## AAUW Book Sale Today in Plymouth

Values in used books will be offered local residents at the American Association of University Women's book sale scheduled for today (Thursday) and Friday and Saturday, February 28, March 1 and 2. The sale, to be held at Krogers in Plymouth, will commence at 10 o'clock according to Mrs. L. T. Schramm, book sale chairman.

The books have all been sorted and a good sampling in reading will be represented. Mrs. Schramm added, Other members of the book sale committee are Mrs. C. C. Wilcox, Mrs. J. R. Barnes, Mrs. Woodrow Tichy, Mrs. R. V. Probeck and Mrs. R. E. Houston. Proceeds from the sale will go into the local branch's fellowship fund which helps offer fellowships to outstanding women scholars throughout the country. Miss Virginia Rock, a Plymouth high graduate of the class of 1941, was a recipient of a fellowship in 1956. Miss Rock is working on her Ph. D. at the University of Minnesota.

MAKING RED CROSS DRIVE PLANS this week were members of the Northville Member Recruiting and Fund Committee at Mrs. Clifford Winter's North Rogers street home. Seated, left to right are Mrs. Winter, Mrs. Arthur Carlson, chairman, Mrs. Clifford Turnbull and Mrs. J. R. Cunningham. Standing are Mrs. Claude Ely and Mrs. Robert Dixon. (See story, page 1).

## Chorus and Soloists In Concert Sunday

Featured at next Sunday's concert of the Plymouth Symphony orchestra will be "Requiem" by Faure, with chorus and soloists.

Also on the program is the Pastoral Symphony by Beethoven to be performed by the orchestra for the first time in Plymouth.

Soprano soloist will be Joanne Hulec of Plymouth, whose background includes opera and concert work in Chicago and two years as soprano soloist with Phi Sylvania's "Hour of Charm" weekly nationwide radio broadcast. Plymouth audiences have heard her in occasional church choruses.

Nat Sibbold, also of Plymouth will be baritone soloist. He spent three years as master of ceremonies and singer with the Skating Vanities traveling throughout the United States, Canada, Cuba, England, France and Switzerland. Presently employed with WJW-TV, Mr. Sibbold has made many appearances in Plymouth in church, civic affairs, and with the Plymouth Symphony.

Fred Nelson, director of music at Plymouth high school, will direct the 60-member civic chorus. Open to the public without charge, the concert will begin at 8 p.m. in the Plymouth high school auditorium.

## What Northville Girl Scouts Are Doing

**Brownie Troop 5**—Troop 5 met last week at Mrs. Peck's house. They had a party, pinned flowers on their mothers, sang songs and then had a ceremony. Cake and punch were served.

**Brownie Troop 7**—At their last meeting, members of Troop 7 said their Brownie promise. Then they had their treat of cupcakes and candy. Then they sang songs and did dances. They closed the meeting by joining hands in a circle and singing a song.

**Girl Scout Troop 6**—Members of Troop 6 are beginning a study of agriculture. At their last meeting they sang songs, had the treat and closed the meeting.

**Girl Scout Troop 17**—Troop 17 finished their adventure badge which they had been working on for several weeks. Games were taught by two girls who were working on their game badges.

**Girl Scout Troop 19**—Girl Scout Troop 19 continued working on their marionettes. They had the ribbon and closed with the friendship circle.

**Girl Scout Troop 14**—Troop 14 discussed the camp-out they had recently decided it was a success. They were given copies of the pamphlet to the charter of the United Nations for their World Neighbor badge. They also read from their "Good Grooming" books working toward their Good Grooming badges.

**Girl Scout Troop 15**—At their last meeting, members of Troop 15 had badge inspection and continued on their badge work. Some girls completed two or three badges. Also discussed was the skating party of February 4. The meeting was closed with the good-night circle.

## Over 200 Attend Girl Scout Council Card Party

MAKING PUPPETS FROM SOCKS was a project of Brownies Judy Gregersen and Cathy George, who demonstrated the finished product while making their display for last Thursday's Girl Scout Council card party.

Playing bridge, pinocle or canasta — or learning to play them — at last week's Girl Scout Council card party — were over 200 guests, according to Mrs. Matt Hauser, chairman of the affair.

At some tables, everyone went home with one of the 21 prizes donated by Northville merchants. At some, only the holder of the highest tally was lucky and received one of the handsome house plants that decorated each table.

Master of ceremonies for the evening was Ed Angove, who announced the lucky winners.

But everyone enjoyed refreshments of coffee and cake that preceded settling down to the serious business of card playing.

Annually sponsored by the Council, the card party is the only fund raising event during the year for Northville girl scouts. Appropriations are made for scout and brownie troops in Northville, for leader training, and for special projects — sending girls to scout camps and conventions.

SETTING UP SCOUT DISPLAYS before the Council card party last Thursday were senior scout Brenda Wartman and leader Mrs. E. E. Lengtry. Scouts and Brownie displays greeted card players as they entered the lobby of the Community Bldg.

## Bazaar Planned Sunday

The annual mission benefit bazaar will be held at Madonna College in Livonia this Sunday from 1:30 to 4:30 p.m.

The affair will be held in DeSales auditorium, on the campus located at 38800 Schoolcraft road. Proceeds will go to the Felician missions in Brazil and in West Germany.

General chairman of the affair is Shirley Frusinski, chairman of the Apostolic Committee. Sisters M. Huggins and M. Danthia, moderators of the Sodality Committee, are directing plans for the bazaar.

Today the Felician Sisters conduct five mission places in Brazil. Conducting schools, teaching Christian doctrine, visiting the sick and the poor and the main missionary tasks of the Felician band of 18 American Sisters and 3 native Brazilians. At present, at the mission headquarters in Niteroi, an elementary school is under construction and plans are under way to provide a normal training school for native teachers.

Another project aided by Madonna College's mission activities in Carlsberg, West Germany, where the Sisters carry on Catechetical work, retreats and a series of camp sessions for youngsters between the ages of four and ten.

## Students Name Northville Girl To Queen Court

A Northville girl has been named to the court of "Miss Heartbeat" of Cleary college in Ypsilanti.

She is Denise Brady, who with three other girls was named to the court of Joan Losey, the 1956 queen of the Heartbeat Ball.

