local health departments.

**RED CROSS CITES MRS. WINTER'S ACHIEVEMENTS**—Mrs. Clifford Winter (left) receives a service pin from the Detroit chapter of the American Red Cross through Mrs. Arthur Carlson, chairman of the Red Cross, Northville branch. Under Mrs. Winter's direction the annual drive for funds here in the past two years has exceeded the quotas. When the goal was \$1,200 in 1954, Northville contributed \$2,257. This year, collections totaled \$1,865, compared with a mark of \$1,500. Mrs. Winter has been active in Red Cross activities for the past 15 years, including nursing in hospitals during the war.

**VFW Describes Use of Funds From Sale of Poppies**

With Poppy Day sales scheduled for this week end—Thursday, Friday and Saturday—Veterans of Foreign Wars, through its local commander, Clayton Myers, explains how its collections during the drive are handled.

The funds go to disabled veterans, their widows and orphans. "One and one-half cents go to the state rehabilitation and welfare fund, one cent to the national rehabilitation service, one cent

to the national home for widows and orphans, and one-fourth cent to the hospitalized veteran who made the poppy. The remainder of the money remains in this community to help care for needy and hospitalized veterans."

One of the services possible largely through the funds raised by the sale of Buddy Poppies, according to the VFW, is the action in claims in which its rehabilitation service participates. Last year 140,000 favorable actions in claims resulted in a monetary return to veterans and their dependants of \$128,000,000 to veterans, VFW states.

**Cooperative Nursery News**

The Northville Cooperative Nursery closed the 1954-55 session with the meeting May 16.

The newly elected president, Mrs. William Secord opened the meeting and after a brief business discussion, she introduced the members who attended the fourth annual conference of the Michigan Council of Cooperative Nursery groups held in Lansing recently.

Mrs. Charles Hall, Mrs. Irvin Marburger, Mrs. Francis Clinton, Mrs. Edwin Langtry and Mrs. William Madigan gave reports on the different group meetings they attended.

Mrs. Secord reported on the meetings of the adult education group she attended May 11-12 in Ann Arbor. These meetings were sponsored by the Michigan Federation of Woman's clubs and the University of Michigan Extension Dept. Dr. Dean Olson, dean of education, was the speaker.

The highlight of the meeting was the white elephant sale. Mrs. Paul Gerhardt of Plymouth was the auctioneer. The nursery mothers made \$45 which will be used towards a work bench for the boys.

A family picnic is planned for May 27 at Cass Benton park at 6 o'clock. All alumni of the nursery are cordially invited to attend.

The nursery children enjoyed a trip to Willow Run in Ypsilanti and were taken through a TWA airplane. They visited the observation platform and watched the passengers board and alight and the refueling of the planes.

After the tour they were treated to soft drinks. Accompanying the children were Mrs. William Madigan, Mrs. Edwin Langtry and Mary Lou, Mrs. Irvin Marburger and Randy, Mrs. William Secord, Mrs. Charles Hall, Dickie Wagenschutz and Mrs. George Zerbel.

**Four Scholarships Added By Kroger Grocery Chain**

Since it is the only college in the nation offering a degree in food distribution, Michigan State college will receive the students' winning Kroger Co. scholarships in four states, according to Edward Barnes, manager of the Kroger store here.

Outstanding high school seniors in Indiana, Michigan, North Carolina and Ohio, one in each state, will be eligible for the \$500 one-year awards. They will be available next fall at MSC for study toward a degree in food distribu-

tion. This is the only college in the country offering this degree.

Winners will be selected by a committee appointed by the state supervisor of distributive education. Applications may be made through high school distributive education coordinators.

Male students from distributive education classes in high schools throughout the state are eligible for the scholarship. Awards will be based on scholastic achievement, character, and personality.

In addition to these scholarships, the retail food firm also offers each year 97 scholarships in agriculture and home economics at land-grant colleges in 19 states.

**This '55 Buick must have something that folks just won't do without!**

PICK YOUR CAR FROM THE HOTTEST-SELLING BUICKS IN HISTORY!

