

Events of the Past in Northville

News Items Taken From the Files of the Record

ONE YEAR AGO—

Since parking meters were installed in Northville five years ago, collections have totaled \$50,000.

Nearly a thousand boys and girls participated last year in many projects sponsored by the Northville Optimist club. Benjamin Bryant, 21, of Salem, lifted an overturned panel truck in the C&O railway track, alone to free the driver, Henry LaMont, minutes before a freight train threw the truck from the

track. The truck slid on the icy pavement and collided with the flasher signal overturning to pin the truck on the driver's leg.

FIVE YEARS AGO—

Plans for the creation of a local civilian defense program got under way when representatives from various community organizations met to form the nucleus of a council. Forrest Doren is civilian defense director.

Northville's records of vital statistics for 1950 show an increase in births.

DeMolay Chapter To Be Reactivated

The Northville Masonic Lodge No. 188 extends an open invitation this week to boys 14 years and older and their parents to attend a social hour Tuesday evening, Jan. 17 at 7:30 p.m. in the Masonic Temple.

A plan will be made at this gathering to reactivate the chapter of the Northville Order of DeMolay.

According to the lodge, the Order of DeMolay has for its purpose the teachings of clean and upright living by practicing the virtues of comradeship, reverence, love of parents, patriotism, courtesy, and fidelity. Its supreme effort is to create leaders and develop character. It places special emphasis on love of God, love of home and love of country. It does not attempt to take the place of the home, or the church, but rather to supplement them.

FIFTY YEARS AGO—

Miss Ruth Gillis left Sunday for Adrian to enter again in the employ of the Adrian Press as a compositor.

TWENTY YEARS AGO—

Contracts have been awarded for the construction of a grade school addition totaling over \$27,000.

Jim Savage, well known and respected citizen of Northville, died at the age of 65.

Rachel Edwards and Harry Sedan were married Jan. 3 in the Presbyterian parsonage.

L. B. Laplan will soon have completed the alterations on the second floor of the Penford store. When completed there will be two apartments.

FORTY YEARS AGO—

Mrs. Ames Northrop, one of Northville's oldest, most loved citizens, died Sunday at the age of 71.

Mrs. George Clarke is ill in the Acheson Memorial hospital in Northville.

Mrs. Rex LaPlante will open her home to the Mission Band of the Nov. Baptist church today, Thursday. They will have a pot-luck luncheon at noon and an afternoon business meeting.

Mrs. and Mrs. Luther Rix entertained the members of their pinocle club Saturday evening.

Mrs. Howard Starkeaster of Northville substituted Mr. and Mrs. Rix and son, David, of Plymouth were also present.

Unit Accepted Saturday
By Township Officials

It's finally here! Novi's shiny new \$20,000 fire engine arrived last week and, upon completion of performance tests, was officially accepted by township officials Saturday afternoon.

Featuring the latest equipment and design, the engine is similar to equipment now in operation in Plymouth, Livonia and Nankin Township. With the new vehicle, township officials hope for a slight adjustment of fire insurance rates in certain areas of the township, especially the rapidly growing Willowbrook area.

Custom Made
A product of the American LaFrance Corp., the new engine is designed from the tires up expressly for fire-fighting. Each unit is virtually custom-made, Novis unit having been on order since early last July.

The Novi Sure Shots, a rifle club, received their charter from Washington, D.C. The following students were elected to the executive committee: president, David LaFont; vice-president, Ronald Leaver; executive officer, Roger Cheeseman; treasurer, Tom Darling; and secretary, Bill Boyd.

With a pumping capacity of well over 750 gallons of water per minute, the new engine is capable of supplying water to three 2 1/2" hose lines simultaneously. In tests, conducted Saturday at the south end of the Northville Mill Pond, the engine pumped at the rate of 350 gallons per minute with little trouble, township officials said.

Dual Motor
Equipped with a 2-way radio, the new engine will be housed at the township hall and will be able to maintain instant contact with other township vehicles at all times.

One of the most unusual features of the 285 h.p. engine is the "dual operation" motor. Specially designed and built by American LaFrance for their own vehicles, the new engine has 12 cylinders, and either bank of 6 may be operated independently in an emergency.

Two complete sets of wiring, two sets of spark plugs, two generators, two batteries, two carburetors, everything is in duplicate. In case one system goes bad, a flick of the switch puts the other fuel and electrical system into instant operation.

More Aid Available
The specially enclosed cab carries five men in addition to those riding on the sides and tailgate of the engine.

The new engine, which is to be used throughout the township, will be supplemented by additional equipment from nearby communities as Commerce, Farmington, Livonia, Plymouth, Canton Township, Nankin Mills and Bloomfield Hills.

The Novi Sure Shots, a rifle club, received their charter from Washington, D.C. The following students were elected to the executive committee: president, David LaFont; vice-president, Ronald Leaver; executive officer, Roger Cheeseman; treasurer, Tom Darling; and secretary, Bill Boyd.

