SPEAKING for the Record

By BILL SLIGER

Voters of Northville and Novi will decide April 1 what officials will lead their respective governments. The responsibility is one that every registered voter should regard as irrevocable.

At no other level of government do the decisions rendered bear more directly upon the people. At no other level is it possible for the voters to know their candidates so intimately.

As comparative newcomers to the area, we shall not attempt to tell our readers HOW to vote. This is a decision only they can make. We shall, however, do everything within our resources to encourage a heavy turnout of well informed voters.

In both Northville and Novi our March 28 "Election Edition" will carry pictures, biographies and statements from major local candidates. We hope that every reader will take time to consider their qualifications and vote according to their best judgment.

The approaching years in Northville and Novi are ones of important decision. Perhaps at no other time has the area given greater promise of immediate and significant growth.

Make it your business to know every candidate personally. If you have questions, ask them. These candidates are your neighbors and would probably appreciate your interest in their work for the community.

Above all, don't forget to vote April 1. You owe this vote to yourself and the future of your community.

Dem Highway Candidate May Face Detour!

THE TERMS "qualified engineer" and "registered engineer" may be hotbedded around in from Michigan's Supreme Court if John C. Mackie, Democratic candidate for state highway commissioner, receives the voters' approval for that office.

Currently, the Michigan Society of Professional Engineers (MSPE) is doing a slow burn because Mackie is not registered as an engineer.

An MSPE attempt to force Democrats to select a new candidate for highway commissioner failed when the state Supreme Court refused to issue an order to Secretary of State James M. Hare to keep Mackie's name off the April 1 ballot.

The Mackie-MSPE dispute appears to be heading for further legal tests if the Democratic candidate is elected.

Robert E. Childs, attorney for Mackie, has been successful in instituting the program. Prior to the adoption of the law in February some of the larger schools were afraid they could not provide adequate facilities.

Charges of "politics" were leveled against the bill by Democratic State Central Committee Chairman Neil Staebler. Childs retorted the statement saying, "A. C. Friel, president of the MSPE, has instructed me that the question of politics is a matter of opinion, not of fact."

Some changes are suggested for the present law. The Michigan State Central Committee had heard recommendations that:

1. All students who have driven for a year or more under temporary permits be granted a license without the formal training.

2. The mandatory \$3 fee for a driving permit be eliminated.

This fee can be collected when the student applies for the regular license, Borgerson suggests.

At present, the \$3 is returned to those who take the course but do not choose to apply for a license.

One conflict exists with present driving regulations.

Under the training program a student is eligible to take instruction any time after his 15th birthday. Some students complete the course within eight weeks after they become 15 years of age. Law then prevents them from driving for the next 44 weeks until they reach 16.

The Department of Public Instruction is recommending a change to grant restricted permits to any "graduate" of the driver training course.

PHOTOGRAPHS may soon be necessary on Michigan driver licenses if a proposed bill meets with favorable legislative action.

Currently, the State Highway Commission is taking testimony on the proposal which would require that a motorist's photograph be imprinted on his license.

Trade groups and safety organizations are generally in favor of the bill. Retailers, bankers and liquor licensees point out that license fees often used for identification of customers. They believe a photograph would assure positive identification.

Detail spokesmen also believe bad check passers, who often rely on stolen or counterfeit licenses would be deterred.

Big questions to be answered are how much would such a program cost and how can it be handled efficiently? No information exists at present because other states do not require photographs.

Sidney H. Woolner, deputy Secretary of State, suggests that a program be put on a trial basis. By limiting the requirement to only a few counties at first, cost and administrative problems could be determined.

Roger Babson

Population to Increase by 50 Million in 20 Years

Babson Park, Mass., in 1959 our U.S. population was about 150,000,000. Today we are 170,000,000 strong and the prospect is that our rapid expansion in numbers will continue.

Tremendous Growth Ahead I am told that a baby is born in this country every eight seconds, and that, if present rates of increase continue, we could well have a population of 220,000,000 by 1975.

Instead of paying too much attention to the expensive frills of education (as we do now), we need to encourage high school boys and girls to become scientists, chemists and engineers, as well as economists, business managers, merchants and teachers.

School Board Loses in Effort to Expand

The Novi school district is larger this week than last — but only by some 232 acres, rather than the nearly nine square miles which school board members originally hoped for.

Four loose dogs fell the wrath of a Willowbrook resident this week, as that community's official body to control the current rash of stray canines.

The four dogs were reportedly tied up by one resident who then called the Oakland county animal shelter and had them picked up.

Meanwhile, the Willowbrook Community Association is considering plans for controlling the outbreak of loose dogs.

An association committee met last week to make initial plans and will be meeting to determine exactly what course of action will be followed.

The dog problem in Willowbrook came to a head recently when residents began complaining of canines having the run of the community.

Loans made for any good purpose. We are located for your convenience and economy.

THE NOVI NEWS

Serving A Growing Community. Novi, Michigan, Thursday, March 28, 1957. 10c Per Copy, \$3.00 Per Year In Advance.

Monday is 'It' for 18 Novi Candidates

Novi Candidates Tell Qualifications

Democratic: HERBERT KOESTER. As the Democratic candidate for township supervisor, I would like to state these objectives as being part of the proposed program of the Novi Township Democratic club.

Republican: FRAZER W. STAMAN. For the past four years it has been my privilege to serve you as supervisor of Novi township.

Republican: HADLEY BACHERT. I would like to point out some of these: 1. Your township hall, formerly open only for special meetings, is now open 24 hours a week.

Republican: MARTIN ARDITO. I believe we should integrate police and firemen into a single department which will give residents more efficient police and fire protection.

Republican: HERBERT KOESTER. I believe we should take a forward look toward our water front (Walleye Lake) a perfect setting for a park and recreation area.

Republican: MARTIN ARDITO. I believe we should take a forward look toward our water front (Walleye Lake) a perfect setting for a park and recreation area.