There's a Buick to fit every purse and purpose—the budget-priced Special, the high-powered CENTURY, the extra-spacious Super (illustrated here in the Riviera model), and the custom-built ROADMASTER.

**T**WO months ago, in the public print, we said that this looks like Buick's biggest year—and we weren't fooling.

But what has happened—and continues to happen—is almost beyond belief.

People buy up these stunning new Buicks practically as fast as we get them from the factory. Buick production—already revised upward several times—keeps forging ahead to new highs every month to meet the mounting demand.

*And Buick sales keep soaring higher and higher and higher—outstripping by far the phenomenal success of last year—the success that moved Buick*

*into the "Big Three" of America's best sellers.*

What is it about the '55 Buicks that folks by the hundreds of thousands just won't do without? It's many things.

It's styling that's boldly distinctive and fresh as tomorrow. It's beauty of line and beauty of interior décor. It's a ride that's level, firm and steady. It's a new sweetness of handling. It's great power—walloping new V8 power of record might.

But above all, it's a new kind of performance, from a new kind of

automatic transmission that was born of flight thinking.

It's Variable Pitch Dynaflo—engineered from the principle of the modern plane's switch-pitch propeller—and what it brings you in the way of pure thrill, mere words can't describe.

Just you drop in on us this very week and try it. That way you can see what a terrific automobile—and a terrific buy—the hottest-selling Buick of all time really is.

*\*Dynaflo Drive is standard on Roadmaster, optional at extra cost on other Series.*

The Lesson-Sermon entitled "Ancient and Modern Necromancy, alias Mesmerism and Hypnotism, Denounced" will include the account of healing as recorded in The Acts of the Apostles (5:12 to 16): "And by the hands of the apostles were many signs and wonders wrought among the people;... There came also a multitude out of the cities round about unto Jerusalem, bringing sick folks, and them which were vexed with unclean spirits; and they were healed every one."

Also stressing the practical power of Christian healing is the following passage to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "God will heal the sick through man, whenever man is governed by God. Truth casts out error now as surely as it did nineteen centuries ago" (495:1-3).

# Ford's lower price lets you buy "the works"!

Because Ford is priced hundreds of dollars below other fine cars, you can have conveniences like Fordomatic, power steering, power brakes, power windows or a 4-way power front seat with the money you save!\*

\*Based upon a comparison of manufacturers' suggested list or factory delivered prices.

You can profit from the experience of thousands of former medium-priced-car buyers who have made the switch to Ford. For one thing, you can enjoy as they do Ford's many fine-car features and, with the money you save, buy the power conveniences of your choice.

And whichever of Ford's 16 beautiful models you prefer, you get the years-ahead styling of the Thunderbird—that fabulous original by Ford. Rich Luxury Lounge interiors offer you the last word

in interior décor and feature many colorful new fabrics used for the first time in any car. You'll be far ahead in "go," too, with Ford's reassuring Trigger-Torque power. Here's power that meets your every demand in traffic or on the open road. And wherever you go, on boulevard or back road, you'll find that Ford's exclusive new Anglo-Poised ride smooths the way.

Try Ford and you'll agree... you can pay more but you can't buy better!

### Master-Guide Power Steering lets you park up to 75% easier

You ease into or out of tight parking spaces with far less effort. Unlike many power steering systems, Master-Guide leaves you with a natural "feel" of steering... assists you the moment you need extra turning or parking "muscle."

### Swift Sure Power Brakes let you stop up to 1/3 easier

You travel relaxed... arrive refreshed. And Ford's suspended brake pedal makes stopping even easier.

### Power-Lift Windows let driver regulate all 4 windows

There's a separate control at each window for passenger convenience. From the driver's seat you can set each window with a touch on the control.

### 4-Way Power Seat gives exact seat adjustment

A single control moves front seat forward or back, up or down, for exact height, leg room you want. The only 4-way seat in Ford's field.

### New Speed-Trigger Fordomatic for automatic driving at its best

For extra-fast speed-trigger starts, just press the accelerator to the toe-board and you flash away in "low." Fordomatic automatically shifts into intermediate gear then to direct—all while the selector lever is set at "Drive."

