

Wedding Gown Worn Third Time

MRS. WESLEY WILLIAM BARA

Margaret Susan Jones became the bride of Wesley William Bara in a 2 p.m. ceremony Saturday at the Northville Presbyterian Church. The Reverend George P. Jerome performed the ceremony which was held amidst baskets of gladioli, stock, and chrysanthemums. Baskets of flowers stood on each side of the altar with similar flowers in a long arrangement on reredos. White candles completed the decorations.

The bride is the daughter of Mr. and Mrs. Albert E. Jones of 43550 Six Mile Road. The bridegroom's parents are Mr. and Mrs. Joseph Bara of Bloomfield Hills.

Mr. and Mrs. William G. Williams provided the music, with Mrs. Williams accompanying her husband on the organ. The songs chosen were a Wedding Benediction and Handel's "Wedding Hymn" from Prolemy.

The bride was given in marriage by her father. She wore her mother's gown of candlelight satin which was previously worn by her sister Carol. The gown has a sweetheart neckline with long pointed sleeves and tiny buttons down the back. It featured a long floor length train.

She wore a fingertip veil held in place by a petal headpiece. The flower was fashioned from tulle and seed pearls. She carried a cascade bouquet of red roses and ivy.

Carol Jones Iannone, sister of the bride, served as matron of honor. Bridesmaids were Allyn Coenan and Karen Patnode, friends of the bride. All three attendants wore the same long dresses of pale pink starchinlet over deeper pink sheaths. They were trimmed by a border of white daisies with pink centers around the short sleeves, yoke, and bottom of the skirt. They wore headpieces of ivory circlets caught in back by bows which matched the ribbons of their corsages. The flowers were large nosegays of deep pink daisies.

Donald Bara, on leave from the U.S. Navy, served as best man. Ushers included the bride's brother, Jack Jones, her brother-in-law, Richard Joannise, and David Coenan of Ardena. For her daughter's wedding, Mrs. Jones chose down grey chiffon over a pink crepe gown with a ruffled neckline and long sleeves. She wore a pink ruff hat and grey shoes to match her bag. The bridegroom's mother wore a champagne silk trimmed in sequins, with matching accessories. They both wore corsages of cymbidium orchids.

Following the ceremony a reception was held in fellowship hall, with 130 guests attending from as far away as Pennsylvania, Florida, Ohio, and Illinois.

Earlier, the bridal party was

entertained at a pre-rehearsal dinner at the Hillside Inn by the bridegroom's parents.

The new Mrs. Bara is a recent graduate of Michigan State University and her husband is still attending the same school. Following a short trip the couple plan to make their home at 1101 Dakin Street in Lansing.

Gets Top Girl Scout Post

Mrs. Leonard L. Klein, of 18450 Fermanugh court, has been appointed coordinator of Senior Girl Scout Service Aide training, for the Huron Valley Girl Scout Council.

Through the Service Aide programs, Senior Scouts—the teenage members of the Girl Scout organization—explore vocations by receiving extensive training in one of fifteen areas and then give a minimum of fifty hours of service in that area, under adult supervision. The Senior Girl Scouts can choose animal care aide, handicapped persons aide, library aide, museum aide, teacher aide, hospital aide, and nine other fields that might lead to careers for them.

As coordinator, Mrs. Klein will be responsible for setting up training courses for Senior Scouts from throughout western Wayne, Washtenaw, and Livingston Counties.

U-M Graduates Wed Here

At a small family ceremony held in the bride's home, Susan Elizabeth Greiger became the bride of Tuncay Yasar on June 8. Susan is the daughter of Lieutenant Colonel and Mrs. Allen J. Greiger of 16080 Northville Road. Parents of the groom are Mr. and Mrs. Suleyman Yasar of Gaziantep, Turkey. The wedding was performed by the

MR. AND MRS. TUNCAY YAZAR

Reverend Timothy C. Johnson, assistant pastor of the Northville Presbyterian Church.

The bride, given in marriage by her father, wore a floor-length gown of crepe chiffon. Chiffon covered an A-line skirt of slipper satin which was embroidered with rose appliques. Another sister, Janet Greiger, and Brigitte Seindler assisted at the reception. Rainer Teichert, a friend of the bride groom, served as best man.

Following the wedding, a buffet supper was held in the Greiger home. A three-tier wedding cake was made by Mrs. Rollin Woodward.

For a wedding trip to St. Louis, Missouri, the new Mrs. Yasar chose a black and white voile dress. It was worn with a red faille coat and black patent accessories.

The bride is a graduate of the University of Michigan and American College in Paris. Her husband has graduated from the University of Istanbul and is now majoring in geophysics at the St. Louis University graduate school.

bridal illusion. For a bouquet the bride carried a wreath of white carnations and red sweetheart roses.

Serving as maid of honor was Nancy Lynn Grieger, sister of the bride. She wore an A-line dress of sky blue lace over satin and a white cymbidium orchid corsage. Another sister, Janet Greiger, and Brigitte Seindler assisted at the reception. Rainer Teichert, a friend of the bride groom, served as best man.

about Women and the family

IVAL ANN COX

CAROLYN COCKIN

Announce Engagements

Mr. and Mrs. Clarence J. Cox of 50165 West Eight Mile announce the engagement of their daughter, Ival Ann, to Steve Pierce. Mr. Pierce is the son of Mr. and Mrs. Joseph Dwayne of Plymouth. An October 26 wedding is planned.

The engagement of Lonna Dee Pelton to Michael Bloom of Panama, is announced by her parents, the Orville Peltons of Clark Street, Novi.

The bride-elect, a 1961 graduate of Northville High School, is an alumna of Antioch and Goddard Colleges, and the Merrill Palmer Institute of Detroit. After completing three years of Peace Corps service in South America, she is currently in Honors College at Michigan State University.

Her fiancée, the son of Mr. and Mrs. Morton Bloom of Toms-River, New Jersey, is a graduate of Dartmouth and is presently serving as a U.S. director on the Peace Corp staff in Panama.

A September wedding is planned.

Mr. and Mrs. Kenneth A. Cockin of 376 First Street announce the

Births

Mr. and Mrs. Gerald A. Schnute of Livonia announce the birth of a 6½ pound daughter, Karen Kay, on June 15 at Sinai Hospital. Karen joins two brothers, Scott four and Steven two.

Grandparents are Mr. and Mrs. John VanTil of Detroit and Mrs. Arthur Schnute of Northville. Great-grandfather is Mr. Henry Schnute.

Mr. and Mrs. Daniel Jack Bowen of 313 Ely Drive announce the birth of a son, Daniel John on June 2. Danny, who was born at St. Mary Hospital, has four older brothers aged 14, 13, 11, and 8.

Mr. and Mrs. Brian Mellen of 179 Springpark, Walled Lake, announce the birth of a daughter on June 6, at Botsford General Hospital.

Named Victoria-Lynn, the baby weighed four pounds and three ounces. She has one older sister, Christine, who is 16 months old.

Grandparents are Mr. and Mrs. George Mellen of 205 East Baseline, and Mr. and Mrs. John Prechsky of South Lyon.

Jaycettes Name 10 Junior Miss Hopefuls

Names of the 10 entries in the Little Miss contest, to be held as part of the annual Fourth of July festivities, were announced this week by the Northville Jaycee Auxiliary.

The winning Miss and her court will ride on the Jaycee float in the big Fourth parade.

According to the contest chairman, Mrs. Russell Anger, the contestants who qualified by the June 17 deadline were:

Kathleen Alkire, 3½, of 316 South Wing; Kristine Baggett, 4, of 20516 Westview Drive; Kristie Bell, 3, of

18977 Beck; Sheri Bongiovanni, 5, of 232 South Center; Debra Chisholm, 5, of 768 Grace; Carol DeBoutte, 3, of 117 South Rogers; Pamela Erwin, 5, of 20930 Chigwidened; Rhonda Kocian, 4, of 625 Griswold; Ann Marie Vinyak, 5, of 50855 West Nine Mile; and Kristie Walker, 3, of 40000 West Eight Mile.

The Little Miss will be crowned prior to the parade. Her selection will be determined by penny votes cast in canisters to be located in several downtown business places.

Canisters, each showing a picture of the contestant, will be in these stores on these dates:

Little People Shoppe, Friday and Saturday, June 21 and 22; Convenience Food Mart, Sunday, June 23 and 30; D&C Store, Monday and Tuesday, June 24 and 25; Northville Drug, Wednesday and Thursday, June 26 and 27; Kroger, Friday and Saturday, June 28 and 29; Del's Shoes, Monday and Tuesday, July 1 and 2.

There is no limit on the number of times a resident may cast penny votes for their favorite Little Miss contestant, according to Mrs. Anger.

Besides riding on the Jaycee float, the Little Miss winner will receive a \$10 gift certificate.

Mr. Robert Sieting, Mrs. Alfred Leonard, and Mrs. Leonard Leutkne were chosen as executive board members.

Mrs. Charles Denune and Mrs. Howard Wright will attend the state convention in Lansing as delegates in July. Later, in August, the installation of the newly elected officers will be held jointly with the Post.

David Kenger, a sophomore at Northville High School, was elected president of the Methodist Youth Fellowship. He was installed on June 2 along with other officers. They are Leanne Steeper, vice president; John Steinel, treasurer; and Chris Becker, secretary.

Currently, the new officers are planning a fund-raising trip to the Detroit Zoo. They hope somehow, to raise enough money to send five persons instead of four on the annual peace seminar to be held early next year in the east.

Teens On The Go

Whether they are touring Asia or merely climbing up to the Swim Club, there can be little doubt that Northville's young people will cram as much activity as possible into these next few summer months. This vitality can be seen everywhere, from the Caven, to the race track, to McCarthy for president headquarters in downtown Detroit. Northville students have always exploited their summer freedom, and it is all ready evident that this summer will be no exception.

On Saturday morning Bill Davis, 719 West Main Street arrived home for a weeks visit with his family. He brought with him a house guest, Patty Vitello, who also is attending Wesleyan College in New York. At the end of the week Bill returns to his summer job in Cambridge, Massachusetts, where he is employed by a credit card manufacturer. Gary, Bill's older brother, also has a friend visiting this week. She is Tricia Lewis from Dayton who arrived Tuesday to stay for a few days. Tricia is a junior at Wooster, where Gary has studied for the last two years.

Four Northville girls traveled to New York last week to visit Sally Winner, who is now employed as an air-line stewardess with American Airlines. Linda Bolton, Sandy Parmenter, Sherry Myer and Gail Ninder left Wednesday for a four-day reunion with their old friend. All four of the girls graduated from Northville High School in 1966.

Quite a few students are going to Europe this summer, but few are traveling on a program as interesting as Linda Secord, a sophomore at Schoolcraft. Linda is part of a class of 24 students from Wayne State and Schoolcraft who are going abroad on a geography field trip. The students are leaving June 25 for a seven week tour of western Europe. They'll arrive in Amsterdam and then tour Germany, Austria, Italy, Switzerland, France and England. While traveling they will try to combine anthropology with botany and upon returning, they will work their observations into a paper. This paper will complete the requirements of the course.

Linda, who has worked two years for this trip, is understandably excited. She is also anticipating college this fall, for she is transferring to Eastern Michigan and plans to work for a degree in elementary education.

Finally, Margaret Godley of 438 Eaton is leaving next Thursday for a summer job in Mackinaw City. She will be working with other college students, at Jan's Restaurant, part of a local

summer resort. Margaret has landed a job at the cash register where she expects to remain until late August, when she returns home for school.

As an added note, the Girls Incorporated and the Necessary Rhythms will be playing at the Plymouth High School Wednesday, June 26. All Northville teens are invited to attend.

Get 'em While They're Hot

Because sales are high during summer months, officials of the Northville Town Hall Lecture Series urge interested persons to purchase their tickets now before they become scarce.

Season tickets for the five-lecture series are \$10 and are payable by check to Town Hall, Box 92.

The series will open October 17 with Bess Meyerson speaking on "The Distaff Side."

Celebrity luncheons for the 1968-69 season will be held at the Mayflower Meeting House in Plymouth.

DAR to Donate Bridge Receipts

There'll be some mighty appreciative underprivileged children soon thanks to an annual project of the Sarah Ann Cochran Chapter of the Daughters of the American Revolution.

In naming winners of its annual round-robin bridge marathon this past week, the chapter revealed that \$360 had been raised for underprivileged school children as a result of the bridge marathon played from September through May.

Money raised—after expenses and prizes—goes to one of several schools supported by the DAR for the underprivileged. Monies first go to the state and then the national organizations for allotment to one or more of the schools.

Among the schools are the Kate Duan Smith DAR school located in Marshall county, Alabama, named in honor of the president general, and the Tamasee DAR school at Tamasee, Georgia.

"Everyone's welcome," Mrs. Sample emphasized.

State CAR Meet Here

Michigan Society of Children of the American Revolution met for a board meeting and an all-day picnic at the home of Mrs. George Merwin, 43461 Cottisford, on Saturday.

About 50 members from throughout the state gathered for swimming and a potluck luncheon. The event was sponsored by the local Plymouth Corners Society.