Republican: MARTIN ARDITO. I believe we should take a forward look toward our water front (Walleye Lake) a perfect setting for a park and recreation area.

Township to Choose Full Slate of Officers

Novi township will return to normal next week after voters go to the polls Monday and name the men who will guide their political destinies for the next two years.

Voters will elect a full slate of township officers — from supervisor down through board of review — as well as a number of county and state officials.

The election will mark an end of a vigorous political campaign that began several months ago and reached a climax just before the township primary on February 18.

Heading the Republican slate is Supervisor Frank Clark. He is being opposed by incumbent Republican Hadley Bachert, the only candidate.

Opposing them will be a Democratic slate headed by Herbert Koester for supervisor. His running mate includes Kenneth DeHayes for treasurer, and L. G. Biri and Eugene Martin for the trustee spots.

On the state level, candidates will compete for seven key partisan offices in the University of Michigan District, superintendent of public instruction, state board of education (1), state board of agriculture (2), and state highway commissioner.

Unlike Wayne county, Oakland county has no county offices at stake in the election. The Oakland ballot also will not have a proposition on it.

Only 12 ballots were issued, compared with more than 60 for the township primary in February.

Although this seemed to indicate a smaller turnout than the record number of votes in the primary, the possibility remained that the small number of absentee ballots was due to the return of many voters to Novi.

No special services for voters—such as rides to the polls or baby-sitting services—were reported to The News this week.

4th Home Burned At Lincoln Site

A \$40,000 house that couldn't find an owner was burned to the ground in Novi township last week.

The house, located in Wixom road, had been used as engineering headquarters while the new Lincoln plant was being built.

With completion of the plant, it had to be done away with.

Lincoln offered to give the township brick structure to any taker, but four house-moving companies said the job was impossible.

Lincoln general manufacturing manager William Singleton said the order to burn it down, and Thursday night fire companies used it for practice. Firemen from Novi, Milford, Walpole Lake, Commerce and Franklin joined in.

With Novi director of public safety Lee BeGole supervising the session and fire chief Fred Loyens directing it, the house was reduced to a single wall and a chimney.

Before firing the home, BeGole and several other firemen returned to the Novi fire station to answer any fire alarms.

It was the fourth — and most expensive — house to be burned down on the site of the new Lincoln plant. Firm for 14 years. World War II firm for 14 years. World War II firm for 14 years.

Meeting arrangements are being handled by Mrs. Frank J. Paul, Jr., son, Bryan Frederick March 13 at Sessions hospital.

A SNEAK PREVIEW of the Easter displays to be shown at the Cystic Fibrosis benefit is given this week by Mrs. William Black. In addition to special occasion displays there will be an international smorgasbord (open to sampling) of foods from around the world. The affair will be at the Community building from noon until 9 p.m. April 7, and is being presented by Black's White House.

## Wixom Scene of Marriage Ceremony

Keith J. Coykendall of Novi recently claimed as his bride, Evonne M. VanAmburg, daughter of Mr. and Mrs. Melvin E. VanAmburg of Wixom. Keith is the son of Mr. and Mrs. Fred Coykendall of Novi.

The Rev. Archie Corwin of Pontiac performed a candlelight ceremony at the Wixom Baptist church before 250 guests. The reception was held in the Novi Community Hall.

## Art Club Holds Ceramics Workshop

At the March meeting of the Three Cities Art Club, all members tried their hands at working with clay. Guided hands more used to brushes and paint into pinching, wedging, modelling lumps of clay into figures, animals and pots.

Members saw the tiles Mrs. Aubert made in preparation for her mosaic of Livonia's city hall, to be exhibited in the club's outdoor June show of art scheduled for Plymouth, Livonia and Northville, respectively.

## A SHREWD YOUNGSTER

Down in Cedar Bluff, Virginia the town sergeant was questioning a fifth grader when he suspected of breaking in to a service station. He really didn't have a nifty evidence against him so he decided he would play a bluff. Looking at the youngster seated before him he said, "We know all about this service station break-in. We took fingerprints and all we have to do is compare them with yours to complete the case." To which the 13-year-old boy replied, "You can have my fingerprints but they won't prove a thing because I wore gloves!" Man has ever been trying to cover up the fact that he is a guilty sinner. He has invented many explanations, religions and philosophies that have somewhat eased his guilty conscience. Surely a person would be foolish to think that God will not be able to discover this deception when the sinner stands before Him at the judgment bar. All his explanation which sounded so plausible down here will somehow become exceedingly foolish. All his twisting of the plain teachings of the scriptures into a denial of his sin and punishment to follow will somehow be strangely nullified. Romans 9:18 says that every mouth will be stopped and all the world will become guilty before God. ADMIT YOUR GUILT AND RECEIVE HIS MERCY.

## BPW Celebrates Ninth Birthday

A three-tiered birthday cake helped members of the Northville Business and Professional Women's club celebrate the ninth anniversary of its founding Monday evening.

Past presidents of the club were honored at the meeting, each lighting a candle for the number of years she had served.

Spokesman for the evening was Mrs. Lucille McKinney, who explained the fundamental theories of grapho-analysis to the group.

Dinner was served preceding the program. Chairman for the evening was Mrs. Gladys Wallace.

## King's Daughters and Sons Report Successful Year

At a recent meeting of the Michigan Circle, King's Daughters and Sons, the annual reports of various charitable activities of the group were given by committee chairman.

Approximately \$27 was spent for local charity during the year, plus spent on items sent to the King's Daughters and Sons Home in Redford. A donation of \$41 was sent to the camp in northern Michigan maintained by the organization.

As in the past, Miss Circle will again this year be in charge of the Good Friday service. The collection will be used for local charity.

Proceeds from the annual luncheon and banquet, to be held in May at the Methodist church will be added to donations received from local citizens and will also be used only for charity in Northville. The organization greatly appreciates the generous response of local citizens and hopes their interest will continue throughout the present year.

ALICE RITCHIE of 821 Spring Dr. endorses her husband (Harvey) (Fred) Ritchie, for City Council. Harvey attends all of the meetings anyway, and I think he will do a very good job as a village member.