READ A GOOD BOOK

lady! Here's one we think you'll enjoy, as will all the family. It's the new edition of the *Telephone Almanac*. It's chock-full of interesting, informative reading. Wonderful drawings, too. Kit Carson, the opening of the Erie Canal, the ringing of the Liberty Bell, and, of course, the story of the beginning of telephone service. Contains many tips for farmers, businessmen, housewives, students and other telephone users. Pick up your free copy at our Business Office.

WHAT'S THE WORST

part about running a home? Many housewives will tell you it's the "running." There ought to be some way to cut out all those unnecessary steps. Fortunately, there is—additional telephones. Installed in the bedroom, the living room, kitchen and basement, they save countless steps and a lot of time for the home "manager." And, of course, they make possible better service for everyone in the family. The cost? Less than four cents a day, plus a one-time installation charge. Order your additional telephones from the Business Office today.

MORE AND MORE

people are using Conference Calls to hold family meetings. Conference Calls used to be made chiefly for business purposes, but the word is getting around that they're wonderful experiences, too, for families whose members are miles apart. All you do, you know, is tell the Long Distance operator, "I want to make a Conference Call." You give her the names and telephone numbers. She'll get all the folks on the line at whatever time you specify. Then everyone can speak to and hear each of the others.

Medals and Trophies To Be Awarded

Skating Races Scheduled Jan. 28 At Mill Pond; Distances Told

No entry blanks are needed to enter the skating races at the local Mill Pond Saturday, Jan. 28, at 2 p.m. The only requirements are that entrants be public or parochial school students in the immediate area, and that they enter the races for their age group.

Trophies and medals will be awarded to winners by the sponsors of the racing meet, the Northville Recreation Dept. and the Northville Optimist club.

Points for the prizes will be figured for each age group on a basis of 50 points for first place, 30 points for second place, and 10 points for third place. The boy and girl with the highest point total will win a trophy for his or her age group.

Hoping for freezing weather, Stan Johnston, recreation director, issued a plan this week for all skaters to stay off the pond the Friday and Saturday before the races. "We'd like to flood and spray the area of the pond where the ice race track will be laid out," Johnston said.

Following is a list of the age groups and distance races:

6 and 7 years: Boys, 100 yards and 50 yards; Girls, 100 yards and 50 yards.

8 and 9 years: Boys, 100 yards and 50 yards; Girls, 100 yards and 50 yards.

10 and 11 years: Boys, 220 yards and 100 yards; Girls, 440 yards and 220 yards.

12 and 13 years: Boys, 440 yards and 220 yards; Girls, 440 yards and 220 yards.

14 and 15 years: Boys, 440 yards and 220 yards; Girls, 440 yards and 220 yards.

\$309 Collected In 1955 TB Seal Drive

Sale of Christmas seals and amateur donations in Northville amounted to \$309.11 in 1955, according to a report from the Tuberculosis and Health Society fund.

The following committee chairman for the drive released a breakdown of funds: Mrs. F. H. Wissner and Mrs. J. W. Chetani, community funds, bank book booth \$37.65, post office booth \$29.94, 6 seal dispensers \$18.88 and 40 canisters \$53.94; Miss Ruth Knapp, school funds, public schools \$123.00, and Our Lady of Victory \$63.35; Mrs. W. L. Howard, Mayday funds \$27.60.

3 from Northville Enrolled At M.S.U.

Three former Northville high school students have enrolled in Michigan State university according to High School Principal E. V. Ellison.

Those enrolled include Donald MacLean in the Basic College, majoring in electrical engineering; Don Thompson, in the Basic College, no preference indicated, and Jerry Frey, in the General Business Basic College.

Houghton lake is Michigan's largest inland lake, covering more than 20,000 acres in Roscommon county. However, the lake has a maximum depth of only 20 feet.

ZONING BATTLE ENDS WITH COMPROMISE

for the Record

by G. H. C.

Now that the battle over re-zoning the St. Lawrence property appears to be over, with the racing interests and the City Council prepared to accept the Planning Commission's original recommendation, it is appropriate to reprint this week a portion of the Record's editorial of Nov. 8. It appears below.

" . . . the City Planning Commission acted wisely . . . when it listened to objections of township residents and then dealt with the re-zoning application on the basis of its relative advantages to the city and its disadvantage to individuals who are so unfortunate as to own property that probably will be depreciated by the erection of horse barns. The Planning Commission's effort to come up with a compromise plan that would give Northville Downs the barn site it must have, and at the same time to cushion the depreciation to adjoining property which these barns will cause was a goodwill move that should not be shrugged off lightly."

The Record staff was pleased to receive notification this week from the Michigan Press Ass'n. that this paper has been selected for special honors in the General Excellence Contest which the association conducts annually among all Michigan weekly newspapers. The award is to be made formally at the annual convention in Lansing next week.

More Than Half of Township Taxes In

"\$33,000 has been collected in township taxes during the past Feb. 20 to pay for taxes to the township," said Northville Twp. Treasurer Roy M. Terrill this week, "and that is unusually good." The tax roll totals \$33,000.

Random Notes From "file 13"

With the new year well under way, it seems safe to tell a story which happened last year involving a benevolent patrolman and a respected, although somewhat inhibited, township resident.