The crowning was held as part of the annual ball last Saturday night. Some 340 student couples observed the colonial coronation.

Mrs. Preston Fuller of North Center street entertained eight guests for bridge last Thursday afternoon.

Mrs. Emma Pennerstedt of Orchard Drive recently returned from an extended vacation in Virginia.

Mary Jane Orlick of Beck road recently joined Mrs. R. G. Nelson, of Napier road in Tuscon, Arizona. They will drive back to Northville together, returning sometime in March.

Mrs. Louise Chmefield returns today from a two week trip to Florida with her son, Bud.

Mrs. Hester Gow, 602 Horton, had a dinner party Saturday evening. Mr. and Mrs. Tony Zielony and daughters, Cindy and Tony Lei, of Walled Lake.

Mrs. Vern Benjamin of Yerkes avenue has contributed a fine sounding dessert to us this week — Marshmallow Lemon Cake. It's sure to bring spring to any table with its light yellow, fluffy frosting and smooth lemon flavor. And Mrs. Benjamin adds that she's never had a failure with it.

Mr. and Mrs. Benjamin are the parents of two daughters — Elaine (Mrs. John Wilson) of Plymouth, and Kay, 14. They also have a grandson, Jeffrey Wilson, who recently celebrated his first birthday.

Marshmallow Lemon Cake  
1 egg  
1 cup sugar  
4 tablespoons butter

Marshmallow Lemon Frosting  
Combine in top of double boiler:  
2 unbeaten egg whites  
1 cup sugar  
1 tablespoon water  
3 tablespoons lemon juice  
Boil over hot water until frosting stands in peaks. Add 16 marshmallows quartered, and 1 teaspoon lemon rind. Mix thoroughly.

3/4 teaspoon grated lemon rind  
Cream and add:  
3/4 cup milk, alternately with  
2 cups sifted cake flour  
2 teaspoons baking powder  
1/2 teaspoon salt  
Bake in 8-inch pans for 28 to 30 minutes at 375 degrees.

DOUBLE WINNERS - Two of our Lady of Victory students smile over letters telling them they have won scholarships to Ladywood high school in Livonia. Sandy Phillips (left), 461 River street, and Maureen E. Brown, 1881 Beck road, are eighth graders at OLV and will begin classes at the all-girl school next fall. The girls competed against dozens of other girls from other communities.

Freshman Cagers Take 8th Straight  
The Northville freshman basketball team rolled up its eighth straight win Monday night as it defeated the Brighton team in a sloppy game by the score of 36-28.  
Rog Atkinson was high scorer with 13 points followed by Jim Patterson with 9, Joe Gotro and Wade Neal 6 and Larry Nitzel with 2.  
Northville found it hard to hit the basket as they repeatedly missed easy shots from underneath the basket. The foul shooting of Northville was way off as they hit only four out of 19 tries.  
A week ago Wednesday the freshmen defeated West Bloomfield on the home court by a score of 47-28. Coach Don VanIngen used his regulars less than half an hour as everyone got a chance to see plenty of action. Once again it was Atkinson who had in the scoring with eight points.

Paul Keeps 'Em Guessing With Weekly Cage Contest  
Basketball continues to be big business at Paul's Sweet Shop these days.  
More than 30 Northville students have gobbled down banana splits, malteds and sodas in the past few weeks for their skill in picking the scores of Mustang basketball games.  
An average of 125 students take a crack at the scores each week, according to proprietor Paul Polino.  
In recent weeks, competition has been so keen that as many as six students have tied for a prize. Winners got banana splits, while runners-up and third place winners receive malteds and sodas.  
Closest game recently was the Northville-Milford contest. The winners - Mike Myers and Richard Milne - were only one point off.  
But in the Clarkston-Northville guessing, only three students picked Northville to lose. The loss was their win, of course.

John L. Crandell, Atty. Northville, Michigan  
STATE OF MICHIGAN  
County of Wayne  
No. 449,329  
At a session of the Probate Court for the County of Wayne in the City of Detroit, on the eighteenth day of February, in the year one thousand nine hundred and fifty-seven.  
Present Thomas C. Murphy, Judge of Probate.  
In the Matter of the Estate of CLARENCE F. SHEAFER, Deceased.  
An instrument in writing purporting to be the last will and testament of said deceased having been delivered into the Court for Probate.  
It is ordered, That the twenty-eighth day of March, next, at ten o'clock in the forenoon, said Court Room be appointed for proving said instrument.  
And it is further Ordered, That a copy of this order be published once in each week for three weeks consecutively previous to said time of hearing, in the Northville Record, a newspaper printed and circulated in said County of Wayne.  
Thomas C. Murphy, Judge of Probate  
I do hereby certify that I have compared the foregoing copy with the original record thereof and have found the same to be a correct transcript of such original record.

## Senator Potter reports

... the latest news from Washington of special interest to Michigan ...

A BARRAGE of budget mail has hit Capitol Hill and my office is no exception. Scores of letters are pouring across my desk, expressing all shades of concern — from mild disapproval to grave apprehension — at the size of the federal budget.

I share that concern. Seventy-billion dollars is quite a bill for a country of 150 million people. While I am confident that Congress will be able to whittle this outside spending program, I would be less than candid if I predicted monumental savings.

As a member of the Committee on Appropriations, I have the task of trying to effect economies in the national defense and essential government services, and with the aim of providing some well-deserved relief for the American taxpayer.

My thanks go to every one of you who has written me about this. Opinions from home are precisely what I want and need to carry out my job as a Senator as satisfactorily as your Senator.

Quietly, but very effectively, in 15 Michigan cities, and in the national capital, I have been working with the National Institute of Mental Health to study the work of the future of America is tied to the skills and productivity of our people. Any effort to build the self-help technique, Michigan has

elect and re-elect that governor on the basis of his program — will seem the wiser risk to give him the chance to assist the authority to do the job. Obviously, he would shoulder the blame if the federal government responsible to the President.

Regardless of politics, we allow the President of the United States to appoint his cabinet, and it is his responsibility for the total effect of the whole cabinet and its individual members. This is based on the sound recognition of the fact that the President represents a program for which he is not built, and we do the same.

