Turner-Connelly Pledge Vows in Milford Rites

Wedding vows were pledged by Susan Kaye Turner and Jeffrey A. Connelly in a double ring ceremony at 7:30 p.m. Friday, April 26, at St. George's church in Milford with the Reverend Jacob Andrews officiating. Given in marriage by her father, Lloyd Turner, Jr., of Northville, the bride chose a gown of ivory satin, its scalloped neckline and wrist-length sleeves accented with lace-and-pearl appliques. The chapel-length train was attached at the waist in deep folds. Her ivory shoulder-length veil was secured with a cap of lace and pearls.

She carried a cascading bouquet of white gardenias and white roses and ivy. Maid of honor was Bernice Rosenthal of Southfield and bridesmaids were sisters of the bridegroom, Joyce Connelly of Milford and Mrs. William Kreh of Union Lake. They wore empire gowns of mint green chiffon.

A reception for 120 guests followed at the Loon Lake V.F.W. Out-of-state guests attended from Illinois, Pennsylvania and New York.

The bride, a 1966 Northville high school graduate, and her husband now are making their home in Lincoln Park.

and carried bouquets of mums. Kelly Iacone as flower girl also was in a mint green dress.

John R. Connelly, Jr., was his brother's best man. Ushering were Michael Weidel and Greg Turner, brother of the bride. James Connelly was ring bearer.

Mrs. Joseph Covietz, mother of the bride, chose a powder blue lace and chiffon dress. The bridegroom's mother, Mrs. John R. Connelly, wore an ice aqua coat and dress ensemble.

Mrs. Lloyd Turner, Jr., chose a coat and dress outfit of soft gold. All wore gardenia corsages.

Newlyweds Make Home In Saginaw

Christine Hayward, daughter of Mr. and Mrs. James Roy Hayward, 18420 Donagel court, became the bride of William James Kreh, son of Mr. and Mrs. Kenneth A. Kreh of Saginaw, in a noon ceremony Saturday, April 27, at Our Lady of Victory church.

The Reverend Father John Wittstock officiated at the main altar backed by potted plants of white glads, stock, mums and Calladium leaves.

The bride's gown of ivory peau de sole was fashioned in baroque, Renaissance lines and adorned with Venetian lace applique at the neckline, at the bottom of the elbow-length sleeves and in a front panel to the hem, also bordered in lace.

Lace also bordered her veil of silk illusion which was fashioned as a mantilla and covered a lace, fitted Camelot cap. She carried a bouquet of pearl roses centered in miniature carnations and bordered with Calladium leaves.

Maid of honor Nancy McNeil of Royal Oak wore a sleeveless floor-length gown with fitted bodice of Paris-blue ottoman silk with a limeite sash. She carried a nosegay of champagne miniature carnations and ferns centered in Calladium leaves.

Bridesmaids were Mrs. Carl Karas of Saginaw, Cynthia Hayward and Cecily Hayward, sisters of the bride, in gowns of jonquil yellow, lime and blue, respectively, fashioned in lines identical to that of the bride's gown and with limeite sashes. Their headbands matched the gowns and they carried pale yellow nosegays with lime accents.

Best man was Gary Kreh of Big Rapids, brother of the bridegroom. Ushering were Carl Pritchard of Detroit, Allan Pettipiece of Alpena, John Hunter of Gagetown, Anthony Grohman of Saginaw, and William Critchell of Kalamazoo.

A reception at Meadowbrook country club followed with out-of-town guests attending from Columbus, Cleveland and Toledo, Ohio; Washington, Indiana; Windsor, Ontario; and Royal Oak, Birmingham and the Midwest.

For her wedding trip the bride changed to a beige coat and dress ensemble with brown and apricot accessories. She attended Chandler school for Women in Boston. Her husband is a graduate of Ferris State university at Big Rapids where he was affiliated with Pi Kappa Alpha fraternity. The newlyweds will make their home in Saginaw.

In Our Town

By JEAN DAY

OVERTURE-TO-OPERA will make its debut in Northville just a month later as the curtain rises at 8:30 p.m. Saturday in Northville high school auditorium. Mrs. Donald Ware, general chairman, reports that the curfew-caused postponement has presented a minimum of difficulty.

Ticketholders will use originally-issued tickets for both the performance and the afterglow, which was transferred to the Mayflower hotel ballroom in Plymouth. The delay, however, has made it possible for Mr. and Mrs. Ralph McElvenny and Mr. and Mrs. Benton Lackey to be guests here.

Mrs. McElvenny is general chairman of the Detroit Grand Opera association and Mrs. Lackey is woman's committee Overture chairman. A limited number of tickets for the Overture performance of The Medium and act one of LeBohème are still available. Mrs. Ware announced this week. The committee is anxious to have a full house now as postponement at the last minute necessitated duplication of some expenses: a rented grand piano had been installed in the auditorium, flowers had been delivered, etc. Anyone interested in Overture tickets may call Mrs. Ben Fay, 949-3234, or Mrs. Ware 499-2232.

A MOTHER-DAUGHTER banquet—almost a May tradition—is planned for 6 p.m. Thursday, May 9, at the Northville Methodist church. Mrs. John Butler of the Detroit Storytellers' League will present a set of three stories, designed to enthrall even very young daughters.

Mrs. Charles Skene is in charge of dinner arrangements with the dinner to be served by men of the church. Mrs. William Brown, general chairman, asks that reservations be made at the church office before May 7. They are \$1.75 for adults and \$1 for children 12 and under.

MAY 9 is one of those dates on a small-community schedule that have many events listed for the same evening. In addition to the Methodist Mother-Daughter dinner, there will be the annual dinner at Northville Presbyterian church at which men honor their ladies. Catered by Cregar's, it will be at 6:30 p.m.

"FLOWER POWER" is the theme for the style show to be given next Thursday by Northville junior high home economics students in the school cafeteria, with black-and-white flower decorations and using as a theme a take-off on Rowan and Martin's Laugh-In. Featuring fashions made in class, the show will incorporate the winners of the school talent show—Neil Olsen and the Inorganic Matter group.

In the gymnasium will be exhibits from the science, social studies and shop projects. Creative writings also will be displayed. The evening is being called "A Festival of Flowers" and is under the co-chairmanship of Mrs. Molly Shoup and Mrs. Kay LaPointe. Parents will be notified of the exact time for the events.

Finally, May 9 also is the date of the Northville Senior high school PTA annual election of officers and business meeting at 7:30 p.m. This will be followed by exhibits of class work.

POSTERS IN LOCAL store windows have never seemed more eye-catching. The large, red barn-shaped posters advertising the Mothers' club sale of clothing, household goods, etc., from 10 a.m. to 4 p.m. this Saturday at the Cavern Teen club on Main street were designed by Mrs. Frederick Hart and made by Mrs. Harold Wright and her committee.

Up this week are the Northville PTA Carnival committee's posters for the Old Time Country Fair to be held from 4:30 to 9:30 p.m. Friday, May 17, at the new junior high. Stenciled on

burial and decorated with bright felt flowers, they are the work of Mrs. Robert From who took on publicity duties as her husband assumed carnival chairmanship.

SPRING VACATIONS took several Northville residents out of the country. Not a rest, but an inspirational experience was the trip taken to St. Croix in the Virgin Islands by Northville high school junior Betty Klein and seven fellow students of Epiphany Lutheran church. With the Reverend David Strang they spent two weeks in a native community—painting the church, helping any way they were asked and living with native church leaders.

Dr. and Mrs. Frederick Bentley and their sons, Ricky and David, of West Main street, flew to Mexico. They spent two days in Mexico City and visited Acapulco, spent much of their 17-day vacation at fishing camps near La Paz and in the Baja peninsula.

Mrs. John (Betty) Baldwin, daughter of Councilman and Mrs. Wallace Nichols, left Friday for Hawaii where she joined her husband who is on a week's rest leave. He has been serving with the American division combat engineers in Vietnam.

Before a returning home, she will spend a week in Arcadia, California, visiting her husband's parents, the John Baldwins.

Mrs. Clarence Luchman and her daughter, Gail, a junior at Western Michigan university, have just returned from spending a week at the Castle Harbour hotel in Tucker's Town, Bermuda.

Terrill LaRue, son of Mr. and Mrs. James LaRue, 12212 Jamestown circle, was graduated from the University of Michigan in ceremonies Saturday, April 27, in Ann Arbor. He received a BA degree.