Another potluck luncheon was held at the Merwin home on Monday.

Betty Klein Gets Second TAR Term

For the second time in two years, Betty Klein has been elected president of the Teen Age Republican club in Northville. Betty, 17, is the daughter of Mr. and Mrs. Leonard Klein of 18450 Fernanough Court.

Other new officers were also chosen in the annual elections held earlier this spring. They are: David Kenger, first vice president; Rick Suckler, second vice president; Barb Cuppett, secretary, and Sally Slinger, treasurer.

The first big project facing the new officers will be the Republican camp which is to be held later this summer in Fenton. TAR's from all over the state will meet at Camp Capeonic from August 29 to September 2 in order to study the political arrangement of the Republican party. The campers will have lectures and work sessions climaxed by a mock political rally in which Doug Waldren of Northville, is running for governor.

Also attending from Northville will be Lynn Rathert, John Stopper, Dave Kenger, and Betty Klein.

Other TAR plans this summer include door-to-door canvassing and council meetings with various congressional representatives. Several fund raising projects are in the offing and plans for bake sale and an airplane wash are now being investigated.

In the future TAR's are hoping to organize a swimming party and perhaps a fall trip to Washington, D.C., but arrangements for these activities have not yet been completed.

Legion Elects Commander

With one of the largest turnouts of the year on hand, new officers of Lloyd H. Green Post 147 of the American Legion were elected last week.

Outgoing Commander Dave Bell, who turned the gavel over to Howard Wright, received special commendation for an exceptionally fine tenure. Under his leadership, the post membership drive surpassed the 200 mark.

Taking over post leadership with Wright are: Robert Pohlman, senior vice-commander; Al Leonard, junior vice-commander; Walter Hammond, finance officer; Ruth Knapp, historian; Richard Bargett, sergeant at arms.

Delegates to the Department Convention and the 17th District meetings are Bell, Wright, Pohlman, Dave McDougall, and George Whitesell. Alternate delegates are Huston Butler, Leonard, Bargett, Robert Seiting, and Tom Moxie.

Elected to the board of trustees for three-year terms were Wright and Bell; to two-year terms, Dave McLaughlin and Don Severance; and to one-year terms, Charles Denune and Pohlman.

Officers of the board are Severance, president; McLaughlin, vice-president; Wright, secretary; Denune, treasurer; Bell, trustee; and Pohlman, trustee.

OBITUARIES

VIOLA BURGESS
Mrs. Viola Burgess, 74, of 355 East Main Street, died June 17 at University Convalescent Home in Livonia following an illness of seven years.

Born September 14, 1893 in Kalamata, Greece, she was the daughter of Peter and Constance Bakis. Her husband, Christ, died in 1958.

A resident of Northville since 1920, she was a member of the Lloyd H. Green Post 147 of the American Legion Auxiliary.

Mrs. Burgess is survived by two daughters, Mrs. Constance Ellen Wahlberg of Plymouth and Mary Ellen Hosier of Westland; one grandchild, Jeffrey Hosier of Westland; a sister, Mrs. Georgia Balalas of Detroit; and a brother who is living in Greece.

Funeral services will be held today at Casterline Funeral Home beginning at 10 a.m. Officiating will be Rev. David T. Davies of St. John's Episcopal Church of Plymouth. Burial will be in Rural Hill Cemetery.

was recuperating at home when stricken and rushed back to the hospital.

A resident of Northville for 47 years, Mrs. Denton is survived by her husband, Joseph, retired Northville police chief; one daughter, Mrs. Carl (Pearl) Stephens of Northville; and two sons, Carl of Poststown, Pennsylvania, and Raymond of Southfield, Michigan; and four grandchildren and one great grandchild.

Mrs. Denton was born March 4, 1888 in St. Ives, Huntingdonshire, England to James and Emma Walton Stocker. She was a member of the First Presbyterian church, Orient Chapter No. 77 of the Eastern Star, life member of the Northville Garden Club, and Kings Daughters of Northville.

The Reverend Timothy Johnson officiated at services. Burial was at Rural Hill Cemetery.

FRED C. HEIDT
Funeral services were held

CLARK M. HOLDSWORTH
Arrangements were made by Casterline Funeral Home for graveside services Saturday morning for Clark M. Holdsworth, age four, at Rural Hill cemetery in Northville. Clark was struck by an automobile on June 12 and died at Hinsdale hospital in Hinsdale, Illinois.

He was the son of Mr. and Mrs. William M. (Eleanor Helmbold) Holdsworth, Jr., of 4921 Whiffen Place, Downers Grove, Illinois, and was born November 29, 1963 at Park Forest, Illinois.

Clark is survived by his parents and a brother and sister, Arthur and Dawn; and grandparents, Mr. and Mrs. William Holdsworth, Sr., of Bloomfield Hills, and Mr. and Mrs. Robert Helmbold of Pittsburgh, Pa.; and a great grandmother, Mrs. Arthur Lisenberger of Northville.

Officiating at the graveside services in Northville was the Reverend Paul Fredricks of Bloomfield Hills.

KENNETH J. MOOMEY
Kenneth J. Moomey, a resident of 8077 Chubb road in Salem, died Saturday at the age of 51 in the Veterans Administration hospital in Ann Arbor. He had been ill for several months.

Born July 15, 1916 in Moline, Michigan to Jacob and Luella Raab Moomey, he is survived by his wife, Angeline, and four children, Sons Dan and Tom reside at home, while Kenneth, Jr., is in the armed services and daughter Sandra Lee Nalley resides in Muskegon. Also surviving is the father, Jacob, of Grand Rapids and a brother, Lloyd of Salem, and three grandchildren.

Funeral services were held Tuesday at 1 p.m. at the Casterline funeral home with the Reverend Rex Dye of the Salem Baptist church officiating. Interment was at Salem-Walker cemetery, Salem.

FLORENCE M. DENTON
Funeral services were held last Friday at Casterline Funeral Home for Mrs. Joseph Denton, 503 Randolph street. Mrs. Denton died suddenly at St. Joseph Hospital in Ann Arbor Wednesday, June 12. She had returned from the hospital a week previous and

Wednesday afternoon at the St. Paul's Lutheran church in Northville for Fred C. Heidt, 82, who died Sunday. A resident of 435 West Lake street, South Lyon, Mr. Heidt has been in ill health for three years and resided at Northville Convalescent Home at the time of his death.

Mr. Heidt was born August 31, 1885 in Detroit to Julius F. and Anna Marie Most Heidt. His wife, Mathilda, died in 1966. He is survived by one daughter, Barbara Heidt of South Lyon; and four sons, Darold of Dexter, Wilford and Raymond of South Lyon, and Fredrick and Arnold of Plymouth; and 14 grandchildren and 18 great grandchildren. A retired farmer, Mr. Heidt had been a resident of the South Lyon community for 43 years. He was a member of St. Paul's Lutheran church.

Funeral arrangements were made by Casterline Funeral Home and the Reverend Charles F. Boeger officiated at the church services. Interment was at Glen Eden Cemetery in Livonia.

DRAWING—With Northville Judge Philip Ogilvie doing the honors as Proprietor Claude Smith looks on, the 15 winners of the Northville Hardware Grand Opening drawing were picked this week. Top prize—a push-button Wonder Reel went to Gary Beason of 18740 Valencia.

Announces Winners

Gary Beason of 18740 Valencia is the top winner of the drawing conducted this week at the Northville Hardware as part of the firm's grand opening celebration. The top winner will receive a push-button Wonder Reel.

Other winners and their prizes are: Joan Ashby, 765 Grace street, electric drill; James Fowkes, 103 Ely Drive, buckskin gloves; Mrs. Penny Mackay, 21366 Stanstead, steam and dry iron; John Ellis, 1565 Naylor, Union Lake, electric can opener; Jean Cornillie, 623 University, Grosse Pointe, alarm clock; C. Luchtman, 557 Orchard Drive, Joan M. Angle, 118 Linden, Harold W. Schmidt, 2017 Woodhill; Carol Neutz, 18231 Jamestown Circle, and A. Kobierzinski, 4375 West Six Mile Road, each won color antiquing kits;

Carl Schick, 164 East Cady street, archery set; John Jerome, 743 Horton, jet plane; and Arthur Hall, 23254 Inkster, New Boston, flying moon craft and space game; and Mrs. Ray Schuchard, 9060 Napier road, buckskin gloves.

Corliss Hugg Graduates From Lutheran Seminary

Miss Corliss Hugg, daughter of Mr. and Mrs. Francis Hugg, of 8637 Napier Road, has graduated from a private college-preparatory high school in Saginaw, the Michigan Lutheran Seminary.

Her extra-curricular activities included: three years on the twirling team, four years in intramurals (among them as captain), two years of Forensics (progressed to finals in the regional competition in original oratory class), two years at school representative on the Saginaw Valley Youth Council, and also member of the staff of the school newspaper, the "Red and White."

Miss Hugg will continue her education at Schoolcraft College.

Lessons Start Monday

All Swim Club Pools Open

All three pools at the Northville Swim Club, including the spray pool for little tots, are in operation this week, according to John Pheneey, new pool manager.

Lessons will start Monday for beginning, intermediate and advanced swimmers as well as junior and senior lifeguarding classes. Adult swimming instruction also will be offered, Pheneey said, if enough sign up. Diving instruction also will be given.

The pool is open daily from 10 a.m. to 10 p.m. The club swim team

for interested youngsters up to and including 16 years old practices from 8 to 9 a.m. Lessons are given from 9 to 10 a.m.

Pheneey is a physical education major at the University of Michigan and commutes from Ann Arbor. He previously attended Henry Ford Community College and University of South Carolina on swimming scholarships. He also attended Fork Union Military Academy in Virginia.

His assistant this year is Gary Davis, son of Mr. and Mrs. William Davis of West Main Street. He is a

student at Worcester College in Ohio and served as a guard at the club last season. He will be teaching the lifeguarding classes.

Returning also this season will be Stacey Evans, a guard and beginners' swimming instructor. Others on the staff are Bob Foley, who plans to attend Cornell University this fall and who will be assistant swim coach; Kyle Stubbenvoll, who returns as desk clerk; Liz Kerr of Novi; Ed Woods, a Redford Union graduate who plans to attend Schoolcraft; Abie Curry, of Florida Junior College; Cindy Hayward, a Northville senior who will teach diving Monday, Wednesday and Friday mornings at 9 a.m. One more guard still to be hired will complete his staff, Pheneey said.

Northville City Council Minutes

The regular meeting of the Northville City Council was called to order by Mayor Allen at 8 p.m., Monday, June 3, 1968, at the Northville City Hall.

Present: Allen, Black, Carlson and Lapham.

Excused: Nichols, joined meeting at 8:55 p.m.

Minutes of the May 21, 1968, were approved printed, with three minor typographical errors.

Moved by Lapham, support by Carlson, that bills in the following amounts be paid:
General Fund.....\$39,177.41
Water Fund.....5,933.94
Street Fund.....932.51
Unanimously carried.

Robert Isom, 624 Reed, spoke regarding the possible closing on June 1, 1968, of the Convenient Food Mart. The City Manager and the City Attorney are meeting Tuesday, June 4 regarding the method of dealing with specific items not achieved by the June 1st deadline.

The Planning Commission Minutes of May 21 and 28, 1968 were placed on file.

The City Attorney briefed the proposed Ordinance by reading various sections, as it was published in the Northville Record; the referenda portion was explained in detail.

Paul Dawson, Northville Estates, had a question regarding one section on discrimination, which the attorney answered.

Arthur Adams, Allen Drive, asked why the necessity of a local ordinance as it is almost certain that a State ordinance will be passed. The City Attorney explained that the State bill has not been signed as yet; also it is more satisfactory for a municipality to have their own ordinance.

Moved by Black, support by Lapham, to adopt Ordinance No. 143 (Open Housing and Civil Rights), effective upon adoption; and this ordinance to be re-printed in summary form in the Northville Record. Unanimously carried.

After the Public Hearing on the above ordinance, the meeting recessed from 9:30 to 9:35 p.m.

Moved by Black, support by Carlson, to have Public Hearing on Lot 56, Assessor's Northville Plat No. 6, to consider re-zoning from C-2 (General Commercial) to C-1 (Local Business) on Monday, June 17, 1968, 8:00 p.m. at the Northville City Hall. Unanimously carried.

Moved by Lapham, support by Carlson, to consider re-zoning for Lots 10 and 11 of Assessor's Northville Plat No. 1 from C-2 (General Commercial) to C-1 (Local Business) on Monday, June 17, 1968, 8:00 p.m., at the

Northville City Council Minutes

Northville City Hall. Unanimously carried.

The matter of reviewing Northville Police Department regulations was unanimously postponed until June 17th meeting.

The matter of a Public Hearing for the Refrigeration Code was postponed until June 17th meeting. City Attorney is to report on the proposed code.

Moved by Carlson, support by Lapham, to adopt the Ordinance Resolutions for 1968 City of Northville Sidewalk Program in the amount of \$55,000. Unanimously carried. Mr. Nichols joined the Council meeting at 8:55 p.m.