(Pol. Adv. paid by Alice Ritchie)

## What's Cooking?

(What's your favorite dish? If you will share it with other Northville housewives, please call The Northville Record's society editor, telephone 200.)

**HOT FROM THE OVEN**—These delicious date-nut tarts made by Mrs. Bruce McAllister of Timberlane are soon consumed by the three McAllister children—Dawn, Alice, Brad, two, and Diane, five.

Date nut tarts will prove to be one of the quickest desserts you've whipped up when you have extra pie crust dough on hand.

Our recipe comes from Mrs. Bruce McAllister of Timberlane drive, and its success is proved by the favorable reaction from three children—Diane, 5; Dawn, 9, and Brad, who is two.

**DATE NUT TARTS**

1 cup brown sugar  
1/2 cup dates (chopped)  
1/2 cup raisins (chopped)  
2 eggs  
1 teaspoon butter

Just mix and fill unbaked tart shells. Bake 10 to 15 minutes at 400 degrees. (Makes 10 to 12 tarts).

Entertaining eight guests at luncheon Friday will be Mrs. L. M. Eaton of Easton drive. Honored guests will be Mrs. Glenn Cummings and Mrs. Carl Bryan, who have just returned from trips to Mexico and the Far East respectively.

The portrait of Mrs. J. R. McCall of Mesquitebrook road is being shown at the Biennial International Photographer's Exhibition held for the first time in the United States in Washington, D.C. until March 31.

Mrs. and Mrs. L. D. Rambeau of Eight Mile road were in Cheboygan last week end visiting their daughter and son-in-law, Mr. and Mrs. Warren Colon and a new grandson, Lewis Lawrence.

Russell Atchison, son of Dr. and Mrs. R. M. Atchison of South Rogers street, is home for a vacation from school. He will return April 11 to Pembroke High School for boys in Suncok, New Hampshire.

Mrs. G. L. Alexander and son, John, attended the flower show at the Michigan state fair grounds Sunday.

Mrs. Orson Atchinson and Mrs. G. L. Alexander joined Mrs. Elmer Houston of Birmingham Wednesday to see the production of "My Fair Lady".

Dave Biery, son of Mr. and Mrs. Elden Biery of Dunlap street, will be home this week end for his spring vacation from Hope college.

Betty Denton, nine year old granddaughter of Mr. and Mrs. Joseph Denton, spent the week end with her grandparents to help celebrate her ninth birthday, which was Monday.

Attending the lecture at Hill auditorium Sunday evening will be Mr. and Mrs. Harold Bloom, Mr. and Mrs. Del Hahn, Mrs. William Casfield, Mrs. Beth Lopham, Mrs. Vance Masters and Mr. and Mrs. Clifton Hill. They hope to hear Dr. Ralph Bunche, who was scheduled earlier to speak but whose visit had been postponed.

Harry German made a trip to Brighton, Michigan this week to pick up Mrs. German, who had been visiting.

Photo local news items — parties, dinners, trips — or just a friendly get-together with the neighbors — to the society editor, Northville 200.

**An Open Letter To The Citizens Of Northville:**

About three weeks ago I devoted a full page in The Record expressing my thoughts and ideas that could benefit our city to a large degree.

The pictures and written articles provided every citizen with a clear insight as to my "stand" or "position" on many of our more important problems, such as water, sewer, recreation, parking, paving, etc. I feel it's something each citizen wants to know of a candidate before casting a ballot.

The time, thought and effort in preparing that publication is indicative of the manner in which I will work if elected by you to the office of council.

In the last few weeks, I have had the privilege and enjoyment of speaking with many of you in your homes, some in your places of business, as well as before your local Exchange club. My sincere thanks to all of you for permitting me to do so.

In addition I want to express my deep appreciation to the many people who have supported me as generously in both time and effort.

There's an old saying — that to really get something, you must "earn" it. I hope that after careful analysis, I have "earned" your vote on Monday, April 1.

<b>2. KNOWLEDGE OF COMMUNITY</b>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Ritchie has lived in Northville for 26 years, owns a home and business here and has been active in community affairs for years.			
<b>3. BUSINESS EXPERIENCE</b>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Harvey and his brother Richard started from scratch and have developed and operate a successful business. Harvey is a charter member and officer of the Retail Merchants Association and is Secretary of the State Laundry Association.			
<b>4. KNOWLEDGE OF CITY GOVERNMENT</b>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Ritchie has been a regular observer of City proceedings and has attended the majority of council meetings for the past four years. He is a member of the City Planning Commission and was widely acknowledged as an outstanding member of the City Charter Commission.			
<b>5. MOTIVATION AND OBJECTIVES</b>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
For many years Ritchie has demonstrated a sincere interest in the welfare of the community. Ritchie's record supports the fact that he is an independent — a straight forward man of courage and integrity.			

THERE ARE 5 CANDIDATES FOR CITY COUNCIL AND 2 ARE TO BE ELECTED APRIL 1. WE INVITE YOU TO TEST THEM ALL. YOUR CITY GOVERNMENT IS ONLY AS GOOD AS YOUR COUNCILMEN.

**VOTE RIGHT - VOTE RITCHIE**

A Paid Political Endorsement by Friends of Harvey Ritchie

**News from Willowbrook**

On the sick list are Jimmy Barnes of Moonestie who has bronchial pneumonia and Bill Johns of Coral Lane who has strep throat. A party at the American Pilot club house at the city airport was attended Saturday by Karl and Marian Weiss of Mooningside. They were the guests of Mr. and Mrs. Douglas Huff of Rosedale Park. Marion and Karl will be champions for the Senior Youth Fellowship group of the Presbyterian church in Northville March 31 when the group goes to see "The Ten Commandments". The group will go back to the Weiss' for dinner afterwards.

