SPEAKING
for the Record

By Bill Sliger

A proposal to dispend with the traditional "annual meetings" for the township of Novi will appear on the August 2 ballot.

By its own motion the township board proposed the action.

It's legal to call for such a vote in townships having a population of 5,000 or more. Numerous townships throughout Oakland county are placing the issue on the ballot, I'm told by Novi Supervisor Frazer Staman.

While it may be a sad commentary on the times, it's nevertheless true that the original function of the annual meeting — in more populous areas — has been lost.

It is possible for a handful of people attending an annual meeting to discard the plans of a township board and insert the wishes of a minority group. By a simple vote of those present a budget can be raised or lowered, or completely revised.

Years ago — and even today in sparsely populated townships — nearly every resident attended the annual meeting and hashed over community problems.

But now 50 or 100 residents present is considered a huge turnout. Yet this represents between one or two percent of a township with a population of 5,000.

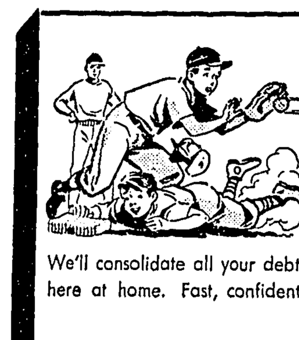

Even though I would favor eliminating the power that the public holds at an annual meeting, I still believe the idea is basically a good one.

Such meetings recall the very method under which our nation was founded and stand as an excellent means for the board of trustees to make an annual report to the voters and answer their questions.

Our laws make it possible for the electorate to take proper corrective steps, if necessary, without hasty minority action at the annual sessions.

* * *

In my opinion another change could be made in township government that would be highly advantageous to the constructive advancement of the community — the elimination of partisan politics.

Roger Babson
After Graduation

Babson Park, Mass. — Now that graduates from high schools and colleges are looking for jobs, may I devote this week's column to a discussion thereof? Let me start by saying that the first step is to analyze oneself and ascertain the line of work for which one is best fitted.

Five Different Pathways

Most of today's graduates have come to a "parting of the roads" and are faced with five different paths which they may follow. (1) The Professions — If you feel you are best suited to be a doctor, dentist, lawyer, teacher or minister, you must go back to a college which specializes in one of these professions. I sometimes think there are enough lawyers in the country, but certainly the other groups are rendering a needed service and are being amply rewarded.

(2) Engineering and Building — There are many opportunities in this line provided you work in a progressive and growing community. (3) Manufacturing — This is the line of work which will probably confine you to spending your life with one or more large companies. If you like people and are not ambitious to be your own boss, it is well to get connected with a large manufacturing company. You, however, must be willing to go where you are sent and to obey orders. (4) Agriculture — At one time this meant working on a farm, but it is not so any longer. The reason is that raising both crops and livestock has become an intricate business. Those loving such work could take an additional course at an agricultural college. Every state has such a college with low tuition.

(5) Selling and Advertising — **If you want to sit in an office and dictate to a blonde, you should not take up selling — not even selling advertising. If, however, you are willing to wear out shoe leather, ring door bells, and fight for business, selling offers you a great opportunity.**

Importance of Salesmen

Salesmen have never needed a labor union in order to get higher wages or commissions. A salesman can always get well paid, according as he produces. I know a salesman who earned more money than anyone who had gone into the first four of the above mentioned lines of work. A salesman must be willing to start at an average wage; but "the sky is the limit," if he will produce. This especially applies to those who secure a position with high-grade banking houses and are able to help float important underwritings.

Another thing, all of those who choose one of the first four lines of work listed above are dependent upon the selling of their products or services. This is especially true of construction, manufacturing and agriculture. The customer must be "sold" if he is to buy houses, merchandise, or even farm products. Truly, "the harvest is great", although the good salesmen are few. The national problem of employment and in fact the prosperity of the nation are dependent, not on the Administration or the Congressmen and Senators in Washington, but rather upon the salesmen of the nation; they control its economic destiny. Some will wonder why I did not make a special sixth division for Banking, but the successful bankers must be excellent salesmen.

Importance of Patience

When climbing a ladder, use the first rung, and climb slowly upward. Do not try to start where your parents leave off. The fun of life is in the striving, rather than in the arriving. Present starting wages in all the above five groups are good at the present time; but sometime there will be a day of reckoning. "Trees do not grow to the sky" and prosperity does not continue forever.

I opened this week's message by referring to graduates who are meeting a "parting of the road". It may not be long, I fear, before these five paths may converge again into a temporary period of readjustment and unemployment. Then the travelers of all these pathways will be competing with one another, and surely with the hard-working intelligent people of Europe.

Michigan Mirror
UP Attractions Beckon the Tourist

THERE'S MUCH NEW under the sun in northern Michigan for the traveler to enjoy. One of the most fabulous summer resorts, for example, just opened its door near Sault Ste. Marie. Not far from the Soo is the rapidly expanding Kincheloe Air Base.

At the Straits of Mackinac where looms the "Mighty Mac" bridge, still new to many Michigan tourists, is the newly opened Fort Michilimackinac.

Along every road and highway appears new motels and tourist attractions. A new air of friendliness is soon sensed in upper Michigan residents by the visitor.

* * *

The famous established attractions of the north country are still there and thriving. They pleased millions of tourists in past years and serve as a foundation for the expanding resorting industry in that part of the state.

Chief among these is the Soo Locks. A ferry ride through 22 feet of elevation in the St. Mary's River is worth the trip from anywhere in the state. There is Grand Hotel at Mackinac Island and the island's colorful museums and quaint horse and buggies. There's the wilderness of Copper Harbor, the beauty of Porcupine Mountains near Ontonagon and the Pictured Rocks of Munising.

* * *

The only bridge in the world which is lower than the river it "crosses" is located on Route 2 in Manistique. Near this little city is Big Spring with a raft to float on water so clear a visitor can easily see it bubble through white sands at the bottom or watch big fish swim lazily.

Tongue twisting Tahquamenon Falls near Newberry offers a grand sight of ice tea colored water spilling rapidly in its 41 foot drop as it rushes to Lake Superior.

These and many other attractions beckon the tourist who has never visited the upper peninsula. But the newer features give cause for another trip north for those who have been there before.

* * *

Local businessmen at Sault Ste. Marie financed a new resort some 24 miles into the wildeness, along the Lake Superior shore. It is designed to operate as a ski lodge in winter and a summer resort in warmer months. Mission Hill Lodge leaves nothing lacking in luxury, but is moderately priced.

Complete with latest French imported chair lift, swimming pool, stables, nature walks, spacious dining rooms, fireplaces, and even specially woven carpets which depict summer and winter sports against a map of Michigan, the lodge is new and modern in every respect.

Mission Hill backers are more interested in using their investment to attract more people to the Soo area than in direct financial return.

* * *

At the tip of the lower peninsula in the shadow of Michigan's proud bridge stands recently reconstructed Fort Michilimackinac very much as it looked some 200 years ago.

Inside one sees human-like figures posed to resemble activities carried on by inhabitants in days when the fort played a lively part in Indian warfare. Murals, reproductions and displays tell the fort's story, including the famous massacre when Indians entertained the soldiers with a la crosse game until the ball was tossed into the fort. Then warriors grabbed weapons hidden by squaws and killed or captured all British inhabitants.

* * *

Fort Michilimackinac was abandoned by the British in 1781 when they moved to Fort Mackinac on the island which offered better natural defense.

Restoration of the old fort site began in 1959 under direction of the Mackinac Island State Park Commission and will continue for some years. A great deal is now complete and the fort was opened to the public late in June.

* * *

The most modern of military defense stations is only a few miles from the early forts of the Straits. Kincheloe Air Force Base, a short way east of Kinross and some 18 miles south of the Soo, is rapidly expanding, permanent defense point.

Seven support squadrons are assigned as components of the 507th Fighter group stationed there. They fly F106 Delta Darts in their defense missions.

Known as Kinross Air Base from 1941 until 1959 when it was redesignated in honor of a Cassopolis war hero, Iven C. Kincheloe, Jr., the field will soon be a base for B52 jet bombers and KC135 jet tankers of the Strategic Air Command.

* * *

By 1961 the Air Force expects to have 8,800 military personnel and dependents on the base.

The "little city" which is being hacked out of the forest has its own schools, hospitals and recreational facilities. It will have a monthly payroll of $93,000 next year, an asset welcome to nearly any community.

More than $40 million have been appropriated by Congress for expansion of this base. Already completed are runways up to 12,000 feet in length, many dormitory-type barracks and hangars.

* * *

NOBODY WANTS TO live permantly in an atom-bomb-proof air raid shelter.

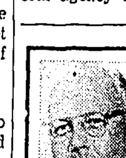

But one would be nice to have in event of an attack. The State Civil Defense Office says money for such shelters is easier to borrow under liberalized rules adopted at the federal level.

Assistance is offered through loans, loan guarantees or mortgage insurance.

"It is logical and practical for fallout shelters to be built in homes or apartments," the Michigan office said.

Complete information on plans and assistance provided by the National Fallout Shelter Program set up by the Federal Housing Administration is available.

Michigan CD offices or the federal agency can supply it.

why there's no water heater like an
ELECTRIC WATER HEATER

INSTALL ONE WHERE YOU LIKE—EVEN IN AN AIR-TIGHT CLOSET. When it's an electric water heater, there's no flame, so no air is needed to support combustion. And, of course, there are no fumes to be vented. An electric water heater is completely safe.
BUILT-IN QUALITY MAKES A BIG DIFFERENCE. Every electric water heater installed on Detroit Edison lines must meet Edison's exacting specifications. Result: long life, high performance.

HAVE YOU SEEN THE TABLE TOP MODELS? They're compact, go beneath counters or alongside laundry equipment. Other possibilities—in the kitchen next to sink or dishwasher or in that hard-to-use corner. Upright or table top model, put an electric water heater where *you* want it.
HOTTER WATER—PLENTY OF IT! An electric water heater is capable of going on and on, delivering really hot water—160° hot—without burning out. And heavy insulation all around keeps the outside shell of the water heater cool to the touch from top to bottom—no hot metal anywhere.
8 OUT OF 10 FAMILIES USE THE 50-GALLON SIZE. For less than 15¢ a day (estimated operating cost for this size) you can have hot water for all the family's needs. There are also 80- and 110-gallon sizes for the few families who use more water and may require heaters with greater capacity.

THE NOVI NEWS
Volume 6, Number 10 12 Pages — Novi, Michigan, Thursday July 21, 1960 — 10c Per Copy, $3.00 Per Year in Advance

Novi to Help Control Dust On Beck Rd.

Beck road residents who have been choking in huge dust clouds since the closure of Novi road were promised some relief by the village council Monday night.

By a special vote the council decided to match funds with Beck road residents in paying for chloriding throughout the remainder of construction work on Novi road.

The village will pay half of the cost of any length of road which a resident wishes to be treated. Officials have stated the total cost would average about 1½ cents per lineal foot for 1,000 feet or more. Shorter distances probably will cost slightly more.

As explained at Monday's meeting, it will be up to the residents to contact the village to arrange for treatment in front of their homes. Residents must pay their half of the cost before chloriding can be started.

The matching fund policy includes Beck road from Grand River to Eight Mile road. Residents of Northville Estates, who have been complaining about the dust to Northville officials, may also take advantage of the control program since the entire road is under jurisdiction of the village.

Village President Joseph Crupi recommended an "overall" chloriding program in light of an investigation by himself, Councilman Philip Anderson and Coordinator Harold Ackley.

Attempts to persuade Oakland county to provide better dust control on the two detour routes, Meadowbrook and Taft roads, were unsuccessful. The county replied that if the village was dissatisfied with its work it would make Napier and Haggerty the detours—knowing full well that motorists would continue to use village roads.

Although Taft and Meadowbrook roads are specifically marked as detour roads, many motorists are using Beck road which the county has refused to chloride during the construction period.

In recommending an emergency chloriding program, Crupi emphasized that he was not in favor of a "special privilege" program. And, although he admitted that he was "giving in a little" on his original stand that surplus money should be used to purchase gravel rather than chloride, he suggested that the matching fund program be open to all residents of the village.

Councilman Walter Tuck objected, stating that the Beck road problem was unusual and therefore it alone warranted a special program.

Anderson, on the other hand, held fast to his earlier contention that there is enough money in the road fund to provide free dust control for the entire community.

In voting on the matter, however, Anderson joined Tuck and Councilwoman Eugenie Choquet in recommending that the matching fund program be established for Beck road alone. Crupi abstained from voting.

In still another attempt to relieve traffic problems on Beck, the council recommended that the village attorney and Police Chief Lee BeGole investigate the legality of posting speed limits on Beck—to 25 MPH if necessary.

Police Chief Lee BeGole this week issued a temporary traffic control order limiting speeds on Beck road to 25 MPH. Signs are to be posted today.

The order does not become permanent until approved by the council. However, approval is an almost certainty since the council had suggested a speed control in light of heavy traffic along the road during Novi road construction.

New Business Eyes Novi Road Site

A large district sales office for the Michigan Tractor and Supply company may be established here this year.

Speaking to members of the village council and planning board at a public hearing on rezoning Monday, Harold Garvey, real estate salesman, revealed that the tractor company plans to construct a sales office and repair depot on the Al Pritchard property located at 24666 Novi road between 10 Mile and the C&O railroad crossing.

The company plans are still incomplete, Garvey said, "but I wouldn't be surprised that they will move this year."

Representing Pritchard in negotiations for sale of his land to the company, Garvey emphasized that the sales office and depot will be a "real asset and provide a number of jobs". The company handles Caterpillar diesel engines, tractors, motor graders and earthmoving equipment.

Garvey indicated that the office building would be of modern construction, probably housing an indoor display room of machinery. The service department will be in the rear of the office near the railroad.

Meeting in joint session with the planning board, the village council voted at the hearing to rezone a portion of the Pritchard property from R-2 (two family residential) to an M-1 (light manufacturing) classification.

There were no objections to the zoning change.

Breaths Life Back Into Swim Victim

A 13-year-old Huntington Woods girl was dragged from Walled Lake Tuesday afternoon and revived by mouth-to-mouth breathing.

Saved was Cheryl Freilich, a member of the Totem Pole Day Camp group, Wixom. Her quick-thinking rescuer was Nancy Rahner of Detroit, life guard and swimming program director for the camp.

According to Novi police, the Frelich girl was playing in the water near the amusement park when she apparently swallowed too much water and passed out.

The camp, located at 27300 West 12 Mile road, is operated by Marvin Lieberson.

DUST CLOUDS—An aggravating dust problem on Beck road, which at times hides speeding cars and shrouds homes in blankets of dirty clouds, as in the picture above, prompted the council Monday to adopt a matching-fund dust control program.

Plan Meeting to Urge Hospital Authority

An all-out effort to form an area hospital authority by placing the issue on the November ballot will be undertaken at a "kick-off" meeting of officials from surrounding communities next Wednesday evening.

The meeting has been called by Northville's Mayor A. M. Allen, who is also president of the board of directors of Community General hospital.

Invitations were extended Tuesday upon personal call by Mayor Allen and Hospital Administrator Calvin Monfils.