City Manager reviewed the "Carpet Street opening" to date. Unanimously decided to accept the City Manager's recommendation of inviting residents in surrounding area to an informal informational meeting with Council on Monday, June 10, 1968, 8 p.m. at the Northville City Hall.

City Manager explained the assessment for this property—water and sewer tap. Moved by Black, support by Carlson, to approve the contract-assessment for International Diamond Tool in the amount of \$2536.15, payable over a 5-year period at 6% interest, due July 1, 1968. Unanimously carried.

City Manager reported that all requirements on assessment procedure for paving of Taft road had been met, to date, and recommended setting a date for a Public Hearing.

Moved by Carlson, support by Black, to adopt the Resolution accepting the City Manager's report and setting the date for the first Public Hearing on the Taft Road Improvement for Monday, June 17, 1968, 8:00 p.m. at the Northville City Hall. Unanimously carried.

Councilwoman Carlson reported on the result of the Northville Flag and Motto Contest: Tom Hutchinson and Julie Brown for flags; Dan Stoddard and Connie Mohr for mottos. After some discussion on the dates which appeared on the students' flags, it was moved by Black, support by Carlson, to adopt the Northville Flag, as presented to Council by Councilwoman Carlson; amending the date as "1827 founded" and Village incorporated in 1867." Unanimously carried.

The City Clerk reported on her attendance at the International Municipal Clerks' Convention in Miami Beach, Florida, May 20, 21 and 22, 1968, and thanked Council for allowing her to attend and also for paying Registration fee.

There being no further business, the Council meeting adjourned at 9:40 p.m., to go into Work Session.

Martha M. Milne
City Clerk

Finds Little Conflict

New Principal Mixes Roles

It's not everyday you find a principal who serves on a board of education—but that's the distinction held by Northville's newest principal.

Named principal of American Elementary School last week, William Craft serves as vice-president of the Livonia Board of Education. He's been a member for the past five years.

Craft finds little conflict between his position as board member and his role as educator in another school system. "If anything," he admits, "I'm more often accused by teachers of

leaning too far in the opposite direction."

The new American principal comes to Northville after three and a half years as assistant principal of Vetal Elementary School in Detroit.

Previously, he had almost 15 years of experience as an elementary teacher in the Detroit school system.

Married, he has three children aged 16, 12, and 9.

After military service he received a bachelor of science degree from Wayne State University in 1951. Three years later he received his master's degree

from the University of Michigan, and he has done more graduate work since.

Craft, a patron of the Livonia Youth Symphony Orchestra, was born, raised, and educated in Detroit. He comes to Northville with recommendations ranging from very good to excellent.

The new principal is replacing Ronald Horwath who is moving to Cooke Junior High School. Donald Van Ingen, past principal of the junior high is replacing Harry Smith, the newly retired principal of Main Street Elementary School.

NOTICE OF PUBLIC HEARING

MONDAY, JULY 1, 1968
8:00 P.M.
Northville City Hall

The Northville City Council, on the recommendation of the Northville City Planning Commission, will consider the rezoning of the northerly 350 feet of Lot 6366, Northville Assessor's Plat #6 from an R-2 (Two Family Residential District) to R-3 (Multiple Dwelling District). Said lot is located west of High and Randolph Streets.

Please take notice that a Public Hearing will be held on the above described proposed zoning change at the time and place specified.

Martha M. Milne
City Clerk
City of Northville

REGISTRATION NOTICE

FOR THE
General Primary Election
Tuesday, August 6, 1968

TO THE QUALIFIED ELECTORS OF THE CITY OF NORTHVILLE, COUNTIES OF WAYNE AND OAKLAND, MICHIGAN

Notice is hereby given, that in conformity with the Michigan Election Laws, the Office of the City Clerk, 215 W. Main Street, Northville, Michigan, will be open daily from 8:00 a.m. until 5:00 p.m., Monday through Friday, for the purpose of receiving registrations of those legal voters not already registered who may apply personally for such registration.

On SATURDAY, June 29, 1968, the office will be open from 8:00 a.m. until 5:00 p.m. and on Friday, July 5th, 1968 from 8:00 a.m. until 8:00 p.m. for the purpose of reviewing the Registration and for the registering of such qualified electors in the City of Northville as shall properly apply thereto.

Please note that
FRIDAY, JULY 5, 1968 —
8:00 P.M.

IS THE DEADLINE FOR REGISTERING FOR SAID ELECTION

1-Card of Thanks

Dr. Hugo Hernandez and family would like to thank everyone for their thoughtfulness and sympathy during our recent bereavement. A special thanks to my friends and associates at Northville State Hospital.

The Denton Family, through the medium of this column, wish to thank the Women's Association of the Presbyterian Church, The Mizpa Circle, St. Kings Chapter of Eastern Star, The Northville Chapter of their courtesy, and the Casserole Family for their help and condolence and to the many friends for their kindness.

Thank you, Mr. Walter Lewis, for spraying mosquitoes during the winter. It helped to be more enjoyable. Thank you, CYC H25P Glenn Hoots, Jr. H25P

Many thanks to friends and family for cards and flowers during my recent stay in the hospital.

We would like to give public recognition to our superior workmanship rendered by the Weiburger Construction Company in the building of our home.

Mr. & Mrs. Robert Crawford H25P

7 Attend Girl Scout Camp

Seven Northville Girl Scouts are now attending the opening session at Camp Linden, resident camp for the Huron Valley Girl Scout Council.

Kathy Hixon, 512 West Dunlap and Ann Lockwood, 201 North Rogers are enrolled in the general program units at the camp and will take part in a variety of activities including swimming, boating, hiking, outdoor cooking, nature study, and dramatics.

Melinda and Sherry Ellison, 552 West Dunlap, Kathy Lockwood, 201 North Rogers, and Kathy Secler, 43600 Six Mile are enrolled in the Spartans unit at the camp, an advanced unit for older Scouts that features hiking, back-packing, and primitive camping. With other Scouts from the four county area the council serves, they will practice camping skills as a prelude to planning and taking a back-pack trip or setting up a primitive campsite away from the main area of the camp.

All of these girls arrived at camp yesterday and will remain there until July 3.

In addition, Sally Schlieff, 43540 West Six Mile, a Senior Girl Scout from Northville, is enrolled in the Counselor-in-Training program at the camp and will be there until July 17 studying leadership techniques and reviewing camping skills as she learns to be a camp counselor.

Camp Linden, which operates four

Boy Scouts Conquer Bug Infested Swamps

It was a battle of bug infested swamps, but members of Scout Troop 731 triumphed last weekend in a back-pack trip or setting up a primitive campsite away from the main area of the camp.

Twenty Scouts and three adult leaders spent all day Saturday

negotiating the swampy Potawatomi Trail to earn the coveted 15-mile hike patch. Nine hours later, they returned triumphant to the camp for a dip in Bruin Lake and a late supper.

When asked if they would like to do it again, the Scouts responded with a resounding "No!"

Leaders in charge were George Whitesell, George Brown, Howard Wright and Andy Petro. Providing transportation were Whitesell, Wright, Petro, Richard Alspaugh, Pete Brown and Harry Harshorne. Meals were prepared and prepared by the Scouts.

The Scouts express their "thanks and appreciation to Reverend S. D. Kinde, "out-going pastor of the First Methodist Church, sponsor of the troop. "We wish him well and God's blessing on his new appointment as pastor of Bethany Methodist Church in Clio."

They also extended best wishes to his successor, Rev. Gunther C. Brandstater and his family, and hoped his two Scout-age sons will join the troop.

A plea of innocent was entered by John H. Wagner of Detroit on charges of being drunk and disorderly, but he changed his plea to guilty and was sentenced to pay \$49 and \$4 cost or eight days.

Anthony Bielski of Plymouth pleaded innocent upon arraignment, but changed his plea to guilty to a charge of driving while his ability was impaired and was fined \$60 or 12 days.

Earl Marcoe of South Lyon stood mute upon arraignment when charged with drunken driving along Eight Mile and Taft. He then pleaded guilty to a lesser count of driving while his ability was impaired and drew a \$100 fine or 20 days.

Lowell E. Fulkerson of Birmingham pleaded guilty to a charge of being drunk and disorderly and was sentenced to pay a fine of \$40 or serve seven days in jail.

Sol L. Smith Jr. of Detroit, charged with being disorderly and drunk, entered a plea of guilty and was sentenced to \$40 or seven days.

Finally, Melvin L. Killian of Westland was charged with being drunk and disorderly, and a car fire were among cases handled by the Novi Police Department last week.

Theft of a brief case was reported by Mrs. Dennis Barry, 41163 McMahon, on Thursday. The case was in a car parked in the driveway of the Barry home.

Frank Green of Detroit reported the theft of electric wire conduit from the construction site of the Meadowbrook Convalescent Home, corner of Meadowbrook and 10 Mile Roads, on Wednesday.

Early last Thursday morning someone broke into the Timberlane Lumber Company, located on 10 Mile Road near the C&O Railroad, but apparently nothing was taken. Entry was gained by breaking a door window. The B&E was reported by Dale Albright.

Fire, believed caused by a burning cigarette, damaged a car at 23830 Meadowbrook Road Friday evening. The fire was extinguished before Novi firemen arrived.

Two thefts, a breaking and entering, and a car fire were among cases handled by the Novi Police Department last week.

Municipal Court

Fifteen of the 22 persons appearing in municipal court last week were involved in charges related to alcohol. All were examined by Municipal Judge Philip Ogilvie who determined their sentences.

William A. Blenman of Livonia pleaded guilty to driving while his ability was impaired along Main Street. He was sentenced to pay \$80 or serve 16 days in jail.

Ralph Powell of Northville stood mute upon arraignment and then changed his plea to guilty when an added count of driving while his ability is impaired was made. Initially accused of poor driving along River Street at Johnson, Powell was fined \$80 or 16 days.

Leroy Dunham of Livonia was charged with being drunk and disorderly at Seven Mile and Center. He pleaded guilty and was sentenced to pay \$40 or seven days.

Ioannis Glykis of Detroit was charged with being drunk and disorderly. He entered a plea of guilty and was sentenced to pay a cost of \$40 or eight days in jail.

Drunk and disorderly charges were brought against Dexter R. Savage of Detroit. He pleaded guilty and was fined \$40 and \$4 cost or eight days.

George F. Fell of Southfield was charged with being a minor in possession of liquor. He pleaded guilty and was sentenced to pay \$20 or four days.

Willard L. Gillespie of River Rouge was charged with being drunk and disorderly. He pleaded guilty upon arraignment and was sentenced to pay \$40 and \$4 cost or eight days.

From Lincoln Park, Junita Pruitt was charged with being drunk and disorderly and she too pleaded guilty and was fined \$40 or 8 days.

A plea of innocent was entered by John H. Wagner of Detroit on charges of being drunk and disorderly, but he changed his plea to guilty and was sentenced to pay \$49 and \$4 cost or eight days.

SPORTS

BIG MOMENT—Northville's former high school pitcher and most recently a star hurler with the University of Michigan signs a contract with the National League's St. Louis Cardinals as (left to right) Cardinal Supervisor Scout Mo Mozzali, H. O. Evans Steve's father, and Northville Athletic Director, Robert Kucher, look on. Kucher, who coached the Mustangs' championship teams when Steve played here, also is a scout for the Cardinals.

Athletic Director Bob Kucher

He Gets Coaching Post, Too

Thirty-year-old Robert Kucher carries eight years of high school athletic coaching experience into his new position as Northville athletic director.

Named to the post, upon the recommendation of Superintendent Raymond Spear, by the Northville Board of Education last week Kucher also assumes the head basketball coaching position.

A native of Detroit where he was graduated from Denby High School, Kucher earned his degree at the University of Michigan where he played varsity baseball.

From the University he went to Brighton where he was head baseball coach for four years, two years as assistant and two years as head basketball coach, and two years as assistant football coach.

Upon joining Northville where he teaches geography, he coached varsity baseball for three years, one year freshman and three years junior varsity basketball, and one year as assistant football coach.

He was coach of two Northville championship baseball teams. Kucher also is a scout for the St. Louis Cardinals.

Married, he and his wife, Marge, have two children, Gary 5 and Leslie 3. They live at 43706 Park Grove.

He assumes the position previously held by David Longridge, who will serve full-time as assistant high school principal following a period this past school year when he held down both posts.

Winn, who competed in Northville's first meeting 25 years ago, says he has never seen the track faster or in better shape. He believes that the warm temperatures of late has helped make the strip lightning fast.

U-M to Lose Key Hurler

Cardinals Sign Steve Evans

Northville may be a small community but it's fast becoming a big one in the eyes of major league baseball teams.

Twenty-year-old Steve Evans signed a contract with the National League's front-running ball club, the St. Louis Cardinals, on Thursday and left this past weekend for two-weeks of preliminary drills at Sarasota, Florida.

He is the second Northville graduate to be signed by a major league club in the past year. Doug Swis, a catcher, was signed by the Detroit Tigers a year ago.

