Class of '75

*It's a funny thing what high school does for a person;
it makes him grow up,
it makes him realize that there are things to be done,
things that can wait no longer.*

3 4633 00040 5496

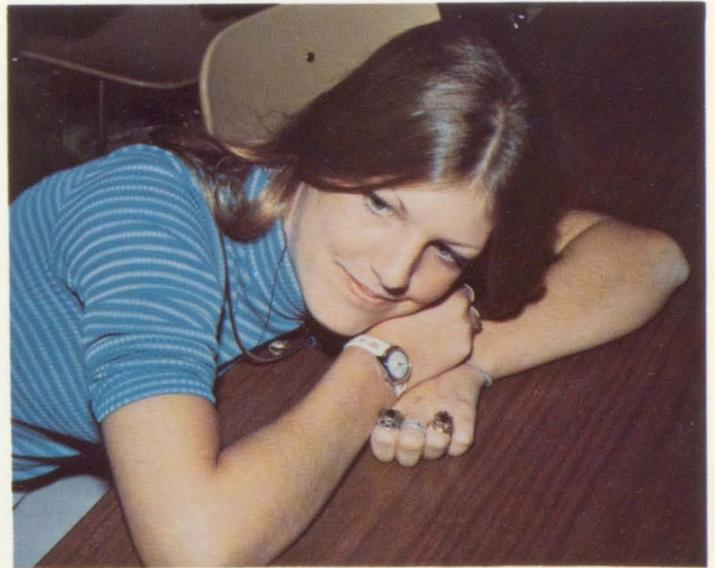

*These things will require everything that a person has to offer,
his willingness to take the bad with the good,
his acceptance of the fact that some things have to be done as a team,
while other things have to be faced alone.*

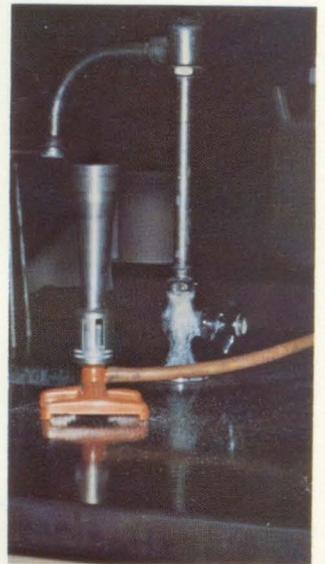

WINDYBUSH TOWNSHIP LIBRARY
405 Cassin Road
Garden, Michigan 48136

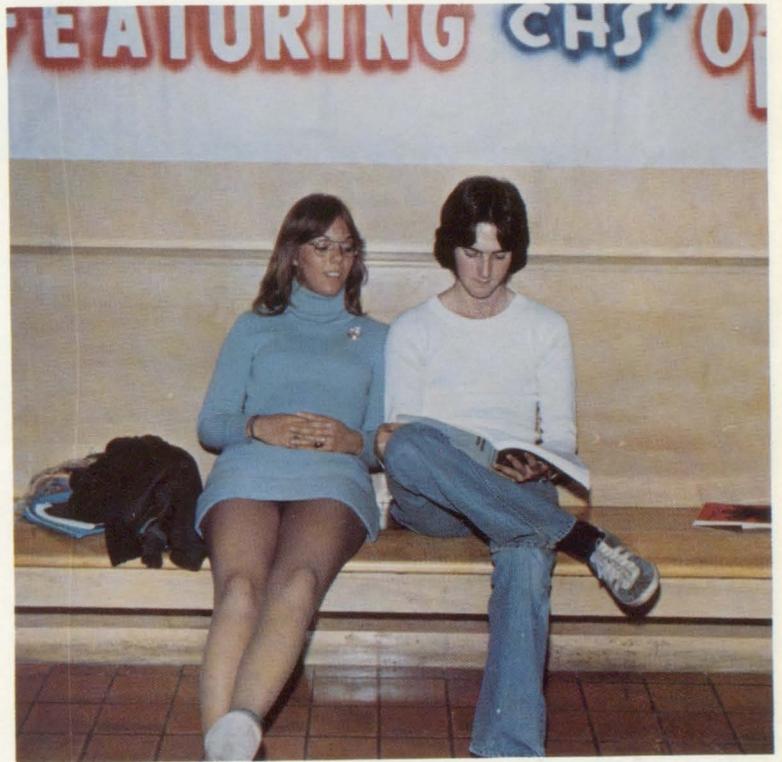

These things are often something that a person has to offer
the willingness to try the best and the best
the acceptance of one's self and one's friends and to be a part of a team
with every thing that is in the world.