Governing officials of the following communities have been asked to attend the meeting:

Farmington (city and township); Livonia (city and township); Lyon township, Milford, Northville (city and township), Novi (village and township), Plymouth (city and township), Salem, South Lyon, and Wixom.

Specifically, the officials will be asked to join in the formation of a hospital authority encompassing all the invited communities.

The state hospital authority act permits establishment of an authority by two or more cities, townships or incorporated villages thereof. Formation requires that voters of the governmental areas involved must approve a tax levy not to exceed 4/10ths of a mill annually.

Wednesday evening—at the dinner meeting to be held at Saratoga Farms in Novi—the hospital authority plan will be explained and officials will be urged to carry the story to their communities and place the measure on the November ballot. To gain a spot on the fall ballot the request must be made by September 1.

Directors of Community General hospital are behind the move. They have decided that the authority plan is the best answer to the area's hospital needs.

Such an authority—the Peoples Community Hospital Authority—now serves the Wayne county area of Taylor, Huron, Nankin, Flat Rock, Wayne, Inkster, Dearborn township, Romulus, Sumpter, Ecorse, River Rouge, Lincoln Park, Melvindale, Trenton, Allen Park, Ypsilanti, Salem, Superior and Augusta. The authority operates Beyer hospital in Ypsilanti, Annapolis and Outer Drive hospitals, and a new 85-bed hospital in Trenton.

A representative of the Peoples authority will speak to the group of officials Wednesday evening explaining the plan and answering questions.

Staunch supporters of the idea, in addition to the Community board and Administrator Monfils, have been several doctors. Dr. H. Handorf and Dr. L. W. Snow introduced the idea to city councilmen several weeks ago in a brief session before a regular council meeting.

Monfils has pointed out that the authority will not be connected with Community General hospital in any way. If successfully formed, it could take over the local hospital if it decided to do so, but its chief concern would be to provide adequate hospital facilities for the area.

If it were decided to construct a new hospital, for example, it is highly unlikely that it would be constructed in Northville, Monfils points out.

Community directors have been struggling with tight finances ever since the facility became truly community-operated last October.

The community itself got into the hospital business shortly after it had been purchased by Dr. H. L. Bergo and Abraham Farris. Formerly Sessions hospital, the new owners completely renovated the facility and prepared to operate it as a privately-owned non-profit corporation. Blue Cross frowned on this arrangement and refused full Blue Cross membership.

Re-organization resulted in the present operation with a community board of directors leasing the building and equipment from the former owners. An option to purchase is held by the board.

'An Invalid Lives Here'

In cooperation with the American Disabled Veterans organization, the Novi fire department will soon launch a special warning service for all Novi disabled residents.

Stickers prepared by the veterans organization will be placed in windows of homes occupied by the blind, aged, or invalid to facilitate swift rescue in the event of fire or other disaster.

Persons wishing to have stickers put in their windows are urged to call the village hall, FI 9-2444. In addition to stickers, the village will keep a list of names and addresses of all invalids who, in cases of disaster, would be unable to help themselves.

Court Gives Novi Chance to Appeal Annexation Case

While claiming a preliminary victory last week on an annexation case in the state supreme court, the Village of Novi was dealt a stinging defeat in lower court on a disconnection suit.

Village councilmen learned of its victory and defeat Monday night from Village Attorney Howard Bond.

In winning a minor but important decision by the higher court, Novi was granted permission to challenge in a supreme court trial the recent annexation of 135 acres of land near Northville Estates to the City of Northville.

Novi lost, however, its fight to keep 156 acres within its boundaries as Circuit Court Judge Frederick C. Ziem granted William Chase an order disconnecting 156 acres of his property, located at the corner of Novi and Eight Mile roads, from the village.

Bond's petition to the supreme court contained three specific points upon which the village will contest the annexation. They are:

—that petitions calling for an annexation election did not contain the proper number of village signatures;

—that the notice of election should have been made by both the township and village of Novi (the secretary of state directed the township clerk to conduct the election for both the village and township areas involved);

—that the entire population of the village should be permitted to vote in the election.

The primary argument rests in the final point. Bond claims that the annexation laws are in conflict and that under the law which Novi incorporated all residents—not just those in the area of the village to be annexed—may vote.

Residents of 36 homes in Northville Estates, which was part of the township, and one registered voter in the village area approved the annexation 53-9. Northville registered a 289-144 vote in favor of annexation.

Specifically, therefore, Novi is challenging the annexation of the 135-acre between Northville Estates and the city limits. Support of this by the supreme court would, of course, nullify the entire annexation including Northville Estates.

Chase was granted detachment from the village (his property is now part of the township) under a special "agricultural statute". Under this statute a property owner may withdraw from a village if land is used for farming purposes only; if the land covers 10 acres or more; it is located on the village border; and if it has not been subdivided or platted.

Earlier this year, the court granted Mrs. Nellie Welfare disconnection of her 38-acre farm at the northeast corner of Beck road and Pontiac trail from the village.

Bond, who acknowledged that Mrs. Welfare's property fell within the statute stipulations, had argued vigorously that the Chase property did not meet state requirements because it was not sufficiently used for farming purposes.

Council Grants Landfill License

Novi's new landfill ordinance will be put to use for the first time soon as a result of action taken Monday by the village council in granting a license to the Munn Contracting company.

The license was granted following a slow, "where do we go from here debate" which stretched the regular council meeting to past 1 a.m. The vote was 3-1, with Councilwoman Eugenie Choquet casting the dissenting vote. Councilman Dean Lenheiser was absent.

By granting the license, the council forced the landfill promoters to meet all regulations in the village ordinance—plus a number of special committments—or face immediate closure. Until this time no Novi landfill has operated under the ordinance, which attorneys have said is "very restrictive".

However restrictive, the ordinance has already been upheld in court and will now be put to its first test.

Previous Novi landfills have either operated under township rules or special court order. In these cases, the village has been legally unable to regulate operations.

The council was forced either to deny or grant the license because of a ruling two weeks ago by Circuit Court Judge Frederick C. Ziem.

Denied an application by the village board of appeals, Munn Contracting company took the matter to court. After hearing the case and inspecting the proposed landfill site, Judge Ziem ruled that the action by the board was "unreasonable and arbitrary". He then ordered the council to act upon the application for license as though it had been approved by the board of appeals.

The landfill site is located west of the C&O railroad and the McCreedy dump — approximately one-quarter mile northeast of Novi and 10 Mile roads.

The site includes about seven acres of land.

A lengthy debate over the matter Monday followed Village Attorney Howard Bond's conclusion that to deny the application would most certainly result in another court victory for the landfill promoters. And if the court granted an order permitting the landfill, as it did in the Nielson case, the village would be unable to control operations, he explained.

Most of the residents objecting to granting of the license did so because they contended Novi should try to rid herself of all such "nuisances". Stan Wilson of 12 Mile road insisted that "There must be a stopping point to these things. I think it is up to the village, up to the council and the community to see what can be done to stop them."

Wilson is one of many 12-Mile-area residents who have protested attempts by the Wayne Disposal company to establish a landfill near the corner of 12 Mile and Novi roads. As in the Munn case, the court has ruled that the board of appeals unjustly denied a license to the applicants and returned the matter to the council.

A decision on this latter case has been postponed by the council, pending a full report by the promoters on operation techniques. To date the council has not received any of this information.

Village President Joseph Crupi pointed out that the two sites are quite dissimilar in physical appearance; the 12 Mile site is low and swampy, the 10 Mile site small, low and dry.

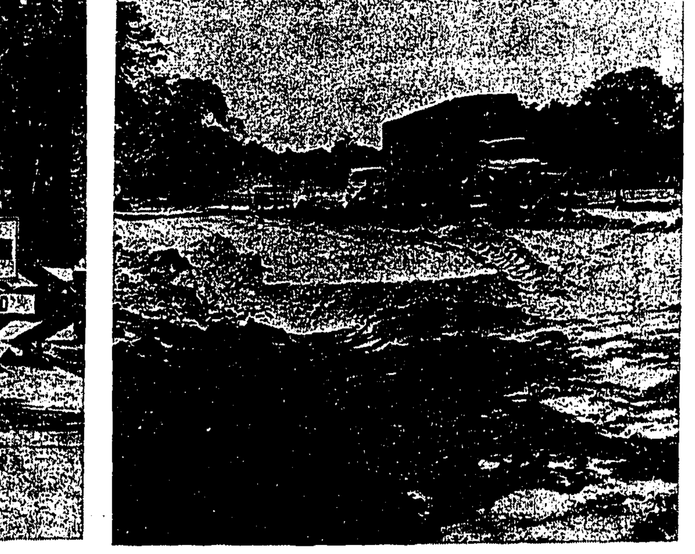

It also was pointed out during the discussion that by granting the Munn license, the council might be in a more favorable legal position should it deny the application to Wayne Disposal.

Road Detours Bewilder, Anger Motorists, Residents

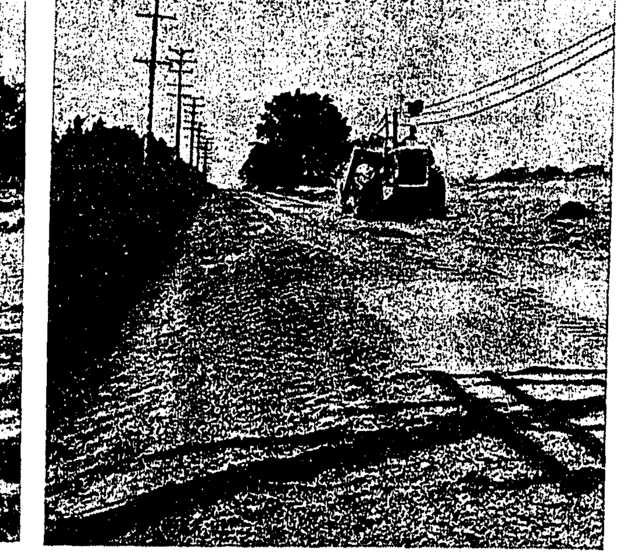

Traffic Stopped on Randolph at Taft

Road construction between Northville and Novi has left motorists bewildered and angry as they attempt to wind their way through a maze of entangling detours. And home owners along these detour routes are equally upset as they hide in their homes covered by huge clouds of dust. According to county road officials, some of these problems will remain until Novi road construction is completed in November. Presently, motorists driving east on Eight Mile road

Eight Mile Ripped up Near Novi Road

at Taft must travel along the newly constructed Eight-Mile Cutoff to Center street. Randolph street at Taft is blocked while road improvements are made. To continue east from Center, motorists must turn right to Baseline and then east again. At Eight Mile near the new cutoff motorists traveling east are again detoured over a dirt trail to old Eight Mile—which also has brought complaints because of its choppy condition. Still more detours are in the offing

Construction Begins on Novi Road

along this road because officials have stated that Eight Mile from Northville to Haggerty will be improved next year. Motorists traveling north and south between Novi and Northville must use either Taft or Meadowbrook roads. Dust and bad road conditions are not limited to these detours, however. Northville Estates residents and other residents along Beck road have complained to officials of both Novi and Northville about extremely bad dust

Old Novi Road Deadends at Crossing

problems. Construction on Novi road began this week and motorists who have been "sneaking" past barricades are finding themselves dodging holes and road equipment. Another surprise is in store for drivers who have been gaining entrance to the south end of Novi road, from the newly constructed approach northeast of Novi road. According to road officials this approach is a special service drive for residents on Novi road.

Mr. and Mrs. Fred Casterline visited with their son, Butch, at Camp Algon-quian on Burt Lake over the weekend.

• • •

Mr. and Mrs. George Bulterman and son, George Coleman, arrived Wednesday to spend the balance of the week visiting Mrs. Bulterman's mother, Mrs. H. C. Duerson of S. Main. Following their stay, the Bultermans will take up residence in Jersey City, New Jersey. They recently returned from the Netherlands, which was their home while Mr. Bulterman worked for an American automobile firm there.

• • •

A surprise housewarming party was given Dr. and Mrs. Gordon Forrer last Saturday at their new home on West Main. Guests presented the Forrers a sterling silver Revere bowl. Those attending included: Mr. and Mrs. Robert Beerbower, Dr. and Mrs. Robert Yoder, Mr. and Mrs. Fred Hartt, Mr. and Mrs. Hal Wright, Mr. and Mrs. William Wylie, Mr. and Mrs. Al Wiltert, Mr. and Mrs. William Secord, Mr. and Mrs. Richard Kay, Mr. and Mrs. William Sliger, Mr. and Mrs. Ken Conley, and Mrs. Forrer's parents, the Charles J. Hanke's of Milwaukee, who were visiting at the Forrer home.

• • •

Mr. and Mrs. Donovan Hamilton of Walled Lake attended the Wagenshutz reunion at Chelsea.

• • •

Mr. and Mrs. George Kohs and their son, George Jr., will journey to Culver, Indiana today to attend Mr. Kohs class reunion at Culver Military Academy. Kohs is vice president of the academy's national alumni association. While there they will visit their other sons, Curtis and Gary, who are middshipmen at the academy naval school and will be graduated in August. Curtis will enter Ferris Institute this fall, while Gary will be a senior at Northville high school.

• • •

Mrs. Lawrence McCarthy of Clement road flew to Chicago and Skokie, Illinois the weekend of July 8 to visit with friends.

• • •

Mr. and Mrs. W. S. Funk and Mr. and Mrs. John Funk spent two weeks on a Western trip through the Black Hills in South Dakota, Rocky Mountain National park, and Colorado Springs, Colorado.

Returning home, they stopped to visit Dr. and Mrs. Leonard R. Howard and children in Salina, Kansas.

A surprise birthday party for Mrs. Harry G. Richardson and Mrs. William J. Schoultz was given Saturday night at the home of Mr. and Mrs. Roger McClain, 52300 West Nine Mile road.

all sorts of things

By SHARON MAZANEC

Often overheard comment—"My memory's getting short. Guess I must be getting old." Oscar M. Haugh, a professor of education at the University of Kansas, would probably agree that we're all getting older, but it's doubtful that he would blame a slipping memory solely on age.

Haugh thinks anyone can learn to remember better if he's willing to exert a little more mental effor tin learning to be a good listener. He recommends these practices to sharpen your listening and your memory:

(1) Form a picture in your "mind's eye" of what is being described; (2) Listen for the pattern or organization of the material; (3) Take a mental note of the most important facts and ideas: and above all, CONCENTRATE.

• • •

Traveling in academic circles, you often hear the collegian insist that the measure of success is not always in the grades achieved by the student. But Karl H. Wurschinig of 120 North Center street must have some feeling of accomplishment for his all-A grades of last semester which put him on the Western Michigan university honor roll. Karl will be a junior in secondary education this fall.

• • •

Homemakers have their conferences, too. Today's homemaker often finds it to her advantage to supplement the "old school" helps and hints with a refresher course such as Michigan State university's Homemaker's conference which begins in East Lansing next Tuesday.

More than 1000 Michigan homemakers are expected to attend informal classes and hear educational and entertaining programs. The Honorable Martha Griffiths, representative of the 17th Congressional district of Michigan; Karl Haas, director of fine arts at WJR; and Mrs. Anne Anderson, former associate editor of Better Homes and Gardens magazine and representative to the National Exhibition in Moscow, will be guest speakers.