Dr. Stuart F. Campbell, Northville optometrist, this week moved his offices from Center street to 505 West Main, the former offices of Dr. L. W. Snow.

Members of the Detroit Purdue Women's club will hold their annual luncheon meeting at Meadowbrook country club at 11 a.m. Thursday, May 2. Miss Patricia Pruett, administrative assistant of the Purdue Alumni association, will be guest speaker.

King's Daughters will meet at 2 p.m. Tuesday at the home of Mrs. William Wernett, 46301 West Main street.

From North Olmsted, Ohio, comes news of a former Northville Estates family. Mrs. George Hanley and her daughter Mary attended Easter Mass in St. Peter square, Rome. The celebrant was Pope Paul and a Papal audience followed. Mrs. Hanley was active in the Northville Town Hall lecture series while a Northville resident.

Mrs. E. L. Draper and her daughter Karen, of Chesterbrook road, Farmington, completed the foursome who began a three-week European holiday in Italy.

Linwood Snow and Michael Pressly of Northville have been cited for excellence at Roosevelt Military Academy in Aledo, Illinois.

Linwood, son of Mrs. Elaine Snow, was cited for excellence in academics, military and athletics. Michael, son of Mrs. Patricia M. Pressly, was cited for excellence in military. Linwood is a freshman, Michael a sophomore.

Mrs. Charles (Mae) Smock is recuperating at her home at 40550 West Gerald street after a fall April 22 that resulted in a badly bruised hip. At 96, she is the oldest living graduate of Northville high school.

Celebrate Anniversaries

Mr. and Mrs. Alfred Parmenter, 727 Thayer, who were married 25 years ago on May 1 in Northville First Presbyterian church, were honored at an open house given for 60 guests by their daughters, Mrs. James (Pam) Correll and Sandy, at the home of the former in Utica, Sunday afternoon.

Guided by wedding pictures taken in 1943 at the ceremony the girls laid the original bouquet copied with pink sweet-

heart roses and stephanotis. The three-tier wedding cake also was duplicated. Also decorating the tea table was a centerpiece of white roses framed with silver leaves.

Mr. and Mrs. Lawrence Parmenter were the couple's attendants at the wedding ceremony performed by the Reverend Harold Fredsell. Other guests attended the open house from Plymouth, Northville, Detroit and Livonia.

Mr. and Mrs. James Anderson began the party for the Allens by inviting neighbors in for champagne cocktails. The group then went to the Canopy restaurant in Brighton for dinner and a surprise wedding cake. A second wedding anniversary cake was waiting at the McCarthy home where a red carpet was rolled out to welcome the honorees by host, Lawrence McCarthy.

Reservations for the dinner at which the Presbyterian men traditionally honor their ladies may be made with Ed Langtry or the church office. The dinner will be catered by Cregar's.

Peterson Wins Top Trophy

Boosters Tip Hats to Athletes

Some 250 persons were on hand last week Wednesday evening as the Northville Boosters' club presented its first annual all-sports banquet honoring athletes of Northville high school. Established by the Boosters under a philosophy that all sports—not just

one—are important to the success of the athletic program here, the banquet program was held in the high school auditorium following dinner in the cafeteria prepared by Mrs. Marie Knapp and her cafeteria staff.

Highlight of the evening was the presentation of a giant new trophy honoring the "Athlete of the Year." First annual selection went to James Peterson, a stellar competitor in cross country, basketball and track. His name

will be inscribed on the trophy which will take its place in the high school trophy case. Names of future selections also will appear on the trophy.

A surprise award by the Boosters was made to Ronald Horwath, former coach and now principal of Amerman elementary school, for his contribution to the Northville athletic program.

With Master of Ceremonies Andy Bertoni serving up his special recipe of humor and congratulatory comments, the banquet was laced with a success by parents, coaches and, of course, the young athletes who were guests of honor.

Guest speaker for the occasion was Larry Hand, star defensive end for the Detroit Lions who made the presentation to Peterson.

Another celebrity on hand was Northville's own All-American quarterback, Steve Judy, president of the Boosters club. Judy opened the program.

Northville coaches and their players were introduced, and each coach highlighted his team's performance. Coaches included Paul Osborn, cross country; Alex Kluckach, football; Jack Townsley, wrestling; Richard Willing, baseball; David Longridge, football (also athletic director and assistant high school principal); Ralph Redmond, track; Richard Norton, tennis; and Al Jones, golf.

In his closing remarks, Bertoni emphasized that the real behind-the-scenes heroes of Northville athletics are the parents. He pointed to Northville's reputation as a fine school and as athletic power in competition, and he urged the community to support the Boosters club and similar organizations as a means of maintaining the community's outstanding standing in athletics.

Northville Nine Grabs Three More

With the score knotted at three runs each in the bottom of the eighth Northville pushed across an unearned run in the tense, extra-inning contest to take a 4-3 win over previously unbeaten Bloomfield Hills Saturday.

That victory, sandwiched between a 4-0 win over Milford on Friday and another 4-0 triumph over Clarkston on Monday, gave the Mustangs undisputed possession of first place (6-0) in the Wayne-Oakland League race.

Monday's victory was Northville's seventh straight win without a loss. While Saturday's game was close right down to the wire, the other two contests were relatively easy for the Mustangs as two local hurlers turned in fine pitching performances.

Bill Skelly came within a single hit of a no-hit shutout victory over Milford, while Fred Holdsworth gave up but four hits in his shutout over Clarkston.

Northville scored two runs in the second and an equal number in the second at Milford as Skelly was nicked for the single in the bottom of the fourth off the bat of Pat Reed. He struck out four and walked one.

Fire-baller Holdsworth struck out 13 batters in his turn at the plate Monday. Northville scored one run in the fifth and the other three in the final stanza.

With those 13 strikeouts, Holdsworth is now averaging nearly two strikeouts per inning.

The Mustangs came up with a total of 23 hits in those three games, boosting the team's batting average to .263 over the seven games.

In that tense Saturday contest, Jeff Taylor started on the mound, worked four innings and then was relieved by Holdsworth who finished out the remaining four innings. Holdsworth was credited with the victory as Northville scored once in the first, one in the second and twice in the eighth.

Bloomfield collected six hits, Northville eight.

The Barons came up with a run in their half of the eighth to grab a one-run lead as the Mustangs came to bat. Barry Deal led off with a single to left, followed by an error and an out. Terry Mills drew an intentional pass to lead the bases, and Doug Anglin fanned—but not before Deal crossed the plate with the tying run on a balk.

Now, with the score knotted, Dennis Primeau was walked intentionally to again load the bases. On the first pitch to Randy Pohlman, Milford was charged with another balk ("hidden ball trick") and Pat Cayley raced across the plate for the winning run.

Terry Mills' three for four performance at the plate against Clarkston was the high point of Northville hitting attack in the three games. Those three and his teammates' other six bingos were off Pitcher Rick Johnson, who came into the game boasting a no-hitter, two-hitter and a three-hitter.

The Clarencville Trojans will invade Northville this afternoon (Thursday) and on Monday Northville will travel to Holly. Today's game marks Northville's half-way point in season competition.

Coach Dick Willing, obviously happy over his team's outstanding early performances, announced that the Mustangs have drawn Redford Union (9-0) in the opener of the Livonia Tournament that gets underway on May 25.

Men's Softball Open's Monday

Competition in the Northville Recreation Department's men's softball league will get underway Monday with four of the league's eight teams taking the field.

The Jaycees will take on Plymouth State Home at 6 p.m., followed by Lapham's Men's Store versus Perkins Engines and Ford Motor. All games are played at Ford Field.

Next week Wednesday, the other four teams will open the season as Lapham's Men's Store goes against Matall Builders at 6 p.m. and Anglin's Northville Lanes squares off with Pyles Industries.

Novi Nine Places 4-0 Mark on Line

Leading the league with a 4-0 mark, Novi's title hungry Wildcats will square off with Clinton here tomorrow in what shapes up to be a real humdinger of a baseball game.

Not counting its game earlier this week, Clinton clung to second place with a 2-0 record—the only other undefeated nine in the Lakeland C conference.