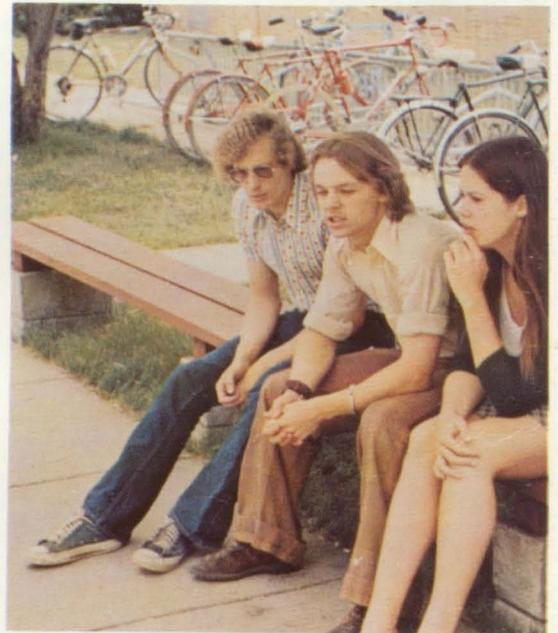

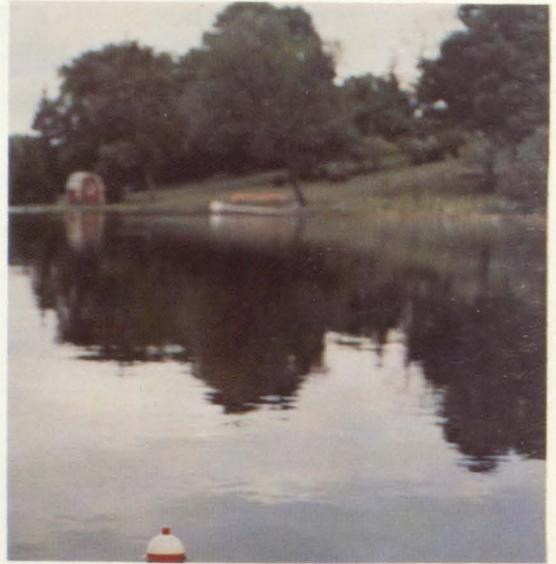

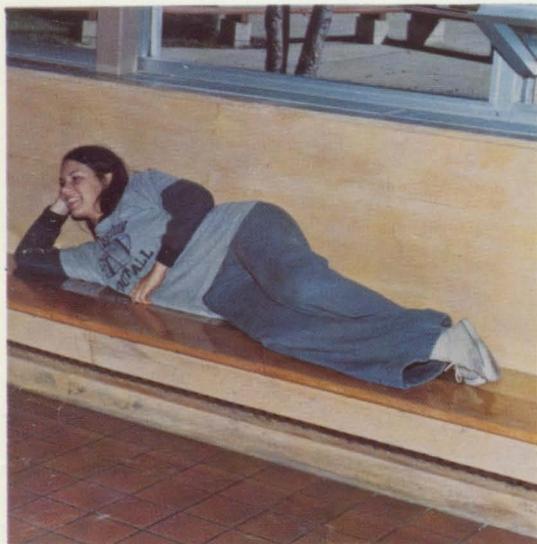

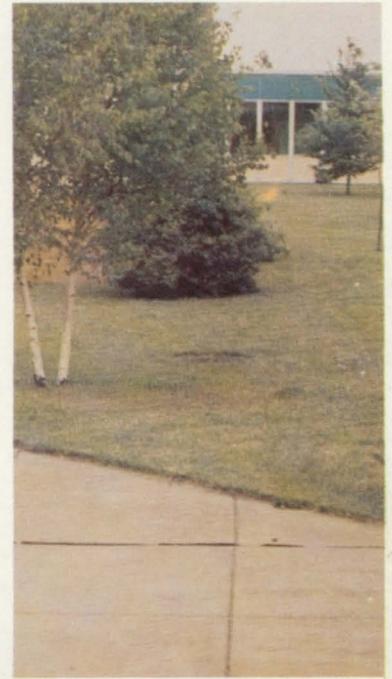

*He realizes that there will always
be things that won't go his way, . . .
that there will be things of which
he can't be a part.
And that there will often be things
that will keep him from doing
what he wants to do.*

The picture that I saw in the
paper was not the way I
thought it would be. I was
in a bit of a hurry and
I didn't have time to
look at it properly. I was
in a bit of a hurry and
I didn't have time to
look at it properly. I was
in a bit of a hurry and
I didn't have time to
look at it properly.

*And when he realizes that all these things
are just a part of the wild scheme of life,
he will be grown up and ready
to accept the joys and responsibilities
that life has to offer.*

ADVENTURE

Sun and wind and beat of sea
 Great lands stretching endlessly . . .
 Where he bonds to bind the free?
 All the world was made for me.