If you're a homemaker concerned with being up to date on the science and technology of your fulltime profession, you might let your family fare on its own and pay a visit to the four-day conference planned for all Michigan women.

• • •

No flavor quandry— We've discovered that despite the wide variety of ice cream flavors (200 in all) "scoopable" in Michigan, ice cream eaters are more conservative in their tastes than some of the bizarre flavor-names might suggest. Vanilla, chocolate, and strawberry, in that order, are still the most popular flavors, in or out of a cone.

Summer sunbathers, forget about baby oil, mixtures of mineral oil and vinegar and other homemade concoctions. The best way to get a sun tan and not a burn is to use a protective preparation that contains a known sun-screening agent. Look at the label— paraminobenzoic acid and its esters, the salicylates and a digalloyl trioleate compound are among the best. Protect your eyes, too. Health experts tell us that unlike your skin, your eyes cannot build up immunity and are always vulnerable to injury. Don't worry about looking "incognito", wear dark glasses.

• • •

Being able to find an open parking space within walking distance of Main street is a pleasure for a driver accustomed to Detroit and Ann Arbor traffic congestion.

The view from the high school atop the hill is extraordinary, as is the school. Looking north you can see the bright rooftops of contemporary homes dotting the valley, and to the south the lacy green foliage of the trees screens the white outlines of the homes from a much earlier architectural era.

It's nice to see porches again, the old style porches with roofs and railings. They run clear down one side of the house, and then some. Some builders report that they are becoming stylish again in their original open-air form.

News seems somewhat scarce when the people and their community are new to you. My service to you is reporting, reporting the news which springs from the people who make it in and around Northville. We all have a "nose for news", and you can help your neighbors and me stay informed by dialing FI 9-1700.

GOING HOME—The Presbyterian church parking lot was crowded with foreign exchange students from all over the state last Thursday afternoon. They were waiting to board three buses that took them to Montreal and finally abroad ship, then home by the end of this week. All the students were feted at a Rotary club sponsored dinner the evening before they departed. More than 500 students, foster parents and Rotarians crowded the Wayne County Training School gymnasium to capacity. For the students and their American parents the event sadly marked the end of a year together, which prompted an English boy to remark, "If I have an American accent now, I'm proud of it." Dr. Kenneth MacLeod acted as master of ceremonies, while Richard Kay was general chairman of the annual Rotary event. On Wednesday evening numerous area residents opened their homes to the exchange students providing lodging for the evening. The exchange program is sponsored by the Michigan and Ann Arbor-Washtenaw councils of churches. Among the students departing were Rosemary McNelly of Ireland, who had stayed with the Ed Welch family of Wing street, and Antoinette Michielsen of The Netherlands, who resided with the Charles Tremors of Napier road.

IT'S VACATION TIME!
This is the time of the year when our thoughts turn to lakes, cottages, fishing and the great outdoors.

Many of us will be driving north along with thousands of other vacationers. We'll be in a hurry to spend as much time as possible at our chosen vacation spot.

But don't let haste ruin your fun. Drive carefully. The old saying, "better late than never", is an important one to remember when traveling on crowded highways. One more precaution. Why not telephone ahead to make certain you'll have proper overnight accommodations.

THE PHONE RANG and a small boy answered. "I have a collect call here," said the Michigan Bell operator. "Is there anyone older at home?" "Sure," answered the boy, "Michael's here. Do you want to talk to him?" "Well, how old is Michael?" asked the operator. "Just a minute," replied the boy. In a moment, the youngster returned to the phone: "Michael says he's seventy!"

MOVE OVER, Princess Margaret and all the crowned heads of Europe . . . we've got our own Princess—a wonderful, new addition to our family of telephones. The lovely Princess is the latest thing in telephones. Little enough to fit on the smallest night table, it comes in five decorative colors. The built-in night light brightens when you lift the receiver. To order this new telephone, stop in or call your local business office or, ask the man on the telephone truck.

Ten miles at the wheel are all you need...

to prove the superiority of Cadillac design!

In all the wonderful world of motoring, the Cadillac for 1960 stands alone. If you are one of those who truly admire a fine motor car, you owe yourself ten miles at the wheel of this, the supreme achievement of the designer's art. But—fair warning—once you've driven it, you'll never be entirely satisfied with anything less . . . and anything else *is* less. Gracious beauty, effortless performance and unequalled comfort will all combine to make your ten-mile drive in a Cadillac the most memorable of your lifetime. See your Cadillac dealer, soon!

Area Club Activity

Past matrons and patrons of Orient chapter no. 77, O.E.S., with their husbands and wives, will meet Sunday at 1 p.m., at the home of Dr. and Mrs. Wilbur Johnston for a co-operative picnic-dinner.

• • •

The Northville Review Club will meet at the home of Mrs. Max Austin, 123 Walnut, at 1 p.m. on Thursday, July 28. Mrs. Wilbur Johnston will review Howard Spring's book, "The Houses in Between".

• • •

Greater Northville Republican club will hold its monthly meeting Wednesday, July 27, at 8 p.m., in the American Legion hall. Plans for meetings and programs during the coming year will be the order of business.

William Duffy, Republican candidate for representative to the State legislature from Livonia will have an open house July 23, from 3-7 p.m., at the Rosedale Gardens club house, West Chicago and Hubbards roads. Light refreshments will be served, and guests are invited to bring their families.

• • •

Forty members of Northville's V.F.W. caravaned by car to the VFW National Home at Eaton Rapids last Sunday! The occasion was the annual children's carnival.

Births

Mr. and Mrs. Edmund J. Brune of Livonia announce the birth of a 7 pound, 8 ounce daughter, Diane Marie, on July 9 at St. Mary's hospital. Mrs. Brune is the former Kathleen Heatley, daughter of the Alfred S. Heatleys, 304 West Dunlap.

• • •

A daughter, Amy Lynn, was born July 12 to Mr. and Mrs. Shelby A. Harrington of Buffalo, New York.

Mrs. Harrington is the former Marlene Weiss, daughter of Mr. and Mrs. George Weiss of Grace avenue.

• • •

Mr. and Mrs. James Donald Howe of Bronxville, New York announce the birth of a daughter, Katharine Cortwright, on July 10.

Mrs. Howe is the former Katharine Kempf, daughter of Mr. and Mrs. Theodore N. Kampf, Jr. of Haggerty road.

NEWCOMER'S CORNER

"I look upon every day to be lost, in which I do not make a new acquaintance."
—Samuel Johnson

ECHO VALLEY WELCOMED these former Detroiters in February: Mr. and Mrs. Raymond Evans, their son Darell, 5, and daughter Darlene,3.

Assuming you were a little boy, say about 5, who had the choice of either living in the city and walking to kindergarten every day, or living in the country and riding to school in a bus driven by the community's fire chief, which would you take?

Darell Evans would certainly tell you that his daily trips to school on a bus driven by Novi Fire Chief Fred Loynes have been one of the best parts of moving from Detroit to his new home in Echo Valley.

Last February, Mr. and Mrs. Raymond Evans with their son, Darell and daughter Darlene, 3, left Detroit to settle in their new home at 23750 Heartwood.

Before their move, Evans and his wife, Shirley, had spent three years scouting Detroit suburbs looking for someplace in the country for their children.

"It has really been a change for us, but we've loved it from the very first," says Mrs. Evans, who like her husband and two children was born in the motor city.

"There's a closeness in smaller towns that you don't find elsewhere," she adds. "People are friendly, more than in the big city."

The Evan's enjoyed a taste of local friendliness this spring when they went to a Newcomers' dance at the Farmington Country Club and again at an Echo Valley street party this summer.

Although they have changed locations, Mr. and Mrs. Evans see no reason to modify their most important pastime—their sincere effort to be a happy family.

While Mr. Evans works as plant superintendent at Tool Industries Incorporated in Redford, Mrs. Evans works as head homemaker in the Evans' household. Meanwhile Darell and Darlene explore elsewhere, hunting for the habitants unique to the countryside, frogs and wild flowers.

And once in awhile there's time for hobbies. For Mrs. Evans, bowling, cake decorating, sewing, and kindling a yen for objects made of driftwood.

Mr. Evans works in and around their home, sometimes building things for the children. He finished a sand box last week.

"You can usually tell when Ray's home," says Mrs. Evans. How? "The stereo's on, and the house rings with the music of Mario Lanza," she explains.

Step into your summer mood with a new coiffure. Open your imagination to the wider silhouette . . . an exciting style that's all optimism for a summer of fun . . .

KITCHEN DIARY

Try Pound Cake, Banana Tea Bread

An Alabama Pound Cake and Banana Tea Bread are two delicious dessert treats that are often found in the Charles Altman, Jr., home at 866 Grace.

Mrs. Altman says they are a favorite of daughter, Susan, and also popular with the housewife because they are easy to prepare. You'll find the tea bread is rich and keeps well, an excellent treat to prepare for most any occasion.

Mrs. Charles Altman, Jr.

ALABAMA POUND CAKE
6 eggs
2 cups sugar
2 sticks of margine (margine works best)
2 cups sifted flour
1 tablespoon of vanilla

Cream butter and sugar well. Add 2 tablespoons flour at a time and then 1 egg at a time alternating with flour. Mix well. Bake in a greased and floured angel food cake pan at 325 degrees for 55 minutes. Cool before removing from pan.

BANANA TEA BREAD
1¾ cups sifted flour
2 tablespoons baking powder
¼ teaspoon baking soda
½ teaspoon salt
1/3 cup shortening
2/3 cup sugar
2 eggs well beaten
1 cup mashed ripe banana (2 or 3 bananas)

Sift together flour, baking powder, soda and salt. Beat shortening until creamy, gradually add sugar and continue beating until light and fluffy.

Add eggs and beat well. Add flour mixture alternately with mashed banana, small amount at a time.

Beat after each addition and turn into well-greased loaf pan. Bake at 350 degrees for 50 minutes.

How scientific prayer leads to a clearer understanding of Truth will be brought out at Christian Science services Sunday.
The Lesson-Sermon on "Truth" will include the following passages from the Bible (Luke 11:11, 13): "If a son shall ask bread of any of you that is a father, will he give him a stone? or if he ask a fish, will he for a fish give him a serpent? . . . If ye then, being evil, know how to give good gifts unto your children: how much more shall your heavenly Father give the Holy Spirit to them that ask him?"
The importance of prayer is also emphasized in readings from "Science and Health with Key to the Scriptures" by Mary Baker Eddy, including the following (11:27-31): "Prayer cannot change the unalterable Truth, nor can prayer alone give us understanding of Truth; but prayer, coupled with a fervent habitual desire to know and do the will of God, will bring us into all Truth."

11 a.m., Service of Church Worship.

from the PASTOR'S STUDY

By the Rev. Fr. John Wittstock
Our Lady of Victory Church

DO YOU EVER BECOME DEPRESSED?

It was the day of Christ's birth; He was born in a stable — a hole in the earth for Him who made the earth. And then it happened. The Word became Flesh. The night sky was resplendent with light borrowed from heaven. Where is the soft white wool for His crib? There is none. Where are the jewels for His fingers? There are none for this King. Where are the rich drapes and the luxurious rugs from the Orient? There are none, but only the dirt floor and the thick stench of the stable. And seeing and experiencing all this, a crashing avalanche of deep humiliation rolled upon the girlish heart of God's Mother and pressed from her red eyes their first vintage — the bitter wine of tears — and the woman wept.

Twelve years roll by, years in which the heart of the great woman and that of her greater little boy were blending into One. But one day unknown to her, He had stayed behind in the Temple to be about His Father's business while she and Joseph and the rest of the worshippers had gone home after the feast in Jerusalem. Everybody with whom she came in contact was asked "Did you see my boy?" In those moments that Jesus was in the Temple confounding the Doctors and Lawyers with His answers —somewhere beneath the cold starlight, a Virgin Mother was weeping silent tears alone.

Again, many more years have come and gone. How often she was found in deep meditation. "How beautiful is the night," she thought, "but how much more beautiful is my Son who is the Maker of the night. By Him all things were made." Then suddenly the door swings open; there He stands— by whom all things were made. In His Hands He holds not suns and mountains but a hammer and some nails. His clothes are covered with sawdust. His brow is beaded with perspiration. Could this be the Maker of the lovely night outside? As she pondered —another tear rolled down this holy mother's cheek.

Then in his public life, Mary saw the rejection of her Divine Son by the people. "In Bethsaida, mother, they call me a son of satan and of the seed of Beelzebub. In Bethany they accuse me of keeping company with sinners. Yesterday, in Jerusalem, they tried to arrest me as a disturber of the peace. Today they picked up stones to cast at me." How weak the strong God suddenly seemed as she clasped Him to her breast. Her eyes looked at His— and the Virgin Mother wept once more.

And now it is Spring again— the year is 33. The scene is the mount of Calvary. She hears His last words to her "Woman, behold thy son." She was now a Mother a second time. Oh, Mary was obedient to accept this new responsibility— But as she glances down the slope of Calvary's hill, she gets a panorama view of all her children, white and black, red and yellow races of man, and then she realizes that the sins of all those children caused the sufferings of her dying Son. She ponders in deep meditation and silently weeps again.

Mother of Sorrows, pray for all of us throughout the world, especially those of us who need your comfort.

Rev. Seamon Wins Lutheran Scholarship

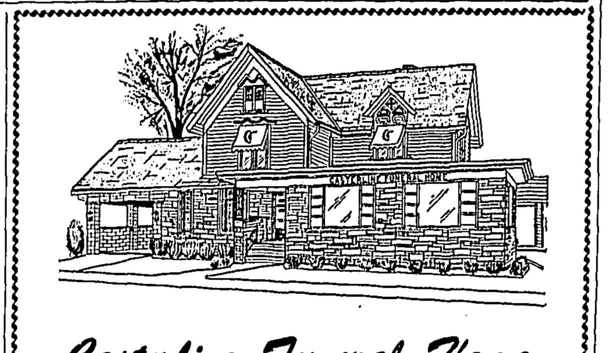

Rev. Martin A. Seamon, 38632 Southfarm lane, is among Lutheran campus counselors and pastors awarded Lutheran Brotherhood scholarships for graduate study totaling nearly $4,000.

Counselor for Lutheran students at Wayne State university, Rev. Seamon will study at Chicago Lutheran Theological seminary, Maywood, Ill.

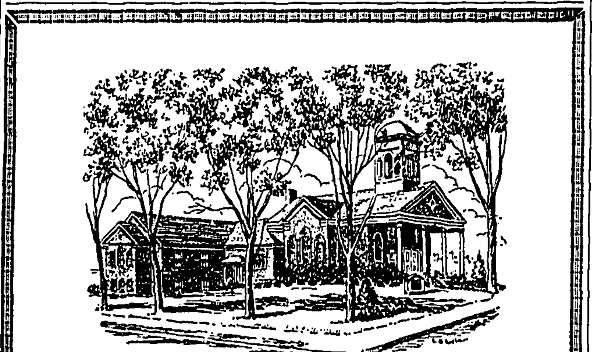

Carl F. Granrud, president of the fraternal life insurance society, Lutheran Brotherhood, said the awards are made on the recommendations of the National Lutheran Council's division of college and university work.

They are part of Lutheran Brotherhood's expanding program of financial assistance to Lutheran higher education in the United States and Canada, he said. The society's 1960 scholarship program involves a total budget of more than $118,000.