**Newcomers**  
Newcomers to Willowbrook are Bart and Helen Strahley of 4151 McMahon. They have one son, Jimmy, who is four. The Strahleys moved here from Ft. Wayne, Indiana but are originally from Toledo, Ohio. Mr. Strahley is the district manager for Oldsmobile and his hobby is model cars. Helen spends her spare time sewing. Helen's mother, Mrs. H. A. Hoyt, of Wilmington, Delaware is visiting.

New also are Bram and Betty LeBut of 2301 West LeBost. They have three daughters, Marianne, 6, and Kathleen, 6, who attend Our Lady of Victory school. Their youngest daughter, Janet, is three years old. They are former Detroiters and Mr. LeBut is employed by Burroughs. They are avid golfers and spend their summers at the Burroughs farm in Brighton.

Jim and Jerry Galvin of 2351 Willowbrook have five children: Larry, 10; Kathy, 7; Brian, 6; Larry, 4, and Greg, 2. Mr. Galvin is employed by Detroit Fiberglass Insulation. They moved here from Cleveland, Ohio. Jim is a player agent of the Little League and is sponsoring one of the teams. Jerry spends her leisure time reading and painting.

Raymond and Gloria Stroussos of 2405 Glen Ridge have one son, Gary, who is 2. Mr. Stroussos is a sales representative for the Cook, Watkins and Patch Company of Boston. They are from Barre, Vermont. Ray belongs to the K. of C. in Royal Oak and enjoys hunting. Gloria likes to ski and bowl.

The Sixteen Pinocchio club was held Monday night at Sophie Martin's home on Willow Lane. Winning prizes this week were Sylvia Clark, first; Agnes Morrison, second; Helen Waugh, third; Clara Miller, fourth, and Glenn Grant, fifth. The next meeting of the club will be at Clara Miller's.

Willow Wood Bowling League was held Monday night at 4151 McMahon. The winners were Sylvia Clark, first; Agnes Morrison, second; Helen Waugh, third; Clara Miller, fourth, and Glenn Grant, fifth. The next meeting of the club will be at Clara Miller's.

Ind. high game: G. Smelt 184. Ind. high 3 games: G. Smelt 313. High team single: Scorecrows 701. High team three: Hawkeyes 1977.

 MICHAEL D. O'HARA  
 JOSEPH A. MOYNIHAN  
 ROBERT E. CHILDS  
REPUBLICAN STATE CENTRAL COMMITTEE Lansing, Michigan  
**VOTE APRIL 1st** NON-PARTISAN BALLOT

**Elect SIDNEY FRID**  
To The Northville City Council  
• 4 Years Experience On Village Council  
• 32 Years Resident & Businessman of Northville.  
Vote for Frid April 1

**To The Voters Of Northville:**  
To acquaint you with my background: I was born in Grays Essex, England, December 27, 1893. The eldest of seven children, I received my grade school training there. My parents with their children came to Canada, where I received my high school education. I worked on construction until 1915 when I joined the Canadian Army. I served overseas until 1919, when I came home a Lieutenant. I was employed by the Telephone Company as a lineman, and also trained as an electrician. I came to Detroit in 1922 where I worked at construction until 1925.

I married Louise Rudolph of AuGres, Michigan. We have two children, Patricia, 28, now Mrs. Ray Plaut, who with her husband and three children reside on Bois Blanc Island, Michigan, Russell, 26, a teacher in Pontiac, who with wife and two children reside in Dryden, Michigan.

In 1925, my brother Cy and I took over the then bankrupt Northville Laundry, and operated same successfully until 1946. Since then I have built five houses and operate rental property.

I served on the Council in 1944 to 1948. Being well-acquainted with functions of same, having taken a keen interest, and attended their meetings very regular through the years.

I was president of the Exchange Club when the Ford Field was promoted and equipped. The club members and I worked hard on same.

I am at present supervisor on Oakland Board of Supervisors, appointed by present Council, having been an employee, business and serviceman, having the capability, interest and time to serve you on the City Council.

The first problem facing the new council is to get a new water supply which is a must, also we have some bad streets to attend to. The \$21,000 the city received from township should be used for the above purpose. All improvements depend on finances and can only move as far as available. I am strictly independent.

Sincerely  
**SIDNEY FRID**

**DAR Conference Delegates Hear Outstanding Speakers**

Seven delegates from the Sarah Ann Cochrane chapter of the DAR attended the organization's state conference in Grand Rapids last week and returned with reports of several outstanding speakers heard during the meetings.

Attending the conference from the local chapter were Mrs. Claude A. Cruso, regent; Mrs. Harry N. Deyo, past regent and state honor roll chairman; Mrs. Robert D. Wiloughby, state treasurer; Mrs. Kenneth Hulsing, Mrs. Walter Gempelme, Mrs. Sidney Strong and Mrs. Earl Mastick, state chairman of friends of the museum.

Speaking at the opening luncheon was Russell Kirk author and educator who is originally from Plymouth and a graduate of Plymouth high school.

Mr. Kirk discussed "Federal Aid to Education", and felt that a large proportion of funds used to construct more buildings could be used to advance investigating and improving curricula.

Mrs. Ray L. Erb, national chairman of national defense, spoke to the group at its opening session. Mrs. Erb's message to the delegates stated that two threats to individual freedom imminent today were world government and centralization of federal government.

Other speakers heard by the group of over 300 delegates were Mrs. Ralph W. Newland, state chairman of approved schools and national curator general and Dr. Carl S. Winters, former crime commissioner of the state of Michigan and now a Baptist clergyman; Dr. Winter's talk was titled "What's Right With America".

Present at the conference were the high school "good citizens" chosen throughout the state by local chapters, including Janice Howarth of Northville. Winner of the state "good citizen" award was Helen Frances Duke of Mt. Clemens. Speaker at the luncheon honoring the girls was Miss Aubrey Wilbur, dean of women of Albion college.

**A LOOK AT THE RECORD OF COUNCILMAN EARL REED!**

Earl Reed's service during two terms of office, both as Village Commissioner and as City Councilman, has been a credit to our community.