Just a week ago Dennis Primeau, Northville's slugging shortstop this season turned down a contract offer by the Tigers. And several years ago Ken Rowe joined the majors.

Evans, a star hurler for the University of Michigan, signed a contract with the Cardinals calling for a "substantial bonus", payment of his final two years of education at U-M, and an assignment to a Class "A" Cardinal farm club.

In addition, he has a guarantee that he'll miss no classes at U-M either at the beginning or at the end of the

school year, and he'll earn the maximum \$500 per month playing summers with a Class "AA" farm club.

Son of Mr. and Mrs. H. O. Evans of 20311 Woodhill, he probably will be assigned to Modesta—the Cardinals' top farm club in California following drills and orientation at St. Petersburg, according to Cardinal Supervisor Scout Mo Mozzali of Louisville, Kentucky, and Robert Kucher, Evans' high school coach who also scouts for the Cardinals.

If he goes to Modesta, he'll become teammate of Ken Simmons, a former catcher with Southfield—the high school squad that defeated Northville in the Pontiac Press championship game two years ago.

"Records alone don't make the player," added Kucher, "and in Steve's case I think his attitude and determination played a big part in winning the attention of the Cardinals. He put a lot of work up there on the hill (high school)."

The contract means the Wolverines will lose its big right-hander during his final two years at U-M, where he is studying towards a teaching degree. This past season, in his first varsity year at U-M, Evans won with a 4-4 record for a second-place finish among the pitching staff.

Graduated from Northville High School in 1966, Evans is given a

6'4", 200-pound Evans, who hurls a mean fast ball, was a top pick of the Cardinals in the nation this year. He was drafted, said Mozzali, "because of his size, strong arm, and most of all because of his fine attitude toward the game."

"Records alone don't make the player," added Kucher, "and in Steve's case I think his attitude and determination played a big part in winning the attention of the Cardinals. He put a lot of work up there on the hill (high school)."

Party Store's Mike Alexander, Jerry Fulcher, and John Henson collected a single each, Ron Buck batted out three doubles, and Taylor added his pitching performance by clouting a triple. John Woloszyn picked up two doubles for the losers.

In other action, the Jayhawks doubled Carls Shell, 12 to 10. The winning pitcher, Chris Polak fired a five hitter while his teammates were collecting 11 hits. John Anderson and Kevin Tobel doubled for Carls, while Kevin LaFische picked up three doubles for the Jayhawks.

On June 12, Rexall patted Michigan Tractor, 8 to 1 as Dave Brown hurled a no-hitter. Roger Pelchot collected two doubles, Brown a triple.

Written Brothers outthit Paragon 11 to 7 on June 12, but Paragon came up with more runs to win the game, 11 to 10. Mark Schoof was credited with the victory.

Written Brothers' Glen Gault, Chuck Manilla and Gary Canfield each doubled while Mike Munro tripled. John Woloszyn of Paragon also doubled.

Michigan Tractor was able to collect only two hits but still managed to beat the Jayhawks on June 13, 7 to 5. The Jayhawks picked up six hits in their losing cause—including a double off the bat of Ron Frisbee. Roger Provo was credited with the victory.

A 20-run barrage was more than sufficient for Rexall to defeat Carls Shell, limited to three runs on five hits, on June 14. Mike Holroyde and Terry Butter each doubled for the winners and Joe Greene was the victor on the mound.

Rexall came back with its third triumph of the week on June 15, defeating Paragon, 14 to 2 as Eric Hanson hurled a two-hitter—both singles off the bat of Paul Lukkari. Hanson helped his own cause by blasting a homer, while teammates Jeff Pelchot and Joe Greene doubled and tripled, respectively.

Primeau turned down the contract because it was considered inadequate. Primeau is the son of Mr. and Mrs. Primeau who recently moved to 9045 Lionel, Livonia, from Novi.

However, there's still a chance the Tigers may offer him another contract before he enters Port Huron Junior College in the fall. Furthermore, the new rule prohibiting contract signings with students in four-year colleges does not affect students attending junior colleges.

Swiss to Play Double 'A' Ball

Doug Swis, farm-club catcher for the Detroit Tigers, left Florida drills Friday for Montgomery, Alabama where this summer he will play in the Double "A" circuit.

Montgomery is just one step away from the Tigers' number one farm club—Tulosa, which plays in a Triple "A" league.

Signed by the Tigers, Swis played with Eric in a New York "A" circuit. He was expected to return to the same circuit, playing with Batavia, but after less than a week of drills under the eye of top Tiger managers in Florida he was picked for Montgomery.

The manager of the Montgomery nine is Frank Carwell.

Next fall, Swis, a hard swinging catcher, will return to the University of Michigan as a sophomore. His contract calls for four years of fully paid school at U-M.

Lanes Grabs 46 Hits, Runs

A 26-hit barrage netted 20 runs as the men's softball league leader, Northville Lanes, clubbed Ford Friday, 20-6. Ken Kujala and Joe Humphries each collected homers for the winners.

In another game Friday, Lapham's bombed Perkins, 16 to 1, in collecting a total of 19 hits. Jerry Insland picked up three hits in four turns at the plate, including a homer, triple and a single. Hurler Orson Atkinson came up with three for three, and Bob Kucher hit three for five.

Perkins came back Monday to defeat the Jaycoes, 11 to 4, collecting 11 hits in the process. Earl Handley led the hitting attack with a three for four clip, and Bob Oaks came up with a four-bagger.

Nomads Name New Staffers

At the Nomads membership meeting held on Tuesday, June 18, President Joe Benich announced the appointment of two new staff members. Ray Munde of Walled Lake was appointed as club secretary and Mrs. Lottie Kukielka of Warren, director of public relations.

Nomads, a private air travel club, has its office located at 2300 North Woodward Avenue in Royal Oak. Its board chairman is Art Chadwick of Northville.

VILLAGE OF NOVI NOTICE OF PUBLIC HEARING

ON PROPOSED AMENDMENT TO THE ZONING MAP OF THE ZONING ORDINANCE OF THE VILLAGE OF NOVI, OAKLAND COUNTY, MICHIGAN

NOTICE IS HEREBY GIVEN that a Public Hearing will be held on a proposed amendment to the Zoning Map of the Zoning Ordinance No. 18, of the Village of Novi to include the following change:

On petition of Gene Hirs, the Board has been requested to rezone from MN 480, being described as follows: "The West 1/2 of the West 1/2 of the SE 1/4 of Section 26, and that part of the East 1/2 of the SW 1/4 of Section 26 lying East of the Chesapeake and Ohio Railroad, T. 1N., R. 8E., Village of Novi, Oakland

Officials to Air New Court Plans

Officials of the cities of Northville and Plymouth and the townships of Northville, Plymouth and Canton will meet Monday evening to discuss procedures in the formation of the newly organized district court.

The meeting will be held in the council chambers of the Plymouth city hall and State Representative Richard Young, one of the members of the conference committee that helped get district court measure out of the House and Senate, will be on hand to answer questions posed by the officials.

The five governmental units compose District 35, a third class district of the new state-wide court system.

Under the provisions of the district court act each of the governmental units shall contribute to the expenses of the court in proportion to population and to the number of cases entered.

District judges will be elected in November to serve four-year terms beginning January 1, when all justice of the peace courts will be eliminated. Candidates for the judgeships must be licensed attorneys and registered voters of the district in which they are running. The state provides for payment of a salary of \$18,000, but additions up to \$26,000 may be paid by any of the political subdivisions.

Gene Schnelz May Seek Court Post

Justices of the peace throughout the state of Michigan will become a thing of the past January 1 as a result of legislation signed into existence Monday by Governor George Romney.

Taking the place of Emery Jacques, Novi justice of the peace, Mrs. Florence Renwick, South Lyon justice of the peace, and the seat vacated in Wixom by Elwood Grubb will be a district judge.

And there's a possibility that Gene Schnelz, Wixom city attorney and Walled Lake municipal judge, will seek election as district judge in the state's 52nd district of the first judicial division.

"I'm doing some playful thinking," Schnelz said. "I'll make a decision this week."

Martin Boyle of Milford, a lawyer and justice of the peace in Milford township, is reportedly seeking the new post.

To qualify, petitioners must be judges and petitions must be filed in Lansing with the appropriate authority by July 2. According to Schnelz, the race will be non-partisan, but candidates must run in the August 6 primary. The two top picks would then vie in the November 5 general election.

Asked where the district court seat logically would be located, Schnelz said, "The Judge will have to travel. I

Swimming Pool Included Schoolcraft Plans Giant Gym

Students at Schoolcraft College soon will have one of the finest physical educational facilities in Wayne County.

Eberle M. Smith Associates, Inc., Architects and Engineers, have designed a complete, flexible and vigorous physical education complex to serve the needs of the college whose projected student enrollment through 1970 is 5,000.

Programs and uses of the four-level facility include physical education, class instruction, intramural sports, extra-mural sports, varsity sports, professional courses, non-organized informal sports participation, student and faculty recreation.

Schoolcraft College, in northwest Wayne County, is on a 140-acre site on Haggerty Road between Six Mile and Seven Mile Roads. The physical education facility is the sixth building designed by the Smith firm for this site.

Team rooms for home and visiting teams, staff locker areas, training rooms and associated areas are provided in conjunction with the main locker rooms.

Seats for 2,500 spectators will be provided in the main gymnasium while spectator seating for 400 will be provided for swimming activities.

All major activity areas are directly connected to a central main corridor to permit free circulation to the variety of activities housed.

The design, contour and location of the physical education building on the campus permits access on three levels at natural grade.

The pool deck, locker areas and major athletic areas are all located on the same level, together with spectator areas for the gym and handball courts. The pool spectator area and the wrestling and corrective exercise area are at the upper level; office areas are located at an intermediate level.

Brick walls, aluminum entrances and pitched metal roof with standing seams will match the exterior materials used on other buildings on the campus.

Eight Injured In Novi Crashes

Eight persons were injured in two Novi automobile accidents last week.

Two adults and four children were injured in a single car at 6:09 p.m. Thursday when it collided with another car at Beck Road and Grand River.

Injured were:

Domenic Maviglia of Farmington, driver, his mother Mrs. Rosina Maviglia, three of his children, Cheryl 13, Cindy 11, and Kevin 7, and a friend of the family, Betty Herbert 10, also of Farmington.

Maviglia, who suffered a broken wrist and arm, underwent surgery at Botsford Hospital on Friday. The others were treated for cuts and bruises and released.

The driver of the other car, Robert H. Davidson of 46876 11 Mile Road, was uninjured.

According to Patrolman De. Gross, Davidson was north-bound on Beck when he pulled to a stop at the intersection, then proceeded across into the path of the other vehicle. His vision, Gross said, was partially obscured by buildings at the southeast corner.

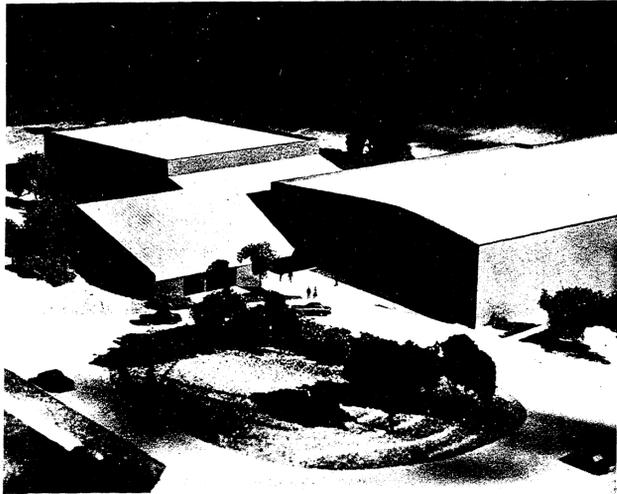

Maviglia's car was traveling about 45 miles per hour when the collision occurred. Skid marks left by his car were measured at 72 feet.

On Wednesday of last week at 9:30 p.m., Cheryl L. Hirch, 17 of Troy suffered a leg injury collided with another vehicle, driven by Vernon Wilson of 2309 Indiana, Walled Lake, at 12 1/2 Mile and Novi Roads. She was treated at Botsford Hospital.

Wilson, who complained of a side pain, declined treatment.

A passenger in the Hirch car, Cindy Davis, 17 of Union Lake, was uninjured.

Novi police said Miss Hirch failed to stop at the intersection and was struck by the other vehicle. She was ticketed for failure to stop, although police reported she had been drinking.

NEW PHYSICAL EDUCATION COMPLEX TO INCLUDE POOL, SQUASH COURT

Where's Teachers' Votes?

An ironic afterthought to the defeated request of the Northville school district for additional millage in the election of June 10 was revealed to school board members informally Monday night by Superintendent Raymond Spier.

In the midst of negotiations for salary increases, Spier said, enough teachers and school personnel failed to vote to make a difference between success and failure in the election.

A check of voting records, he said, indicated that 17 registered teachers and about the same number of other personnel failed to vote. The check, he added, also showed many teachers not registered.

City Sets New Assessment Rate

Continued from Page 1

The Eight Mile-Taft road area.