Rev. Seamon, resident of the Northville area since May, is married and has three sons, ages 6, 3, and 1.

Witnesses To Convene

About 75 of Jehovah's witnesses from the Plymouth congregation will attend the "Peace-Pursuing District Assembly of Jehovah's Witnesses" in Detroit, July 28 through 31.

Mr. C. C. Coonce, presiding minister of the local congrgation, in announcing the plans of the local delegates, said that it has been necessary to cancel all meetings at Kingdom Hall from Tuesday, July 26 to Sunday, July 31, due to many being away for the Christian assembly.

Mr. Coonce said the object of the assembly program in Detroit is to train Christian Witnesses of this 20th century in the art of pursuing a peaceful ministry to the praise of God and the benefit of the entire comunity.

"The convention," he said, "will further the understanding and good will among the various races and nationalities of Jehovah's Witnesses, and also will demonstrate to the world how the Bible message and Christian living in peace can unite people from all walks of life, regardless of race or other background that tends to divide the world. Only common interest in the pure worship of The Creator, Jehovah God, can do this," he concluded.

Watchtower convention officials in Detroit announced that an attendance of 40,000 persons is expected for the four-day gathering, to be held in Briggs Stadium. The minister delegates and their families will arrive from some 20 states and Canada.

ELECTION NOTICE

To the qualified electors of the Township of Northville, County of Wayne, Notice is hereby given that a General Primary Election will be held in the Township of Northville in the County of Wayne and State of Michigan, on the 2nd day of August, 1960, from 7:00 o'clock in the forenoon until 8:00 o'clock in the evening, eastern standard time, for the purpose of nominating candidates for the following offices: Governor, Lieutenant Governor, U.S. Senator, Representative(s) in Congress, State Senator(s), Representative(s) in State Legislature, Prosecuting Attorney, Sheriff, County Clerk, County Treasurer, Register of Deeds, County Auditor, Drain Commissioner and Delegate to County Conventions.

LOCATION OF VOTING PLACES:

Pct. No. 1: Qualified voters (all registered voters residing on the west side of Sheldon Road and westerly to Twp. west line) will vote in the basement of the Northville Main St. Grade School, Northville, Mich.
Pct. No. 2: Qualified voters (all registered voters residing on the East side of Sheldon Rd. and easterly to Twp. East Line) will vote at the Northville Twp. Hall, 16860 Franklin Rd., Northville, Mich.

Marguerite Northup, Clerk
Northville Township

NOTICE OF THE SPECIAL COUNTY ELECTION TO BE HELD IN THE CITY OF NORTHVILLE, CITY OF WIXOM AND TOWNSHIP OF NOVI, OAKLAND COUNTY, MICHIGAN, AUGUST 2, 1960

TO THE QUALIFIED ELECTORS OF THE CITY OF NORTHVILLE, CITY OF WIXOM and TOWNSHIP OF NOVI, COUNTY OF OAKLAND, STATE OF MICHIGAN:

NOTICE IS HEREBY GIVEN, that a special county election will be held in the City of Northville, City of Wixom and Township of Novi in the County of Oakland, State of Michigan, on Tuesday, the 2nd day of August, 1960, from 7:00 o'clock in the forenoon until 8:00 o'clock in the afternoon, Eastern Standard Time, to vote upon the following county propositions:

To authorize the Board of Supervisors to levy a tax of one-half mill (50c per $1000) of the assessed valuation as equalized, each year for a period of four (4) years from 1960 to 1963, both inclusive, to create a sinking fund to be used for the construction and/or repair of public buildings? (_____) YES (_____) NO

Shall the limitation on the total amount of taxes which may be assessed each year against property in the County of Oakland, State of Michigan, for all purposes except taxes for the payment of interest and principal on obligations incurred prior to December 8, 1932, be increased for a period of four (4) years from 1960 to 1963, both inclusive, by 1/20th of 1% (50c per $1000) of the assessed valuation as equalized, of the property in the County for the purpose of creating a sinking fund to be used for the construction or repair of public buildings? (_____) YES (_____) NO.

NOTICE IS FURTHER GIVEN, that the voting places for said election will be as follows: Township of Novi, Precinct No. 1, Novi Township Hall and Precinct No. 2, Novi Community Building; City of Wixom: Precinct No. 1 and 2, Wixom City Hall; and City of Northville: Precinct No. 3, Amerman Elementary School.

The following statement has been received by the County Clerk from the County Treasurer as to previously voted increases in the total tax rate limitation affecting taxable property in the County of Oakland, to-wit:

COUNTY TREASURER'S STATEMENT AS REQUIRED BY ACT 203 OF THE PUBLIC ACTS OF 1947

I, Charles A. Sparks, County Treasurer of the County of Oakland, State of Michigan, do hereby certify that according to the records in my office, as of June 8, 1960 the total of all voted increases in the tax rate limitation above the 15 mills established by Section 21 of Article X of the Michigan Constitution, affecting taxable property in the County of Oakland, State of Michigan, is as follows:

Turtles Trot Into Spotlight Here Friday

They'll be off and galloping (whoops, crawling) tomorrow when some of the finest amphibious creatures in the area move into the starting gate.

Close to 50 turtles are expected to steal the racing limelight as the sixth annual turtle race gets underway at the city hall park beginning at 10 a.m.

Sponsored by the recreation department and The Northville Record, the race will see cash prizes go to all winners.

Four races will be run, with first, second and third place prizes to be awarded for each race. In addition, three prizes will be awarded for the most distinctive or unusual jobs of turtle-decorating.

There will be races for the big fellows, medium size and the not-so-big turtles. Members of the recreation department will determine sizes.

The turtle will crawl (maybe even gallop) out of the starting gate inside a 30-foot circle. First one to cross the outside line, barring physical coaxing, will be declared the winner.

In past years, many amphibious favorites have disappointed their young owners by "charging" up to the finish line and then stopping inches short—sometimes even turning around for a gallop back to the starting gate.

Children—both girls and boys—of any age may participate. Each may enter as many turtles as desired, but once a turtle wins a race it is sidelined from further competition.

Youngsters are advised to mark their entries so that winners can claim their turtles correctly. No snappers may be entered, Recreation Director Ken Conley emphasized.

"Bring 'em back alive crews" were sent out yesterday and today—and if these recreation workers aren't eaten up in the process there'll be a few extra turtles for youngsters who have been unable to find their own, Conley said. However, children are expected to furnish their own racers.

Other recreation notes:

Day camp will be closed Friday to enable all children to either enter a turtle or cheer for their favorites. Pee Wee ball players, who normally play in the morning, will take the field after the turtle race.

* * *

Some participants in activities sponsored by the Northville Recreation department have not yet registered. Recreation personnel this week urged parents to see that their children are registered immediately. The scout hall is open each weekday and Saturday morning for this purpose.

* * *

A canoeing class is scheduled for tomorrow at Whitmore Lake from noon until 3:30 p.m. Participants are asked to bring along a sack lunch. The bus will depart from the rear of the Main Street elementary school.

Two other canoeing trips are planned:

Huron River, July 28, 7 a.m. until noon; and Au Sable weekend trip beginning at Grayling. This latter trip, however, is contingent upon the number of persons who sign up for it. A map of the trip, the time schedule, sponsors and a list of materials needed will be announced later.

* * *

Wanted: Any interested mother or parent who would like to take a river trip down the Au Sable. Only qualifications: Have sleeping bag, will travel by water. No canoeing experience necessary.

* * *

Night swimming classes at Whitmore Lake are held each Wednesday evening. The bus leaves from the rear of Main Street elementary school at 6:15.

Bell Hurls Plumbers To 9-2 Win

The Northville Plumbers picked up their third win in their last four games Monday night, crushing Clarenceville 9-2 behind the seven-hit pitching of Craig Bell.

Bell struck out eight batters in posting the victory. Heilman was tagged with the loss.

Leading Northville hitters included Tom Swiss who homered and doubled in four trips to the plate, Bill Elwell with a triple and a single in five times at bat, and Rick Rebitzke with a double.

In other games during the past two weeks, the Plumbers defeated Wayne, 10-5, blanked Northville Recreation, 6-0, and lost to the first-place Rosedale Tigers, 10-1.

Elwell, who fired seven strikeouts, was credited with the victory over Wayne. He and Bell were the leading Northville hitters. Elwell picked up two singles and Bell tripled and singled.

Swiss retired 10 batters and gave up only two hits in picking up the shutout over Recreation. He and Bell each collected two hits.

In wining their game, the Tigers chased Rebitzke from the mound after grabbing an early lead. Bell finished the game marked by numerous Northville errors. The Plumbers were limited to four hits.

Eyes 5th Championship

Tom Long Qualifies for Finals In Detroit Tennis Tournament

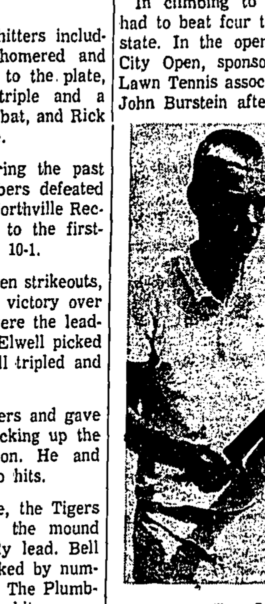

A 15-year-old Northville boy, whose red hot tennis racket has captured the attention of area coaches and fans, will clash with a Hamtramck youth tomorrow in a bid for the Detroit Motor City Open tennis tournament championship.

Glenn Long, son of Mr. and Mrs. Glenn C. Long, 411 Baseline, slammed his way into the 15-and-under tournament finals by upsetting one of the strongest tennis players in the Detroit area last Saturday in the semi-finals.

If he wins tomorrow, the pint-size player will have piled up his fifth championship since he and Jon Rogers captured the regional doubles crown for the Mustangs last spring.

Long will have his hands full tomorrow, however, as he goes against favored Chuck Branard at the Northwestern high school tennis court. The match will be played in the afternoon.

In climbing to the finals, Long had to beat four top players in the state. In the opener of the Motor City Open, sponsored by the U.S. Lawn Tennis association, he downed John Burstein after losing the first set, 6-4, 6-4 and 6-1, blanked Phil Wohattan of Detroit, 6-0, 6-0, crushed Tom Faulk of Bay City, 6-2, 6-0, and then went on to claim a 6-4, 6-3 victory over heavily favored Trippy Cahn of Hamtramck.

Tom Long

The latter victory caught officials by surprise. Long was not expected to win a single set.

Apparently officials had over-looked the amazing record Long has piled up since his inauspicious debut with the Northville varsity squad last season.

An erratic player throughout much of his first season, Long suddenly caught fire, astounding his much larger and experienced opponents. Teammed up with Rodgers, Long surprised even his own coach as the two players swept the regional doubles championship in eight straight sets.

As the two local netters claimed their final victory and the championship, Coach Ron Schipper surveyed the wreckage: Bloomfield Hills, two Cranbrook teams, and River Rouge.

"This is the first time in nine years that Cranbrook has not won both the doubles and singles," the jubilant coach said at the time. "I'm certainly proud of them."

By wining the class "B" crown, Rodgers and Long earned themselves a berth in the state finals at Kalamazoo in June. At Kalamazoo, the two Northville players were knocked from the race in the quarter-finals.

Two weeks ago, Long swept every title in two divisions at the U.S. Lawn Tennis association tournament in Plymouth. He won the singles crown for boys 15 and under and the singles crown for boys 18 and under. Teammed up with two Plymouth youths, Doug Sutherland and Jim Jensen, he also walked of with doubles championships in both divisions.

Leaky Defense Cost "D" Team 2

Northville's defensive wall crumbled last week beneath the bulldozing tactics of two leading Class D squads.

The double loss tumbled Northville Recreation to fourth place in the five-team race for the championship with a 2-4 record.

Livonia Recreation, currently in third place with a 3-3 record, socked Northville with 13 hits to grab a 10-5 victory Tuesday at Bentley.

Bob Richman was credited with the victory, and Bob Stuber, who was lifted after yielding 10 hits in 3 2/3 innings, was saddled with the loss.

Northville managed to hold onto a 2-2 tie through the first, but were quickly overpowered as Livonia scored three runs in the second, one in the third, two in the fourth, and two in the fifth. Northville scored two in the first, one in the third, and two in the sixth.

Northville's biggest blow came off the bat of Butch Rice in the opening inning. Rice drilled a long homerun, scoring Dave Hay. John Kahler laced a triple in the sixth, but he was thrown out at the plate in an attempt to stretch his triple to a home run. Hay added two singles.

Ron Barth led Livonia's hitting attack with four singles, while Jim Bright and Bob Nye were close behind with three hits each.

Both teams committed three errors.

The first-place Plymouth Elks, who hold a 6-0 record, crushed the local nine, 13-3, Thursday at Riverside park. Pete Lomonoco picked up the victory, while Butch Willing was tagged with the loss.

Northville's three runs in the sixth resulted from two walks, a triple by Dave Hay and a single off the bat of Jim Anderson. Dennis LaRoque picked up the only other Northville hit.

Plymouth's early runs resulted from a couple of walks and a number of lapses in the Northville defense. The Elks later climbed on Willing and his successor, Stuber, for several hits. Catcher Jim Monteith led the attack with two singles in three trips to the plate. His one out became the fielding play of the game.

With two out and two on base in the first, Monteith drove a pitch to deep right center. Roy Rice started back at the crack of the bat and pulled in the ball on the dead run with his back to the infield. He fell but hung onto the ball.

Tigers Nip Bears, 9-8 In Softball

The Lions and Panthers battled to a 3-3 tie through seven innings of play last week in the Knot Hole softball league.

In the only other softball contest, the Bears edged the Tigers, 9-8, to hang on to the league lead.

In the tie game, Phil Nelson and Brian Myers of the Lions each collected two hits, while Barry Deal picked up two hits and Kim Marburger smashed a double for the Panthers.

Captains for the game were Skip French of the Lions and Marburger and Deal of the Panthers.

Steve Utley and Bruce Grys each collected two hits to lead the Tigers' unsuccessful attempt to down the Bears. Eddie Beller picked up two hits for the winners. Frank Martin of the Bears smashed a two-run single with the bases loaded.

2nd Place National Bank Ties Novi Leaders Twice

Anglin Earth Movers— a Novi squad which had won four straight victories and which had won 11 of its 15 starts— was forced into two ties with second-place National Bank last week.

The Movers continue to hold down first place in the Novi Little League race with a 11-4-2 record, National Bank second at 8-4-2, Paragon third at 6-9, and Novi Drug last, 3-11.

Of its three games played last week, National Bank came up with a lone victory over the cellar dwelling Pillers. Ricky White, who scattered four hits, was the winning pitcher. Dave McMillan was the loser.

White led his squad's hitting attack with a double and triple. Other standouts for the Bankers were George Simenton, double; Ricky Fox, double and single; and Carrie Joe Stevenson, triple.

Stan Gillett led his team's unsuccessful attack at the plate with a double and a single.

Simenton and White went to the mound in the tie games with the Earth Movers. Jim Payton, Norm Krogg and Jim Bertoni hurled for the Movers.

In the first contest, National Bank picked up seven hits to the Movers' six. The game was called after six innings because of darkness.