He has given generously of his time and effort to conduct city affairs to the best of his ability and for the benefit of city and community at large.

Mr. Reed spent a great deal of time in acquisition of a portion of the title, for the alley, on the north side of Main Street, after it seemingly had bogged down. This title was acquired by him at very little expense to the city and opened up a much needed area in the rear of our business district.

Due to his connections with the Abstract and Title Guaranty Company in an executive capacity he has been of invaluable assistance in the clearing of title for the City of Northville, such as Dubur Street, Fairbrook Court, the handling of the Handorf sale, etc. His experience in these matters has saved the city considerable time and expense and in turn saving you, the tax payer, money that would have come out of your own pocket.

Reed has helped many citizens clear up title to their land. In so doing, it has helped straighten out the city's tax rolls. He has done this for the community at large, as an assistance to all individuals.

Mr. Reed was strongly in favor of the purchase of new fire equipment. In so obtaining, he saved you rate insurance increases that the city was faced with because of its obsolete equipment.

He has made and supported suggestions that have benefited the development of our city, such as parking, annexation, sewer and water, paving, recreation and many others.

Mr. Reed sponsored the sending of a letter to a certain company welcoming any contemplated expansion of its local plant. A reply was received by the Council, assuring the city that it would be considered in such a program. A part of that has already been accomplished.

He served as a member of the Finance Committee which met with the Township officials and settled the division of assets between the Township and City in a fair and amicable manner.

He has in the past and will in the future work for the building up of the morale of the various city departments. In regards to this he advocates the following:

1. Pay increases that compare to that or better than the surrounding communities.
2. A forty or forty-four hour work week.
3. A pension plan.
4. Proper and adequate insurance.
5. Compensatory time for the police in their appearance in court and many other social benefits, for the various departments.

Mr. Reed also advocates:

1. A short wave radio for both the police and fire departments, thereby eliminating the obsolete and inefficient light at the four corners.
2. An equitable solution to the expense of operation of our fire department and the city dump as now shared with township.
3. A possible agreement of a joint police department with the township, thereby giving us, as well as the township, better police protection.
4. A study of streets that should be paved in a definite order under a long range program. This could be accomplished by the use of counters borrowed from Wayne County, giving us the amount of traffic on each street, so contemplated for improvement. Also, taking into consideration other factors such as the cost and how long residents of those particular streets have been paying taxes on such unimproved roads. In other words making a thorough study of this problem, and coming up with the answer and why one street should be paved before another.

He has and will continue to support the means of any additional revenue that the city is now receiving from other sources than those of direct taxation. When you consider that on paving and surface drainage alone for our streets, would roughly cost over one half million dollars we certainly need that revenue for such a gigantic program. Also, to accomplish other needed improvements with less taxation to you the taxpayer.

There are many other problems to face but we feel sure that with a man of Reed's caliber, honesty and integrity we will again be well represented.

Therefore, we sincerely urge you to analyze his accomplishments and foresight and vote for our number one choice of the candidates, Earl L. Reed, on April 1, 1957, election day.

### 1—CARD OF THANKS

We would like to thank our many friends and neighbors for their many acts of kindness during the illness and death of our beloved son, Ida O'Neill. We want to thank those who sent flowers and to all who were comforting and considerate. May we gratefully express our appreciation to Dr. T. J. Craig, Dr. Craig Hospital and nurses at St. Joseph Hospital, and to the Catholic Funeral Home.

### Mailed Contributions Credited to Northville

Residents who made Red Cross donations with envelopes sent from the Northville chapter may feel certain that their contributions will be credited to the local chapter, chairman Mrs. Arthur Carlson said this week.

"Questions have been asked concerning the Detroit address on the envelopes," she said. "Some residents have wondered whether Northville will get credit for the funds."

"A code number on each envelope assures that the Northville chapter will get credit for donations contributed this way."

Mrs. Carlson added that Northville still needs tractors for home nursing and first aid, and at least ten station wagons to be used as emergency ambulances in case of a disaster.

### McArthur Named VFW Commander

Northville Veterans of Foreign Wars have elected Lawrence McArthur to the office of post commander for the coming year.

Other officers elected last week by Northville Post 402 were: Senior vice commander, Homer Hodges; junior vice commander, Joseph Boulognon; quartermaster, Alfred H. Smith, Jr.; post advocate, Charles Willigut; chaplain, Ernest Ash; surgeon, Arthur Carlson; trustees, Barnaby J. Bird, Astley Carlson, Charles Ash.

The new officers will be installed at a public ceremony April 7 at 2 p.m. in the post home, 438 Plymouth avenue. Officers of the ladies auxiliary will be installed at the same time.

### What Northville Girl Scouts Are Doing

At their last meeting, members of Troop 4 made a plaque in the shape of a girl scout emblem. On the emblem in two inch relief they made the head and shoulders of a Brownie. To indicate the hat and uniform, they used brown tape, and for hair they used large yellow pipe cleaners. The eyes, nose and mouth were made of sequins.

Troop 5 opened their meeting with roll call and dues and had their flag drill. Their project was money pouches with pointed designs on them. They had the nibble box and closed the meeting with the friendship circle and singing of "The Golden Sun".

CIRCUS SOUNDS come from the miniature cello played by sixth grade students Pam Kay and Heidi Handor, members of Miss Gertrude Martin's class. Observing the science class experiment in air and sounds are Rick Rehrick, Carl Budak and Rosemary Hedwood.

**Investigate Theft of Radio, TV Set**  
The Oakland county sheriff's department this week is investigating the theft of a television set and portable radio from a Walled Lake cottage.  
The theft was discovered last Sunday by Nick Palatin of Pontiac, owner of the cottage at 1534 East Lake Ave.  
According to Novitownship police chief Lee BeGole, the break-in occurred on the lake side of the cottage.

# Report Stresses Counseling; Asks Elimination of Study Halls

After nearly a year of meetings, the group officially began in May, 1956, and was directed to advise and make recommendations to the Northville Board of Education regarding a desirable curriculum for Northville schools.