To date the singularly great power vested in the highway commissioner has resulted in less highway construction and repair for the people of Michigan who pay for highway construction and maintenance. The Governor, any governor, says he can build the needed network of highways more quickly and economically — and if the people of the State issue

played a leading role in the work. Mrs. Treasurer Rice of Brighton, who has spearheaded Recovery in our State, reported that 1,200 persons in 80 groups are meeting weekly in Michigan alone. Recovery has operated without public financing or appeals for funds. If the NIMEI study team reports favorably, Recovery's pioneering method will be brought within reach of additional thousands of people, a significant advance on the outside spending program, I would be less than candid if I predicted monumental savings.

### Outdoor Art Show Planned for June

Paintings of people and places of interest in Northville, Plymouth and Livonia will highlight the June outdoor art exhibit to be given by the Three Cities Art Club.

Also exhibited will be ceramic mosaics, silver jewelry, and designs in wood, executed by this group of amateur and professional artists and craftsmen.

Rev. John Tanski of the First Presbyterian church has offered use of the church front lawn and parking lot for the first exhibit of the group during the third and fourth week ends in June.

At their last meeting at the home of Mrs. Harold Hartley, members brought paintings for general discussion and criticism. On March 12, they will conduct a workshop in ceramics and a "little show" of what members plan to exhibit at the outdoor show.

### Northville Portrait

The Northville will get a good look at itself in today's Detroit News.

As part of a weekly series on suburban communities, the News today is portraying Northville in a picture-story on the back page.

The story was done by Don Tschirhart, the News' suburban reporter for the Northville area—and photographer Eric Stylander.

### Congressional Record Now at Library

The Northville library is now receiving regularly the Congressional Record, librarian Mrs. Rhea Wilcox announced this week.

The publication may be checked out for home reading.

**MUSTANG MOUTHFULS**—Heaping portions of pizza pie and spaghetti go down the gullet at the annual eat-all-you-want supper that Northville basketball coach Stan Johnston has for his team each year. Johnston picks up the tab, and Paul Polino makes the grub at his Sweet Shop. (Says Johnston: "We do this in the middle of the week so that they have a couple days to work it off before the next game.")

## School Bonds Go at 3.6% Rate

Northville school officials this Friday and Company of Detroit. Five other agencies entered bids, ranging from 3.75 percent to 4.03 percent. Manufacturers National Bank has been appointed paying agent and trustee.

Superintendent Russell Amerman called the bid "extremely pleasing." He said other districts have had to accept rates ranging from 3.9 to 4.5 and even 5 percent in recent months.

Total interest cost to the school district, if the issue is outstanding for its full 30-year limit, will be \$331,335.

Amerman said the board now is waiting for the bonds to be printed and signed. When that is done, the board can advertise for construction bids on the school addition.

Actual construction would be somewhat dependent on the weather, he added, but should begin shortly after the bids are accepted.

### My Neighbors

In my devotions this morning I came across this verse in John 7:7. "The world cannot hate you; but me it hateth, because I testify of it, that the works thereof are evil." That generation of people who lived in Christ's day hated God's Son because His holiness of life condemned the worldliness of theirs. And, if the Lord Jesus lived on earth today the results would be the same. How long will it take churches and Christians to realize that there can be no popularity with the world if they would be truly Christian? The world has not changed. It will still hate those who condemn the evils which they practice. When a Church or a Christian is popular with the world it is indeed an evil omen, for they have compromised to where they no longer reprove the sins of the world. There are those who have attempted to effect a compromise by teaching what the Bible teaches and practicing what the worldly crowd approves — others have watered down their messages so that they are neither for Christ nor against Him. Such should heed solemn warning given to the Laodicean Church in Rev. 3:16. "So then because thou art lukewarm, and neither cold nor hot, I will spue thee out of my mouth."

**FOOT-SAVING EDUCATION**  
By JIM HOUK

In a national publication, a famous foot doctor reported that three out of every four develops foot trouble in the first twenty years.

He said, "Since most foot trouble is caused by ill-fitting shoes, parents should learn how to select the right shoes for their children as they grow up."

To help interested parents, this writer will answer questions in a weekly column. Mail your question to:

## NHS Band Plays Its Way To Highest District Honors

The Northville high school band added another feather to its musical cap last week.

The band was one of three groups to take highest honors in the district judgments of the Michigan School Band and Association in Plymouth Saturday.

As a result, the three bands will go on to the state judgments in Ann Arbor April 27.

Each of the three bands — Oxford and Clawson, in addition to Northville — received the highest possible rating from each of four judges.

In the judgments, each band played a march, overture and required number before a concealed trio of judges. Afterward, each band played two numbers from sight before a fourth judge.

The four judges were: George Cavender, University of Michigan; Al Wright, Purdue University; Roy Miller, Wayne State University; and William Johnson, last year, the Northville band

### Easter Seals to Have 'New Look'

A new look in Easter Seals will be introduced when the 1957 messengers for crippled children and adults go into the mail in Northville on March 15.

A sheet of assorted seals consisting of two sizes and designs as well as a "We Have Given" sticker for contributors to display the sticker on windows or doors when they have mailed their Easter Seal contributions.

Highly stylized with floral motifs, the 1957 Easter Seals are in shades of red and blue.

Approximately 50 per cent of the funds raised during the annual Easter Seal campaign finance services within the state where raised. The remainder goes to help support a national program of service, education and research.

## Coaches to Go Against Lions Wednesday

A fearless foursome of Northville coaches — aided by a couple of their counterparts from Plymouth — will meet the mighty Detroit Lions on the basketball court here next Wednesday.

The local all-stars and Lions coaches will lounge at the Northville Community Building at 8 p.m.

The star-studded Northville-Plymouth lineup was unveiled this week. It includes:

- Al Jones — Northville athletic director
- Ron Schipper — NHS football coach
- Stan Johnston — NHS basketball coach
- "Dutch" Vanlangen — NHS assistant football coach
- John Sandmann — Plymouth athletic director
- Mike Hobbs — PHS football coach
- Glen Howarth — former NHS basketball star
- Darwin Teschka — former NHS cager

Opposing them will be a select squad of Detroit Lions who have spent the past few weeks on the special-event circuit. Among the

### Cager of the Week

JOE EARLY is playing his first varsity sport for Northville as a member of the Mustang basketball team. A guard, Early is 5'11" and weighs 155. Early is a senior and expects to enter the navy after he graduates. He is the son of Mr. and Mrs. Charles Early, 2770 Novi road.