Taking the mound tomorrow for Novi will be big Lee Snow, who picked up his third straight win Monday as Novi blanked Whitmore Lake, 16-4. He or his pitching cohort, Phil McMillan, may hurt against Ypsilanti Roosevelt here on Monday.

"We're tight down the middle," explained jubilant Coach John Osborn in noting his team's exceptionally fine start. "Pitcher, catcher, short and second and center."

He billed tomorrow's contest as

the "show-down." If the Wildcats can get past Clinton tomorrow, he said, Novi will be in good shape as it nears the second half of the 12-game schedule. All teams are expected to be tougher "the second time around."

In taking credit for Monday's victory, Snow fired eight strikeouts, walked four and gave up seven hits. Novi, on the other hand, collected seven hits, fanned nine times and worked six walks off the losing hurler, Bob Grimston, who was lifted in the seventh.

Actually, Whitmore helped the Wildcats to the victory by committing seven errors. Most of Novi's runs were unearned.

The Wildcats scored three times in the third, six in the fifth, two in the sixth, and five in the finale.

Novi now boasts victories over Whitmore Lake, Grass Lake, Manchester, and Columbia Central.

But Slips in Relays

Northville Sweeps Triangular Meet

After sweeping a triangular meet at Livonia last week, Northville's thinclads excelled in several individual categories but failed to live up to expectation in the Howell Relays Saturday.

Northville finished fourth behind Grand Blanc 56, Howell 42, and West Bloomfield 40, with a total of 33 points. In the triangular competition earlier, the Mustangs finished first with 81 1/2, followed by Stevenson at 60 1/2 and Southfield at 6.

Two Howell Relay records were sent spinning by Ron Gloetzer in the pole vault and Jim Peterson in the high jump. Gloetzer vaulted 12' 6" to smash the 1963 mark of Milford's Tim Mullins at 12'. Beautiful form was the key to Peterson's win, too, as he sailed over the bar at 9' 11" in breaking the 1956 mark of Grand Blanc's record of 9' 9 1/2".

Gloetzer also finished first in the low hurdles, just one-tenth of the Howell record with a time of 20.5. In the high hurdles he placed second at 15.4, but broke Northville's 1962 record of Dick Bathey.

Freshman John Stuyvenberg picked up fourth-place points in the long jump. Phil Kennedy set a new Northville record in the two-mile run with a time of 10:23 (Grand Blanc won it in a sprint-like finish at 9:58); Peterson placed third in the high hurdles; Bill Harrison took fifth in the mile; Bill MacDermid took fifth in the shot put; and Greg Marshall capped fourth in the 440.

In the relays, Harrison, Peterson, Al Earehart, and Marshall teamed up for fifth place (3:41.1) in the mile, and Gregg Carr, Randy Simpson, Glen

Carroll Irwin, and Rabele Crandall. The A&W Root Beer HT TEAM SERIES Chisholm Contr. 2310

Young Netters Defeat Holly

Northville's tennis team evened its record in league competition with a 4-0 win over Holly Monday night. One match was cancelled by rain.

Coach Dick Norton's squad, with a 4-3 season record, now stands 2-2 in league play. The Mustang netters posted wins over Clarencville and Holly but lost in league play to Clarkston and Bloomfield Hills. The other Mustang wins were over Fenton and Romulus. The third loss came at the hands of Ypsilanti High.

Working with a 17-man squad that includes nine freshmen, the Mustangs have been getting strong performances in singles play from three seniors led by Randy Burnett. Norton hopes experience will strengthen his team in doubles play.

In addition to Burnett, seniors Ken Boerger and Bruce Gryslwicz form the nucleus for singles play. Burnett is 4-3 in competition and should improve as the season progresses, Norton said.

Among the underclassmen who have been showing improvement and should provide some winning help this season are Freshmen Vincent Parent and Bill Pink, Norton said.

Following a home match scheduled last night with Milford, the team starts the second round of league play with a match at Clarkston tomorrow and a home match with Clarencville Monday.

Evans Shines

Steve Evans, former Northville ace, threw a four-hitter at Michigan State University Saturday. The 4-1 victory put the University of Michigan in first place in the Big Ten race. Evans struck out seven while going the nine-inning route.

Sonny Fortune Upsets Top Trotters

Ignoring 24-1 odds, Northville's four-year-old colt, Sonny Fortune, upset the nation's leading trotter Saturday night in winning the \$24,600 Speedster Trot at Chicago's Washington Park.

Driven by Ted Taylor of Columbus, Ohio and trained by David Thompson of Detroit, Sonny Fortune streaked past

Gale Force, at 13-1, by two lengths in the mile time of 2:01 3/5. Flamboyant, last year's three-year old trotting champion and 4-5 favorite, was third. Sonny Fortune's 1968 Detroit record of two victories in two starts in 2:09 and 8:09 2-5 sparked little support from the crowd of 15,609. He went to the

post at 24-1 and never was worse than third in the race.

Owned by Lloyd Spencer, 8627 Napier road, Sonny Fortune is the nation's current money winner in the four-year old class. His Saturday triumph paid \$50, \$17.60 and \$6.

Flamboyant, winner of the \$183,463 Dexter cup in New York last fall, took the lead at the half, but began to fall back at the top of the stretch as Sonny Fortune and Gale Force produced their stretch rallies.

Keystone Pride, who placed second in the 1967 Hambletonian, was fourth in the eight-horse field. Dazzling Speed placed sixth.

Sonny Fortune will square off with the outstanding four-year-old trotters again on May 11 in the \$20,000 added Lawrence B. Sheppard Mile.

Besides the top trotter in the Speedster, older kings in trotting include Carlisle, Governor Armbror, Grandpa Jim, Perfect Freight, Sir Sasse, and Real Speed — will be out to crack the Washington Park track record of 2:00 1-5 set two years ago by Doug Carlisle, trained and driven by Billy Haughton, was voted champion of trotting's older division last year.

Car Slams into Pole Pinning Couple Inside

A South Lyon man and his wife were hospitalized early Tuesday morning when the car in which they were riding on 10 Mile road slid on slippery asphalt, slammed through a ditch, sheared an Edison pole and landed on its top, pinning the driver.

Carl B. Leinonen, 36, of 5560 Woody Lane and his wife, Mrs. Mary Leinonen, 34, were taken by ambulance to Borg's General Hospital, Farmington. Leinonen was reported to have a broken back. Leinonen was driving west on 10 Mile road, four tenths of a mile east of Napier road at 12:40 a.m. when he suddenly lost control of his car. Novi Police Chief Lee BeGole said it was

raining at the time and the blackout was extremely slippery.

According to police, the car skidded across the center line, crossed a ditch five feet deep and 15 feet wide, sheared a telephone pole and landed upside down.

Mrs. Leinonen was thrown from the vehicle, and police described her injuries as "apparently not serious." Her husband, pinned in the wreckage, was later freed.

The car was a total wreck. Leinonen complained of internal injuries, police reported, before the hospital confirmed that his back was broken.

Chief Defends Teen Dances

Recent criticism relative to The Cavern dances prompted the sponsoring Mother's club to disclose a letter it has received from Northville Police Chief Samuel Elkins.

In his letter to the club, Elkins said: "From personal observation, and that of other officers, I feel the criticism unwarranted. I have checked the parking area behind the community building personally and have found no youngsters in their cars. I also observed the chaperones inside the building. I found them closely checking on things, especially the youngsters who wanted to leave the building. These youngsters were told that once they left the dance, they would be unable to return. I know other officers have also found this to be so."

According to the chief, the dances "are well supervised" by chaperones and several officers.

"It is true there has been some trouble, not consistently, with some of the youngsters. However, considering the large number attending these dances, it seems unfair to condemn a worthwhile and wanted activity because of the action of just a few people who would in all probability cause trouble wherever they were."

In conclusion, Elkins wrote that he hoped the dances will not be discontinued. "The young people in our community have little enough in the way of activity outside of school affairs and I feel it would be a great disservice to them to stop these dances."

OBITUARIES

EVERETT J. BABCOCK
Everett J. Babcock, 54, of 28904 Broadmoor, Livonia, died Sunday at St. Mary hospital after an illness of four months. Funeral services were held Tuesday from Casterline funeral home with the Reverend Roland DeRenzo of Westland Baptist church officiating. Interment was in Oakland Hills Memorial Park, Novi.