It is good to pause
 and rest awhile

From life's demanding pace

To leave the loud, chaotic crowd

And find a peaceful place

MICHAEL

I'm sorry you had to leave us
I can't be sorry for you though
You deserve the best
And now you have it.

I'm sorry for us though,
We're going to miss you

You packed a lot of living
Into seventeen years
And we all shared in your vitality.

Actually that's why this is so hard
You were good at life, and
So much of the importance of our lives
Came through your energies.

Instead of realizing our hopes for you
We must be content with memories

The pit in my stomach is
Starting to go away
But your place in my heart never will.

Taking advantage of God's outdoors
Was your form of worship.
And you worshiped more than anyone
I have ever seen.

God was pleased, so he took you
to be with Him

So I can't be sad for you
'cause like they say
Now you can reach out—
And touch the Face of God.

I love you.

In one sense there is no death.
The life of a soul on earth lasts beyond his departure. You will always feel that life touching yours, that voice speaking to you, that spirit looking out of other eyes, talking to you in the familiar things he touched, worked with, loved as familiar friends. He lives on in your life and in the lives of all others that knew him.

—Angelo Patri

We Are Here to Help!

In addition to Marilyn Hanson, William Bonnell, and Margo Lay, Victor Hart was added to the counseling staff this year. In order to best serve the student body, students are now assigned to counselors alphabetically, instead of by classes. Athletic Director, B. J. Hanson is responsible for scheduling and organizing athletic events at the High School. Taking charge of the Special Education classes this year is Howard Webster.

Counselors: Margo Lay and Victor Hart

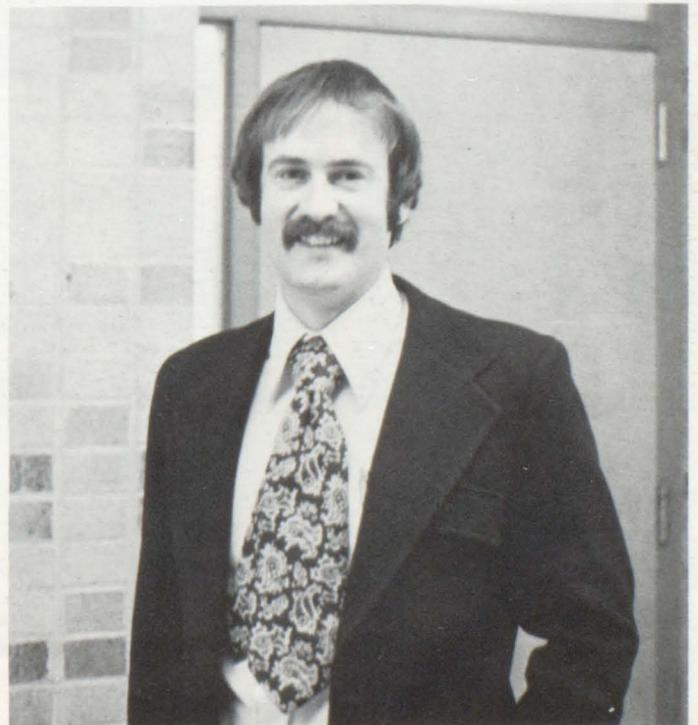

Athletic Director: B. J. Hanson

Geverink Joins Secretarial Staff

Miss Geverink is the counselors secretary.

Busy typing is Mrs. Bortz.

Mrs. Rollison takes a break from typing.

Mrs. Allen has a good conversation going.

They Serve Our School.

Dave Hodge took control of the parking lot this year.

Bus drivers pause to have their pictures taken.

Jim Sturgis, Lena Belle Barber, and Doug Green work closely together.

Special thanks should go out to the following; Bus Drivers, Cooks, Custodians, and our Parking Lot Attendant. The bus drivers, transport us to and from school in all kinds of weather. They even work nights to transport students to the away games. The cooks come in every morning to work on our lunches. The custodians are here day and night cleaning all the class rooms and hallways. They also fix various things around the school. Then we have Dave Hodge; he is our parking lot attendant. He watches the cars in the lot, so no harm comes to them during school hours.

. . . *And the Beat Goes on* . . .

In the Music Department there are three different bands, all under the direction of Mr. Keith Sipos. The first is the Pep Band, which played at two of the home basketball games and at the Pep assemblies. The second is the Symphony Band which played at a couple of concerts and at the school Musical in the spring. The third band is the Marching Band. They played at all of our home football games and displayed fine entertainment during halftime shows. The Drum Majorette, a first at Clarkston High this year, was Ranette Byers. Congratulations go to her for doing such a fantastic job.