### Track Mark Tied By Northville Colt

A Northville-bred colt recently equaled the track record in winning an added stakes race at New Orleans fair ground.

He's First, two-year-old colt bred at the Kosiba farm outside Northville, covered the five-and-a-half-mile track in 20 1/5 to take the \$5,000 added Duncan F. Kemner Stakes.

It was the colt's second start of his career. He went to the post at odds of 20-1 and paid \$43, \$10 and \$5.80.

"He's First" is the first offspring by former Detroit favorite "Hezbonny" to reach the track. He is owned by Grace Kosiba of Detroit.

## Mustangs Get Back on Winning Path

### Clarkston Takes Share Of W-O Title

The Northville Mustangs got back on the winning path Friday night with a nonconference triumph over Thurston, but saw their last hopes for an outright league championship disappear.

The Mustangs downed Thurston, 61-59, in a thriller fighting off two desperate attempts to overcome commanding Northville leads.

Meanwhile, Clarkston ended its season by walling off Holly and taking a share of the Wayne-Oakland title. Northville can now hope for a tie at best.

Northville's win over Thurston was the second of the season. The Mustangs had dropped the same squad, 71-52, in early January.

The Mustangs twice saw strong leads vanish in the contest Friday night. After building up a 16-6 first-quarter lead, Northville lapses during the second period and allowed Thurston to make the half-time count a narrow 28-27.

In the third quarter, the Mustangs again moved ahead, leading 48-39 at the end of the period. But once more Thurston catches up, pressing and all but tying only two points at game's end.

Northville forward Dick Biery, returning to action for the first time since mid-January when he was put out of action with a bad knee, paced both teams with 23 points.

Biery played the entire game without committing a foul.

Forward Jeff Goodrich was at his best in Northville's third-period push when he "bucketed nine rapid points.

Hottest shot for the entire game, however, was Thurston forward Joe Bird, who put in five quick baskets in the second period. Bird hit again in the fourth quarter to net a game total of 21 points.

The Northville guards again found fouls mounting up against them. Max Burns was ejected for a fourth period, while Bell managed to hang on with four fouls. In the Mustangs' first league loss to Holly, both guards had to leave the game on fouls.

Ironically, Northville was at its shooting best in the second period. Though Thurston took that period to move in on the Mustangs, Northville converted 61 per cent of its shots—its best mark of the evening. In the other periods, Northville hovered close to the 33 per cent mark.

Northville's winning margin may have come on the free throw line. The Mustangs converted a strong 61 per cent of their shots (7 of 18) while Thurston was . . . . . to hit on only 42 per cent (nine of 21).

### Third-Quarter Spurt Gives Colts Victory

The Northville Colts broke open a tight ball game with a third-quarter spurt Friday night to down the Thurston junior varsity, 53-37.

The Colts held a 22-20 half-time margin, but outscored Thurston 21-4 in the third period to wrap up the game.

Bob Starns, with 15 points, and Pete Gross, with 14, led the Colts.

### Mayoral Exchange Being Worked On

The groundwork is being laid for another exchange of more than 500 mayors and village presidents during the annual "Michigan Week" celebration in May.

Northville again will participate in the program. Last year, Mayor Claude Ely exchanged offices with Saline Mayor Henry Leuthausen.

Michigan Week will be observed May 10-25. The actual exchange of mayors will occur on May 20.

A committee headed by Mayor Anthony Balice of Tonia will meet in Lansing March 11 to conduct a drawing to determine which cities will exchange mayors.

During Michigan Week, communities plan and carry out a program of events for the visiting mayors.

### Gets Exclusive Use Of Holstein Name

Henry Pinson of Northville has been given exclusive use of the name "Pinson" as a herd name in registering his purebred Holstein-Friesian cattle.

The prefix name was granted and will be recorded by The Holstein-Friesian Association of America in Brattleboro, Vermont.

Over 1170 prefixes were reserved for breeders in 1956.

## from the PASTOR'S STUDY

The Rev. John O. Taxis, Pastor  
First Presbyterian Church, Northville

Too often the young people of our Land are accused of being "shallow and scatterbrained" when it comes to their religious attitudes. I confess, at times, they would "try the patience of a saint" and that at such times I too am inclined to agree with the charge.

It was therefore with a good deal of pleasure that I read a resume of impressions formed by a rather distinguished visitor to our country when asked about the American youth. The Reverend Mr. W. Seay Morton from Scotland visited our Land last summer under the sponsorship of the World Council of Churches and upon his return home summarized his impressions of our youth and youth program.

About our youth he reflects "they are frank and free young people. Their freedom of expression in high jinks has its counterpart in freedom of expression in religion. They expressed themselves in short spontaneous prayers of their own construction and uttered these prayers aloud within their various groups."

The Reverend Morton visited many of our young people at worship in the local churches, while they were at concerts and on the campuses of our colleges and he came away with this major impression concerning our young people's ability to freely express themselves in their religious attitudes.

He concludes his resume in these words "Finally I was left with the strong feeling of gratitude for all the great common heritage in Christ which unites our great Lands... so it is more than ever vital that the young people of both Lands find in Christ the bond which will unite them and make possible their selfless service together for the world for which Christ died."

Soria makes every effort we spend on our own young people a little more worthwhile, doesn't it?

## Northville To Observe World Day of Prayer

Northville will bow its head with millions throughout the world in observance of the World Day of Prayer on March 8, the first Friday in Lent.

At 10:30 a.m. the city strew will sound to denote a moment of silent prayer throughout the city. The observance has been passed by the city council, and a proclamation will be issued by Mayor Claude Ely to make the day official.

The joint sponsoring committee, headed by Mrs. Ivan Hodgson, includes the WSCS of the Methodist church and the PWO of the Presbyterian church. Co-chairman is Mrs. Robert Niermi. This will mark the 71st anniversary of an institution which had its birth as a United States observance sponsored by a small group of church women and which has spread to the far corners of the globe touching 149 different areas in six continents.

As we review the small though significant beginning and trace its growth to its present scope, we realize its dramatic impact which accounts for such phenomenal expansion. The global prayer chain, which will begin at 1:30 p.m. in the Fiji and Tonga Islands just west of the International Date Line where Queen Salote leads her subjects in prayer, will progress until the sun sets 24 hours later on St. Lawrence Island and in the Bering Sea midway between Alaska and Siberia.