A carpenter at Owens-Corning Fiberglass Construction company, he was a 31-year resident of Livonia. He was born October 19, 1913, at Grayling, the son of George and Minnie (Nelson) Babcock.

In addition to his wife, Edna, he leaves three daughters, Mrs. Dorothy Crandall, and Mrs. Barbara Taylor of Livonia; Mrs. Barbara Taylor of Garden City; three sons, Walter of Livonia, Donald of Farmington and Frederick of Hazel Crest, Illinois; four sisters, Mrs. Julia Eades of Torch Lake; Mrs. Myrtle Pavley of Leonard, Mrs. Edna Karcher of Detroit, Ada Urton of Traverse City; two brothers, Arnold of Warren and Vaughan of Cincinnati; 23 grandchildren and 3 great-grandchildren.

JAMES VAN ATTA
Funeral services were held Friday in Grand Rapids for James N. Van Atta, 62, who died suddenly of a heart attack April 23 at his home, 1240 North avenue northwest, in Grand Rapids.

He was born May 26, 1905, in Northville, the son of Irvin and Nora Naylor Van Atta. He married the former Mildred McCann-Snyder, 30, 1928. A Grand Rapids resident since 1928, he was owner of Home Transfer, Moving and Cartage company of Grand Rapids.

In addition to his wife he leaves a daughter, Mrs. Harold Fountain of Grand Rapids; a brother, Roy, and a sister, Mrs. Kathleen Jaska, of Northville, a sister, Mrs. Loye (Heien) German of Fairview, Michigan; two

What's Cooking
At Northville High School

Following is the cafeteria menu for Northville junior and senior high schools for the week of May 6-10.

Monday - spaghetti with meat sauce, tossed salad, rolls, butter, pears, milk. Soup alternate: split pea.

Tuesday - roast pork loaf, mashed potatoes, gravy, green beans, rolls, butter, apple-brown-betty, milk. Soup alternate: chicken noodle.

Wednesday (at the SENIOR HIGH only) - cabbage roll, mashed potatoes, molded orange, jelly-apricot salad, bread, butter, banana cake, milk. Main course at the JUNIOR HIGH - hamburger-on-bun, French fries. Soup alternate: beef-barley.

Thursday - submarine, potato chips, relishes, strawberry shortcake, milk. Soup alternate: bean.

Friday - at the junior high only - pizza. No lunch will be served at the high school Friday as it is Schoolmasters' Day.

progressing to a compromise within a reasonable time. After three months of waiting for a solid proposal, the teachers negotiating team has yet to receive a proposal of salary from the boards negotiating team. The process of negotiation involves initiative and responsibility from both sides, not just one side.

It is a basic fact that teacher salaries have to increase tremendously in order to attract and keep good teachers in the profession. In a recent news release, the Federal Department of Labor stated an average family (husband, wife and two children) needed about \$24,200 to live moderately in these United States. I cannot believe that a teacher is worth less than this. For that matter, I cannot believe that a teacher is worth less than a garbage

grandchildren; several nieces and nephews.

Interment was at Mount Calvary cemetery, Grand Rapids.

HAZEL E. BOWERS
Funeral services were held Saturday for Mrs. Hazel E. Bowers, who died April 25 at the age of 82 at the Allen Dee Nursing home in Detroit after an illness of six months. Services were at the Casterline funeral home with the Reverend Lloyd Brasure of

Northville First Presbyterian church officiating. Interment was in Rural Hill cemetery.

She leaves one daughter, Mrs. C. C. (Marian) Boyd of Gaylord; four grandchildren; six great-grandchildren.

She leaves two daughters, Mrs. Roberta A. Chesnell of Plymouth and Mrs. Louis Schirmer of East Tawas; two sons, Harold of Winterhaven Florida, and Robert of Boise, Idaho; 11 grandchildren and 7 great-grandchildren.

Where's Board's First Offer?

To the Editor:
This letter is in response to your editorial on negotiations between the Northville Public Schools and the Northville Education Association. Of course the negotiations "show no signs of starting at a reasonable point and

collector, or a policeman, or an auto worker. I cannot believe that the people of Northville do not want to compete for the best qualified teachers in the state of Michigan. In order to compete for the best in the field of education, a competitive salary schedule has to be negotiated.

Should Northville compete with Detroit at a starting salary of \$7500 for 1968-69, or Warren at \$7000, or Lansing and Bloomfield Hills at \$6800? The children in the community are the ones who suffer the consequences or reap the profits of a good competitive educational system. In any community that wants the best of everything for their children, why should they not want the best educators?

Respectfully yours,
Peter F. Johnson

Could religion prevent one from going to Heaven? Let us review John's Gospel, chapter three. A man by the name of Nicodemus repaired to Jesus for some answers. Nicodemus was an aristocrat. He was a Pharisee, devoting himself to the strict observance of the law and tradition. His character was impeccable. He was a ruler of the Jews, suggesting the achievement of some civic distinction. Would any honorable, respectable, religious leader such as Nicodemus be in need of the saving power of Christ? The positive answer from Christ Himself is found in verse seven, "Ye MUST be born again (or agnost?)".

What about you? Are you religious but still outside the kingdom of heaven? It seems that I hear you saying, "But I am an honest person and a law abiding citizen." (So was Nicodemus). I pay my debts and I even belong to institutional religion." (So did Nicodemus). "I am an educated person." (So was Nicodemus). Yet Jesus exclaimed, "Ye must be born again!"

Pharisees were most religious. They were educated leaders in both the civic and religious realm. Steeped in tradition and legalism they kept all the "rules". They were quite careful to monetarily support organized religion. But they were mostly lax in weightier matters such as justice and compassion. Is it any wonder that Jesus said in Matthew 5:20, "For I say unto you, That except your righteousness shall exceed (or overtop) the righteousness of the scribes and Pharisees, ye shall in no case enter into the kingdom of Heaven." The kingdom of heaven demands more than institutionalism, rule keeping, and observance of outward forms. The new righteousness of Christ begins in a renewed heart and expresses itself in human relations.

All of our attempts to educate, improve, clean up, and otherwise improve ourselves fail to solve the root problem of sin. The new birth (receiving Christ as Lord and Saviour in our lives) is necessary because sin is real! Before one is saved he puts God out of his life and puts self in the center of his world. A person does not gradually "grow" into the Christian life. Rather there is a definite, personal, spiritual experience of receiving Christ as Saviour. At this time one crosses the line from being dead in trespasses and sins to the abundant life through Christ Jesus. "For whosoever shall call upon the Name of the Lord shall be saved!"

Whether you are as sinful as the thief on the Cross or as "good" as Nicodemus - Jesus continues to demand - "Ye must be born again!"

Youth for Christ Schedules Rally

Area residents are invited to the final rally of the year of the Huron Valley Youth for Christ May 4, 7:30 p.m. at Huron Valley High School. Featured at the rally will be Chuck O'Hanlon, an outstanding trumpeter, from Hazel Park and Dr. Sam Wolgemuth, President of Youth for Christ International.

Heart Forum Set

A free public "Heart Forum", with accent on the future promises to heart sufferers, will be held at the Ford Auditorium in Detroit on May 10 beginning at 8:15 p.m.

Residents of the Northville-Novi area are urged to attend.

Out of THE PAST

FIVE YEARS AGO...

...The possibility that Northville school district electors would vote on the community college question June became a probability as legislation enabling Northwest Wayne county community college district to annex an adjoining district passed the state legislature and awaited signing by the governor.

...James Drew and Dave Lane, and Gail Harner and Christine Boretti were slated to alternate in leading roles for the two-night performance of Gilbert and Sullivan's opera "Patience."

...The city of Northville's proposed 1963-64 budget hit a record of \$406,055, but no change in tax rate.

...Contract for demolition of the old city hall and fire barn was awarded to Paul Palmer Construction of Northville at a cost of \$2,450.

...Both members of the Northville board of education whose terms were to expire in June - W. C. Becker and Edward F. Angove - indicated they would seek re-election.

TEN YEARS AGO...

...Northville's county equalized valuation was set at a record-breaking \$29,416,385 - nearly 50-percent higher than in 1957. The increase was not expected to change North's financial picture however, for it was already anticipated when township officials compiled their budget earlier in the year.

...Campaigning for Wixom's May 19 city election got off to a brisk start when 13 candidates for city office told why they deserve election. After a 45-minute recap of his term as village president, Candidate Joseph Stadnik has challenged on several points by Candidate Wesley McAttee.