Lining up against the assessment, but not the need for the improvement, were Fred and Richard Robinson, Mark C. Larkins and Mr. and Mrs. Nicholas Zander.

They argued that the school would be the chief beneficiary of the improvement and therefore the entire community should be assessed the biggest share of the improvement.

At the outset of the hearing City Manager Frank Ollendorff recommended a 100 per cent assessment against all property owners abutting the road for the length of the improvement—from Eight Mile to the city limits (a distance of one-half mile). He made reference to the city's intention of paving all streets, the difficulty of maintaining the road in its present condition and of the planned development in the area of the road that has resulted in assigning a higher priority to Taft road on the city's paving list.

Mayor A. M. Allen reviewed the city's past policy of assessing and paved that the council had agreed to adopt a new plan that would treat all residents alike. He said street paving assessment of 75 per cent in all areas of the city would be used for the improvement of unpaved streets. The only exception to this rule is the development of new subdivisions.

The Northville Record And The Novi News

They're Thrilled, But What About Mother?

"Oh, boy! It's all over," was a familiar shout throughout the Northville- Novi area last week as schools closed for the three month summer vacation. But while students may be jubilant over the long-awaited break, mothers everywhere aren't quite as elated as they take up the often trying task of keeping their children from burning with renewed vitality. That vitality, together with fun and adventure, is written in the eyes of these Main Street Elementary students as they bounce down the steps into summer.

Area Church Directory

Northville

FIRST BAPTIST CHURCH OF NORTHVILLE
Pastor Robert Spradling
Res.: 208 N. Wilson Street

from the Pastor's Study

Pastor Norman A. Riedesel
First United Presbyterian
Church, South Lyon

When this article appears in the South Lyon Herald my wife and I will probably be in Europe. I am exchanging pastorate with a minister in Ireland this summer. During July and August he will fill my pulpit in South Lyon and I will work in his church in Larnie, North Ireland. Prior to going to Ireland by means of a Eural Pass we plan to travel in thirteen different European countries. We anticipate having a tremendous experience.

Sooner or later everyone of my readers is also going on a journey. It too can be a tremendous experience to the Great Beyond. It can be into the realm of "many mansions" Jesus told about (John 14:2), to the "city which has foundations, whose Builder and Maker is God" (Hebrews 11:10)! If it isn't it will be to a realm of darkness and gloom and everlasting death!

Mrs. Riedesel and I didn't have to visit Europe. It was our own free choice. But this other journey is not optional. All of us will eventually go. We cannot do otherwise.

For many weeks Mrs. Riedesel and I were busy preparing for our journey. There was much to be done. We had to be vaccinated for small pox. Passports had to be made. Railroad time tables, maps, and books about Europe had to be consulted. You too should be busy getting ready for your journey. You do that by now believing in and following Jesus Christ. If you now refuse to serve Christ, your trip will be a terrible experience.

Mrs. Riedesel and I were allowed to take with us by plane 40 pounds of baggage per person. It took careful thinking to decide just what to take. The only thing you can take with you on your journey is the good you have done in this world.

Two years ago I didn't dream that I could ever visit Europe. I felt I could not afford it. But we have found the expense negligible. None of us can afford nor deserves to inherit Heaven. Left to ourselves we are lost sinners. But in His magnificent love, God has made it available. If we will believe in and follow Christ, He will give us a free

pleasure. We expect to enjoy every minute, the Emerald Isle, London, Paris, the Berlin Wall, travel on the Rhine River, The Alpine heights, Mount Vesuvius, getting to mingle with and know people of many lands, and just a few of the superb experiences. Yet nothing in Europe can compare with the grandeur of Eternity—glory such as "no eye has seen, nor ear heard, nor the heart of man conceived, what God has prepared for those who love Him." (1 Cor 2:9)

"A sea of glass mingled with fire" means an end to fearful, frightening ocean storms, or any other storms for that matter, and a life filled with beauty. The playing of "hargs" bespeaks endless harmony. "Golden streets" tells of a life where the hardships and poverty of this world are no more. (Rev. 15:2, 21:21)

"Behold a great multitude which no man could number, from every nation, from all tribes and peoples, and tongues, standing before the throne and before the Lamb, clothed in white robes, with palm branches in their hands, and crying with a loud voice, 'Salvation belongs to our God Who sits upon the throne and to the Lamb...'"

"For the Lamb in the midst of the throne will be their Shepherd, and He will guide them to springs of living water; and God will wipe away every tear from their eyes." (Rev. 7:9, 10, 17)

One of these days you are going on a journey! Are you ready?

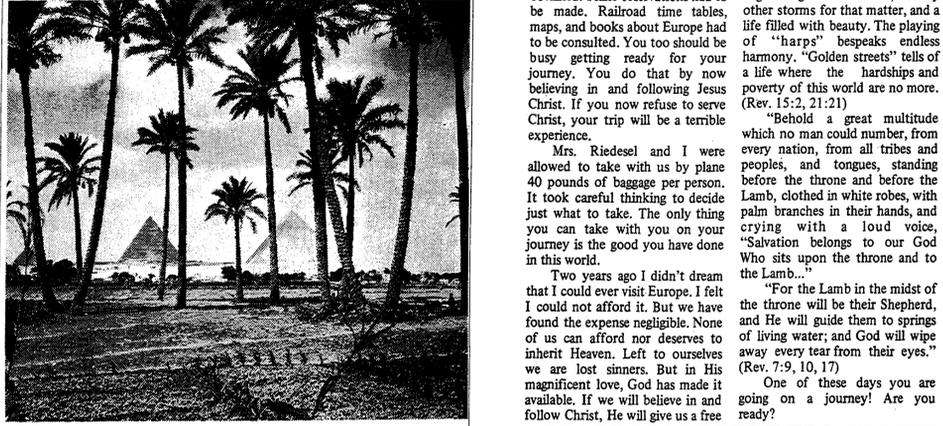

Visiting Europe will be a great pleasure. We expect to enjoy every minute, the Emerald Isle, London, Paris, the Berlin Wall, travel on the Rhine River, The Alpine heights, Mount Vesuvius, getting to mingle with and know people of many lands, and just a few of the superb experiences. Yet nothing in Europe can compare with the grandeur of Eternity—glory such as "no eye has seen, nor ear heard, nor the heart of man conceived, what God has prepared for those who love Him." (1 Cor 2:9)

"A sea of glass mingled with fire" means an end to fearful, frightening ocean storms, or any other storms for that matter, and a life filled with beauty. The playing of "hargs" bespeaks endless harmony. "Golden streets" tells of a life where the hardships and poverty of this world are no more. (Rev. 15:2, 21:21)

"Behold a great multitude which no man could number, from every nation, from all tribes and peoples, and tongues, standing before the throne and before the Lamb, clothed in white robes, with palm branches in their hands, and crying with a loud voice, 'Salvation belongs to our God Who sits upon the throne and to the Lamb...'"

"For the Lamb in the midst of the throne will be their Shepherd, and He will guide them to springs of living water; and God will wipe away every tear from their eyes." (Rev. 7:9, 10, 17)

One of these days you are going on a journey! Are you ready?

EVERY JOURNEY...

The caravan has travelled through the desert for many days... and the men are glad to see the tall date palms of the oasis in the distance. Here they will rest and refresh themselves beside the cool spring before continuing on their way.

Every journey is made easier if it is broken by intervals of restoration and renewal. Even life itself can be a weary road if it does not contain times and places where we can pause to gather new strength. Where can modern men and women regain the equilibrium and peace of mind that they need so badly?

Fortunately, we too have an oasis... the Christian Church. The teachings of Jesus offer deep wells of comfort for the spirit, and springs of joy to revitalize any life that lacks goal or purpose.

TROGLODYTES Plan Benefit

by Daryl Holloman

"I go to The Image and The World in Miami which have super lights and fluorescent lights. With a few more lights The Cavern could be really good."

"I have a subscription to The Northville Record, and from what I've read The Cavern has a lot of top name bands—so that's why I stopped by tonight."

"The Cavern may have a limited supply to pick from compared to the giant discoteques, but for the bands they can get they're doing pretty good—such as The Blues Magooos and The Amboy Dukes."

"As a closing I'd like to say that if The Cavern could get bands like Jimi Hendrix or The Chambers Brothers, it would be one of the best dance places in the Detroit area."

Commenting on Albie's closing statement, there's been quite a few Northville teens who have voiced their interest in having The Chambers Brothers perform at The Cavern.

Returning to the present, I'd like to remind you that if things went as planned, all Cavern members should have received a Cavern newsletter for the month of June earlier this week.

In it you'll notice that Tuesday evenings The Cavern Clubroom is open for the exclusive use (free of charge) to members, and that it is to be converted into a Coffee House Monday nights, also free of charge to members, but a cover charge of 50-cents is to be levied on non-members.

The Coffee House will feature folk-singers and a Boutique located at the refreshment stand. The scoop on the Boutique is that it will allow any teen to display and possibly sell his or her artwork, posters, beads, low-rocks, weird clothes, etc.

Chess, pool, and table tennis will be available as entertainment only when the folk-singers are not performing on stage—this is to be done out of pure courtesy to the performers.

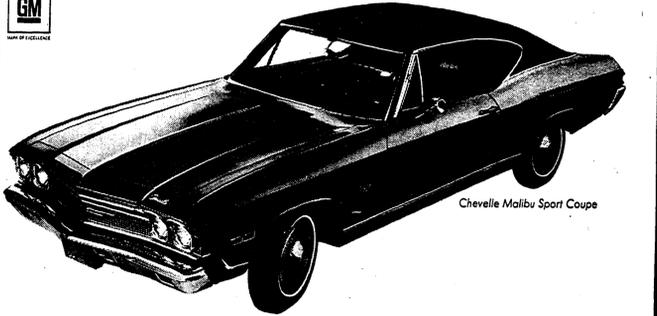

In closing, I'd like to comment on last Friday's Cavern regarding the Canadian group from Windsor known as Nirvana. Nirvana puts forth a Vanilla Fudge sound brought about by really working at their music.

Chevelle prices not only start a full \$100 less than other mid-size cars—it's more car.

We've thought of things for Chevelle that other mid-size cars would like you to forget. For instance, that tout-lined package above gives you a ride that rivals bigger higher priced cars. (That's because we thought to give it Full Coil suspension. And a separate frame with a computer-refined mounting system cushioning its Body by Fisher.)

The choice of engines and transmissions you have is the greatest in Chevelle's field. And if you're a performance buff, you'll find we did some thinking on your wave length: black-grilled SS 396's with Turbo-Jet V8 power you can order up to 350 horses strong.

You also get more ways of putting your personal stamp on a Chevelle than any other mid-size car offers. Take wheel covers alone. You can order simulated wire ones. Or mag-style. Or mag-spoke. Or rally-type.

Even so, Chevelle prices start a full \$100 under any competitive mid-size cars. How's that for a parting thought!

'68 savings explo

has ever had. To you it means extra buying power—an explosion of savings on Chevilles and Chevrolets. Take a look at these bonus savings plans. Then see your 200-hp Turbo-Fire V8 Turbo door handle model and Hydra-Matic and whitewalls.

Bonus Savings Plans.
1. Any Chevelle or Chevrolet with 200-hp Turbo-Fire V8, Powerglide and whitewalls.
2. Any Chevelle or Chevrolet with 250-hp Turbo-Fire V8, Powerglide and whitewalls.
3. Any Chevelle or Chevrolet V8 two- or four-door hardtop model and Hydra-Matic and whitewalls.
4. Now, for the first time ever, big savings on power disc brakes and power steering when you buy any Chevelle or Chevrolet with V8 engine.
5. Buy any Chevelle or Chevrolet V8 two- or four-door hardtop model and Hydra-Matic and whitewalls.
6. Now, for the first time ever, big savings on power disc brakes and power steering when you buy any Chevelle or Chevrolet with V8 engine.

It's like no other savings event your Chevrolet dealer

Happening now at your Chevrolet dealer's a tremendous explosion of extra buying power. Only the leader could make it happen.

Official Minutes of the Northville Board of Education

Northville Public Schools
School District
Board of Education
Minutes of the Regular Meeting
May 13, 1968

The meeting was called to order by President Eugene Cook at 7:30 P.M. in the Board of Education Offices at 405 West Main Street, Northville, Michigan.

Members Present: Mr. Eugene Cook, President; Mr. Stanley Johnston, Vice President; Mr. Glenn E. Deibert, Secretary; Mr. Richard Martin, Treasurer; Mr. Robert Froelich, Trustee; Mr. James Kipfer, Trustee; Mr. Andrew Orphan, Trustee (arrived 7:40 P.M.); Mr. Raymond Spear, Superintendent; Mr. Earl Busard, Business Manager.

Administrators Present: Miss F. Panatier, Mr. F. Holdsworth.
Visitors Present: Mr. Reginald Holloman, Miss L. K. Edgerton, Miss Diana Lane, Mr. Wayne Saunders.

President Cook declared that a quorum was present and directed the Board to proceed with the regular order of business.