The banquet room was decorated with the decorations and served the dinner.

**75 Attend Recent Father, Son Dinner**

Some 75 men and boys attended a father and son smorgasbord dinner at the First Baptist church of Northville on Valentine's day evening.

Pastor Peter Nieuwkoop acted as master of ceremonies. The principal address was given by Pastor Harold Engel.

## School Library Staff Holds Surprise Party

Library staff members were busy keeping a secret until February 13 — when they held a surprise party for Miss Palmer, librarian.

The party plans were started in January and all staff members worked hard to make it a success. Mr. Ellison and Mr. Stefanski attended the party. Cake, ice cream, pop and potato chips which were furnished by various staff members helped make the party complete.

The winner of a recent book mark contest which the club sponsored, were judged as follows: first place, Mary Palmer; who won \$1.50; second, Jerry Simons, who won 75¢; third, Jolene Ferguson, who won 50¢; honorable mention, Jackie Ver-ville.

The first and second place bookmarks will be given to each student as they check out a book. It is hoped that this will prevent some of the wear and tear on books. The library would like to thank Mrs. Vaninger, NIS art teacher, who did the final judging of the bookmarks.

The senior staff members are now clipping all magazines dated 1951 and back, and also all duplicate copies. These clippings will be placed in the files for the use of the students in all research work.

PRIZE-WINNING BOOKMARK DESIGNERS Jolene Ferguson, Jackie Verville and Mary Palmer, library staff members, joined in surprising Miss Palmer (second from right) with a birthday party.

## Band Concert Well Attended

The Northville high school band presented a band concert Tuesday evening at 8 o'clock in the Community Building gym. Many people attended to hear selections ranging from "Garden of Epsom," "Carmen" and "Dude Ranch" to "Barber of Seville" and the "Ballet Overture" from William Tell.

The 65-member group was under the baton of both Leslie Lee and Robert Williams.

## "Hoof Prints"

"Mustang Hoof Prints" is prepared and written by the Northville high school students under the supervision of Miss Florence Pennington.

Editor — Emilie Seguin  
Associate Editor — Michael Peitz, Nancy Lawrence, Stan Panny, Nancy Morrison, Gary Holm, Brenda Workman and Bernad Muller.

## Class Representatives Attend Funeral

Class representatives of NIS attended funeral services for Ralph Panattoni, father of Northville high school's "Miss Fann", at Our Lady of Good Counsel in Plymouth last Wednesday.

Representing the speech classes were Susie Dewbury and Mary MacDermid, Lois Ann Comer and Cherie Krauter represented the English classes. The Student Council representative was Judy Jund. In addition, the four varsity debaters, Sandy Strasen, Lillian Zinnecker, Becky Coleman and Bernhard Muller, also attended.

## Brighton Students Visit Northville

The senior high student council had some visitors last February 18, and those visitors came from Brighton. On what might be classified as an exchange day, members of the Brighton student council ventured to Northville for the day.

Members of Northville's student council took them to different classes to view the way classes were conducted.

Next week members of the Northville student council will journey to Bloomfield Hills to do approximately what the Brighton students did.

The junior student council held a meeting recently and discussed the possibility of starting a small newspaper of their own. Although this is not yet in full operation, it is hoped that they will be able to put out a newspaper.

Also discussed was the problem of throwing snowballs on the school grounds. The junior student council has cautioned the students about the danger of this sport.

## Northville Debaters Lose In Regional Tournaments

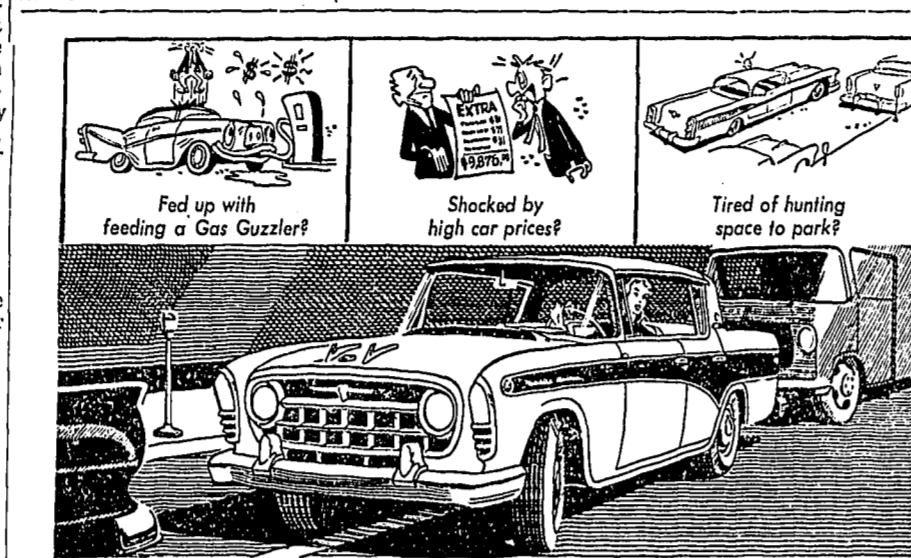

The debate season ended recently for Northville High. At the regional tournament at Mar- shall February 18, the varsity debaters were Lillian Zinnecker, Becky Coleman, Sandra Strasen and Bernhard Muller. The junior varsity was represented by Carol Krozak and Dick Drew.

In the first round, the Northville negative, Sandra and Bern- hard met and defeated the East Grand Rapids affirmative. In the second round, Northville again drew negative against the Mar- shall affirmative. This time they were not so fortunate, however,

and were defeated. Since the regional tournaments are sudden death, the loss ended Northville's chances for higher honors this year. Last year NIS made it through the regionals by defeating Mt. Morris, Walled Lake and Birmingham, but were defeated in the quarter finals by Ann Arbor.

## Northville Council Proceedings

A regular meeting of the Northville City Council was held at the City Hall, Monday evening, Feb. 18, 1957 at 8 p.m.

Present: Mayor Claude Ely, Councilmen Allen, Cantebury, Reed and Stuenkel.

Minutes of the last regular meeting were read and approved.