...Steel girders were swung into place and North's new elementary school (Orchard Hills) began taking shape. The first unit was scheduled for opening in the fall.

...FIFTEEN YEARS AGO...

...Serious overcrowding of Northville schools, a condition they have managed to escape until this date (May, 1953), was expected to be quite noticeable when grade and high school sessions opened in September. This became evident when the school board decided that 23 tuition students from Cooper school district and three from Nankin Mills district would not be allowed to attend the high school here the following year.

...Sale of Park Place to Michigan Powdered Metal Products company was ratified informally by the Northville village commission. Details of the combination sale-trade deal were worked out by Commissioners A. Malcolm Allen and Gerald C. Woodward and John Haller, vice-president of Allied Products company, of which Powdered Metal Products was a subsidiary.

...Manning & Locking Gravel company received formal permission from the Novi township zoning appeals board to open a new gravel pit on the 35-acre tract of land at the northwest corner

of Center street and Baseline. Simultaneously, the Northville school board reaffirmed its desire to purchase the area for use as a future school site (high school).

...The Northville high school was again placed on the accredited list of the University of Michigan for a three-year period.

...Scarlet fever outbreak was predicted for Northville and Plymouth by Dr. David Littlejohn, director of the Wayne county health department. Five cases were reported in the city of Plymouth, two in Plymouth township, and one in Northville.

...Announcement was made that Michigan's first American totalizer would be installed soon at the Northville Downs.

...Mrs. William Milne was elected president of the Pre-School Play group.

...Clarence Carroll, grinder operator, was elected president of Local 896 UAW-CIO here.

...Petitions were being circulated about the village by teachers and other interested persons asking that the question pertaining to a change of the 15 mill amendment be placed on the fall ballot. Specifically, they asked that the millage amendment be placed on the ballot so that the millage may be increased for a period of not exceeding 20 years (the law at that time limited the period to five years).

...TWENTY-FIVE YEARS AGO...

...An announcement by Dr. Rufus Traver, acting pastor of the Baptist church of Northville revealed that the board of trustees had invested \$3,000 worth of war bonds.

...Northville's 100 ton scrap pile heaped on the local parking lot finally was carted away.

...A war department bulletin listed Staff Sergeant Charles R. Walker of Northville as wounded in action in North Africa.

...Named American heroes in The Record were these four servicemen: Lloyd H. Green, Donald J. Wilbur, Kenneth Wilbur and George Risher.

...Every employee of the Village of Northville was given a raise of approximately \$450, boosting the budget by some \$3,000.

...Northville's baseball team defeated Brighton in the season opener, 23-11.

...Twenty-two members were taken into the membership of the First Presbyterian church.

...Northville climbed over its allotted quota for the Second War Days Drive and was busy building up an over subscription that reportedly would easily run 25-percent over the goal \$80,000.

...The block system and the local sponsorship of the Civic committee of the Women's club in the tin can pick-up really click as an estimated one-ton of metal was collected.

...SIXTY-FIVE YEARS AGO...

...Forest fires, whipped to raging proportions, were sweeping through east sections of the state, with reports of devastation near Alpena, Cheboygan, Ishpeming, and Traverse City.

...Mrs. Elizabeth Van Valkenburgh, born in New York State in 1828 and a resident of Northville since the spring of 1867, died at the home of her son.

...A curiosity has been on exhibition at the Record office this week, which has puzzled all who have been asked to guess what it is. It has been thought to be leather, a snake's skin, or all sorts of things except what it is - bark from a root of one of the ancient willows recently torn out by the flood at the Ambler pond.

...A few jolly Northville ladies innocently started per trolley at 7:30 Tuesday evening to call on friends a few miles east of town, but the little informal visit nearly resulted in a tragedy. When the "girls" reached their destination the family was just retiring and during the visitors' storm of the castle a young gentleman, a temporary member of the family, suddenly beheld, while in the act of disrobing, a row of feminine countenances at his window. Nearly dead from fright at the apparition and the subsequent hilarious invasion of another part of the dwelling by the attacking party, he felt sure they were after him and ignominiously took flight through the window in undress uniform, not venturing to return until the enemy had departed Northville-ward on the next car, when, with the kindly assistance of the hired man, he cautiously re-entered the window, a madder and wiser - and presumably cooler - man.

NH Students Win District

Eight Northville high school students, winners in district competition at Ypsilanti last week, will compete in the state forest contest at the University of Michigan Saturday.

For the first time in the history of the school, Northville's multiple-reading group swept first-place honors in the regional, competing against 12 readings of other school teams.

Members of the team are Kevin Barnes, Gregg Carr, Everett Greer, Daryl Holman, Rick Jameson, Alison Lyke and Frank Weir.

They're reading selection was "Alice in Wonderland."

The eighth regional winner was Northville's salutatorian, Diane Holdsworth, who picked up first place in extemporaneous speaking. She had won second place in the district.

Northville Township Board Minutes

ANNUAL MEETING
Saturday, March 30, 1968
Northville Township Hall, 107 S. Wing.
Meeting called to order at 1:10 P.M.

Present: Supervisor Merriam; Clerk Hammond; Treasurer Lawrence; Trustees Baldwin, Stromberg, Tellam; Attorney John Ashton. Visitors: Wm. Sliger of the Northville Record and 22 Township residents.

Mr. Merriam welcomed the visitors to the meeting and explained that most Townships have given up their annual meetings, but that this is the only place where you can get down to "grassroots" politics. However, the low attendance at these meetings is discouraging.

Clerk Hammond read the minutes of the meeting of last year, April 1, 1967. Stromberg moved to accept the minutes as read, seconded by Baldwin. Ayes: All. Motion carried.

The Treasurer's report was presented by Mr. Lawrence showing all monies on deposit in the Manufacturers National Bank as of March 15, 1968. These sums are in several accounts, and U.S. Treasury Bills. Mr. Robert Geake moved that the report be accepted, supported by Mr. Mitchell. Mr. Fiorilli questioned what was covered by the amount listed as "Supervisors' other expenses".

Mr. Merriam explained that the biggest expense in that item was the cost of the reassessment of the Township, the rest were routine expenses for travel, meetings, etc. Mr. Merriam explained that in 1931 the Legislature set up a bill whereby counties over a certain population could set up a Bureau of Taxation and remove the duties of the Supervisor in doing the assessing. Only Wayne County has such a Bureau. Land and properties were so valuable in that area, and the density was so great that a uniform method of assessing had to be set up. This has somewhat changed the concept of the Supervisor's position.

Attorney Ashton commented that the assessment officer is an important function, but it is not the main job in terms of actual time spent. The Supervisor is the chief law enforcement officer of the Township and must make certain that the ordinances are enforced. He is also the chief administrative officer and must keep the day-to-day business of the Township moving.

In answer to a question about the increase in pay of the Deputy Clerk, Mr. Baldwin commented that this shows

an increase which was granted to her during the year and includes the cost of the pension plan which was recently put into effect. He said further that the Board is going to review and set up a rate schedule for all employees, including possibly an insurance plan and some type of compensatory sick pay.

When questioned about items of expense in the budget for the Clerk, she explained that they were for meetings, and the rest was for election materials and forms sent out to notify residents of a change in voting precincts.

It was asked if the cost of the lawsuit regarding the Mobile Home Development on Six Mile and Beck Road was "worth it". (It cost approximately \$4,000.)

Merriam replied that that was something each resident would have to decide for himself. However, the Township did not start the suit, but had to defend itself.

There was some discussion about the building inspection department, as to the basis on which our inspectors are paid. One resident said that he objected to the fee basis and suggested that the Board consider a salary basis for these men. Mr. Baldwin commented that we had passed a resolution setting a salary structure and that as yet the fee basis does not reach it.

Mr. Guido questioned the fire protection expense—was there anything in the budget estimate for replacing equipment?

The Township owns a three year old engine, he was told, and is now putting away a certain amount each year to purchase a new one when it becomes necessary. A really thorough study of fire protection is being made in conjunction with the Unification Study, which should be completed about the first of June.

The raise in police costs in the budget was due to the purchase of a new vehicle. The estimate for the coming year includes a figure for the replacement of that vehicle, as well as the usual costs for dog control, veterinarian, etc.