While cruising along a side road one cold night, the policeman came upon a car parked in the road. The lights were on, the motor off, and the occupant soundly asleep in the front seat wearing off the effects of a few too many beers.

After moving the car over to the side of the road, the patrolman stretched the driver out into a more comfortable position and covered him with a car robe. Attaching a neatly worded note to the car, the policeman rolled the windows down slightly for fresh air, locked the car, and tossed the keys back inside. The note read simply, "Compliments Novi Township Police Department."

It's not going to snow or sleet or freeze—how can it? We just received the first garden catalog of the season and to put a new twist on an old phrase, if the garden catalog comes, can spring be far behind?

How can we believe in dreary winter weather when we see giant size roses and juicy red tomatoes bloom right in front of our eyes with all the perfection that only a seed catalog can produce?

Two enterprising young men, an insurance man and a local druggist, were discussing the advantages of taking a lawn mower along to the Hawaiian dance being sponsored by the Northville Mothers club. It seems they heard that all of the women will be wearing grass skirts.

Whether any long-term results will appear from this self-imposed starvation remains to be seen. The bug has bitten several of our staff members so we will have a chance to observe the John F. Stuenkel paid Mr. and Mrs. John Jones, owners of the house, that this property is high country. If all people I have to do business with in this kind of work were like Mr. and Mrs. Jones it would be a pleasure."

News releases arrive at the office by the bag full. Some are used and some are filed permanently in file 13. One of the latter category was received last week announcing the promotion of a company manager. This week another release came in from the company saying please cancel the last release, "he has left the company." We've heard of people leaving because they didn't get promoted, but this one has us stymied.

"It can happen to anybody, or so it seems. One day I was told by the big full-time fellow officer, Hm-m-m."

The trend nowadays seems to be toward self-service. In some cases this seems good, in other cases we have our doubts. But one recent example meets with our hearty approval. One of the local restaurants, Black's White House, now serves buffet lunches every noon except Monday.

Offering a wide variety of meat, vegetables and salads, the whole self-service deal costs only a buck. And the homemade strawberry jam and hot rolls alone are worth the price of admission.

And speaking of fine food brings us around to the subject of diets. With the holidays over and Lent just around the corner, a diet fast seems to be making the rounds. It seems about as contagious as the flu.

(Continued on Page 12)

AREA CHAIRMEN discussed the March of Dimes promotion campaign at a recent banquet in Detroit. Looking at one of the money collecting boards are, left to right: Charles Gehring, Wayne County campaign director; Mrs. Eve Mescham, Livonia chairman; Mrs. Virginia Bartel, Plymouth chairman, and Mrs. Janet Reynolds, the Northville chairman.

Original Recommendation Of Planning Commission Accepted By City Council

The recent argument over re-zoning the St. Lawrence property for truck use and permitting winter stabling at the new location appeared well on the road to settlement at the conclusion of the City Council meeting Monday evening.

Councilman Earl Reed proposed an ordinance incorporating all recommendations of the City Planning Commission as adopted at an executive session after its public hearing had been adjourned at a late hour last Friday evening.

They were:

1. To permit only 250 horses to be stabled in Northville Downs barns at any one time during the off-season (winter) months when no race meeting is being held.
2. This zoning for truck use for the property for truck use for the order of procedure as established by T. H. Carrington, chairman, was for witnesses favoring the zoning request to offer their testimony first, followed by those who opposed the proposal.
3. To re-zone the St. Lawrence property for truck use for the property commencing 15 days before the annual summer racing meeting and ending 15 days after the meeting closes.
4. To automatically change the zoning classification of the property back to R-1 (residential) if and when there is no longer a race track in Northville.

The new city charter provides that the ordinance be tabled until the next meeting on Feb. 6 and that it be advertised in the meantime so a hearing can be held prior to the council's vote on it. Acceptance of the ordinance is anticipated.

Analysis of Recommendation

In summary, the Planning Commission's recommendation and the proposed ordinance give Northville Downs and the Northville Driving club the re-zoning required for construction of up to 300 stalls for use during the racing season. Construction of such stalls—180 stalls prior to the 1956 race meeting and an additional 120 stalls by 1957—had been made a condition for Northville Downs to obtain racing dates this year and next.

It denies the application of the two organizations for permission to use the new barns for winter stabling, which must remain in the present area where it has been conducted for years.

The thinking of the majority of Planning Commission members in prohibiting winter stabling on the new property, as judged from individual remarks in the course of the executive session, was that the Downs will be replacing the wooden barns on the present track property in a year or two with masonry barns which can be used for years around stabling. It was felt, therefore, that the complaints about poor quality of present winter stables can be remedied by the Downs management with-

(Continued)

EAGER SALESMEN covered the downtown area last Saturday, selling peanuts for the March of Dimes campaign. Cooperative Northville citizens "shelled out" for polio willingly, boosting the peanut sales to over \$180. In the above picture, left to right: Donald Zarbach, Bonnie Walker and Mary Welch smilingly collect a donation from a generous, although unidentified, woman.