Bills in the amount of \$5,319.07 from the General Fund and \$235.87 from the water were presented and approved for payment.

At the request of Mayor Ely, Mrs. Ivan Hodge appeared before the Council regarding the issuance of a proclamation and blowing of the siren for one minute at 10:30 a.m. March 2. Ely said merchants have agreed to suspend business for one minute at the same time. Forty-two countries will hold identical services on that same day. Mayor Ely asked that the Council cooperate and that the City Manager draw up a proclamation to be printed in the Northville Record on March 7th. Also, that the Fire Department be notified in advance. Councilman Allen suggested the proclamation be made a part of the minutes of the next Council meeting.

The Taxicab Ordinance was again discussed. It was moved by Allen, supported by Reed that the amendment to the Taxicab Ordinance be adopted. Carried.

A discussion of the building code followed with Building Inspector Stanley Walker. It was moved not to act on the Ordinance until the City Attorney checked it for legality and publication.

The request for 15 minute parking meters in the business district was deferred as the committee did not have time to meet. A report will be made at the next Council meeting.

Justice Court schedule of fines was read and recommended changes were suggested.

Cy Frid was appointed to the Board of Review for three years to fill a vacancy.

Attorney Ogilvie reported on the annexation and advised that he was denied his application of Leave to Appeal to the Supreme Court. The Attorney will now file an answer to the original bill and proceed to trial in the Oakland County Circuit Court. No further business appearing, the meeting was adjourned at 10:30 p.m.

# SPEAKING for the Record

By BILL SLIGER  
We thought our day of reckoning had arrived last week when Glenn Cummings, former Record publisher, invited us to have lunch with four Northville ministers.

Instead, the local clergy were not one bit concerned with our shortcomings, which is good, for they had a much more important matter to consider.

A sixth guest of Mr. Cummings was Mrs. Opal Immon of Eastland Resthaven. During our most enjoyable luncheon Mrs. Immon explained the problem of providing religious services for convalescents.

It was with the thought of finding a solution to the problem that Mr. Cummings brought the ministers together. It took them very little time to come up with an answer. Henceforth, each of the ministers will be responsible for one month to see that a program is provided for the aged residents of Resthaven.

We think the ministers, and our professor, displayed real evidence of cooperation and in the matter of one lunch hour ended a serious problem for Mrs. Immon.

Speaking of ministers, the Rev. John Taxis, at most recent news, is an avid sports fan. He's more than just slightly interested in the physical education program for children. Presently, Rev. Taxis would like to see arrangements for a girls' field hockey team.

But beyond that, we believe he reflects the thoughts of several residents who are bent upon seeing that the new high school plans include adequate physical education facilities.

We're sure these won't be overlooked, but we also think Rev. Taxis has a good idea. He has suggested a "physical education study group" of sorts, probably made up of persons interested in proper emphasis on school athletic activities. He's already asked Al Jones, athletic director, to outline his thoughts to such a group.

Anyone interested? If so, call Rev. Taxis.

All kinds of national committees for this and that send releases out regularly to newspapers. Generally the material is merely "publicity" for some enterprising company. We generally read it, then properly file it away.

We can't help notice, however, what a hang-up job the National Father's Day Committee is doing. We imagine that some national men's wear organization is behind the project, but even so, they're well on their way to making Dad a national hero.

What's happened to the Mother's Day committee? We're not complaining. The official poster for the year shows a typical father with a hole over his head. This looks even more appropriate to us. Probably Dads have been overlooked and unappreciated too long. Still, for the sake of harmony at home, we hope the Mother's Day boosters will hurry up and send out their literature. After all, Mother's Day is in May, and Father's Day isn't until June.

### To Remodel State Laws

MICHIGAN'S CRIMINAL code needs some changes say the State Corrections Commission. Placing its recommendations before the Legislature last week, the commission suggested that some laws don't provide equitable penalties, others are no longer necessary and at least one needs clarification.

A good example of an outdated law, the commission point out, is the 100 year old statute against inciting Indians to violate peace treaties.

Other laws, such as those covering counterfeiting, are no longer needed because federal agencies have assumed control and the prosecution of such offenses.

Laws prescribing "indeterminate sentences" require clarification according to the Corrections Commission report. The intent of an indeterminate sentence is to provide a flexible means of placing a man in prison until he can become a useful member of society. Such a sentence may carry a minimum prison term of two years and a maximum of life imprisonment in some cases.

The Michigan Supreme Court interprets indeterminate sentences where a life sentence is the maximum to actually mean life imprisonment. Possible parole hearings are thus held off until an inmate serves at least 10 years even though the sentence "could" be completed in as little as two years.

Some 548 persons are now serving life sentences in Michigan prisons, the report states. At least 102 of them did not actually commit murder. Many were involved in other offenses such as robbery at the time the killing occurred.

The decision is in sharp contrast to recommendations made by the GOP campaign committee. In addition to the full time salary proposed for the state chairman, the report states: "We have no way of knowing how much money we can raise for the party," says Barry N. Beaman, the Republican finance director.

The Michigan Supreme Court interprets indeterminate sentences where a life sentence is the maximum to actually mean life imprisonment. Possible parole hearings are thus held off until an inmate serves at least 10 years even though the sentence "could" be completed in as little as two years.

State prison population continues to rise steadily the report to the legislature concludes. At the end of 1956 there were 9,527 inmates in state correctional institutions, plus 510 at the Detroit House of Correction. This places prison population above the 10,000 mark.

The criminal courts now handle more than 15,000 cases annually, by compared to approximately 9,000 in 1948.

THE CONSERVATION of human lives — in and on water will come in for some practical study at a state-wide conference to be held at the University of Michigan, May 17 and 18.

Problems involving the safety and use of swimming pools, beaches and small watercraft will be aired at the two day meeting.

Swimming and diving safety, pool maintenance and sanitation, safe handling of small watercraft, and diving and common rescue techniques are on the conference agenda, says Edward Slezak, chairman.

Diving exhibitions and synchronized swimming will form part of the program. Discussions on state swimming meets and waterfront events are also scheduled.