It was requested that next year enforcement officer of the Township and must make certain that the ordinances are enforced. He is also the chief administrative officer and must keep the day-to-day business of the Township moving.

In answer to a question about the increase in pay of the Deputy Clerk, Mr. Baldwin commented that this shows

the Board be empowered to pass on a Blue Cross Plan. Mr. Baldwin commented that the Board is investigating such a plan, and that it already has the authority to make these reviews and changes.

No second to the motion, it was dropped.

RESOLVED BUSINESS

1. Resolution to hold regular Township Board meetings—

Mr. Eugene Guido, supported by Mrs. Wm. Smith, moved to adopt Resolution #68-13 establishing the first Tuesday of each month at 8:00 P.M. for regular monthly meetings of the Township Board. Ayes: All. Motion carried.

2. Bank Resolution (Depository for Township Funds)—

Mr. Harold Price, supported by Mr. Jos. Fiorilli, moved to adopt Resolution #68-20 designating the Manufacturers National Bank—Northville Branch as depository for Township funds for the fiscal year 1968-69. Ayes: All. Motion carried.

3. Township Budget—

Mr. Lawrence spoke briefly, voicing his objection to the budget in the item of the Treasurer's salary only.

Mr. Geake moved to adopt Resolution #68-21 accepting the proposed budget as presented, for 1968-69 and assessing a one-mill tax on the assessed valuation of the Township. Ayes: All but two of the people present—Ayes: Mr. Lawrence and one Township resident—Motion: Carried.

Mr. Merriam then made a number of comments of interest to the meeting, as follows:

The contract with the State Hospital has still not gone through. It has been approved by the Department of Mental Health and now the State Administration Board must approve it.

Of the 57 families who have moved into the Smoker Kings Mill Townhouses, only 23 children enrolled in the Northville schools, which is much less than the average in any other type of development.

The estimate for the paving of Bradner Road was \$17,300 per foot, which was a figure lower than the estimate. The contract was given to the Minestrilli Co.

The lawsuit regarding the Mobile Home Court is being appealed.

The Unification Study is progressing satisfactorily. Separate committees have been set up to study Water & Sewer, Streets, Administration, Finance, Tax Structure, etc., all of which

will be reported to the Board at the next meeting.

Mr. Fiorilli made a motion that the Board be empowered to pass on a Blue Cross Plan. Mr. Baldwin commented that the Board is investigating such a plan, and that it already has the authority to make these reviews and changes.

No second to the motion, it was dropped.

Municipal Court

A Northville man arraigned on two citations for permitting dogs to run at large and a South Lyon man cited for violating the emergency curfew imposed on the area recently were among cases heard by Municipal Judge Philip Ogilvie last week.

Joseph Spagnuolo, 203 Debra Lane, pleaded guilty when arraigned last Wednesday on two citations for permitting dogs to run at large of different dates in March. He was sentenced to pay \$20 in fines and \$2 costs.

Paul H. Meier, South Lyon, cited March 27 for being in violation of the emergency curfew pleaded guilty at this arraignment and drew a \$5 fine.

James T. Assemany, 46400 West 10-Mile road, pleaded innocent when arraigned last March on a charge of using private property (Kroger parking lot) to avoid a traffic light. He was released on \$100 bond until his trial Wednesday. He was found guilty and sentenced to a \$5 fine or two days.

Dennis M. Johnson, Detroit, cited in May, 1965 by State Police for driving in violation of restrictions imposed on his drivers license, was arraigned in court last Wednesday. He pleaded guilty and was sentenced to pay a \$25 fine and \$15 costs or spend eight days in jail.

Medicare Handbook Ready for Delivery

Within the coming weeks, older people in Northville will be receiving a new copy of "Your Medicare Handbook," a new up-to-date guidebook on their Medicare benefits, how the program works, and how payments are made.

Sam F. Test, social security district manager, said the new Handbook highlights the changes enacted in the 1967 social security amendments, improving protection and simplifying Medicare procedures. It has also been made easier for older people to read and understand.

In developing the new edition of "Your Medicare Handbook," Test said the SSA sought the suggestions of elderly readers as well as experts in the field of communications and representatives of professional organizations.

Delivery of the new red, white, and blue edition to the 19.6 million Americans 65 and over will be completed over the next 6 weeks, Test said. In an introductory letter on the inside front cover of the new Handbook, Robert M. Ball, Commissioner of Social Security, reminds older people: "If you need

Motorist Flees, Resists Police

A South Lyon man who staged a running chase with Northville police officers in traffic lanes and adjacent fields along Eight Mile road last Friday night will face examination on a charge of resisting a police officer in Northville municipal court next Monday morning.

Leonard Montgomery, 5528 West Nine Mile road, South Lyon, resisted arrest on a revoked driving charge so strenuously that four officers were required to restrain, handcuff, and remove him to the city jail.

The extended action proved an ordeal for members of Montgomery's family, who were with him in the family car and watched from the roadside while he fought and attempted to flee. Officers called an ambulance for Montgomery's 14-year-old daughter who collapsed during the melee.

According to Northville police, Montgomery was stopped on Eight Mile near Taft about 10:45 p.m. Friday for having a defective license plate light. Unable to produce a drivers license, Montgomery began resisting the officers when they placed him under arrest after he informed them his license had been revoked.

Patrolman Robert Pankow and Auxiliary Officer William Phillips made the stop and the arrest.

Montgomery broke away from the officers as they were walking with him to the patrol car, police said. Pankow pursued the fleeing Montgomery along the roadway, tackled him, resumed the pursuit with Phillips when Montgomery broke free and ran into an open field.

Montgomery was restrained following the prompt arrival of two additional officers. A doctor was called and he was treated at the station for minor cuts and bruises received in the struggle.

Later that night Montgomery plead-

ed innocent when arraigned on a charge of resisting an officer in the performance of his duty. An innocent plea was entered for him and examination was set for next Monday.

Thieves Steal \$7,000 Tools

An array of mechanics' tools and tool cabinets valued at about \$7,000 were stolen from the Barkman Trucking company last weekend.

Northville police said the burglary occurred late Saturday night or early Sunday morning at the firm's facilities at 20787 Taft road. Entry to the building was gained by breaking a window in an overhead door, which gave access to the lock securing the door.

The police report indicated the tools might have been the only objective and that bulk and weight of the tool-loaded cabinets would impose some difficulty in moving. The case is under investigation.

'We Care for Trees As God Cares for Us'

(This is an article prepared by Mrs. L. M. Eaton, member of the Northville Beautification commission, to mark the Arbor Week tree planting ceremony of the Northville branch of the national Farm and Garden association last week.)

"We care for our trees as God cares for us." This is the slogan submitted by Patricia Brown, 10 years old, a pupil in our American school, in a Beautification Commission contest. Wouldn't it be wonderful if everyone felt this way? Trees are such a necessary part of our lives.

Eric Sloane, the author, said, "Some day there will be a law requiring us to plant a certain number of trees each time you buy a new car. For when trees decrease and automobiles increase to the extent of contaminating the air with carbon dioxide, only then will man learn to appreciate the real importance of trees."

LEROY KING, retiring after nine years service on the Northville custodial staff, was honored recently by his coworkers at a noontime ceremony at Main Street elementary school. All 29 members of the custodial staff attended, along with the district's business manager, Earl Busard. King intends to remain in this area. He and his wife live at 47840 Seven Mile road.

SPEAKING for The Record

By BILL SLIGER

Last week this column expressed the viewpoint that Northville teachers are hurting their own cause by failing to begin negotiations in earnest from a reasonable starting point with a three-year pact as an objective.

The Northville Education Association has asked for "equal time" for rebuttal, so we're complying by presenting the teacher viewpoint in the same space.

★ ★ ★ ★ ★

The Northville Education Association was greatly disappointed with the editorial of April 24th which contained generalizations entirely without basis in fact. It is our wish to counter these with some pertinent information.

Northville's teachers are not "drunk with power". That is, not even close. Our efforts to share in the development of an instructional program which would include professional salaries and reasonable fringe benefits can be called "drunk with power". Such "power" clearly was not the teachers' when his image was Mr. Peepers — shy, unassertive, and not very troublesome (or helpful) to the community. Today's teacher has been granted a measure of that power through law; namely, the extension of collective bargaining rights to public employees in 1965. For half a century or more employees in private industry have enjoyed such rights and as a result, from 1939 to 1967 U.S. per capita income grew 114.2 percent. In that same span, however, teachers' salaries in the ten largest cities of this nation grew 39.4 percent. Realizing this, teachers in those cities, including Detroit, joined militant organizations such as the American Federation of Teachers which employs strikes as a tactic.