Mr. Sipos has started a new musical group made up of all woodwind instruments. All of the bands showed true school spirit and sounded great. We are looking forward to another great year of music. Now that the Pep Band is under way, maybe they will play at all Basketball games next year. GO WOLVES!

This year's Varsity Football Team was the best ever in Clarkston history. Led by a strong defense and sparked by an explosive offense, the team ran up an 8-1 season, a school record. The defense held their opponents to only 71 points, a school record. The offense rolled up 3692 total yards and 387 points, both school records. Against Milford Lakeland, the team racked up 56 points, another school record. This year's Most Valuable Players were George Porritt, who was selected as the league's Most Valuable Back, selected to the All-Metro North team as well as an Honorable Mention to the All-State team, and Tim Doherty, selected to the All-League team and an Honorable Mention to the All-State team. Dan Blower made the All-League and All-County teams as well as an Honorable Mention to the All-State team. J.V. Smashes to 7-2

Mr. Paul Tungate coached the Junior Varsity Football team to a remarkable 7-2 season, assisted by Mr. John Craven. Both losses came in the last seconds of the games. The first was against West Bloomfield which was lost in the last seventeen seconds of the game. The second against Avondale with just a mere four seconds left in the game. Scoring the majority of the touchdowns was Mark Czinder, a wing back. Second highest scorer was Don Farnsworth, running back. The outstanding blocker on the offense was Rick Langdon. Another fine offensive blocker was Keith Bradley positioned at guard. Quarterbacking for the Wolves through this fine season was Ron Fraley. Ken Ballard, an outstanding defensive player, executed more tackles than any other player on the team. Many members of this years Junior Varsity team will make great contributions to next years Varsity squad.

The Cross Country team had its problems this year with injuries and inexperience. With only three returning Varsity runners from last year and seven new sophomores, the team fell to a 5-9 record for the season. Paul Brown, who broke the school record with a time of 16:19 for the 3 mile course, was voted the Most Valuable Player. Rob Ferguson was voted Most Improved. Varsity team members this year were Paul Brown, Dave Brown, Rob Ferguson, Ed Frick, Paul Glowzinski, Ted Jackson, Jeff McIlrath, and Rick Tosto. J.V. members were Tim Brown, Ray Funk, Ray Johnson, Tony Papi, Rick Pfahlert, Dan Saunders, Jayson Sawyer, and Reed Swanson.

Clarkston's Varsity Basketball team was composed of eight Juniors and six Seniors. This was a building and a learning year for both the Wolves and Coach MacDonald. The strategy of trying different players at different positions did not seem to help. The record shows that the Wolves did not have a good season, but the majority of games were lost by only two to four points. With the experience of this past year, maybe the Juniors can have a winning season next year. Clarkston should stand behind its team.

J.V. Has a Winning Season!!!

The Junior Varsity has had a good season this year due to the coaching of Dave Bihl. They should have some good talent going up to Varsity next year. The team was led by guards Ron Fraley and Larry Bennett, who has jumped from J.V. to Varsity and then back down again. The forwards were Brian Farnsworth, Don Blower, and Geoff Becker. The center was Chris Lordis.

Work and dedication shows through in the teams performance on the court at home and at away games.

Sophomores Prepare for Future

The Sophomore Basketball team is not as competitive as the other teams. It is a program where young athletes can learn through practice the finer points of playing competitive basketball. They play only a few games a year since their primary objective is to learn and improve so they can play on the Junior Varsity or Varsity teams in the next two years. They are coached by Mr. John Craven.

Varsity Powerball Aim for First Place

This year's Varsity Powerball team had a very good season. They are under the direction of Mrs. Linda Denstead. This is her third year coaching the team. The Varsity team consists of Nancy Foster the only Senior on the team, this is her third year playing. Nancy Chartier, Jody Combs, Diane Curry, Autumn Matlock, Nancy McAlevy, Dede Miller, and Kylee Pointer are juniors so they are likely to be on the team next year. The only sophomore is Kathy Warren. Debbie Jones is their manager. The girls have put in a lot of time and effort into each game, and it shows.

J.V. Power Ball Off to Slow Start

The Junior Varsity Powerball team had a slow start this year, but Coach Miller was optimistic and said the girls should finish a little stronger. The girls are working hard this year in hopes of a spot on next years Varsity team. The J.V. Wolverettes have a good team spirit, but the ball just does not bounce the right way for them. But it is not whether you win or lose, but how you play the game.

Junior Varsity Supports Varsity

This years Junior Varsity Wrestling team, was coached by Lee Romeo. Their outstanding record of 8-1 in the dual meets this season exemplifies the performance of our wrestlers. As a result of their constant working out and determination they placed second in the tournament held at Pontiac Northern, in which 17 sophomores participated. Many of these will be coming back next year to assure us of a winning Varsity team nest year.