## Parents Blamed for High Cost of Schools

Babson Park, Mass. Total taxes for the year, including Federal, State and Local Taxes, will amount to more than \$100,000,000,000 for 170,000,000 people. There is very little possibility of relief from Federal or City Taxes. On the other hand, if we would really put up a light, we should be able to keep down State and Local Taxes. State Taxes amount to about \$90 an individual. They range from a low of about \$50 in New Jersey (where city taxes are relatively high) to a top of around \$135 in the State of Washington (where city taxes are especially low).

State Tax Revenue Sources  
More than thirty states have income taxes or sales taxes, or both. The states also get a big amount from automobile taxes, with cuts on alcohol and tobacco taxes. Unfortunately, most states are careless in their expenditures because their money comes so easily.

As a result, total state debts have increased almost fivefold during the last ten years—from \$22 billion to over \$11 billion. Now there is a row on who should pay for the new schools. School costs are really the responsibility of the cities and counties, but they are being passed on to the states.

What About Teachers' Salaries?  
It is generally agreed that cities, towns and counties should pay teachers' salaries. It is unfair to believe that pressure for higher teachers' salaries is coming from the teachers themselves. Almost all good school teachers could get more money in industry, department stores or offices, but they are sticking by their teaching from loyalty and because they have shorter hours and longer vacations.

What About Parking?  
Although the automobile has given the state and counties more income, yet it has vastly increased their expenses for roads, police protection, and parking facilities. This last is becoming a most important question. Good downtown parking facilities must be provided to enable retailers to continue prosperous. However, parents not only believe that the city should provide parking facilities for their automobiles but also parking for their children!

What About the Present School System?  
I believe the present school system is luxurious and expensive because of the desire of parents for places to park their children while they are at club meetings or out working. I therefore foresee a complete revolution in school construction, in school maintenance, in the number of teachers required, and in the school curriculum.

## Relaxing... Across America!

Behind them are the majestic mountain roadways of Southern California and the picturesque desert drive through Arizona.

And ahead lie the broad highways of Texas . . . the scenic roads that wind through Oklahoma and Missouri . . . and the great Midwestern turpines that lead to the Eastern Seaboard.

What's it like to spend the better part of a week in a 1957 Cadillac?

Well, first of all, there is the *restfulness* a Cadillac provides. The car is so incredibly smooth and quiet and comfortable that even the longest journey is an occasion for glorious relaxation.

And for the lucky gentleman in the driver's seat, there is the added reward of Cadillac's brilliant new performance.

In fact, the car is so nimble and eager, so responsive and alert that day's end will usually find them well beyond their morning's destination!

And then there will be the many other Cadillac virtues to enhance the pleasure of their journey . . .

... its vast areas of vision to give them the full panorama of America's great beauty and grandeur.

... its extraordinary safety and dependability to add to their contentment and peace of mind . . . and its remarkable operating economy to remind them how practical their odyssey is.

So there they are—seeing our wonderful land from the finest vantage point on the American road; through the windshield of a 1957 Cadillac!

Of course, you don't have to travel 3,000 miles in this newest "car of cars" to realize why its owners call it "the greatest of all Cadillac's."

The evidence is in our showroom now—and an hour at the wheel will tell you the whole story.

## Novi School Board Acts

### Elementary School Being Considered To Handle Growth

The Novi board of education is currently surveying the need for a new elementary school building in the township.

Superintendent William Medlyn said this week that the board is now making preliminary investigations and may have a report sometime next month.

"Due to the relatively rapid growth of the Novi area in the past several years and the contemplated growth resulting from residential and industrial expansion, it appears that additional classroom space will be needed," he said.

Before final decisions can be made, however, the board must await the outcome of its request for expansion of the district by nearly 50 percent, Medlyn indicated. (See separate page.)

During recent weeks, he said, the board has studied the following problems:

- expected future enrollment.
- suitable school sites.
- educational specifications of an elementary school building.
- problems relating to bonding.
- long-range building and site needs.
- selection of architects.

"As soon as sufficient data are available to the board, it will present this information to the people of this district for their consideration and suggestions."

## D and R Subdivision Gets Approval of Novi Board

The Novi township board settled the paradoxical Yerkes Farm subdivision question Monday night by unanimously approving plans for the new development.

Approval was given despite an opinion by township attorney Archie Leonard that the subdivision does not meet zoning requirements and should be modified so that it does.

Involved is the Yerkes Farm subdivision on the Northville-Novi border where the D and R Building company plans to build a 240-home development. The site is currently the center of an annexation suit between the city and township.

The problem for board members was this:

The subdivision was given tentative approval in April, 1955, under a previous zoning code. Since that time the zoning code has been enlarged under a new code and the subdivision no longer meets them.

A month ago, however, the subdivisions asked approval of several plat changes which would approve revised plans which come closer to meeting the code.

Leonard advised Monday that the board should not grant approval of the new plans.

"Progress in developing the site should have been such that final approval could have been given before the changes in the zoning code were made," he said.

D and R representatives countered by explaining that they themselves had been making continual progress, and that the delay was due to difficulties in getting public utilities — especially sewer and water facilities.

"There has been no stagnation on our part," said one.

Trustee Frank Clark then spoke in favor of granting the approval.

"I think it's fairly clear that the site has acted in good faith," he said. "The delay has not been their fault. Furthermore, the new plans actually are an improvement on the original plans which we approved two years ago."

Clark motioned for approval, and it was granted unanimously.

## Novi May Soon Get "Market" Number

The Novi township hall may soon have a "Market" telephone number in addition to its present one.

Board members feel the Walled Lake exchange would make for better fire protection and a local basis and save many dollars in long-distance calls.

In addition, it would put the township's call to the center of a local base and save many dollars in long-distance calls.

Supervisor Frazer Stamm estimated the cost of a Walled Lake exchange to be about \$42 a month.

## Novi School Board Acts

### Hearing Moved Up On Bid To Expand Novi School Area

The Novi school board has succeeded in getting an early hearing on its request for expansion of its district.

The Oakland county school board has set the hearing for March 21, some four months earlier than the original July 18 date.

The Oakland county school board has set the hearing for March 21, some four months earlier than the original July 18 date.

The county board rescheduled the meeting two weeks ago when Novi superintendent William Medlyn and several other Novi board members appeared at its meeting to protest the date.

Medlyn explained that the original date might have prevented a decision from coming down until after the beginning of the fall term.

"These negotiations take a lot of time in any case, and we believed that it would be best to get an early start on them," he said.