By contrast, Northville teachers have not joined the militant Federation and do not desire to do so. And, although our teachers withheld services for two days last fall because no settlement had been reached, they also agreed to report for work on two Saturdays as "penalty days". If these are the acts of people "drunk with power", then the teachers who struck for weeks in Detroit and dozens of communities in Michigan must be raving maniacs.

Northville teachers are certainly determined to employ every legal means to develop salary schedules and

LETTERS TO THE EDITOR

'Have Faith in Northville'

To the Editor:

I would like to address this letter mostly to the young people whose letter was entitled "Will you Welcome Negro?"

First let me congratulate you on your Christian, Constitutional ideals, but second let me acquaint you with some Northville ideals.

Before you were born Northville recognized that all people are God's children. One of our first contacts with Negroes was with some fine families from Salem, who lived there and not in Northville by choice because of an historical connection. These residents attended our Northville schools, were a credit to our school and we looked upon them as just some of the kids. Also the Presbyterian Church sponsored a Christian Endeavor at Maybury for a long time. It was our first contact with sick Negroes, Dr. Willis was in charge there and I was in charge of Christian Endeavor and our missionary project was working with not only the children but adults.

One of the great moments in my life was when a Negro man sent for me as he was dying because he wanted to ask God's blessing through me on all those who had made his cross lighter. As he lifted his withered arm toward heaven and prayed I never felt the Almighty's presence closer. And now as many Negroes work in the institutions around us, shop in our stores, bank at our banks, eat in our dining places, have a little faith in Northville people to accept changing times. However, give the Negro credit, too, for deciding what he wants to do, don't try to drag him into what he may not want.

You say let us ourselves not with guns, but with open minds, I agree. However, there is a minority in this town who would like to "play games."

Parent Favors Negro Teacher

To the Editor:

Recent events motivate me to alter my attitude of cowardly silence.

I would like to see some Negro teachers in our schools. Preferably special teachers of music, art, physical education, as these teachers are exposed to the greatest number of children.

Why? As parents we are involved in the process of preparing our children for adulthood. What circumstances and situations are they apt to encounter as adults that in Northville does not prepare them for? I'll leave the answer for you to ponder. None of us know it in full.

During the last few weeks I have expressed this wish to many parents and found that they agree with me. Should a Negro teacher have the courage to come to our community to teach, we give this teacher the support they will require in recognition that they can give our children something we can never give them.

Much of the charm and many of the advantages of living in Northville are due to it's being "apart from the world in some ways. When it comes to the education of our children, we must be "a part of" the world. The world is people; all races. May the world be welcome here, and may we be a vital part of it.

Sincerely,
Mrs. K. W. Dodds

The youngster with the missing teeth in our family, who, like his brother, seldom confides in his father over important matters, suddenly put his arm around my neck and whispered mysteriously, "I'm in purple."

His gapping smile belied the seriousness of the matter so, despite the puzzling comment, I said as fatherly as could be, "That's alright, Joe, but I hope you're not painting spots on snakes again."

He looked disappointed, then said simply, "you're funny, Dad," and skipped off to bed.

Obviously, I'd made a blunder so I put the question to his mother:

"Has Joe been fighting again?"

"No, at least not since Jim gave him that bloody nose yesterday."

"Has he been painting snakes again...his toe-nails, maybe?"

"No."

"Well, then," I said a little impatiently, "what's this purple stuff he's talking about?"

"Oh, that. He's so proud, isn't he. He's advanced to another level. Isn't it marvelous?"

Getting answers around our house is as tough as bagging a wildcat in a paper sack. You're clawed before the job's done. And even after finishing you've accomplished nothing.

"What level? In what? Where?"

"In school, of course. He's reading

"Thanks, son, that answers everything. Go to sleep, now."

Headed by Governor Otto Kerner of Illinois, the commission was made up of hand-picked "moderates", people neither of the left or right, but distinguished for their independent judgment. There is a reasoned, but urgent voice.

Much has been made of the report's lashing indictment of the police, who are viewed by Negroes as the symbol of white oppression. But the press, likewise, has not lived up to its responsibility, and was, in its own way, an accessory to the riots, the report concludes.

Just how did mass media — newspapers, television and radio — fail?

In the first place, the commission found "a significant imbalance between what actually happened in our cities and what the newspaper, radio and television coverage of the riots told us happened." Things had been exaggerated — a charge often leveled at mass media.

The commission assumed the media had "sensationalized the disturbances."

What was discovered, however, was that the facts proved otherwise. The press had not sensationalized.

Yet, the press was not absolved of its guilt. There were instances of "gross flaws in presenting news of the 1967 riots." There were "scare" headlines unsupported by mild stories. Damage estimates far outstripped reality. Here, the supposedly alert press had dropped its guard and accepted official statements as fact, when indeed, the press should have questioned.

The press — especially TV — was also criticized for tending to "define the events as black-white confrontations," when they were, as exhaustive surveys and analysis proved, not "race riots."

Closely allied to these deficiencies and further explaining the press' failure is the "cumulative effect," the tendency of riot reports to snowball in the consumer's mind, and the fact that fear of racial unrest are "deeply rooted in American society," the report

"What color is tops? Gold?"

"Sure, I'm proud. I thought, worrying a little about those words 'improving' and 'getting better.' But does that mean he's been behind? I asked myself. When I was in school, the words 'Jackie's getting better' was the teacher's polite way of saying, 'he's a lousy pupil but there's still hope.'"

I decided to pursue the subject with my son.

"Joe, I'm really proud of you. Mother tells me you are doing just great in reading. But can you tell me a little more about being 'in purple.'"

These Senior Citizens Spurn Inactivity

LANSING) A do-it-yourself Senior Center in Lansing, near Calumet in the Upper Peninsula, provides proof that many retirees are years away from checkers and chess. The center, dedicated February 1, 1968, was built by volunteer labor. Average age of volunteers was 74.

The building, a former warehouse donated by a local citizen expressly for senior citizen activities, was completely remodeled by retired plumbers, carpenters, electricians and other tradesmen. More than 40 men contributed about 4,000 man hours to the project. Many who could not contribute labor purchased sheets of paneled and other material. Some of the cost was financed by a government grant.

The community also has taken an active interest in the center. Townspeople bought building materials, organizations and individuals participated. A church and a service club donated dishes.

Social Security's Not Insurance

BABSON PARK, Massachusetts — Since it became operative more than 30 years ago, the social security system has grown like all get out. Most of us take it pretty much for granted. We are encouraged and elated when ever Congress sees fit to increase benefits, and we grumble only half-heartedly when Congress votes a boost in the social security tax.

Perhaps we would be more deeply concerned for its future (and ours) if we knew that social security is not really retirement insurance. Right now social security is obligated to pay out some \$400 billion. However, its reserve is scarcely more than 5% of that amount!

What, then, has happened to your social security tax payments? The answer is quite simple: These payments are channeled into the U.S. Treasury, along with other tax money, and used as Uncle Sam sees fit. Hence your future social security benefits are not being financed by your tax payments of today. That money is being paid out to older Americans already drawing benefits.

BOTH MINIMUM and maximum benefits under social security have increased a number of times. Of course, more people are receiving more dollars from the system than ever before. But the return relative to social security taxes paid is still disappointing.

Though their benefits may have been small compared with those avail-

able today, workers who retired during the early years of the program have actually collected many times their contribution. But as the program has advanced more people have come to support it who have outpaced the return from it.

RIGHT NOW, the average young worker could buy — from a private insurer — a combination life-insurance-and-retirement policy that would provide him a much better return than he will get from his social security. Hence, compulsory social security as we have it today is unfair. We and our employers combined should have the choice of making payments for social security either to Uncle Sam or to an insurance company.

Another inequity in the present system which cries for change for correction is the inhumane, and social ruling which forces a post-65 worker to forego his full benefits until he reaches 72 if he earns more than \$1680 per year in wages. Yet, retirees who have income from sources other than employment are not similarly penalized.