### Northville Is Host To Visiting Mayor of Centreville

ARRIVES AT COMMUNITY BUILDING—Trading places for the day with Northville's Mayor Claude N. Ely, Mayor Arthur Olsen of Centreville arrives for the first step in the day-long Michigan Week program. He is welcomed by Conrad Langfield, chairman of the local program. From left, Mrs. Langfield, Mrs. Olsen, Olsen and Langfield.

### Reed Describes Mayor Exchange At Centreville

(Village Commissioner Earl Reed and Mrs. Reed accompanied Mayor and Mrs. Claude N. Ely to Centreville in the exchange of mayors program in connection with Michigan Week. Reed has written the following report of the day in Centreville while the mayor of that village, Arthur Olsen, was mayor of Northville for the day—Editor's Note.)

We would like to inform you folks that the citizens of Centreville, Mich. reminded us of home. There was the same congeniality and fellowship in that community that is so prevalent in our own Northville.

Centreville is in the southwestern part of the state and is the county seat of St. Joseph county. Population is 950.

We arrived at 11 a.m. and were met by J. Busch, editor of the weekly paper there. Introductions then followed to their Mayor pro-tem, L. Hoover, and many others. Our first tour of the village

was to the fairgrounds, covered bridges and many other points of interest. The fairs are held during the third week in September and have the second highest paid attendance of any in the state—second only to Detroit. In the area are beautiful buildings, barns, half-mile race track and an equipped athletic field for night baseball and football games.

From what we observed and were told, we urge you to make it a point to being there in September. The covered bridge is one of three of its kind in the state.

#### Tour Schools

A tour was then made of the schools, one of which is now under construction. It will have lighted school rooms, each painted in different colors. Toilet facilities are in each room. There is a combination gym and lunch room with the tables (five of them seating 25 each) so installed that they fold up along the walls; also, a teacher's rest room, a consultation room plus many other features.

The parade started at 2:30 p.m. from the school. It was headed by color guards from the National Guard, followed by the school band, your mayor and first lady, Commissioner and Mrs.

Earl Reed, the queen and her court on a lovely float, other floats with pretty school girls, various pieces of farming equipment, fire engines, etc.

The route led us to a stand in front of the county building where our mayor crowned the queen. She was chosen from the high school. She had on a very lovely gown provided by their village for this occasion. The key to the village was then presented to our mayor and corsages given the visiting women and Mrs. L. Hoover, wife of mayor pro-tem.

We were then taken around the business district and introduced to all their businessmen and women. There are some very fine stores in their village.

#### Home of Dr. Denton Plant

This was followed by a tour of the Dr. Denton sleeping garment factory. One can well understand after being enlightened on the process of manufacturing of this article why their product is one of the best, if not the best, on the market today. Mrs. Ely and Mrs. Reed were presented with gifts of these Dr. Denton's pajamas for their grandchildren which they highly prized and appreciated.

A rest period followed at the lovely home of Mr. and Mrs.

### Letters to the Editor

Northville has been home to me for 35 years and to my late beloved wife Helen for many years more than that. Recent events have proven to me that our home was well chosen. I was made deeply aware of Northville's kindness through the loyalty of our friends and their helpfulness during the trying period of Helen's illness and after her release from suffering.

It is especially fitting that I express my sincere gratitude to Louella, Mrs. Glenn Hammond, for the loving and constant care which she gave to Helen during the long vigil preceding her death. In addition, it is appropriate to thank Louella and Glenn, Helen's brother, for their support to me during my long period of emotional strain.

Seldom does one find the deep personal bond existing between a patient and the attending physicians as the one between Helen and her doctors. Dr. Irene Sparling and Dr. August Holcomb were always ready to respond to her call for professional services or for the reassurance which she gained through them as respected friends. To Dr. Irene and August, my appreciation for easing her troubled thoughts.

To all of the staff of the Sessions hospital, Helen would want me to say something very simple and direct. You were all so good to her. Your services to her far exceeded the answering of flashing lights and ringing bells. Each of you came to her bedside as a considerate and helping friend. Thank you.