Leading hitters for the Bankers were Hurler Simenton, home run and single; Fox, double; Ritter, triple and single; and for the Movers, Wayne Wolverton, home run; and Bertoni, single and triple.

In the second game, Bertoni relieved Krogg in the fifth. National Bank climbed on the two pitchers for nine hits, while the Movers settled for eight.

Leading National Bank hitters were Joe Donner, double; White, triple; Simenton, triple and double; and Ritter, double and single.

Park Building Opens

The new modern Information Building is now open at Kensington Metropolitan Park near Milford.

Designed to provide information and services to park visitors, the wood and stone structure has an office, restrooms, drinking fountains and a public telephone.

On Saturday, Sunday and holidays the Information Building will be in operation from 8 a.m. to 6 p.m., and Monday through Friday the hours of operation are 10:30 to 4:30 p.m.

The building is located in the park near the main entrance from the Grand River Expressway (U.S.16).

End 4-Game Losing Streak

After taking four straight losses on the chin, the Northville Braves bounced back last Thursday to trim the Pierson Cubs, 8-3.

Glenn Deibert was the winning pitcher.

Supporting him at the plate were Gary Stobbe, Doug Swiss, Butch Pethers, Bob Tuck and John Gibson.

Pete Sutherland turned in the outstanding defensive play of the game. He recovered a line single to right center and fired to second to catch the runner trying to stretch his hit to a double.

The Braves through Monday held a 7-9 record.

Athletics Win 2; Tie for 1st Place

Two narrow victories pushed the Athletics into a two-way tie with the Indians for first place in the Knot Hole baseball league last week.

The Athletics clipped the Indians, 1-0, and then went on to edge the Dodgers, 3-0. The Indians' loss was the first of the season.

In other games, the Indians nipped the Yankees, 7-6, and the Yankees blanked the Dodgers, 12-0.

The Athletics' Ken Shrewsberry laced a single to the outfield in the third to score Ed Burton with the winning run against the Indians. Burton lead off the inning with a single. Bill Davis, who gave up only two hits, was credited with the victory. Jim Daniels was the loser.

Davis also picked up the win over the Dodgers. Joe Bell and Jim Peterson shared the loss.

John Beerbower smashed a double and then scored the first run on an error. George D'Haene batted in the final two runs with a single. The only two hits off Davis were singles by John Blackburn and Mike Utley.

Jim Daniels nipped a Yankee rally in the last inning to hand himself and his Indian teammates a 7-6 victory. The little righthander pulled down a hot line drive with two men on base.

Craig MacDermaid won hitting and fielding honors for the Yankees with a three-run double and two exceptionally fine fielding plays at shortstop. Kevan Ling batted home two runs for the Indians, and Rick Richardson added two solid singles to the Indians' attack.

Novi Giants Nip Wayne

Jeff Crawford laced three singles in three trips to the plate last week to help his Novi teammates to a 5-4 victory over the Wayne Civic squad in the western division of Class E.

TOWNSHIP OF NOVI

OAKLAND COUNTY, MICHIGAN

ELECTION NOTICE

TO the qualified electors of the Township of Novi, County of Oakland.

Notice is hereby given that a Regular Primary Election will be held in the Township of Novi, in the County of Oakland and State of Michigan, on Tuesday, August 2, 1960, from 7:00 o'clock in the forenoon until 8:00 o'clock in the afternoon, eastern standard time, for the purpose of nominating or electing candidates for the following offices:

STATE — Governor, Lieutenant Governor.

CONGRESSIONAL — United States Senator, Representative in Congress.

LEGISLATIVE — State Senator, Six Representatives.

COUNTY — Prosecuting Attorney, Sheriff, County Clerk and Register of Deeds, County Treasurer, Drain Commissioner and Surveyor.

AND ALSO for the purpose of electing Delegates to the Democratic and Republican County Conventions.

and for the purpose of placing in nomination, candidates participating in a Non-Partisan Primary Election for the following offices, Viz;

ONE PROBATE JUDGE, four year term

ONE PROBATE JUDGE, two year term

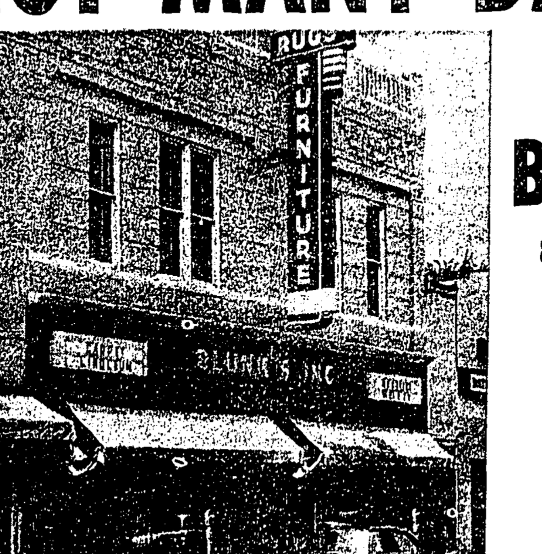

also to vote upon the following Special Local Proposition, Viz:

"Shall the Annual Township Meeting in the Township of Novi, County of Oakland, State of Michigan, be abolished hereafter pursuant to the authority and provisions of Section 361 of the Michigan Election Law (M.S.A. 6.1361)."

LOCATION OF VOTING PLACES: Precinct 1 at the Novi Township Hall; Precint 2 at the Novi Community Building.

Hadley J. Bachert, Novi Township Clerk

NOVI HIGHLIGHTS . . .

Mrs. Rix has returned so items may be called into her as usual for next week.

Mrs. Eldre Van Vliet of E. Lake Drive and Mrs. Chas. Crawford of S. Lake Drive are planning to entertain 10 guests at Saratoga Farms for luncheon this Thursday. They are: Mesdames P. G. Bertelsen, H. Salchow, A. Hurd, Geo. Bretse, J. Dorr, N. Hayes, E. Dewey of Detroit and Mrs. E. Edge of St. Clair Shores.

Mrs. Norman Gebert formerly Betty Bingham underwent major surgery at St. Joseph Hospital, Pontiac. She will be hospitalized for a few weeks.

Mr. and Mrs. Phil Simenton of 12 Mile road and Mr. and Mrs. Don Moorehead of Birmingham are spending their 10 day vacation traveling together. They expect to see St. Lawrence Seaway, Thousand Islands, Quebec, New England, Old Orchard Beach, Adirondacks, and Niagara Falls. Mrs. Simenton's mother, Mrs. Ellen Channell is visiting from Portland, Oregon and will be caring for the children at home.

Mrs. Gertie Lee of Duana St. was called to Redford unexpectedly because of the death of her aunt, Mrs. Eva Steele.

Mr. and Mrs. Race of 12 Mile Rd. have returned from a trip which included visiting Greenville and also the ranch of Hazen Race at Glennie, Michigan.

Mrs. Eldre Van Vliet of E. Lake Dr. and Mr. and Mrs. Chas. Crawford of S. Lake Dr. were dinner guests of the John Dorrs of Detroit recently.

Mr. and Mrs. Eugene McHale and family of Clarke St. are vacationing at Holland, Michigan.

Mrs. Louis Larson of Grand River was pleasantly surprised at a birthday party in her honor at the home of her daughter and son in law, Mr. and Mrs. Robert Massell of Northville. Additional surprise guests were her daughter and son in law from Lansing, Mr. and Mrs. Bruce Wendland.

Mr. and Mrs. Chas. Crawford of South Lake Drive were dinner guests on Wednesday of Carolyn Luts of Detroit.

Gay Ann Bingham of Durson St., daughter of Mr. and Mrs. Don Bingham entered Community General hospital for ruptured hernia operation this week.

Mr. and Mrs. Vincent Gillette and family, Gary and Kay are spending their vacation at Wm. Hayes State Park near Cadillac, Michigan.

Mr. and Mrs. V. V. Pauls of 11 Mi. Rd., and son, Dennis Gilbert attended the Chernow Family reunion at Lexington Ntk., Michigan. About 35 persons were present on Sunday from Novi, Saginaw and Detroit.

Mr. and Mrs. Marvin Guntzviller and family of Taft Rd. have returned from spending a few days at Hale, Michigan visiting Mrs. McCormick.

Mrs. Murrell McQueen of Grand River was honored at a blue and pink shower recently given by Mrs. Jas. Allen, Mrs. David White, Janice Davidson and Sharon Allen. About 25 ladies were present for the shower in the Fellowship Room at the Novi Baptist Church.

Ricky White of Novi Rd., Ronnie and Mike Deston of Wixom Rd., accompanied by Mr. Deston attended the ball game at Briggs Stadium on Friday night.

Vicki Stiles of Pontiac is spending a few days with her grandmother, Mrs. Geo. Clarke of Taft Rd.

Novi Girl Scouts

Senior Troop of the Novi Girl Scouts went to the Detroit Historical Museum, also the Detroit Institute of Arts, and over to Windsor, Canada, for dinner at Metropole. Additional transportation was furnished by Mr and Mrs. P'Geppert, and leader, Mr. and Mrs. Henry Kriedeman.

All Novi Girl Scouts and families are urged to remember Open House at Indian Wood Day Camp July 24, Sunday and also on August 7 from 2-4. Novi is not having Day Camp this year and parents might be interested in seeing a Council sponsored Day Camp in comparison with a Neighborhood camp. Established camp where girls stay overnight will have open house only Sunday, July 24, 1960 from 2:30-4:30. Any one planning to go are asked to call Southern Oakland Girl Scout camp LI 7-0616. Further information may be obtained from Mrs. MacDermaid at FI 9-2205 regarding traveling directions and correct camp apparel.

Blue Star Mothers

Novi Blue Star Mothers are taking part in V.A. 30th Anniv. Observance at Veterans Hospital in Ann Arbor, on Thursday. Mothers who plan to attend are Mrs. Klatsner, Mandilk, Webb, Gardella and Race.

Novi Methodist

Special music at church services was solo by Mr. Benson. Sunday School is continuing at the church hour.

Novi Library

Books are still in need, also men volunteers to put up shelves. Any one able to contribute or help call Mrs. Pried at GR. 4-8884. Last call for volunteer librarians desiring to take Training Work Shop August call Mrs. Wallace at FI 9-2127.

Novi Firemen

Novi Firemen held their annual picnic at Star Cutter picnic grounds on Grand River, from one to six, about 75 firemen, their families and guests were present for a potluck dinner. Beverage was furnished. Silver dollars were given to winners of all the games which included Penny Hunt, races, baseball games, horseshoes, and badminton and others.

Novi Baptist Church

The Intermediate Sunday School class was taken on a picnic and swimming party by their teacher, Mr. Ron Ozark of Taft Rd. to Bishop Lake on Saturday. Also accompanying this group were Mr. and Mrs. Douglas Stewert and Mr. and Mrs. John French.

Vacation Bible School concluded this week after a special demonstration on Thurs. nite under the direction of Mr. Karl of a typical day in V.B.S. Special music was brought by Franklin Plante, Ruth Monro, Loretta and Linda Cook. There was an enrollment of 114 and additional helpers and teachers included Mr. Arnold Cook, Mrs. Jean Van Sickle, Mrs. Murrel McQueen, Mrs. Ray Warren, Mrs. John Sorby and Carol LaPlante. Douglas Anglin won special prize for bringing 6 youngsters also Jannie Sorby, Lynn MacDermaid won 2nd prize for bringing 5 youngsters.

Unity Circle meets Tuesday nite at church, for a special film showing of "Christian Homes". This film shows basic principles for building homes, showing their influence on family relationships, church and community.

Novi Boy Scouts

Boy Scout Troop No. 54 will be participating in the Jubilee Camporee on July 22, 23, and 24 which is being held at 23 Mile Rd. and John R. It is interesting to note that on these dates all Boy Scouts throughout the United States will be camping somewhere in their own locality. There will be about 2000 boys from the Clinton Valley Council taking part in the Camporee of which Novi will be a part. This will be open to public on Saturday from 10:00 thru out the day and the public may view displays and demonstrations of all types from forestry, cooking, signaling, etc. The Novi boys have been working several months on their project of a Primitive Camp site. At the close of the evening a special event is being planned at the Council Fire, this is expected to be one of the largest in history of Scouting.

Mr. and Mrs. Al Harland and family of Quince Drive are spending their vacation at their cabin near Grayling. Mrs. Harland and the children have been there most of the summer and were joined this week by Mr. Harland.

Mr. and Mrs. Frank Averill of Detroit, formerly of Novi and Mr. and Mrs. Ted Penn of Grand River vacationed together at East Tawas recently.

Mr. and Mrs. John French of Novi Rd. entertained Mr. and Mrs. Green, Mr. and Mrs. Eugene Dallas and family of Wixom and Mrs. Charles Stewert at their home for a picnic lunch Saturday evening.

Concrete Paving
for the
CITY OF NORTHVILLE, MICHIGAN

Sealed proposals will be received by the City of Northville, Michigan up to 7:30 P.M. Eastern Standard Time, on August 1, 1960, and promptly thereafter, the proposals will be publicly opened and read aloud. The proposals will be reviewed by the Engineer and the award of the contract will be made at a later date by the City Council.

The work to be performed consists of excavation, placing sand subbase, granular embankment, fine grading the sub-base, and placing thereon, on North Ely Drive for a distance of approximately 615 feet and 27 feet wide, a plain, 6 inch uniform con, crete pavement with integral curbs. Curb openings and final trim and cleanup shall be provided.

Approximate quantities are as follows:

Excavation	850	c.y.
6 inch sand sub-base (L.M.)	382	c.y.
Plain concrete — 6 inch uniform section with integral curb	1,855	s.y.
Embankment (L.M.)	550	c.y.
Corrugated Metal Pipe Culvert 12" 14 ga.	40	l.f.
End Sections — galvanized for 12" C.M.P.	2	ea
Final roadside trim & cleanup	Lump Sum	

No bidder may withdraw his bid within thirty (30) days after the date set for the opening thereof. Proposals shall be submitted in duplicate on forms furnished by the owner.

Each proposal will be accompanied by a Certified Check or Bid Bond by a recognized Surety Company in the amount of at least five per-cent (5%) of the amount of the total bid, payable to the City of Northville, Michigan, which Certified Check or Bid Bond will be forfeited by the accepted bidder upon his failure to enter into a contract with the City of Northville, Michigan within fifteen (15) days after the award of the contract to him.

The successful bidder will be required to furnish one hundred per-cent (100%) Performance and one hundred per-cent (100%) Labor and Material Bonds.

The Contract Documents, Plans and Specifications will be on file and open to public inspection at the office of the City Clerk at the City Hall, Northville, Michigan, and may be obtained at the above mentioned office; or at the office of the City Engineer, Laporte & Penn, 1470 Holden Avenue, Detroit 8, Michigan.

A deposit in the amount of Ten Dollars ($10.00) is required for each set of Plans and Specifications, and will be refunded only upon submission of a bonifide bid.

The right is reserved by the City of Northville, Michigan to reject any or all bids or to waive informalities in the bidding in the interests of the City.

CITY OF NORTHVILLE, MICHIGAN

Mary Alexander,
City Clerk.

Harry A. German
He's walked 100,000 miles to retire

Postal Worker 32 Years Now Retiring to Farm Life

With the retirement next week of Harry A. German, formerly of 224 Orchard drive, another tie with Northville's past will be broken.