Originally composed of 40 persons, the group has since been assigned a specific group of 30 students whom they would retain through their four years in high school.

Other special recommendations of the committee include—

- expansion of a student's vocational aptitudes;
- direction toward an integrated course of study, each area of the curriculum stressing its relation to others;
- a cooperative work experience program;
- helping the student prepare for military life;
- psychological services; and
- elimination of the traditional study hall period.

The report was officially accepted by the board at a special session last week, when it was discussed point by point with committee members.

Running through the entire curriculum outlined by the committee was a program of intensive counseling throughout the four years of high school. The counseling plan suggested is based on one adopted in the East Ford high school after an extensive two and one-half year study.

The Northville Curriculum Study Committee has presented its final report to the Board of Education.

A basic curriculum, to be required of all students, calls for four years of English, one year of mathematics, two years of science, three years of social studies, three years of physical education and health, one year of fine arts, and driver education.

More English Added  
Present requirements for English in Northville high school are three years. The added year requested by the report was one which was strongly favored by the Bureau of School Services of the University of Michigan and by questionnaires sent to former students, parents and citizens. Included in the requirements are advanced biology and radio speech and dramatics, and reading improvement.

Present requirements for English in Northville high school are three years. The added year requested by the report was one which was strongly favored by the Bureau of School Services of the University of Michigan and by questionnaires sent to former students, parents and citizens. Included in the requirements are advanced biology and radio speech and dramatics, and reading improvement.

Two additions to the present science program at Northville high school were made by the committee: advanced biology and a course in conservation of natural resources, the latter favored by 89 per cent of the questionnaire responses. The choice of courses for the two year requirement, the report points out, should be made with the advice of the student's counselor.

Courses in economics and geography were added in the social studies field, encouraging use of local facilities, such as student council, and city and township offices, as social science laboratories for the entire social studies program.

More Electives Added  
For the special interest and elective curriculum, the report adds several courses not presently included in the high school curriculum. In the business study course for example, courses in personal budgeting, office practice and machine, and general business (such subjects as personal law, insurance, consumer buying, etc.) have been suggested.

The report also includes a list of activities which would have to be established or improved for the implementation of the committee's recommendations.

Cross Section Represented  
Total membership in the group, which was headed by James Schiel, represented a cross section of the Northville community with respect to occupation, education, and Northville area of residence. It included five teachers, Elroy Ellison, principal of the high school; Fred Stuchlik, assistant principal; four high school students, and parents and citizens.

**Obituaries**  
JAMES T. ROUSE  
Mr. Rouse, who lived at 455 West Willis, Detroit, died March 24 at 2:30 p.m. at the State Hospital. He was born September 15, 1897 at Tampa, Florida, the son of Thomas and Ellen Rouse. Surviving are his wife, Elizabeth a son, Clyde, of Detroit, and two grandchildren. Mr. Rouse was an auto mechanic, and had lived in Northville for many years. Services were held Tuesday from the Casterline Funeral Home, Rev. H. G. H. Clements of the Interdenominational church officiating.

**PERRY WOODWORTH**  
Mr. Woodworth died Tuesday at Eastlawn Resthaven after a two-year illness. He was born November 22, 1882 to Zachary and Jessie Woodworth. He had lived in Northville for 10 years, and had been a real estate broker. Surviving are a son, Harold, of Los Angeles; two daughters, Mrs. Jean Buttermore, of Plymouth, and Mrs. Virginia Hale, of Northville; and one grandchild, Rev. Ivan E. Hodgson of the First Methodist church officiating at the home sale. The Demsey B. Ebert Funeral Home, Mr. F. M. Hull, C.S., former pastor of the Christian Science church.

**NOAH E. ALLISON**  
Funeral services were held Monday for Mr. Allison, who died March 26 at Pomona, California. He was born January 6, 1885 at Ferrisville, Indiana, and lived in Northville at 370 First street. His wife, Stella, preceded him in death in 1955. Surviving are a son, Donald, of Northville; a daughter, Mrs. Delores Doren, of Northville; a son, William, of Pomona, and a sister, Mrs. Florence Miller, of Portland, Indiana. Also surviving are one grandchild and one great-grandchild. Rev. Ivan E. Hodgson of the First Methodist church officiated at services at the Demsey B. Ebert Funeral Home. Graveside services at Pennington on Tuesday were under the auspices of the Portland Masonic lodge.

## Downs' Four Stake Races Draw Near-Record Entry

Four stake races have been scheduled for Northville Downs in its 30-night racing season which opens three weeks from tonight.

The four events have drawn near-record fields, according to racing secretary Bill Connors.

The \$5,000 Northville Trot on May 1 has drawn 29 entries including such consistent winners as Paul Jackson, Gladys Volo and Kimberley Way.

Other stakes are the \$5,000 Northville Pace, with 12 nominees; the \$5,000 Wayne County Pace with 12 entries, and the \$5,000 Wolverine Trot with 19.

The Downs also will hold a \$10,000 event as part of the national Trans-America series.

The Downs will begin its season April 18 and will have a second "first night" on April 30 because of the intervening Good Friday holiday.

The pioneer harness track will be the only track — either harness or running — operating in Michigan until May 23. Only for the final week of its meeting will the Downs have competition.

Meanwhile, State Racing Commissioner is yet to make a decision on a request for additional racing dates at the Downs this fall. Another "final hearing" was scheduled for yesterday.

With the approval of an emergency measure by the Northville board of appeals, harnessmen already are working out the horses at the Downs in preparation for opening night.

Some 200 horses now are quartered at the Downs, and 500 more are expected to be on hand by the time the races start.

Lots of fun: Records inform us that 5,000 animals and "hundreds" of gamblers were killed during the dedications games of the Roman Colosseum in 80 A.D.

880 RICHER: Meadowbrook's Chet, Harbert turned in rounds of 47-71 to top second place and 880 in the Miami Beach Open last week end. Harbert finished one stroke behind Canada's Al Halding.