Motion No. 68-222 by Mr. Froelich, supported by Mr. Martin, that the agenda be adopted as presented. Motion carried.

Motion No. 68-223 by Mr. Johnston, supported by Mr. Froelich, that the Minutes of April 10, 1968, Regular Meeting; Minutes of April 12, 1968, Special Meeting; Minutes of April 22, 1968, Regular Meeting; Minutes of April 22, 1968, Special Meeting, be approved as published. Motion carried.

Communications noted:
Letter from Automobile Club of America relative to the selection of an American School Safety Patrol student to attend the 32nd National School Safety Patrol Assembly in Arlington, Virginia, on May 10 and 11, 1968. It was noted that Rick Norton had been chosen to attend, with Dan Black the alternate.

Notice from Michigan Association of School Boards relative to suggestions for M.A.S.B. Directors pertaining to nominations, resolutions and bylaws changes.

Letter from Superintendent of Public Instruction certifying that the official 1967 census of children between the ages of five and twenty in the Northville Public Schools District is 3,272. Superintendent Spear indicated the certification had been requested in connection with proposed reclassification of the School District from Fourth to Third Class District.

Notes of appreciation from families of the late Lawrence Rogers and the late R. D. Merriam.

Notice of a meeting of Southeast Michigan Council of Governments, 9:30 A.M., Saturday, May 18, 1968 at the Roshomon Building in Detroit.

Letter from North Central Association of Colleges and Secondary Schools relative to placement of Northville High School on the list of approved schools for 1967-68.

Superintendent Spear noted that North Central accreditation assures the School District of maintaining basic requirements and is of some advantage to students in terms of entrance to colleges and universities.

Letter from Mrs. Sheryl Johnston requesting maternity leave of absence, effective June 1968.

President Cook pointed out deadlines for submitting suggestions for Michigan Association of School Boards' Directors in accord with the format provided in the previously mentioned M.A.S.B. communication.

President Cook requested a School Board volunteer to attend the Southeast Michigan Council of Governments meeting scheduled for May 18, 1968, to report the Northville Board's role in this organization. No appointment was made. Mr. Cook indicated subsequent consideration of this matter prior to the meeting date.

Motion No. 68-224 by Mr. Deibert, supported by Mr. Martin, that Mrs. Sheryl Johnston be granted a maternity leave of absence, effective at the end of the school year, in accord with the provisions of the 1967-68 Master Agreement. Motion carried.

Motion No. 68-225 by Mr. Kipfer, supported by Mr. Johnston, that contracts for the following new teachers be approved for the 1968-69 school year:
Mr. Ben Lauber, Men's Swimming; Mr. Charles Shonta, Boys' Physical Education; Miss Linda Sharp, Elementary; Miss Sherrin Kimble, Elementary; Mr. Norman Jacobs, Math/Physical Education; Miss Merry Evans, English; Miss Marilyn McCarthy, Speech; Miss Diane Taylor, English; Mr. Cyril Nichols, Social Studies.

Motion carried, with Mr. Deibert registering a "no" vote and Mr. Martin abstaining.

Mr. Deibert asked that the record show his objection to the preceding board action was directed to two newly established teaching positions represented in the named contracts submitted for Board approval.

Additional teaching vacancies were noted, due to resignations or other reasons, for the following certified personnel:
Mr. C. P. Hines, Miss E. Richardson, Mrs. M. Waterloo, Mrs. P. Flanagan, Mr. L. Rogers, Mrs. J. McGone, Mr. L. Greenway, Mrs. C. Pringle, Mr. S. Markavitch, Mrs. M. Brown, Mr. D. Burson, Mr. R. Rusche, Mrs. B. Marior.

President Cook read an analysis of reasons for teacher resignations prepared by Superintendent Spear. The most significant aspect was the fact that 21 of the 25 resignations considered were from teachers with three years or less of employment with the Northville Public Schools. The Superintendent indicated intended distribution of an 18-point questionnaire to terminating teachers, to assist the Board and Administration in a better evaluation of the School System.

Superintendent Spear called Board attention to an evaluative report prepared at his request by School Psychologist Dr. Pratt, which cites the desirability of discontinuing the Type A Program in Northville due to reduction of this class from six to three children in 1968-69. The Superintendent recommended discontinuation of this program based on high operational cost factors and minimal number of students involved. Mr. Kipfer expressed commendation for the quality of Northville's Type A Program provided over the past five and a half years which has led to the integration of most of these students into the regular classroom program.

Motion No. 68-226 by Mr. Kipfer, supported by Mr. Johnston, that the Special Education Program (Type A) be discontinued effective at the end of the 1967-68 school year until such time as there are an adequate number of children needing this program to justify its re-establishment. Motion carried.

Motion No. 68-227 by Mr. Froelich, supported by Mr. Orphan, that the textbooks recommended by the Administration in Reference No. 18 be adopted as presented. Motion carried. (Appendix I to these Minutes)

Mr. Froelich, Chairman, Board Subcommittee on Administrative Affairs, indicated that revised Board Policy 2210, referred to committee for review and approval on April 22, 1968, had been examined to this subcommittee's satisfaction with recommendation that it be adopted as presented.

Motion No. 68-228 by Mr. Froelich, supported by Mr. Orphan, that Policy 2210, "Duties and Responsibilities of Principal," be adopted as revised. Motion carried. (Appendix II to these Minutes)

Following action to adopt Policy 2210 as revised, Superintendent Spear informed the Board that 60-plus candidates had expressed interest in the Elementary Principalship vacancy. Of these sixty, 37 had submitted completed applications and credentials which the screening committee has narrowed to nine. Letters to the nine will be forwarded by the Superintendent on May 14, 1968, indicating interview appointments scheduled for May 22, 23 and 24, 1968. Twenty-three candidates did not submit formal applications, thus eliminating themselves.

Business Manager Busard informed the Board that the Administration has filed for an N.D.E.A. reimbursement on \$34,150.87 in expenditures for equipment during the current school year. If sufficient funds are available, the District may receive a 48.7% reimbursement of these expenditures, but not less than \$8000.00.

The Business Manager pointed out that proposed Federal legislation could result in a 90% cut nationwide in N.D.E.A. funds, with little likelihood of any N.D.E.A. assistance for Northville in the coming school year.

Mr. Busard reported that the election for determination of a bargaining unit representative for certain non-certified personnel of the Northville School System, including custodial-maintenance, cafeteria, bus drivers and mechanics, excluding head custodians, cafeteria manager, custodial maintenance supervisor, office-clerical employees and supervisors, had been certified on May 14 by the Labor Mediation Board. Fifty employees voted, of which there were 33 affirmative votes, 16 negative votes and one challenged ballot. It was indicated that this employees' bargaining unit will be represented by International

Union of Operating Engineers, Local 547, with their demands expected on the table in the near future.

Superintendent Spear reported on his and Mr. Busard's attendance at the Wayne County Allocation Board Hearing held on May 10, 1968. Mr. Spear recounted statements presented by the Superintendent at this hearing in behalf of the Northville School District, to the effect that:
-Proposed Budget calls for needed funds of 1 1/2 mills above present levy and does not provide funds for negotiating a contract with teachers and other employees.

The Superintendent cited information received from Mr. Holdsworth and Mr. Longridge, who attended a meeting of the proposed league on May 7, 1968, to the effect that decision as to formation of this league will be withheld until construction programs of two proposed members indicate their ability to participate. October appears to be the earliest date for such a decision.

President Cook called attention to a final report submitted by the Citizens' Committee established to determine the feasibility of establishing a Vocational Center with the Schoolcraft Community College School Districts, with recommendation of

Continued from Page 7-B

Board perusal and study of the proposed program. Superintendent Spear expressed intention to keep the Board informed as to a timetable for action relative to approval and support of the proposed Area Vocational Center.

Motion No. 68-229 by Mr. Orphan, supported by Mr. Johnston, that the proposed E.S.E.A. Title I Educational Program be adopted as presented. Motion carried. (Appendix III to these Minutes)

Following action to adopt the Title I Program, the Board discussed relative merits of the E.S.E.A. Title I Program approved by the State Department of Education for operation during the summer of 1968. It was the consensus of the Board and Administration that the program offers potential benefits to both teachers and children. According to Superintendent Spear, the Title I Program, originally diagnostic in nature, is being continued in an effort to help children involved. The Superintendent indicated restrictions on this program would be increased next year, but noted its value if the District can qualify for even one year. Mr. Martin and Mr. Orphan suggested the desirability of continuing

Continued from Page 7-B

request to establish supplementary data and call a committee meeting upon completion of same, following which a formal report will be presented to the Board. President Cook directed placement of this item on the agenda for the regular June Board meeting.

Superintendent Spear provided information received from Mr. Orphan, supported by Mr. Johnston, that the proposed E.S.E.A. Title I Educational Program be adopted as presented. Motion carried. (Appendix III to these Minutes)

Following action to adopt the Title I Program, the Board discussed relative merits of the E.S.E.A. Title I Program approved by the State Department of Education for operation during the summer of 1968. It was the consensus of the Board and Administration that the program offers potential benefits to both teachers and children. According to Superintendent Spear, the Title I Program, originally diagnostic in nature, is being continued in an effort to help children involved. The Superintendent indicated restrictions on this program would be increased next year, but noted its value if the District can qualify for even one year. Mr. Martin and Mr. Orphan suggested the desirability of continuing

Continued from Page 7-B

completed prior to the opening of school in the fall of 1968.

In light of the data thus far received by the Unification Committee relative to unification of City and Township of Northville, Mayor Allen indicated the desirability of bypassing a report on this study based on professional advice. Recommendations from the steering committee are expected at the next Council meeting, and Mayor Allen recommended that the School Board and City Council meet to discuss unification in detail, to establish guidelines, when all reports are in. Anticipated completion of the final study is approximately one month away.

It was the consensus of both the Board and City Council that preliminary discussion of effects of unification on the District, particularly as related to annexation of the Moraine School site, would be inadvisable at this point and should be deferred until more information is available.

Superintendent Spear suggested that approval of unification would resolve the annexation problem; if not approved, then annexation of the Moraine site becomes a separate problem.

President Cook in referring to the Board's prior letter of request for annexation of the Moraine site, thanked the City Council for its invitation to Board participation in a review of a unification proposal. Superintendent Spear and City Manager Ollendorff were requested to arrange a meeting of the governmental bodies involved.

President Cook introduced discussion of utilization of the former Community Building by presenting current thinking of the Board and Administration relative to this facility:
- There was an obvious need for utilization of the Community for classroom purposes for several years; such is not now the case.

- Some elementary programs are now held in the facility, but no long-range plan is needed in this capacity.

- Despite rumors, the Board has no definite plans for immediate disposal: Gym is leased to Schoolcraft for one year, with certain dates reserved and continuing for other dates needed; long-term leased to Coven as a club-room-type facility until June, 1969.

- District has only two tenants by lease, but dates are reserved for Cavern dances and certain known dates for elementary activities, thus not generally available to public.

- The Board is willing to explore ideas of the City Council relative to future utilization of and/or their interest in the former Community Building.

Business Manager Busard pointed to only 66 needed community uses of this building out of 529 community uses of School District facilities this year, indicating that school building facilities are adequate to handle potential community-sponsored events.

In response to a request by Board Members Froelich and Deibert, Mayor Allen recited a history of the Community Building from the time the then-Village Council utilized certain monies received from Northville Downs and set aside for this purpose, combined with an appropriation from the taxpayers to purchase property and construct the Northville Community Building.

Subsequent realization by the Council that support of this building solely for community purposes was impossible, plus the need of the School District for additional facilities, led to lease of the Community Building to the School Board. Two Council members and two Board members were delegated to establish rules and regulations for public use. A favorable vote of the taxpayers at a later date resulted in sale of the building to the School District, with some reservations that its use for community purposes be continued.

President Cook, Board Members Kipfer and Froelich, and Councilman Lapham concurred that since support of the former Community Building is not now justifiable for public use, sale of same might be desirable with return to tax rolls and the money therefrom allocated for expansion of school facilities in view of potential housing developments within the District.

Superintendent Spear questioned whether the City sees a need to maintain this building for public use, since the School Board cannot justify maintaining this facility exclusively for leasing and for public usage.

Mayor Allen, other Councilmen and Board members advanced the theory that unification and/or recognition of the Courts could have a bearing on the City's need for this facility. It was suggested that a committee composed of representatives from the School Board, the Planning Commission, the City Council and the general public be established for the

Minutes of the Regular Special Meeting, May 27, 1968. The meeting was called to order by President Eugene Cook at 7:40 p.m. in the Board of Education Offices at 405 West Main Street, Northville, Michigan.

Board Members Present: Mr. Eugene Cook, President; Mr. Stanley Johnston, Vice President (arrived 8:43 p.m.); Mr. Glenn E. Deibert, Secretary; Mr. Richard Martin, Treasurer; Mr. Robert Froelich, Trustee; Mr. James Kipfer, Trustee; Mr. Andrew Orphan, Trustee; Mr. Raymond Spear, Superintendent; Mr. Earl Busard, Business Manager.