During the long months of her illness and in the sad hours after her death, the members of Orient Chapter No. 77 of the Order of the Eastern Star were ever ready to help. Kerry O. Pattison faithfully maintained the bond of loy-

alty and friendship between the members and Helen with a devotion more of love than of duty.

It is impossible for me adequately to express my appreciation to the friends and relatives who kept her room bright with flowers and her spirits high through thoughtful acts and faithful visits. Helen would have wept at the beauty of the floral tribute and the other tributes to her memory which were received after her passing. The quiet and un-solicited kindnesses which our friends extended to me and to the Glenn Hammonds during the days following her death would have pleased Helen. The number of loyal friends alone precludes my seeking each of you out and thanking you personally. When I felt all alone, I found you all waiting to help me. The open-hearted ways you found to help, brought unshamed tears to my eyes. I am grateful to all of you.

To Mr. Phillips and Mr. Bahnmiller, who set a scene of quiet homelike dignity in which Helen's many friends could view her at rest from her pain, I am deeply appreciative.

Finally, I want to express my thanks to the Reverend I. E. Hodgson for the care with which he selected the words and the thoughts for the funeral service. Your words were both considerate

of those who were left to mourn and appropriate to Helen to whom we had gathered together to pay our final respects.

Al M. Zimmer

Dear Sir:

Some weeks ago I wrote you about my effort to locate descendants of Harriett (Goodwin) Crombie and her husband, Archibald Crombie, who lived years ago in Northville. After exhausting many other lines of search through relatives, I wrote you in the hope you might suggest some of the old time residents to whom I might write, who might have known the Crombie family, and what became of them. I did not dream of you putting my letter in your columns. I want to thank you.

But, all at once I received several letters from people who said they knew some member of the family. Only one, however, had any definite information. Mrs. Burt Wood wrote that her youngest sister had married the younger son of the Crombies, Burt Crombie, and they had lived at Plymouth.

Of their four children, two are living there, Merritt and Goodwin Crombie. She phoned to the former and two weeks ago tomorrow, he and his wife, enroute through Grand Rapids, stopped a few minutes to see us. I hope now to get some further details of the family descendants from them, when they have opportunity to get them written down.

I certainly appreciate your kindness in putting my letter in

your paper more than I can possibly express.

Sincerely yours,  
Levi P. Goodwin  
342 Beulah Street, S.E.  
Grand Rapids, Mich.

### "I BELIEVE" - WHAT?

A fairly recent popular song is entitled, "I Believe —". A pretty song but when ended you still wonder what the writer believes. The Apostle James tells us clearly in the 2nd chapter that certain kinds of "I believe—" is not enough. In verses 14-18 he speaks of a person that has a profession. He SAYS he is a believer. But James is careful to point out that this kind of faith alone is not sufficient, one must have more than a mere profession of faith to be a Christian. In vs. 19-20 he speaks of those who profess to believe in the existence of the one true God. Yet even such belief, being alone is of little value. It is the first step, tis true, but if one does not use that confidence and obey what God says, then that faith is profitless. Then in vs. 21-26 he speaks of the kind of Faith that is Genuine! The faith that works! The faith that is followed by appropriate action is the only true faith. Do you believe that Jesus Christ died for your sins and arose again the third day? Then to put that faith into action you must surrender yourself to Him and receive Him as your personal Saviour. This is the faith that saves!

New Dodge Custom Royal Lancer. Other Dodge models priced below many models in the "lowest price field."

Some things you can see right away that tell you this is the year of the big Dodge move. (Sales have doubled over last year!)

You can stack the new Dodge up against other cars in its field, and see how much larger and more luxurious it is: Up to 9 inches longer than competition.

You can see the distinction of new Dodge styling, with eager lines that are stealing the "OH's" from the costliest cars. The swept-back sweep-around windshield. The "sparkle" of twin-jet taillights and three-tone color combinations. The beauty of Jacquard tapestry interiors.

But more important than this is the deep-down dependability engineered into every unseen part and feature of this great Dodge!

That is something you discover through the years and over the miles. It is your sure reward for choosing the new Dodge.