## More Honors for Bell, Yahne

Northville's Bud Bell and Bill Yahne earned further laurels for their basketball work this week as the official Wayne-Oakland All-League team was named.

Bell and Yahne also were named to post-season teams last week by the three Detroit newspapers.

The All-WO team was chosen by coaches of the seven league schools and approved by the league board of control.

Northville and Clarkson, co-champions of the league, joined with third-place Holly in placing two players on the squad. Each of the other four teams placed one man each.

# JV, Freshmen Cagers Post Winning Season

## Colts Tie for Second Place With Best Record in Years

After a slow start in which they split their first eight games, the Northville Colts came on strong to gain a second-place tie in the Wayne-Oakland League this year.

The Colts ended up their 1956-57 basketball year with a 9-3 league record — the best mark in recent years for the junior varsity cagers.

Northville tied with Clarkson for second place, only a game behind champion Brighton.

The Colts had the honor, however, of leading Brighton its only loss at the season — a close 41-30 thriller which snapped Brighton's win streak at nine.

Among the other season's highlights for Northville:

- an overall 10-5 record for the year.
- a 19-23 victory over Milford in which the Colts held the Redskin JV to three points in the last quarter.
- a phenomenal first half against Holly in which Northville allowed only a single point in the entire two period while racking up an devastating 51-16 victory.
- the satisfaction of at least one victory over every team they played except for Plymouth against which they played only one game.
- Coach Al Jones' squad was inconsistent in the first round of play, winning three and losing four. But beginning with the first game of the second round, the Colts were near unstopable.
- They took seven of their eight remaining contests, including a 5-game winning streak. The only loss was a disappointing affair against Clarkson which the CHS-JV took 43-37.

According to Jones, the 1956-57 Colk squad "learned a lot of hard lessons, had a good attitude, and above all — a lot of fun out of the season."

Jones said four or five of his cagers will help the varsity next year, and at the same time the Colts will be bolstered by several freshman stars moving up from Coach Don Vaninger's undefeated ninth-grade team.

Leading scorer for the Colts was little Fred Schwarz who averaged 11 points a game. Bob Starnes, with 10 and N. C. Schrader, with 8, were close behind.

PERFECT SEASON — The Northville high school freshman cage squad completed a perfect season last week by dunting South Lyon. The unbeaton team members (front row, left to right): Blaine Ashby, Bob Stuber, David Nash, John Early, Roger Atchinson; (top row, left to right): Coach Don Van Ingen, Chuck Hix, Larry Nitzel, Fred Mitchell, Barton Stader, Joe Gotro, Jim Patterson, Gary Howell, Gary Morgan, Wade Deal, Bill Juday, Mike Janichik, Mike Eastland, Woody Aenschbacher and John White.

## Freshmen Cagers Undefeated

An undefeated season is something that all teams dream about and only a few ever achieve.

Roger Atchinson, who had been ill with the flu for two days previous to the game, led in the scoring department with 18 points.

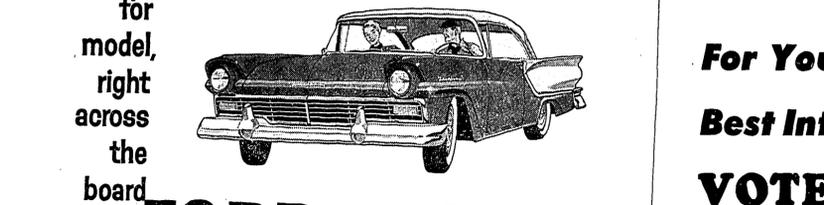

This was the highest number of points by any member in a single game during the season and enabled him to take the scoring championship away from Jim Patterson who was high in that department the entire season. Atchinson ended the season with 108 points and Jim finished with 102.

Other leading scorers were Wade Deal 65, Joe Gotro 53, Larry Nitzel 47 and John Early 29.

This season's club proved to be well balanced as each of the five starters was high scorer in one of the games. Every member in the 18 man team got in the scoring column with the exception of one to go. John White came through in the last game.

The Fabulous Club Victoria is a brilliant example of the Mark of Honor styling and built-in plus-values that have made Ford the best-selling car in the nation.

Model for model, right across the board

# FORD is the lowest priced of the low-price three!

Everywhere you look in the new Ford, you see plus-value features. And these advanced features that make Ford your best buy today... also make it your best buy for the years ahead.

There are many plus-values in the all-new "linear Ford!" You don't ordinarily see many of the plus-value features that are built deep down into the new "linear Ford" — for example, such features as the new, sturdier, contoured frame and new suspensions, front and rear.

There's a big plus-value in Ford power for '57! This year, you can pick a Ford engine to suit your power needs from a whole new family of mighty Ford V-8's. Or you may choose the new Mileage Maker Six.

Ford is worth more when you sell it! The year-round styling and rugged "linear Ford" features that make Ford worth more are the features that will make it worth more when you are finally ready to sell or trade it in.

Ford is priced right! Comparison of manufacturers' suggested retail delivered prices proves that more for model, Ford is the lowest-priced, full-size car.

Action Test a Ford... and see for yourself! The only way to get fully acquainted with a car is to get behind the wheel and drive it. And we will be happy to have you come in and Action Test a '57 Ford at any time.

COME IN TODAY... get a great deal on the NEW KIND of FORD!

## Season's End

The record books have closed on the most successful season in Northville basketball history.

All three teams had outstanding records. The varsity Mustangs tied for the league title. The junior varsity Colts tied for second. And the freshmen completed their year without a loss.

To round out its coverage of the 1956-57 basketball season in Northville, The Record here tells the stories of the success of the JV and freshman squads.

Next week, it will be time for spring sports. And The Record will give its readers a look at what they can expect from the Northville baseball, track and golf squads.

## Your Natural Gas Comes A Long Way

The natural gas you get at the turn of a valve has traveled hundreds of miles. Laying pipelines to carry it to you presents many engineering problems.