The Novi request would expand the school district by nearly 50 percent, Medlyn said. The additional territory would give the Novi district jurisdiction over the new Lincoln plat which now is under the Walled Lake, South Lyon and Farmington townships.

The expansion, Medlyn has explained, would straighten out the district's irregular boundaries and make them coincide roughly with the township borders.

In addition, the move would give the Novi district jurisdiction over the new Lincoln plat which now is under the Walled Lake, South Lyon and Farmington townships.

The Novi board feels that the children of most Lincoln workers will attend Novi schools, and that this is currently the center of an annexation suit between the city and township.

## Novi Republicans To Meet Tonight

Novi township Republicans will assemble tonight to lay the groundwork for the coming township election campaign.

The meeting is open to all township Republicans. It will begin at 8:30 p.m. in the Novi Community building.

The meeting was called by Dick Greenberg, president of the Novi Township Republican club.

## Democrats to Hear High Court Justice

Justice Eugene Black of the Michigan Supreme Court will address a dinner-rally of the Novi Township Democratic club this Saturday evening.

The list of notables also will include Lieutenant Governor Philip Hart and Judge Clark Phillips of Oakland County Circuit Court.

The dinner is scheduled to begin at 7 p.m. in the Novi Community Hall. Tickets may be purchased from members of the club, but possibly not being able to approve revised plans which come closer to meeting the code.

## Board of Review Now in Session

Novi township taxpayers have many a long day ahead of them Tuesday in which to question their real estate or personal property assessments.

The township board of review will be in session tonight until 8 p.m. and next Monday, Tuesday from 9 a.m. to 4 p.m.

The board held its first two sessions Tuesday and yesterday.

The law requires four sessions to be held, the first coming on the first Tuesday after the first Monday in March. In the first two sessions, assessments can be either raised or lowered, but in the last two they can only be lowered.

The extra session tonight was scheduled to accommodate taxpayers who could not take time off from work during the day.

Sessions are held in township hall.

## Volunteers Sought For Novi Jury Duty

Novi township needs persons to serve as jurors in the township court.

Supervisor Frazer Stamm has announced that volunteers may sign up for jury duty at the township hall.

## Annual Meeting Set

The Novi township board has scheduled the annual township meeting for March 30 at 2 p.m. in the Novi Community building.

The board scheduled the annual meeting for March 30 at 2 p.m. in the Novi Community building.

## Novi Board May Revise Justice of Peace Policy

Novi township board members and justices of the peace will meet soon to make arrangements for providing secretarial service for the justices and decide what fees should be charged for the service.

In addition, Justice Edmund P. Yerkes may be asked to reimburse the township for some three years of secretarial services.

Meanwhile, Yerkes has revealed that he is now inactive as a justice and has turned his books over to Justice William MacDermaid.

The board's decision to look into the secretarial situation came Monday night when attorney Archie Leonard reported that the township's previous practice are "unhappy."

Specifically, Leonard told the board that:

- the township cannot provide secretarial service for a justice unless by express resolution; otherwise, it is improper.
- the township can receive reimbursement by selling a salary rate and asking for repayment.
- the township must, however, provide dockets for the justices, according to a 1954 state ruling.

The secretarial situation arose last month when treasurer Charles Trickey, Jr. told the board that his own investigations indicated that the Novi policy was "out of line."

Trickey objected to Yerkes having his secretarial work done by the township receptionist, Mrs. Matthew Stamm, free of charge. He said to provide their own secretaries.

Leonard's report Monday night tended to corroborate Trickey's charges.

No mention was made Monday of the amount of money that might be sought from Yerkes. Trickey indicated in his original charge, however, that it might amount to "several thousand dollars."

Leonard's report prompted board members to decide to look into the entire problem of secretarial services for Novi justices.

Board members agreed it would be best to have the township pay for the township for such services.

Supervisor Frazer Stamm spoke in support of the past policy, however.

"I imagine Yerkes has lost more money than he has made in the job of justice," he said. "After all, he is a practicing attorney and has had to take time from his job to serve as justice."

Trickey cited Yerkes' earnings from the justice job as \$2,411 for an 11-month period, however. He claimed this should be enough to cover secretarial fees.

Stamm replied that there have been years when Yerkes received much less than the \$2,411. (Yerkes has been a Novi justice since 1953.)

In the meantime, Yerkes announced he no longer is acting as a justice and that he has turned the job over to MacDermaid, the second Novi justice.

Yerkes said, however, his decision to become inactive was made before he was defeated for re-election in the township primary on February 18. He laid the decision to pressing personal activities.

Speaking of the secretarial service, Yerkes said it was his understanding long ago that the service would be provided free. The policy was never questioned until last month, he added.

Yerkes said, however, that the scope of justice of the peace activities in Novi is getting large enough that it soon may be necessary for justices to hire their own full-time secretaries.

Volunteers Sought For Novi Jury Duty  
Novi township needs persons to serve as jurors in the township court. Supervisor Frazer Stamm has announced that volunteers may sign up for jury duty at the township hall.

FIRST DAY AT LINCOLN — The new Lincoln plat in Novi swung its doors open for business this week when some 440 salaried employees reported to the huge new facility. Here, one of the top Lincoln executives, production manager Earl F. Warner, takes his first piece of correspondence from the new plant from secretary Mrs. Lillian Kisa.

## Suit Filed against Wixom Vote

Novi township — through two lawyers — has started court action to invalidate the recent election in which Wixom was incorporated as a village.

Abrams was confident that the suit would not be successful.

"The statute definitely indicates that the election was legal," he said, "and I can see no grounds for contesting it."

"And so for Novi's claim that:

## One Less

The Novi township ballot will have one less name on it in the April 1 election.

George Mair, Republican nominee for highway commissioner, withdrew this week. Mair was nominated by a single written vote in the February 18 primary.

Named as defendant in the suit was the new five-man Wixom charter commission which also was elected on February 5.

Herbert Abrams, Wixom postmaster and spokesman for the charter commission, said the group will continue to work on a charter for the new village. It must be completed within 90 days after the election.

The suit seeks to invalidate the February 5 election on grounds that it was inconclusive in the Novi section of Wixom. That area voted 64-64 for the proposal, but a majority vote in the Commerce side of Wixom carried the election.