The 55-year-old postal clerk, who 32 years ago became one of Northville's first two mail carriers, will retire from the post office and move with his wife to a Belding, Michigan farm.

Although he regrets leaving Northville and his many friends, German is anxiously looking forward to the end of his postal career and the beginning of a "soft life" on his 12-acre farm which he purchased two years ago.

Father of two married children, Harry E. of Belding, and Mrs. Tolane Curtis of Iowa, he will live less than a mile from his son who owns a home in Belding. His mother also lives in Belding. A brother, Loyle, lives at 430 East Main in Northville.

German will carry many pleasant and sentimental memories — particularly of earlier days — to his new home.

He moved to Northville with his parents, sister and brother in 1918. His father, the late Harry German, Sr., a colorful figure who attracted wide acclaim as an outstanding baseball pitcher for numerous professional teams and who for two terms served as the president of the village of Northville, owned and operated an auto sales business where the Northville Recreation bowling alley now stands.

Following in his father's footsteps, German himself became a popular Northville athlete. "Oldtimers will remember him as a star baseball and basketball player at Northville high school and later with a semi-professional baseball team.

After graduating from high school in 1925, German worked for several years in his father's sales business. Then, "because one of the few places that had a retirement plan was the post office," German began packing a mail bag.

With his employment, the post office began home delivery service—twice a day. Previously, the post office offered only box service. German and R. H. Sonnenberg, who died five years later, were each given one of the two routes in the community of 2,500 people — which meant walking more than 15 miles each day. Today the post office has four routes and four carriers.

German continued to carry mail for 28 years until four years ago when he became a postal clerk. During these 28 years, he walked more than 100,000 miles, stumbled over dirt roads long since paved, slipped on ice, wore out an undetermined number of shoes, and worked under five postmasters: F. S. Neal, Mrs. F. S. Neal, Tom Carrington, Fred Van Atta, and the present postmaster, Leland V. Smith.

With all these experiences none seems more remarkable than the smiling postman's admission that he's never been tasted by a dog.

FAMILY PUTS 2,000 MILES A MONTH ON CORVAIR THINKS IT'S MARVELOUS
GAS MILEAGE "OUT OF THIS WORLD"
Mr. and Mrs. Richard Kahelin of Plant City, Florida, couldn't be happier with the way their new Corvair has worked out as a combination family and business car. On their newspaper distribution route alone they travel more than 400 miles a week over all kinds of roads. Little wonder they're so pleased with the gas mileage they've been getting —"at least twenty-three miles to the gallon with an automatic transmission . . . and we've had no trouble with our Corvair." The Kahelins have equally good things to say about Corvair's easy-going comfort and unique convenience features. They especially like the way the fold-down seat doubles as a built-in baby sitter.

DRIVE A CHEVY CORVAIR
FOR ECONOMICAL TRANSPORTATION

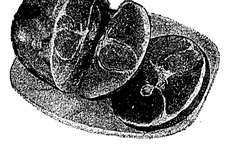

Corvair 700 4-Door Sedan

If you haven't driven it yet, you don't know what a delight driving can be. Its steering, response, traction and roadability are unique because it's a unique car —the only U.S. car with an air-cooled airplane-type rear engine, transaxle and independent suspension at all four wheels. Be in on the know. Find out what delightful differences this advanced design makes.

SPEAKING for the Record

By Bill Sliger

The American Legion and Northville Optimists are joining forces to sponsor a four-day celebration August 18 to 21 that promises to be one of the biggest fun-attractions ever held locally.

Throughout the four days the Legion is planning a "homecoming" event featuring a carnival and various contests of the "pie-eating, etc.", variety.

Meanwhile, the Optimists will expand their popular annual wild west rodeo event to two days, Saturday and Sunday. The events will be staged at the Downs.

The Optimist rodeos have always attracted good crowds and keen competition from professional rodeo artists. The Legion's idea ought to compliment the Optimist rodeo providing plenty of opportunity for old-fashioned family fun. Then, too, the money you spend there goes for a good cause.

Mark the dates on your calendar.

• • •

Regardless of what Governor Williams may have thought of Senator Kennedy's choice of Texan Senator Lyndon Johnson as vice presidential running mate, 17th District Congresswoman Martha W. Griffiths seemed to approve. She sent congratulatory telegrams to both Kennedy and Johnson. She urged the Senate majority leader to visit the 17th district during his campaign.

The November race for the 17th district congressional seat could be an all-feminine contest, incidentally.

Running in the August 2 primary for the GOP nomination is Mrs. Gladys Smith, who for the past two years has been chairman of the district Republican organization.

• • •

The deadline for persons who believe they were not counted in the April federal census to submit their names is July 31.

Several state communities are now surveying their inhabitants to determine if they were counted. Additions are important—they mean approximately $14 per capita per year for the next 10 years in locally shared, state-collected taxes.

Area communities who have additions to report should send them to the Bureau of the Census, 1008 Federal Building, Detroit.

Pollen Time Near

SOME SUMMER BREEZES will soon be loaded with sneezes for hay fever sufferers.

The southern half of the lower peninsula is considered to be almost totally a high pollen-count area. Ragweed pollen causes the discomfort, and for the several years that regular checks were made, the pollen count changed very little.

This means that hay fever tends to remain with us as communities grow.

• • •

Coldwater in Branch county was known as the hay fever capital of the United States in 1958. It had a pollen count of 150 — highest average registered anywhere.

But several other Michigan areas were not far behind and there is no indication that the pesky pollen from ragweed has let up any.

What the Michigan Health Department gaily calls the "sneezin season" reaches a peak between the middle of August and the middle of September. Some sufferers begin to feel the telltale tickling in the nose about July, however.

• • •

Of course pollen isn't the only villain in the picture, but it's by far the most active and the most prevalent.

Some 15 species of ragweed produce most of the discomfort, but tumbleweed, firebrush, sage, hemp are also suspects. Then some people get the itchy eyes, runny nose and other discomforts from mayflies, caddis flies, mushroom flies, animal fur or feathers.

• • •

This year, as every year, the Health Department is making a plea to landowners and municipal authorities to cut down as much ragweed as possible.

This year, as in other years, people will suffer because the villainous weeds can't all be disposed of.

• • •

For those who can, going north is still one of the best ways to avoid hay fever. Northern Michigan is practically pollen-free. Shots or other remedial symptom relievers are also available.

But for the countless thousands, the only outlook is suffering until fall frosts take the pollen out of the air.

And the sufferers in southern Michigan can almost take a perverse pride in being real veterans of the hay fever wars.

• • •

BESIDES A RAFT of new names, ballots used in the Nov. 8 general election in Michigan this year will have a slightly different appearance. But the voter will have to look closely to spot it.

The Republican party has announced its vignette — the little picture labelling its candidates — will have a 50-star flag this year.

Democrats made no immediate plans to follow their rivals in changing the vignette to take into consideration the fact that Hawaii and Alaska are now part of the United States.

• • •

The flag which forms the background for pictures of Abraham Lincoln and Dwight D. Eisenhower on the GOP sections of the ballot will have the extra two stars.

Republican ballots for the Aug. 2 primary election will also have the new look.

For the primary, the Democratic vignette has a picture of Franklin D. Roosevelt and Gov. G. Mennen Williams — backed by a 48-star flag. The party will probably change the vignette to include 50 stars before Sept. 20.

That's the deadline for setting the wording of local propositions which will be on the ballot and if a change were in the hands of the county clerks by that time, it could probably be made with little difficulty.

• • •

ONE-HORSE TOWNS and one-teacher schools are a part of the Michigan scene which may never completely pass out of existence.

But the number of one-teacher schools — defined by the Michigan Education association as a public elementary school with only one teacher, located in a rural or urban area, including one or more rooms and comprising one or more grades —has been whittled down.

The MEA said there were 7,206 one-teacher schools in 1918, but only 1,291 by the 1958-59 school year.

• • •

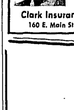

Nationally nearly 400,000 children attended one-teacher schools last year. This is about 1.1 percent of all children enrolled in public schools and 1.6 percent of all public school children in grades one thru eight.

By comparison, about a quarter of all school children attended a one-teacher school in 1918.

More than 84 percent of the teachers in the one-teacher schools said they would choose the same working conditions again if given a choice. About 83 percent of them had less than four years of college.

• • •

The average salary for a Michigan teachers in a one-teacher school was $3,649 a year in 1958-59, compared with $5,504, which is the average salary for all Michigan public school teachers in the same period, the MEA said.

Roger Babson

Rail Rides Fading

Babson Park, Mass. — This column first warns readers that the days of passenger trains are nearly over. Several roads now operate only one passenger train a day; while passenger service is being cut by all railroads. This is further hastened by talk of railroad mergers. Let me give you some illustrations.

The Gravity Roads

The first recent important railroad consolidation was that of the Norfolk & Western and the Virginian Railway. These two high-grade roads did not need to consolidate for financial reasons. However, they both serve the soft-coal fields of West Virginia, hauling coal to the seaboard at Norfolk, Virginia. Merger was thus very natural; in fact, the Virginian perhaps should never have been built.

I have been especially interested in the above two roads because they profit so much from Gravity, which readers know is a hobby of mine. Gravity not only enables the trains to "coast" down from the West Virginia mines, but Gravity also generates some of the electricity used in bringing the empty cars back. I believe Gravity will be a factor in many other railroad consolidations. At present, it is used industrially only in connection with water power. It surely will sometime be used for irrigation and small power requirements.

One of the largest railroads in the Baltimore & Ohio; this road duplicates the service of the Chesapeake & Ohio. The two roads can be consolidated with considerable savings to both shippers and investors. If the I.C.C. gives a "green light", both the stockholders of the two roads and other interested railroads agree, such a consolidation will take place.

The Chesapeake & Ohio stockholders now feel that the Baltimore & Ohio needs them, rather than vice versa; they believe the Chesapeake & Ohio stock is worth considerable more than the Baltimore & Ohio is offering in exchange.

New York Central Situation

Ever since the suicide of Robert Young, the New York Central has been a great disappointment to its stockholders. In view of the previous fight for control, most stockholders felt that the stock was very valuable and refused to sell it. This was a great mistake. (Incidentally, a proxy fight often affords a good opportunity for stockholders to take profits, as the price usually declines afterward.

In looking for a friend, the New York Central officials have flirted with the Pennsylvania Railroad, the Baltimore & Ohio, the Chesapeake & Ohio, and the Erie, but nothing concrete exists at the moment.

Florida Railroads

Negotiations between the Atlantic Coastline and the Seaboard have produced almost to the point of final agreement. There is no doubt but what the Florida East Coast should also merge with the above two roads.

Both the Atlantic Coast Line and the Seaboard are in excellent financial condition. The future of the Seaboard is, from an investment point of view, truly miraculous. Large amounts of money were made by the purchase of Seaboard stock directly after the reorganization. In fact, only directly after reorganizations do I buy railroad stocks.

Northwestern Roads

There is always talk of a consolidation of the Northern Pacific, the Great Northern, and the Burlington. At one time merger was almost certain, but it was stopped by a court fight that triggered the year 1907. There also is constant talk of merging the Boston & Maine, the Maine Central, and the New Haven; but no one seems to want the New Haven. All of these New England railroads are "short line" roads which are being avoided by careful investors.

Railroad officials blame the I.C.C. for holding up these mergers. But the truth is that every consolidation means that certain officials, employees, and directors will be thrown out of jobs. The labor unions therefore insist on being heard, as well as certain of the small-town shippers. Such opposition, however, is largely motivated by personal selfishness rather than by consideration for the good of the nation as a whole.

IN WILLOWBROOK:

Hold Bridal Shower

By Mrs. George Ames GReenleaf 4-0830

Mrs. Robert Garbin, Miss Gay Garbin and Mrs. Robert Goldtie were hostesses at a bridal shower for Miss Kaye Bodenhorn, Saturday evening. About 25 guests were present. Miss Bodenhorn is to marry Mr. Charles Davies.

Mr. and Mrs. Harold J. LaDue are back from a two week vacation in St. Albans, Vermont. They took their daughter, Andrea, for her first visit with her grandparents, Mr. and Mrs. Harold R. LaDue.

Mr. and Mrs. Karl Weiss, of Mooringside Dr., had housequests last week. They included Mrs. Weiss' father, Mr. Baird Myers, of Eustes, Florida; her sister, Mrs. C. I. Berry; her niece, Marion Berry; and Mrs. Robert McKay, all of Newberry, Michigan.

Mr. and Mrs. Louis Chismark joined former Willowbrook residents, Mr. and Mrs. Larry Good, for dinner at the Brass Rail and the movie "Can Can", Friday evening.

Mr. and Mrs. Douglas Foley and their children, Charles and Terri, spent their vacation at Baker's Acres Resort near Traverse City, Michigan. They also visited Sleeping Bear Dune.

Mrs. William Windhorel and her sons, Gary and Donny, spent Tuesday here with Mr. and Mrs. Robert Byrd.

Pat Pinner and Eleanor Freytag spent Friday at Burroughs Farms with Betty Le Butt and her family.

Mr. and Mrs. Walt Pinner entertained Mr. and Mrs. Thomas McAnliffe and their children, Kris, Kelly Lynn, Tommy and Kim, and Mr. and Mrs. Thomas Curran, and Miss Helen Curran at a back yard barbecue Sunday afternoon.

Mr. and Mrs. Robert Flattery and their children, Jane, Jo and Danny, took a trip to Niagara Falls last weekend.

Mr. and Mrs. John Angel of Northville, spent Sunday here with Mr. and Mrs. Clifford Bunker.

George Ames spent the weekend in Detroit at the home of his grandmother, Mrs. Jane B. Rothwell.

Marge Williams was Bridge Club hostess last Tuesday evening. Joan Gould and Marty Ames were guest players. Augusta Lewis won first prize. Joan Gould second and Alice LeWitter, booby.

Mr. and Mrs. Robert Stover have moved from Willowbrook to their new home in Northville.

Mrs. Donald Thorpe's mother, Mrs. Faye Ramsay, of San Diego, California, has been visiting with the Thorpes for the past two weeks.

Mr. and Mrs. Edward Olah entertained a large group of friends and relatives at a weiner roast last week end. Guests from Willowbrook included: Mr. and Mrs. George Lewis, Mr. and Mrs. Earl Dorsey, Mr. and Mrs. David Martin, Mr. and Mrs. Walter Carter, Mr. and Mrs. Harry LaDue, Mr. and Mrs. John McMillan and Mr. and Mrs. Alex McLaren.

Disc Jockey Starts Hop

A weekly record hop for area teenagers will get underway Sunday at the Walled Lake Amusement park skating rink under the sponsorship of Chuck Daugherty, WXYZ radio disc jockey.

According to Daugherty, a resident of Willowbrook subdivision, the hop will be held each Sunday beginning at 8:30 p.m. and ending at Midnight.

The weekly dances will feature guest recording stars and free records.

Daugherty is the host for two popular radio programs, the All-Night Satellite show, and the Coca Cola HiFi Club show.

Airman Carol June North

Carol June North, daughter of Mr. and Mrs. Edwin North, 320 Debra Lane, has completed nine weeks of basic training at the recruit training center, Bainbridge, Maryland and was a graduate during a military review held July 8 at Bainbridge.