City Council members present: Mayor A. Malcolm Allen; Mr. Charles Lapham; Mr. Wallace Nichols. Mr. Frank Ollendorff, City Manager. Members absent: Mrs. Beatrice Carlson, Mr. Deibert Black.

Visitors Present: 11 (See register.)

President Cook declared that a quorum was present and directed the board to proceed with the regular order of business.

Motion No. 68-231 by Mr. Martin, supported by Mr. Orphan, that the agenda be adopted as presented. Motion carried.

Mayor Allen and City Manager Ollendorff reported that preliminary study and cost estimates submitted by the City Engineer last Monday established the cost of paving Taft Road at approximately \$94,000; this amount to include cost for complete drainage system as well as 10% contingency cost allowance for uncertainties. It was indicated that the timetable still calls for completion prior to the opening of school in the fall.

President Cook cited a previous cost estimate of \$86,000 submitted to the Board of Education, with resulting Board action to participate in a special assessment for paving of Taft Road in an amount not to exceed \$700,000.

Following suggestion by the Mayor that the Board of Education participate to the extent of a prorated share of actual cost for paving rather than a fixed sum, Superintendent Spear quoted Board action from Board Meeting Minutes of March 11, 1968, wherein it was resolved that "upon the drawing of the assessment rolls, if the District's share shall exceed this monetary limitation, the said Board of Education reserves the right to review any additional amounts before final acceptance of the assessment."

An oral report by the City Council regarding progress on installation of a traffic light at 8 Mile Road and Center Street indicated approval for same by the Board of Supervisors as well as agreement on cost involved (one-fourth to be paid by Wayne County; three-fourths to be shared by City and Board of Education; Oakland County will not participate). The delay surrounding installation of streetlights was attributed to its low priority on the Board of Wayne County Road Commissioners' (Traffic Division) list and the fact that the Traffic Division is several months behind in its schedule.

Mayor Allen asserted this item appears regularly on Council meeting agendas, and that pursuit of this matter will continue, with the hope that installation of a traffic light at 8 Mile Road and Center Street will be

Completed prior to the opening of school in the fall of 1968.

In light of the data thus far received by the Unification Committee relative to unification of City and Township of Northville, Mayor Allen indicated the desirability of bypassing a report on this study based on professional advice. Recommendations from the steering committee are expected at the next Council meeting, and Mayor Allen recommended that the School Board and City Council meet to discuss unification in detail, to establish guidelines, when all reports are in. Anticipated completion of the final study is approximately one month away.

It was the consensus of both the Board and City Council that preliminary discussion of effects of unification on the District, particularly as related to annexation of the Moraine School site, would be inadvisable at this point and should be deferred until more information is available.

Superintendent Spear suggested that approval of unification would resolve the annexation problem; if not approved, then annexation of the Moraine site becomes a separate problem.

President Cook in referring to the Board's prior letter of request for annexation of the Moraine site, thanked the City Council for its invitation to Board participation in a review of a unification proposal. Superintendent Spear and City Manager Ollendorff were requested to arrange a meeting of the governmental bodies involved.

President Cook introduced discussion of utilization of the former Community Building by presenting current thinking of the Board and Administration relative to this facility:

Editorials... a page for expressions ...yours and ours

SPEAKING for The Record

By BILL SLIGER

A plan to provide adequate, improved off-street parking in the four-block business district area of Northville has been proposed to the city council by its Parking Authority.

It is the first plan we've seen on paper that offers hope of a workable solution to a problem that is certain to become more complicated in the future.

Moreover, the proposal recognizes a dual responsibility for providing the parking equally shared by the city government and retail businesses within the four-block district.

Admittedly, the plan is now in a rough-draft form and still remains to be studied by the council. But it requests that the council allocate some \$3,000 for detailed study of the plan to obtain legal opinion on the feasibility of the approach and to acquire expert appraisals on properties needed to be acquired for future customer parking.

Recognizing that offstreet parking that is convenient, adequate and free is the foundation for a healthy business district in the future, the council should give the matter its priority consideration.

Assuming the study proves the plan to be feasible, at least three years would be required for consummation of the project.

In outlining the need for customer parking in the business district the Parking Authority's study assumes a ratio of three square feet of parking space for every one square foot of retail floor space.

It notes that the amount of off-street parking space now open to the public totals 190,000 square feet, while the total useable retail floor space is estimated at 115,000 square feet. This means that another 155,000 square feet is needed to meet the three to one ratio.

The study reveals that there is 142,000 square feet of residential property, 64,000 square feet of non-conforming uses and 36,800 square feet of replaceable conforming uses. Acquisition of the residential property alone would nearly meet the existing need for off-street parking.

Using estimates the report concludes that some \$350,000 would be needed to acquire and improve the property for parking purposes. It then proposes a 50-per-cent assessment plan with the city and the property owners within the four-block area each picking up \$175,000 of the total cost.

Under a 10-year financing plan the cost to the average business district property owner (there are 50) would be an annual assessment of \$500.

The proposal also notes that some property owners have sufficient vacant land which could be donated for public parking in lieu of the assessment payment. It further notes that existing parking lots may be sold for new business sites, but that the money from such sales would immediately be used to provide an equivalent amount of new parking in addition to that provided for the new business.

I like the plan. I think it is workable and completely legal. It recognizes business responsibility in providing parking to promote more sales; and it assumes benefit to the city through an improvement in tax base thereby justifying general fund participation in the cost.

I would hope that forward-looking businessmen as well as our governmental leaders would join hands in backing this plan for the future improvement of our business community.

Top of the Deck

by JACK W. HOFFMAN

He chewed on the straw, twisting it with the movement of his mouth as he spoke. "It's a job. All I know. One good meal a day in the restaurant. A little extra now and then for a good sock o' juice."

The big black horse banged his hip against the stall.

"Good looking animal."

"Yah, guess so."

"Ever bet on him?"

"Who, me? No siree. Ain't no horse gonna beat me outta my juice. They's full o' tricks. Turn yore back, soonas take a junk outta yore hide."

"But if you don't like horses why do you work around them?"

"It's a job, man, like I told ya. Can't ya see? Guy's gotta make his keep. You and me, we both gotta live."

"Ever do anything else?"

"Shore. Been in the factories. They's worse'n this. Horse, he don't stomp on ya less'n ya get too close. Factories, they's awful."

"Have you got a family?"

"Shore, what ya take me for, freak or somethin'?"

"Sorry, I just wondered."

The big black horse pushed his head out of the stall door, rubbing his neck against the nibbled wood. He was big and handsome and powerful looking.

The kind of horse you'd expect to win races. "Really, yours is kind of an exciting job. Probably isn't a boy around who hasn't read about

or seen movies about jobs like yours and wished he could have your job."

"I ain't no boy."

"I know. But just the same it's an exciting life."

"Guess so."

"No one could know a horse like you."

"Yes siree, that's plumb right."

"You'd know when a horse is feeling good, when he's ripe. Only someone like you could know that. It takes someone with a real knowledge of horses. Someone like you."

"Mister, they's not a man hereabouts who knows as much about horses as me."

"You feed him, rub him, doctor him. You probably know every muscle."

"Man, yes. I knows 'em inside out."

The big black horse looked in our direction. His eyes were big and sparkling and full of the determination that marks a winner.

"He's sure a good looking horse."

"Yah, guess so."

"Someone like you'd know if a horse like that is ripe. Only someone like you."

"Like I said, they don't come no better."

"That horse?"

"No, me."

"Yes, I know, but is that horse ripe? Is he going to win tonight?"

"How'd I know. This ain't my barn, yet."

"But..."

"They canned me next door and I'm waitin' to see if they'll take me here."

Readers Speak Grad Party's A Hit

To The Editor: "ALOHA-68" was without a doubt one of the most outstanding programs for decorations, music, and attendance.

The conduct of all the graduates was that of well-behaved ladies and gentlemen and the many "thank you's" for the nice evening, believe me, were graciously received.

In reporting to the parents of the graduates who attended the party, let me say it was held at the high school on June 10 from 11:30 p.m. 'til 4:30 a.m. Festivities took place in the northeast corner of the building (cafeteria, old library, and patio) — appropriately named for the evening, "Rainbow Room," "Royal Room" and "Lana".

Two-hundred and six seniors attended, the decorations were beautiful (Hawaiian theme), and everyone was furnished a "Lei" upon entering and at the departure they were presented with "Koa Seed" Lei flown in directly from the Hawaiian Islands for our party.

The master of ceremonies was Jim Edwards, disc jockey from Radio Station CKLW, who provided the

entertainment. The band—The Uniroysals—did an outstanding performance and the gang really had a "blast". Chico Holiday was a special guest and was well received. Dancing was in both the Royal Room and the Lana Room. Snacks, consisting of shrimp, cheese, ham, olives, pickles, etc and Kabobs, was available throughout the evening as were soft drinks. Door prizes were given out at various intervals.

A special thanks to the United Airlines and Frank's Nurseries for their splendid assistance in making the surroundings authentic for the occasion.

To sum it all up, "a special thank you" to all the grads and parents who helped make "ALOHA-68" an event to remember.

Sincerely,
Edith & Edw. Vahlbusch
Co-Chairman

Has Only One Freedom Left

To The Editor: I have dislikes which may seem meaningless to the Record reader, but in my opinion my freedom to think is the only freedom I have left.

I dislike college students who unlawfully take over a college. It frightens me to think that some day they may be our leaders.

I dislike the weakness in all our leaders who will not stand up to the lawbreakers. A government who makes excuses for them and condones their actions.

I dislike television programs featuring murder and violence.

I dislike the idea of inter-racial marriages which seems to be getting the full promotional treatment.

I dislike forced housing legislation which can force a transaction on the owners without their consent.

I dislike educated people who claim no prejudices but feel superior to the working classes, which generally included their parents who sacrificed sending them through school.

I am sure some people dislike me but that is OK; they too have a right to dislike.

A LOOSE LEAF

By ROLLY PETERSON

In baseball, as in any other sport, injuries play an important part. Managers and coaches shudder at the thought of a star suffering injury and being sidelined for any length of time.

Not so this year, not as far as the Detroit Tigers are concerned. They're making a shambles of the American League pennant race, despite the fact that two of their stars—Al Kaline and Earl Wilson—were indisposed for two to four weeks because of injury.

As of Monday, the Tigers held an unbelievable 7½-game lead over second-place Baltimore, having won 41 of 63 games. There's a long way to go—99 games at this writing. A lot could happen, especially now that Jim Lonborg is healthy and Boston, the defending American League champ, is surging.

But Mayo Smith's not worrying. He has something going for him. That something is a bargain which recalls vividly Dr. Faustus' bargain with Mephistopheles, and it goes something like this:

The 1967 season had come to a close and Smith, crestfallen because his Tigers folded on the closing two days was walking by chance down Peach street. Suddenly, as if by some great design, rain began to fall and the Tiger manager sought refuge in a nearby store.

As the store door closed behind him, a sweet, acrid smell greeted Smith's nostrils, awakening him from his dreamy retreat. Two lamps, suspended from the walls and a squat burning candle, cast an eerie glow over the place as Smith peered toward the back of the store.

"Hey Man, whatcha want," said a hunched figure, sitting on a stool in the rear of the store. "Nothing," said Smith, "I just wanted to get out of the rain. Hope you don't mind if I wait until this rain stops."

"This ain't no flop house," the man rejoined, "but I don't mind. Come on back here where we can talk." Smith walked forward and stopped, uncertain in front of his host. He sat barefooted on the stool, hair disheveled and hanging down to his shoulders, blood shot eyes staring at the Tiger manager and smoke curling from a cigarette that looked like hemp.

"I'm Mayo Smith," the Tiger manager blurted out, hoping to strike a convivial conversation to ease the strain of silence. "I know," said the man, still fixing his gaze on Smith.

"Oh, you've seen my picture," Smith retorted.

"Nope," the man said. "Never seen your picture. Haven't been to Tiger stadium since 1945. But I know you. You've been having your problems. That's why I'm here. To help you."

"Help me? How can you help me. The season's over and we lost the pennant. You don't mean you play baseball," the Tiger manager said, incredulously staring at the limpid, frail man on the stool.

"I play a different game. Just what would you give to win a pennant?"

"Anything," the anxious manager said. "Anything?" the hairy figure repeated.

"Anything," Smith retorted.

"The Tigers will have their share if injuries a couple of late-season lapses, but they'll win the pennant if you give me a season pass and World Series tickets."

"Gladly," the manager said. "But I don't understand? Who are you. How do I have any assurance giving you what you want will make any difference?"

"Care to take a chance?" the sallow figure said. "Dick Williams didn't this year, nor did Hank Bauer the year before."

"No, I'll have them for you," Smith said. "Who do I send the tickets to?"

"Just send them to Hippie Go Lucky," the gaunt figure said, "care of Peach street. I'll get them."

Michigan Mirror Tuition: Public Pays Lions Share

SOME STUDENTS do not realize or are unappreciative of the public investment in higher education. Many seem to feel that student tuition pays the entire cost of operating a state university. Statistics show that for every dollar the student pays in tuition, an average of three dollars is contributed from public funds.