Rivers are only one of the hazards which must be overcome on the pipeline's cross-country journey. Since gas is lighter than air, 30 pounds of ballast are used for each foot of 30-inch pipe in a water crossing.

Corrosion is another headache engineers have minimized by coating and wrapping the pipe before it goes into the ground.

Millions of dollars in equipment join with labor and know-how to keep natural gas flowing to your home or place of business. Natural gas is your dependable low-cost servant.

Only GAS does so much, so well... the modern fuel for automatic cooking... refrigeration... water-heating... house-heating... air conditioning... clothes-drying... incineration.

### City Proceedings

A regular meeting of the Northville City Council was held at the City Hall Monday Eve., Mar. 18th, 1957 at 8:00 P.M.

Present: Mayor Ely, Councilmen Allen, Canterbury, Reed and Stuebner.

Minutes of last regular meeting were read and approved.

Bills amounting to \$23,530.66 from the General Fund and \$1,236.13 from the Water Fund were presented for payment, and it was moved by Allen, supported by Canterbury that same be allowed and paid. Carried.

Mr. Robertson reported that the tabulation of bids for Storm Sewer and Club and Gutter work on S. Wing, Fairbrook and First Sts. had been studied by the committee and after due consideration of the qualifications of the low bidder, it was their recommendation that Ray L. Welch, of Allen Park, be awarded the contract for storm sewer and Wm. J. Kloete, Jr. of Pleasant Ridge, Michigan, be given the contract for curb and gutter, total cost to be \$39,869.00. Moved by Reed, supported by Allen that the recommendation of committee be accepted. Carried.

Building Code was again read as required by charter and it was moved by Canterbury, supported by Allen, that this ordinance be adopted. Carried.

The Forestry Ordinance was read before publication, and was moved by Stuebner, supported by Reed, that same be published in the Northville Record and action taken on same at the next regular meeting. Carried.

Moved by Reed, supported by Ely, that the request of Rev. Wilcox asking that the site for building permit for the new Catholic Church be waived, be granted. Carried.

Moved by Ely, supported by Allen, that the Rainbow Girls be permitted to sell Easter Lily pins on the streets of Northville, Michigan Central, Detroit Police Department. Many positions on police department boards and associations. Member of Eagles, former scoutmaster. Lived in Novi seven years at 4278 West Eight Mile.

Moved by Ely, supported by Allen, that the Rainbow Girls be permitted to sell Easter Lily pins on the streets of Northville, Michigan Central, Detroit Police Department. Many positions on police department boards and associations. Member of Eagles, former scoutmaster. Lived in Novi seven years at 4278 West Eight Mile.

Moved by Mayor Ely, supported by Councilman Canterbury that the City Council write to our State Senator, Mr. Swainson, urging him to vote against H.B. No. 79 (the 40-hour police measure) as it violates the principle of Home rule. It was also voted that Mr. Swainson should make personal contact with Mr. Swainson. Carried.

Mr. Robertson recommended that the composition of the Board of Review be raised to \$15.00 per day, and it was moved by Canterbury, supported by Allen, that this increase be allowed. Carried.

Moved by Canterbury, supported by Allen, that the City Manager write a letter to the Northville Downs (copy to be sent to the Northville Driving Club) asking what their intentions are to abate the unsightly condition existing around and adjacent to the track. Carried.

Moved by Allen, supported by Ely, that the next regular meeting be postponed to Tuesday, April 2nd, 1957, because of the Election on Monday, April 1st. Carried.

No further business appearing, meeting was adjourned.

(Signed) Mary Alexander, Clerk

## Students Visit Campus For Principal-Freshman Day

Last week on Tuesday, Principal Elroy Ellison and four NHS senior girls visited the campus of Central Michigan college at Mt. Pleasant, 134 miles from Northville, for Principal-Freshman Day.

The day gives principals an opportunity to discuss college adjustment with the freshmen who were former students in their schools. Mr. Ellison had conferences with Kathleen Healey and Phyllis Howard, freshmen and NHS alumnae.

The girls first went to Keeler Union, a building where many students congregate and meet socially. There they registered for a tour of the campus. Their guide pointed out various buildings and let each person go to the one of his own choosing.

There were the impressive new library, opened just after Christmas, physical education buildings, science building and many others.

**Juniors Seek Flapper Costumes For Class Play**

The junior play, "One Foot In Heaven" is coming along very well. It is down to business and working hard.

The costume committee has started their search for clothes. The chairman, Sandy Strasen, called a meeting last Saturday to discuss the problem. If any one has any clothing of the style of the middle twenties, will you please contact Sandy.

**"Hoof Prints"**  
"Mustang Hoof Prints" is prepared and written by the Northville High school students under the supervision of Miss Florence Panatoni.

## POWER... to haul up to 33% more!

## DODGE PowerGiants

### Most Power of the Low-Priced 3!

Everybody agrees . . . the main reason for buying a truck is to haul a payload. That being the case, doesn't it make sense to get the truck that's powered and built to carry the most in its weight class? Of course it does! That's why so many truck owners are switching to Dodge.

Dodge gives you the most powerful V-8's of the low-priced three, ranging from 204-hp. pick-ups to 232-hp. tandems. And Dodge trucks are built especially tough to handle bigger loads. For instance, Dodge pick-ups can haul up to one-third more than other competitive makes.

Dodge makes hauling these bigger loads easier, too. Shorter turning radius lets you needle in and out of tough traffic spots in a jiffy. Power steering is available on most models, and the extra convenience of a push-button transmission can be yours only with Dodge.

Think it over. After all, it's just plain good business to get the most for your money . . . and your dealer can prove the most truck for your money is Dodge.

\*Available in all low-tonnage and Forward-Control models.

Actual Payload Capacity	Actual Payload Capacity	Actual Payload Capacity
1825 lbs.	1400 lbs.	1500 lbs.

Facts prove the Dodge D100 pick-up beats both competitive low-priced models in payload. Model compared is a Dodge 6, 100 pick-up, 7 1/2-foot body. In larger pick-ups the Dodge lead is even greater.