The local Wave, a former student at Eastern Michigan University, will spend a 14-day leave with her parents before reporting to Memphis, Tennessee for aviation electronics technician airman school.

While at recruit training Airman North received instructions in Naval orientation, Naval history, military bearing, military drill, ships and air craft, Navy jobs and training.

Airman North enlisted for a four year period.

NEWS FROM THE American Legion POST 147

John Steimel, Commander of the Lloyd H. Green post 147, has made the following appointments for the coming year:

Robert Miller to the office of post service officer; this will be the third year for Bob in this office;

James Madigan, for the second time, Americanism chairman;

Linwood Snow, Jr., Boy's State chairman; Snow served as post chairman and also as the 17th district chairman for Boys State last year;

Oscar Hammond, renamed as civil defence chairman;

Ray Altenburg, post judge advocate.

The Commander congratulates these men for the splendid job they have done in the past years for the American Legion and wishes them luck in their jobs for the coming year.

A reminder to all post members our Northville homecoming is just about a month away. We will need help and a lot of it. Anyone who is not on a committee and would like to get on one, contact Robert Miller or call the post home FI. 9-1060.

Membership is getting underway to a good start this year. The post accepted Wilgus Combs as a new member at our last meeting.

Veterans who would like to join the American Legion can do so by dropping in at the American Legion hall. There is always someone on hand to take your application. If you don't get a chance to stop in and you want to join, call FI. 9-1060 and we will come to your home and sign you up.

Our post slogan is "A good post in a good town". Well vets, you're in the good town. Now is the time to get in the good post.

FASCINATING FACTS ABOUT NATURAL GAS

Enterprising Americans

After the first practical use of Natural GAS, it was clearly evident that this Stored Sunshine was — and is — a boon to home and industry. The fact that it could only service communities near producing GAS fields, spurred engineering experiments and private enterprise to overcome transmission obstacles.

"Sunshine Subway"

Now the super-abundance of Natural GAS in a few states can be shared by all states. Engineers were up 100 years figuring out how to transport GAS but 100 miles—yet 30 years later, it is transported 2,000 miles. Pumping and transmission — two major problems — have been successfully solved.*

*In 1870, a wooden pipeline 25 miles long was an accomplishment. At the beginning of 1959, the industry had enough miles of pipeline to circle the earth 22 times. In Consumers Power Company's area alone, there are 7,000 miles of pipeline.

GET THE FACTS — BETTER YET — GET GAS! PG 6889-21

Henry Tuger Dies at 44

Funeral services were held at the Querfeld Funeral Home in Dearborn July 1 for Henry C. Tuger, 44, who had been manager of Tuger's Market, Six Mile and Northville roads for the past five months.

Tuger died suddenly following a heart attack suffered while he was waiting on a customer in his store on the evening of June 29. He was taken to Community General hospital but did not respond to emergency treatment.

Tuger has been operating the store for his mother, Mrs. Esther Tuger Bailey, who purchased the grocery business from Walter Snyder five months ago.

He is survived by his wife and three children, David, 11; Marsha, 8; and Joan, 7; a sister, Mrs. Russell Conrad of Farmington; and his mother, Mrs. Bailey, who is now operating the Northvile road grocery.

Interment was at St. Louis, Michigan.

WIXOM NEWS

Mrs. Charles Ware
MA 4-1601

Mr. and Mrs. Jesse Byrd had a visit from their niece and nephew, Mr. and Mrs. Vic Caralla on Sunday, whom they hadn't seen for 15 years.

The Sunday School picnic of the First Baptist church of Wixom will be held on Sat., July 23 starting at 10 a.m. Place: Possum Hollow, Kensington Park. Bus will leave Wixom at 10 a.m. and each person is asked to bring table service and a dish to pass.

Jack VanGiesen has been appointed to the Wixom board of appeals.

Mr. and Mrs. Jack Wesch are spending a week in Northern Michigan.

Mr. and Mrs. Thomas entertained 12 guests Saturday night.

The Hickory Hills Civic Association held its regular meeting Sunday eve at the V.F.W. Hall.

There was a board meeting at the home of Mr. Charles Thomas.

The swimming instructor of the group of swimming students of Hickory Hills will give a party for her students on Wed., July 20. All refreshments will be provided.

Hugh Gutrie has returned to Racine, Wisconsin having spent a vacaton in Hickory Hills. Mrs. Gutrie is still visiting with friends in Wixom.

Mr. and Mrs. Gilert Willis entertained 17 guests at a picnic on Sunday.

There will be an auction at the V.F.W. Hickory Hills on Saturday, July 23 starting at 10 a.m. Games will be provided for the children.

Mary Kepka has returned home from Osteopathic hospital.

The Howard Coe family has returned home from a two weeks vacation. They spent one week at Long Lake, Alpena and a week at the Cherry festival at Traverse City.

A Polio Clinic will be held in Wixom elementary school on Tuesday evening, July 6 from 6:30 to 9:30 p.m. Polio shots are $1 for those who can afford to pay and are free for those who cannot afford to pay. The Wixom-Walled Lake Lions will take care of epense of those people who cannot pay. All are urged to protect themselves against polio. Booster shots are also administered.

Last Friday Jim Rollo took 14 children to Kensington to picnic.

Mr. and Mrs. Kenneth Burden attended the Burden family reunion on July 10 at the home of Mrs. Burdens parents.

The Bill Mills family has returned from a trip through Northern Michigan.

Mrs. Glen Sorensen and Mrs. Paul Salo attended Ladies Night with memers of St. Matthews Lutheran church at the home of Mrs. Dale Fyfe, Milford.

The Brownie troop of Wixom was at Proud Lake the first two weeks in July.

Wixom Hearing on Zoning Set for Aug. 11

The Wixom city council decided Thursday to hold a public hearing on August 11 to consider proposals to repeal the present mobile trailer ordinance and to enact an ordinance establishing a new zoning district.

Both proposals were recommended to the council by the planning commission after thorough study by it and the planning consultant.

The hearing will be held at the city hall at 7:30 p.m., just before the regular council meeting.

Specifically, the new ordinance establishes a zoning district for multiple family dwellings, motels, and trailer coaches. In cases of trailers, the ordinance will include requirements for sewers, fire hydrants, and trailer spacing.

Members of the planning board recommended the repeal of the old ordinance because they felt it was inadequate and failed to make enough specific requirements.

In other business Thursday, the council voted to turn over the city's dog program to the county. With this new policy, the county agrees to handle all dog pick-ups and investigations in return for monies collected by the city through the sale of dog licenses.

A representative of the county Animal Shelter recommended to the council that the city ordinance regulating dogs be continued. The county will operate under this ordinance when handling dog problems. All dog bites and pickup of dead or stray dogs will be handled by the county.

Until now, Police Chief Frank Jadzinski had acted as the city dog warden, caring for stray dogs at his home until they could be taken to the Animal Shelter.

Other council action:

Authorized the police department to post signs on 12 Mile road between Grand River and Napier prohibiting truck traffic;

Appointed Jack Vangieson, 50490 Pontiac Trail, to the board of appeals to fill the vacancy created by the resignation of William Richards;

Appointed W. D. Beckley, 29715 Beck Road, to the road commission;

Voted to bond the city justice of peace for $1,000;

Adopted a vacation schedule as recommended to the council by City Auditor Robert Clark.

Obituary

CHARLES JOHNSON

Mr. Charles Johnson, 49309 Wainstock, Wixom, died July 16, at the Novi Convalescent home. Born March 14, 1874, in Bennington, Michigan, Mr. Johnson was a retired farmer who had lived in Wixom all his life. He is survived by his wife, Blanche, a daughter, Mrs. Shirley Hults of Farmington, and one grandchild. Funeral services were held from the Richardson-Bird Funeral home in Milford, July 19, at 1 p.m. The Reverend Carl Schultz of Farmington officiated. Interment was at the Wixom cemetery.

MRS. BETTY SAVINA O'LEARY

Mrs. Betty Savina O'Leary, of New Hudson and Winter Park, Florida, died July 14, at the Florida San and hospital in Orlando, Florida. Before moving to Florida a short time ago, Mrs. O'Leary had been the organist at the Methodist church in New Hudson for the past ten years and had also served as past president of the Lyon township PTA. Born January 15, 1919, in El Centro, California, Mrs. O'Leary was the daughter of Luther and Laney (Tobias) Rix, who survive her. Other survivors are her husband, David O'Leary; a son, Rand, of Ypsilanti; and two brothers, Edward, of Plymouth, and Victor, of Falls Church, Virginia. Funeral services were held from the Phillips Funeral home in South Lyon yesterday at 2 p.m., with the Reverend E. C. Stringer officiating. Burial was at the Oakland Hills Memorial park.

MRS. ANNA MILLER

Mrs. Anna Miller, following a short illness, passed away July 14, at St. Mary's hospital. Mrs. Miller, 76 at the time of her death, was the daughter of Otto and Reka Melow. She married George F. Miller of Canada January 24, 1906. He preceded her in death in 1952. They had spent their married life at 8980 West Seven Mile road, in Northville. Survivors are a son, Roy; two sisters, Mrs. Louise Rewald and Mrs. Ella Bauman, both of Plymouth; and five grandchildren. Another son, George, died in 1952. Funeral services were held from the Phillips Funeral home last Saturday with the Reverend Richard Burgess officiating. Burial was at the Salem Walker cemetery. Pallbearers, nephews of Mrs. Miller, were, Donald Melow, Glenn Melow, Edward Bauman, Rhein Bauman, John Schroder and Elmer Scheunemann.

Motorist Injures Brother

A 23-year-old Detroit man was seriously injured Sunday when his brother accidentally drove over him at the Lincoln plant.

David J. Morlock, reported in fair condition at William Beaumont hospital, suffered multiple rib fractures.

According to Wixom police, the two men were painting a loading ramp at the Lincoln plant Sunday evening. As it grew dark, Donald Morlock, a brother, left by car to get a light. Returning, he drove over a canvas which covered his sleeping brother, police said.

The driver was questioned and then released pending further investigation by police.

Polio Clinic Set Tuesday

The second in a series of four polio clinics will be conducted Tuesday at Wixom under the sponsorship of the Wixom-Walled Lake Lions club.

The clinic will be held at the elementary school from 6:30 until 9:30 p.m. All Wixom area children and adults are urged to take advantage of the clinic.

Close to 250 persons received polio shots at the last clinic held in June. Anyone who missed the first clinic may still complete a shot series by beginning Tuesday.

Goodwill Needs Help

Novi area residents wishing to donate discarded clothing or household goods to the Goodwill Industries are asked to contact Mrs. Albert Kingon, GE 8-3971, to arrange for truck pickup.

Goodwill trucks collect household discards of clothing, shoes, hats, toys and most types of furniture.

Motorist, Niece Injured

A Marine City motorist and his 15-year-old niece from Northville were injured Tuesday night when their car crashed into a tree on Taft between 10 and 11 Mile roads.

Nelson W. Delisle, 61, suffered a severe head cut and his niece, Millie M. Smith, 149 East Cady, suffered an ankle injury and body leg bruises. Both were treated at Community General Hospital.

Delisle told police he was driving south on Taft when a passing car forced him off the road, causing him to lose control.

THE SCARS REMAIN

This is the story of a small boy who repeatedly disobeyed his mother, until one day she conceived the idea of neatly hanging over his bed a clean, smooth board. Each day that he was disobedient she would drive a nail into the board, she told him.

He was so eager to keep his board clean that several days passed without disobedience. Then one night mother had to drive in the first nail. The little fellow was broken hearted, and cried because his board was spoiled. The mother promised to pull the nail out at the end of the week as long as at that time there were no more nails beside it. The week closed without any further disobedience, and he eagerly watched mother as she drew out the nail.

Then, with sudden disappointment he said, "Oh Mother, you took away the nail but you didn't take away the hole."

Friend, just as surely as there is sin, there are scars of sin. Just because you are a Christian does not mean that you can live as you please. No matter how completely God forgives you, sin leaves its ugly marks and scars upon you, that cannot be erased. You have only one life upon this earth to live for God's glory. Be careful how you live it!

Detroit Boy Faces Trial For Thefts

A Detroit youth was bound over to circuit court Thursday to stand trial on a charge of larceny from a building.

Frank Ashbough, 17, charged with stealing auto equipment from Clappison's Service, 43391 12 Mile road, waived examination before Novi Justice of Peace Robert K. Anderson. He failed to post a $1,000 bond and was returned to the Oakland county jail.

According to Novi police, Ashbough admitted to them after extensive questioning that he stole hundreds of dollars worth of merchandise during the past several months from stores, service stations and homes in more than a half-dozen communities.

Police charged him specifically with the theft from Clappison's, however, because it was committed after his 17th birthday.

Much of the stolen equipment, including several items from Novi business places, has been recovered.

Ashbough, who had been living with a family on 12 Mile road, was arrested last week Wednesday after four teenage friends told police he was involved in a number of thefts.

Police picked up the four for questioning after one called Leo Harrawood to find out if a reward was being offered for return of nine missing tires. The four were released.

Equipment which police said the youth stole included a shotgun, tires, fishing equipment and many other sporting goods, automobile parts, books and stationery.

He reportedly stole merchandise from Trickey's Hunting & Fishing equipment, 43220 Grand River, Harrawood's service station, 43382 Grand River, and Staman Drug store in Walled Lake. Police said he also was involved in thefts from stores and homes in Royal Oak, Highland Park, Farmington, Wolverine Lake and Howell.

In another court case before Judge Anderson, two other teenage boys pleaded guilty of malicious destruction of private property and were fined $35 and placed on one year probation.

The youths admitted breaking windows of cars parked in Willowbrook subdivision. A 14-year-old companion was released to the custody of his parents and minister.

STOLEN MERCHANDISE—Novi Patrolman Vern Loeffler is shown above with some of the merchandise which was stolen during the past several weeks from stores, service stations and homes in more than a half-dozen area communities. A Detroit teenager is in jail awaiting trial for stealing the merchandise.

Horse Hurt In Car Crash

A Pontiac motorist suffered minor cuts and a horse was seriously injured Friday when the driver's car struck the horse on Grand River west of Clark street.

The driver, Carl Lowes, told police he was driving west on Grand River about 40 MPH when his car struck the horse. The horse reared, he said, and came down on the hood; the animal's head crashed through the windshield.

Owned by Mrs. Mary Guntzviller, 45300 11 Mile, the horse had walked out of an open gate along with two other horses. None of the other animals were injured.

Village to Pay Bills Totaling $19,417.93

In a relatively short meeting Monday, the village council took action on only three items.

Council members approved for payment bills for the months of April and May totaling $19,417.93. Payment of a $615 bill for bulldozing work on Meadowbrook near 13 Mile road was tabled pending a report from Howard Miller of the road department on the quality of work as opposed to cost.

The council also authorized an investigation to determine if the village equipment was responsible for damage to Bell Telephone facilities on 12 Mile road west of Grand River. Company officials have stated that damage cost amounted to $227.