During the 1967-68 school year, citizens of Michigan paid \$204.6 million to help finance 15 state-supported schools. Tuition amounted to \$79.2 million.

State support varies between schools, but averaged \$1,202 per student for the school year just completed. This represented a range of \$714 per student at Central Michigan University to \$1,817 at newly-established Saginaw Valley State College. Although enrollment increased over the 1966-67 school year, total state appropriations declined about \$8 million.

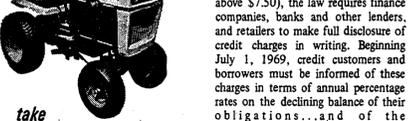

Indications are that it will increase substantially next year.

The public owns the state education institutions. The student pays part of the cost of operation. He receives an education which permits him to appreciate life more fully and earn a better salary.

Our 25th Anniversary Year

University campus. This is six weeks later in the year than previously. The change represents the first time in more than 50 years that farmers will not meet early in February for their many meetings, demonstrations, displays and fellowship.

Two biggest factors bringing about the change are the weather and their space needs.

Snow and ice have plagued the farmers in recent years. In 1966 most Farmers Week events had to be canceled because of the blizzard which dropped 36 inches of snow a few days before.

MSU enrollment and student needs have made it increasingly difficult to provide facilities the university would like for the large groups of farmers. The current date falls between terms at MSU, so the number of students is reduced sharply and much more display space is available.

In setting the March date, Thomas K. Cowden, Dean of the College of Agriculture and Natural Resources,

Credit Law Protects Buyers

BOBSON PARK, Massachusetts, President Johnson has signed the Consumer Credit Protection Act, a measure designed—among other things—to give buyers detailed information on the finance charges they pay for loans and credit purchases.

Except in the case of installment purchases costing \$25 or less (or \$25 to \$75 if finance charges are below 5%, or more than 5% if such charges are not above 7.5%), the law requires finance companies, banks and other lenders, and retailers to make full disclosure of credit charges in writing. Beginning July 1, 1969, credit customers and borrowers must be informed of these charges in terms of annual percentage rates on the declining balance of their obligations...and of the dollars-and-cents cost of financing loans and purchases.

The housewife who buys at a department store on her revolving charge account must be told in writing how much she will pay in interest and carrying charges over the course of a year, above and beyond the purchase price of what she buys. No longer will it be lawful for a finance company or auto dealer to advertise simply that you can buy item X for, say, \$10 down and \$30 a month. Dollar payment totals and full annual charges must be spelled out.

COMMENCING July 1, 1970—a year after the truth-in-lending provisions take effect—consumers who borrow will be afforded additional protection. When unable to make scheduled payments, they will not be punished by unreasonable garnishment of salary. The law exempts 75% of the

borrower's pay from garnishment and forbids his employer to dismiss him the first time his salary is garnished.

Of course, the intent is to curb shyster lenders who overextend credit and then promptly seek their pound of flesh via the garnishment route, thus mirroring delinquent borrowers in financial quicksand. But this section could boomerang by deterring low-income wage earners from buying much of anything on credit, thereby hurting legitimate and reputable retailers depending on this business.

Most lenders will find compliance with the truth-in-lending provisions annoying and time-consuming. But the new rules are sensible in the main, and retailers who extend credit, as well as other lenders, should not find it too hard to live with them and still prosper. It is only the shoddy operators who have reason to fear. Lenders will be screening credit applications more closely; and after mid-year 1970, some may find it necessary to refuse credit to very-low-income applicants because of the garnishment provisions.

Retailing and money-lending are highly competitive fields. Both make extensive use of advertising in seeking customers. The new law requires that such advertising be much more explicit as to interest and other charges than is now the case. Gimmons will be out and, with money costs likely to continue high well into the future, it will be interesting to see what advertising pitches will be used once the law goes into effect.

OPPOSITION to this law stemmed largely from concern that full disclosure of charges for credit and

Five Acre Site Promised

School Board Awards Contracts

Contracts for milk, fleet insurance, and fuel oil were approved by the Northville Board of Education last week.

The milk contract went to Ira Wilson & Sons Dairy for the period July 1, 1968 through June 30, 1969 at a price of .053 cents per one-half pint of white milk and .059 cents for chocolate milk. The contract also includes straws and coolers at no additional cost.

Sate Farm Mutual Insurance Company won the fleet insurance contract, covering all school owned and operated vehicles and equipment at a cost of \$3,081.63 for the period July 1, 1968 through June 30, 1969.

Awarded the fuel oil contracts were awarded to Gulf Oil Corporation

for Number 2 oil at a firm rate of .1075 cents per gallon and to Enterprise Oil and Gas Company for Number 4 oil at the firm rate of .0893 cents per gallon.

The board also approved a preliminary loan application for some \$55,000 under Michigan's School Bond Loan Fund, which represents the amount of difference between the district's 7-mill levy and the total cost of its bonded indebtedness.

Approved again this year was the arrangement with the Northville Recreation Department for use of school facilities, buses, etc. for the summer.

Board members also approved the appointment of Bonnie Rorabacher, Jeffrey Lightfoot, and James Honey as

elementary intern teachers for the 1968-69 school year under an arrangement with Schoolcraft College and Michigan State University.

In other business last week, the board approved the final draft of a plaque at the high school swimming pool now nearing completion, adopted special resolutions extending recognition and commendation to Charles Yahne, Frank Cochran, and Harry Smith for their many years of service with the Northville school system, and authorized the administration to proceed in establishing an agreement with Thompson-Brown Company and the school system for a school site on the firm's subdivision property on the south side of Six Mile Road.

Concerning the pool, latest estimates of the contractor calls for completion by July 15, Spear reported.

A review of the school site plan for the Thompson-Brown property showed that the school is to receive—free of cost—a five-acre site with an easement

Chickvara Joins Novi Sash Company

Joseph G. Chickvara has joined American Enclosures Company, 40200 Grand River, Novi, as its director, marketing and sales, according to Donald H. Hug, president.

In his new position, Chickvara will be responsible for the implementation and execution of the firm's marketing programs as well as supervise national sales activities. He was formerly

associated with Libbey Products, Owens-Illinois, Inc. in Toledo as marketing and sales director.

American Enclosures produces several lines of aluminum storm shades, screens, bathtub/shower enclosures, and adhesives. Its products are marketed under the "Window Wares" and "Shower Mate" trade names.

A native of Cleveland, Chickvara was awarded a bachelor of science degree in marketing by Miami University in 1954. He is a member of the Sigma Chi social fraternity.

After a two-year U.S. Army tenure, he joined Libbey glassware as a salesman in its Chicago branch. He was named Libbey's St. Paul branch manager in 1958 and, in 1962, midwestern regional sales manager. Chickvara was promoted to his most previous Libbey position in 1967.

Chickvara, his wife, Mary, and four children currently reside at 4817 Skelly Road in Toledo. The family plans to move to the Greater Detroit area in the near future.

Make a date to enjoy a "Command Performance"

Right now, your Cadillac dealer is inviting you to discover the most exciting motoring you've ever known—a "Command Performance" test drive of the 1968 Cadillac.

The excitement starts with the smooth, quiet, spirited response of Cadillac's 472 V-8 engine—the largest V-8 engine in any production passenger car. In the stop-and-go of city traffic or in cruising the open road, you experience an agility totally unexpected from a car of Cadillac's stature.

But Cadillac's performance encompasses much more than the liveliness of a great new

engine. Its many power conveniences, variable-ratio power steering, and remarkable balance and stability make driving a Cadillac sheer pleasure every mile of the way.

And when you consider that a Cadillac returns a greater percentage of its original cost at trade than any other car built in the land, you'll see why your Cadillac dealer is so proud of the car he represents.

Why not call him and make a date for your personal "Command Performance" test drive before the week is out?

He's ready to talk business—in your favor.

Ask your dealer for a "Command Performance" test drive soon.

GEORGE KNUDSON (left) and Arnold Palmer sharpen their games in preparation for the Canadian Open July 20-25 at St. George's Country Club. Knudson hopes to be the first Canadian in 15 years to win the country's top golfing honor. Palmer is looking for his second Canadian Open. On unknown, Palmer won the Open in 1955. Channel 2 will carry the final two days of play June 22 and 23, live and in color at 5 p.m. Saturday and 4 p.m. on Sunday.

What's the younger generation coming to? You.

Give a kid a job this summer. There are thousands of kids all over the Metropolitan Detroit area who are ready and willing to work. But they need someone willing to give them a start. Someone like you. You've probably got a place in your business that used to go to a bright young college kid with nothing else to do. But for the kids we're talking about, there's nothing to do, period. So give a nice kid a job this summer. A real job. Not just to cut that kid out of your stockroom on weekends. But a job that'll start him in the world. A job that'll give him an idea of what business is all about. And a job that'll give you some pretty good help in the bargain. Give the younger generation something good to come to. Give a kid a job this summer. If you can use ten, a hundred, or just one good worker...

Charter Work Continues

'Strong Manager' Idea Placed on Back Burner

'About face' was the order of the day Thursday as Novi's City Charter Commission set aside an earlier policy decision to use the new charter upon a strong manager-week mayor concept.

Novi Recreation Program Nears

Summer fun, already in the works, will spill from the hopper come July 8 with the start of Novi's 1968 summer recreation program.

According to the program's co-chairmen, Hal Farrah and Charles Griffith, the program will be conducted Monday through Thursday, 8 a.m. to 12 p.m. and 1 to 3 p.m.

SUCCUMBS - Arthur J. Heslip, longtime Novi dairy farmer and former president of the Novi Board of Education, died early Wednesday after an extended illness.

Police Warn Mini' Drivers

Parents who buy motorcycles and mini-bikes for their children had better know something about the laws governing their operation.

That's the advice of the Novi Police Department, which this week issued a warning as the number of violations mount here in the wake of warm weather.

Too many parents "just go out and buy their children equipment without checking with police about operating it," said Detective Sergeant Richard Faulkner.

Among the personnel assisting in this year's program are: two Waterford Kettering High School graduates - Bill Penzo, who will enter Valparaiso University on a track scholarship next fall and who placed sixth in Class A championship competition in low hurdles, and Lee Ryden.

'Candy' Dumps

'Lake' covers Novi Road, Floods Stricker Paint

What may have been the worst rainstorm in local history inundated whole sections of the Northville-Novi-Wixom area Tuesday night, causing many thousands of dollars damage to scores of homes, businesses and streets.

Riding on the crest of Tropical Storm Candy, the day-long rainfall dumped nearly 2.3 inches of rain at Metropolitan Airport, with unconfirmed reports of up to five and six inches of rainfall in the northwest section of Wayne County.

Several accidents were blamed on the storm here, but police departments of the three communities report the number was "amazingly small". Only a few injuries were reported.

Dozens of near accidents, however, plagued unsuspecting motorists who lost their brakes driving through scores of road lakes in the area.

Hardest hit areas in Northville were Center Street north of Randolph, Maplewood Street, and Huron. In Novi, hardest hit was Novi Road at the C&O Railroad, Meadowbrook Road north of Grand River, and isolated sections near Walled Lake.

Wixom's Lincoln Plant closed its Wednesday day-shift because of flooding. The basement of St. Mary Hospital was flooded. A house-size hole was gouged in the Northville Downs parking lot, but the horses ran anyway Tuesday night.

The Ford mill pond bridge was torn loose and was washed under Main Street southwest toward the Downs. Cass Benton Park was flooded and the parkway drive was closed.

In the north end of the city, homeowners worked frantically to dig up water surging down from the north. Children boated in their driveways and on their lawns.

A car was completely submerged in flood waters on Meadowbrook, one-quarter mile north of Grand River. A motorist was forced to swim from his car stalled on I-96 expressway.

The normally placid creek adjacent to Stricker Paint Products at Novi Road and the railroad ballooned from six inches to 10-foot deep within hours, causing a gigantic whirlpool. Three feet of water filled the paint store, destroying or damaging hundreds of dollars of wallpaper, equipment and stock.

Motorists everywhere were stranded when their cars stalled in the lakes. At least one car in the Walled Lake area was reported flooded with considerable damage.

"It's by far the worst thing I've seen in the 22 years I've been in Northville," gasped the DPW Superintendent Herman Hartner, who worked through the night with his crew to answer problem calls. Oldtimers could recall nothing worse.

Hartner said drains in Northville were not clogged, but the flood waters were just too much for them to handle. Water rushed through, beneath and above drains.

Novi's night police dispatcher answered hundreds of calls as residents and motorists reported flooded basements, stalled cars, accidents, and flooded roads.

County to Operate System

Wixom Gives Up Water Control

The Wixom city council voted 5-1 Tuesday night to turn over the operation and maintenance of all community water system within the city to the Oakland county department of public works.

Councilman Gunnar Mettala cast the lone dissenting vote. Mayor Wesley McAttee explained to the council that the city had to decide whether it should assume the responsibility of operating systems for this time, or call upon the county for the service.

Eventually we may want to operate all the systems and connect them into a single water system," he pointed out.