THE REAL JOKE in social security is the lack of a sufficient reserve to assure payment of benefits over the longer term. When the system expected that a steadily increasing population would provide an ever greater number of taxpayers, it was also expected that constantly expanding productivity would provide these

workers with more dollars to pay into social security.

But earlier plans for ever more taxpayers and perpetual productivity advances seem to be going awry. In recent years, the nation's birth rate has plunged... a new low last year. Ever-mounting cost-push inflation has been curbing America's wanted productivity gains. Projecting these adverse trends — and there's no reason not to —

we shall run smack into a situation shortly after the year 2000 that may bring the death knell for social security. For, by that time, the war babies of the 1940's will be going away in large numbers will be legion. But the taxpayers who will have to support them will be small in mass, relative to a then huge army of pensioners. Will the youthful taxpayers rebel at carrying the heavy burden for those over 65?

Men paroled from Michigan prisons have fewer problems adjusting to community life than those paroled five years ago, Gus Harrison, Director of Corrections, notes that in the early 1960's, about 40 percent of those paroled ran into problems which resulted in their return to prison. By 1965 the average had dropped to 34 percent.

Harrison, encouraged by this trend, says, "There are too many variables which might explain it. But we think it is a hopeful sign when programs which we believe should do good are followed by improved community adjustment. If further new programs are followed by continued improvement in parole success, we are going to be greatly encouraged."

Some of the new programs cited by Harrison are more intensive efforts in educating and training young offenders, a work-furlough program, group

LABORATORY TESTS by Michigan State University detected certain levels of DDT residues in the dead coho fry which exceeded levels reported in New York and Canada. Researchers there attributed heavy fry mortality to pesticide residues.

Although additional research will be conducted, the department theorizes that pesticide residue is absorbed by the parent salmon during the 18 months it spends in Lake Michigan. A portion is concentrated in the fatty material of the eggs, and these concentrations affect the fry during the brief period in the

life cycle when the last of the fatty material is assimilated into its system. Stop-gap measures are being taken in an attempt to reduce the loss, but the only way to solve the problem at its source is to reduce substantially the present pesticide level.

If this is not done, the department stresses, the future of the coho and similar species of fish surviving in Michigan waters is doubtful.

"PINK SLIPS" of dismissal were given to 374 civil service employees in 1966, almost 10 percent of the 39,345 total workforce that year. A similar percentage is expected when 1967 records are compiled.

Frank K. DeWald, personnel director of Michigan's state service sys-

tem, points out that only three of the 374 were reinstated by action of the commission. This, he says, suggests that civil service does not overprotect employees. The notion that "it's impossible" to be fired from a civil service job is often expressed by the public.

DeWald notes that less than four percent of those discharged in 1966 appealed to the commission. Another 18.8 percent of employees resigned in 1966, and DeWald estimates that about half of these resigned rather than face removal proceedings.

Either employees or state administrators have the right to appeal a commission decision to the Supreme Court.

TV Hits: League-Leading Tigers

Going over program details for a Detroit Tiger telecast is the man who heads up the Tiger television programming, Neal K. Fenkell, and

telecasters Larry Osterman and George Kell (l. to r.). Fenkell is well known in the area as a resident of Plymouth.

The front-running Detroit Tigers are hosting their closest competitors (Wednesday and today), the Minnesota Twins, before wrapping up the current home stand against the California Angels with games Friday night, Saturday and Sunday.

This Saturday's game will be televised over WJBK-TV channel 2 beginning at 2 p. m. Next week Telecasters George Kell and Larry Osterman will be on the job for three games, Wednesday night from Baltimore, Thursday night from Washington and again from Washington Saturday afternoon.

A special "awards night" will precede this Friday's game at Tiger stadium involving six Tiger players.

Tom Matchick will receive a trophy for being named as the All Star shortstop in the nation's Triple A leagues as a member of the Toledo minor last year.

Joe Sparma will be honored as the "graduate of the year" by the American Amateur Baseball Congress.

Willie Horton will be given the Liberty Bell Award by the Detroit Bar Association and a personal portrait by Sports Scene magazine.

Catcher Bill Freehan will be given the "Tiger of the Year" award by the Detroit Baseball Writers Association, as well as a "Gold Glove" trophy as a member of the All Star best fielding team in the American League.

Earl Wilson and Al Kaline will receive plaques as members of the American League All Star team and Kaline will also receive a "Gold Glove" trophy. It is the tenth time, out of a possible 11, that Kaline has been given the "Gold Glove" award for his outstanding fielding.

A special guest at Friday night's game in Tiger stadium will be Joseph Cronin, president of the American League. He'll present a special award to Kaline for playing in 2,000 big league games. Kaline reached the 2,000-game mark last week. His entire big league career has been as a member of the Tigers.

Also taking part in the awards' program will be former Tigers Steve Gromek, Billy Bruton, Vic Wertz and George Kell.

The awards' ceremonies begin at 7:45 p.m. and the game at 8 p.m. Saturday's game starts at 2:15 p.m. and Sunday's at 1:30 p.m.

He Keeps 'College Bowl' Rolling

Learn by Reading...

Ivan Ludington, sponsor of the "English in Every Classroom" project for non-readers, will be a featured guest on Channel 50's Lou Gordon Program, Sunday, May 12, at 10 P.M.

Mr. Ludington, president of the nation's largest newsdistributing firm, and Dr. Daniel Fader, author of *Hooked on Books*, will explain the basic philosophy of their program—"Let them read anything as long as they read." Mr. Ludington has donated an unlimited supply of magazines and paperback books to 139 schools in the Detroit area alone. The program, designed to help children whose built-in distaste for books handicaps them in almost every area of life, has been a phenomenal success in its two years of operation.

...Or by Singing

There are many ways to learn about other countries. One is through the native songs. An elementary school choir director shows how her students learn about other countries by singing *Muscle Round The World*, to be presented Sunday, May 5, at 11 A.M. on WJBK-TV 2.

Miss Joan Knoetzer, director of the U-M Festival of Song, conducts the John Allen Elementary School Choir on this musical world tour. To bring the choir up to performance level, Miss Knoetzer rehearses the children in the more difficult sections of each song, pointing out to them the intricate rhythms and translating phrases from foreign language songs so that they will have more meaning for the choir.

The choir sings "Early One Morning" from England; "Du Du Lileget Mit'm Herzen" from Germany; "Meadowlands" from Czechoslovakia; "Don Gato" from Mexico; and several other selections. *Round The World* is produced by the University of Michigan Television Center.

Robert Earle, the only permanent cast member of NBC Television Network's "G-E College Bowl" color series (Sundays, 5:30-6 p.m.) maintains a modest opinion of his important role.

As moderator of the series, he keeps the intercollegiate game of questions-and-answers moving at a fast pace, and his interpretation of the role has earned him high praise from viewers and critics alike. Yet, Earle insists that he has little to do with making it a good show. "Actually," he says, "I'm the person who asks the questions. The youngsters (student members of the competing teams) who give the answers are the ones who make the show. In fact, they are the stars."

Earle made his TV network debut as moderator of "G-E College Bowl" Sept. 23, 1962 after 16 years' experience as a broadcaster, college teacher and communications specialist. He was born in Batavia, L. I. N.Y., Jan. 5, 1926. After completing high school, he enlisted in the Navy. He served as a radio operator, an amphibious warfare specialist in the Pacific, and what he describes as "probably the first disc jockey on Pavlov," an island north of Guadalcanal.

After his Navy duty, Earle enrolled at Mohawk College, Utica, N.Y., and also began his broadcasting career when he obtained a part-time job as a radio announcer. He received a B.A. in English in 1951 from Utica College or Syracuse University—where he later was honored (1964) when the College named him its "Alumnus of the Year."

In 1953, Earle was appointed assistant professor and chairman of the Radio and Television Department of Ithaca College (N.Y.). He resigned from that position in 1959 to become a communications and community relations specialist with the General Electric Company at the Advanced Electronics Center, Cornell University. In 1961 he was promoted to manager, Data Communication and Community Programs, in addition to his current role on "G-E College Bowl." Earle also does educational films and commercial work

for General Electric and recently started doing the voice part of various TV commercial messages.

Earle was married to Marion Hanna

of Utica on March 29, 1948. They live in Ithaca with their four children, Brian, 18; March, 16; Thomas, 14; and Mary, 5.