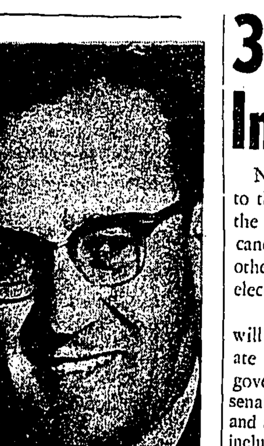

In other action, the council voted 3-1 to eliminate Harrawood's Sales & Service from a rotation plan for serving village police vehicles. Councilman Walter Tuck voted no because he felt the matter "could be handled satisfactorily another way." President Joseph Crupi was absent.

Council members based their action on Leo Harrawood's reported decision to charge $1.75 instead of $1.50 for vehicle lubrication and wash unless he was given all such village jobs for one year.

Under the plan adopted by the village and other Novi service stations, each business is to charge $1.50 on an alternating three-months basis.

The council also decided to turn down a request that the village pay for envelopes used by Justice of Peace Robert K. Anderson.

Matters tabled for future action included: Hiring of someone to wash village hall windows; approval of a full-time policeman; and adoption of a curfew ordinance.

JOSEPH STADNIK

Wixom Man Seeks Post In Primary

For the first time in the memory of Wixom officials, a local resident has put in his bid for a state elective office.

Joseph Stadnik, former mayor of Wixom, is one of three Democrats seeking nomination for the state senate from the 12th district. His Democratic opponents are S. Jerome Bronson and Robert H. Chapin.

On the Republican side of the ballot for the GOP nomination are Richard D. Kuhn and Farrell E. Roberts. Republican L. Harvey Lodge, who currently holds the senate seat, is a candidate for probate judge.

A resident of Wixom for 17 years, Stadnik was a member of the Wixom village incorporation committee, city charter committee, was the first and only president of the village, became the first mayor of the city, and has been Wixom's delegate to the state Democratic convention for the past two years.

Currently, he is a member of the Wixom planning commission, the Oakland county Democratic committee, the Southwestern Regional Planning commission; P-TA; Lions club and the Wixom Civic association.

He is married and lives with his wife and 12-year-old son at 48438 Fourteen Mile road. He operates an auto dealership in Plymouth.

R. W. Lahti, Wixom councilman and city representative on the county board of supervisors, is chairman of Stadnik's campaign committee. Mrs. Esther Weeks of Wixom is the secretary of the committee.

3000 Qualified to Vote In Wixom, Novi Primary

Novi and Wixom voters will go to the polls next Tuesday to name the Democratic and Republican candidates who will face each other in November's presidential election.

To be named in the primary will be candidates for the US senate and house of representatives, governor, lieutenant governor, state senate and house of representatives, and a complete list of county offices, including a non-partisan probate judge seat.

Three propositions also will appear on the Novi ballot. One asks voters to approve or disapprove the proposed abolishment of the annual Novi township meeting; another asks authorization to raise county taxes by one-half mill; and still another asks for permission to spend money from the additional taxes for constructing county buildings. (See story elsewhere on this page.) Only the latter two propositions will appear on the Wixom ballot.

Voters also will be asked to select their Democratic and Republican delegates to the county convention.

Polling places will be open Tuesday as follows:

—Novi precinct 1 (south of Grand River) at the village fire department from 7 a.m. to 8 p.m.

—Novi precinct 2 (north of Grand River) at the Novi Community building from 7 a.m. to 8 p.m.

—Wixom precincts 1 & 2 (entire city) at the City Hall, from 7 a.m. to 8 p.m.

Novi and Wixom will cast ballots on the same group of candidates except for state representative. In that category, Novi and Wixom precinct 2 will vote for fourth district candidates while Wixom precinct 1 will vote for third district candidates. (See complete list of candidates.)

One of the most lively races will be the Democratic slate for governor in which three candidates are vying for the number one position. They are Edward Connor, James M. Hare and John B. Swainson.

Paul D. Bagwell, unsuccessful Republican candidate for governor two years ago against Governor G. Mennen Williams, is unopposed for the same spot in this year's primary. He was unopposed in the 1958 primary.

Other unopposed Republican candidates are William S. Broomfield, U. S. congress; George F. Taylor, prosecuting attorney; Frank Irons, sheriff; Daniel T. Murphy, Jr., county clerk; Charles A. Sparks, county treasurer; Daniel W. Barry, drain commissioner; and Ralph A. Main, county surveyor.

All of these Republicans, except for Bagwell, are incumbents.

Unopposed on the Democratic ballot are Patrick V. McNamara, U.S. Senate; Homer Hight, sheriff; William K. Benson, county treasurer; and Stanley F. Dunn, county surveyor. Only McNamara is an incumbent.

Two candidates will be chosen from a slate of eight attorneys to compete in the November election for a special two-year term as probate judge. The judgeship, Oakland's second, was created by the last session of the Legislature and is not to be filled until the November election.

Novi and Wixom will be represented on the primary ballot by two men, one on the Democratic ticket, the other on the Republican ticket. They are George F. Merwin, 43461 Cottisford, Novi, unopposed for delegate to the Republican County Convention, and Joseph T. Stadnik, 48438 14 Mile road, Wixom.

Voters may ballot on either the Republican or Democratic ticket but not for a combination or split ticket. Approximately 2,300 residents are registered to vote in Novi, and about 680 are qualified in Wixom.

Novi Club Hears Rotary Governor

The Novi Rotary club last Thursday was host to John R. MacPherson, district governor of Rotary International, who is making his annual official visit to each of Rotary clubs in this district area.

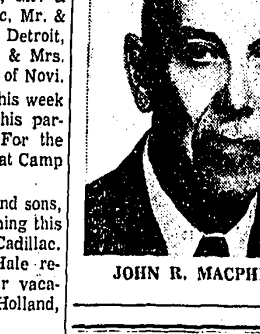

MacPherson of Highgate, Ontario is a member and past president and charter member of the Rotary club of Ridgetown, Ontario. He was elected as a district governor of Rotary International for the 1960-61 fiscal year at Rotary's 51st annual convention in Miami Beach, Florida in June.

He is one of 267 district governors supervising the activities of more than 10,600 Rotary clubs which have a membership of nearly 500,000 business and professional executives in 116 countries throughout the world.

"Wherever Rotary clubs are located," President MacPherson said last week, "their activities are similar to those of the Rotary Club of Novi because they are based on the same general objectives — developing better understanding and fellowship among business and professional men, promoting community-betterment undertakings, raising the standards of business and professions, and fostering the advancement of understanding, good will and peace among all the peoples of the world."

MacPherson pointed out that during the past year, 405 new Rotary clubs (Novi was one of them) were organized in 47 countries. Five geographical regions were added to Rotary's membership roster—Aden, French Polynesia, New Guinea, Ryukyu Islands and San Marino.

Rev. Marvin Rickert, pastor of Willowbrook Community church, is president of the 21-member Novi club.

JOHN R. MACPHERSON

Here's How to Vote

Voters in Tuesday's primary election will avoid errors and save time if they follow these directions in casting their ballots:

1. Turn switch lever (in upper left hand corner) to the right. This closes curtain and unlocks voting machine.

2. You are permitted to vote only for candidates of one party, either Democratic or Republican.

Select your party by pulling the party lever located at the right side panel of the voting machine. Pull your party lever down as far as it will go. You can now vote your choice of candidates on the party's ballot.

3. Turn switch lever back to left. This records your vote, clears machine and opens curtains.

2 Tax Hike Propositions On County Election Ballot

Four new wings and a meeting room will be constructed next to the new Oakland county court house if county voters approve two propositions that will appear on the primary ballot Tuesday.

Specifically, the ballot propositions authorize the board of supervisors to levy a tax of one-half mill (50 cents per $1,000) of state equalized assessed valuation, over four years, from 1960 to 1963.

One proposition asks permission to create a sinking fund with the one-half mill tax, the second asks permission to spread the tax. Only property owners may vote on the first, all county voters on the second.

County officials estimate that the one-half mill will result in a fund of approximately $4,000,000. If approved, this money will be used to construct the additions to the new court house—Court Tower—currently under construction on a 300-acre site near the county offices center on North Telegraph—some two miles from the center of Pontiac.

Long study of the various means of paying for this "vast but necessary project" has convinced the board of supervisors, by unanimous decision, that the best solution is a temporary millage as asked for on the ballot. The cost passed on to the home owner would average about $2.50 per year on properties equalized at $5,000.

The proposed new construction at the center would release valuable property in downtown Pontiac for other uses or sale, board members explain.

Present offices in the old county court house are reportedly inadequate. Currently, there is a shortage of about 25,000 square feet of office space, and it is expected that in 10 years the shortage will be more than 130,000 square feet.

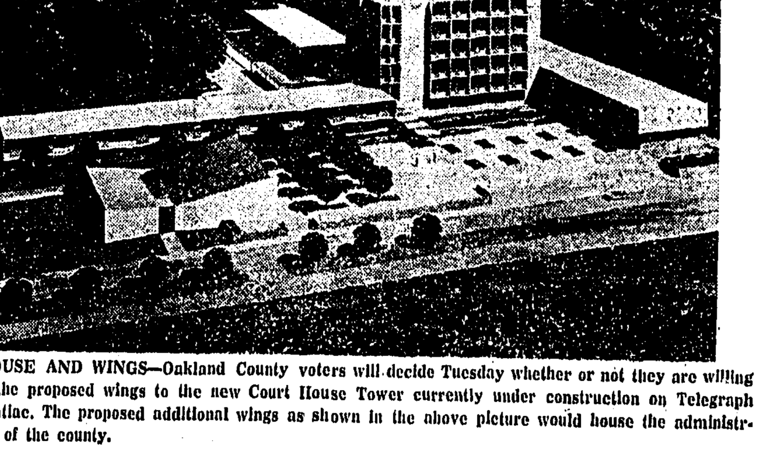

This shortage, plus the fact that the present court house is old and rapidly deteriorating, prompted the board of supervisors to ask for the special tax.

The new facility, officials have stated, would result in increased efficiency—by grouping all county facilities in one place—and a greater long-range economy and preparedness to handle problems caused by Oakland county's tremendous population growth, officials said.

The new buildings would house offices for the treasurer, prosecuting attorney, board of supervisors, farm agencies, veterans' services, children's services and other essential divisions of Oakland county government.

Already located on the site are facilities containing the Medical Care division, Children's Home, board of education, welfare department and several other organizations.

Both the township board of Novi and the city council of Wixom have endorsed the proposed tax hike as beneficial to all citizens of the county.

COURT HOUSE AND WINGS—Oakland County voters will decide Tuesday whether or not they are willing to finance the proposed wings to the new Court House Tower currently under construction on Telegraph road in Pontiac. The proposed additional wings as shown in the above picture would house the administrative offices of the county.

Good or Bad?

Township residents will be asked to approve or disapprove the abandonment of the annual township meeting at the polls Tuesday.

The proposition to discontinue annual meetings will appear on ballots in 11 Oakland county township elections. The townships, in addition to Novi, are: Bloomfield, Commerce, Farmington, Holly, Milford, Orion, Southfield, Waterford, West Bloomfield and White Lake.

Annual township meetings, according to local officials, no longer are beneficial to the community. In endorsing the proposition, these officials explain that a handful of residents could at an annual meeting vote to lower or raise taxes of the thousands of residents who are not present at the meeting.

A Real Puzzle

Novi police were scratching their heads this week trying to determine how a World War II hand grenade happened to be buried in the lawn of the library.

The grenade, which was heavily corroded, was uncovered by Detroit Edison company workmen digging up a line next to the village hall.

The mysterious grenade was turned over to demolition experts of the state police who said it was no longer dangerous.

NOVI HIGHLIGHTS:

Vacation Tours End

By Mrs. Luther Rix — Fieldbrook 9-2428

Mrs. W. G. Doan and sons, Conrad, Walter and Tommy, have just recently returned from a trip to the Smokies and North Carolina. They visited Mrs. Doan's brother at Ashville whom she hadn't seen for 29 years.

Mrs. Wm. Paquette entertained her sister and family, Mr. & Mrs. Edward Buxton, and children Patty, JoAnn and Eddie, from La Puente, California last week. July 15th they had a family dinner at the home of their parents, Mr. & Mrs. Joe Gardella.

Philip Gardella has received his discharge from the Army and he is now working at Inland State Steel in Grand River. Philip was stationed with the Army at Fairbanks, Alaska, for three years.

Mr. & Mrs. Elwood Coburn and family have just recently returned from their vacation. They visited the latter's mother and sister, at Williamson, West Virginia; also relatives at Ashland, Kentucky.

Mr. & Mrs. Chas. S. Crawford of S. Lake Drive were guests at Cunningham Fisherman's Wharf at St. Clair, Thursday, July 21. The occassion was to celebrate the birthday of Mrs. Crawford.

John Chapman and his wife, Joan, are the parents of a 5 lb. and 8 oz. son, born Wednesday, July 20th at St. Mary's Hospital in Plymouth. Mr. Chapman arrived Saturday from his Air Force Base in Virginia for ten days leave. While he is here the Chapmans will stay with his parents, Mr. & Mrs. Daniel MacGillivray on Stasson St. August 3rd Mr. Chapman will leave for a seven months cruise in the Mediterranian. Mr. & Mrs. John Vowell of Northville are the maternal grandparents.

Mr. & Mrs. J. D. Mitchell entertained at a Sunday picnic, Mr. & Mrs. Don Gilcrest of Pontiac, Mr. & Mrs. Russell Crillman of Detroit, Mrs. Ione Kreger and Mr. & Mrs. George Dingman and family of Novi.

Jim Mitchell is spending this week of his vacation time with his parents, the J. D. Mitchells. For the past two weeks he has been at Camp Grayling.

Mr. & Mrs. Victor Gillett and sons, Larry and Stan, are vacationing this week at the State Park in Cadillac.

Mr. & Mrs. Eugene McHale returned last week from their vacation which they spent at Holland, Michigan.

Sunday dinner guests at the home of Mr. & Mrs. Russell Button were Mr. & Mrs. Gordon Blakslee and son, Rickie, from Okemos and Mr. & Mrs. Leonard Blakeslee from Lansing.

Mrs. Burton Munro is spending some time in Battle Creek and Kalamazoo.

Recently Mr. & Mrs. Burton Munro spent five days at a State Wide Rock Hunters Convention at Ishpeming, in the Upper Peninsula.

Mr. & Mrs. Jack Willobee of South Haven and Mrs. Chas. Reimer of Midland were callers at the L. C. Rix home Wednesday evening.

Novi School To Establish Study Group

Selections of members to make up a citizens advisory committee to the Novi board of education are currently underway.

Names of committee members selected by the board this summer will be announced in September, according to Board Member Drive Walter Ambinder.

School board members voted unanimously to set up the committee, which will study current educational problems, at their last meeting.

The committee, as conceived by the board, will be divided into five sub-committees to study teacher recruitment and teacher qualifications, curriculum, business and finances, high school facilities, and special needs of children who are disabled or especially gifted.

The sub-committees are expected to make recommendations to improve the overall quality of the schools.

Each member of the board will appoint one member of each subcommittee, making a total of 25 in the full committee.

The board has requested the administration of the schools to make available all pertinent records for the study and to also provide secretarial help and a small budget.

According to Ambinder, the advisory group will differ from the Novi Study Group by its official capacity of serving the board of education. The study group is a citizens' group independent of the official function of the board.
