caused awkward, choppy sentences.
The verb tense changed, without the
use of a transition device, four times
in the six paragraphs; once in the middle
of a sentence. Probably the most
obvious error was in the use of the
phrase, "half-dozen years". The term
"half-dozen" refers to a quantity of
things and is awkward and incorrect
when used to express a length of time.

Editor's Note: The above letter is
published exactly as received.

To the Editor:
As a senior social work major at
Valparaiso University and as a resident
of Northville, I would just like to say
that I am interested in the educational
welfare of the children in our town. As
of yet I do not know the results of the
special school millage election, but I
would sincerely hope that at last, after
three attempts, the people of
Northville would realize that the future
of their city depends upon the youth
and then have voted accordingly.

Certainly any ordinary school
system could do without
extracurricular activities, art and music
programs, psychologists, and good
libraries. The Northville school
system is not and has not been just an
ordinary school system. It has given
children many opportunities to excel in
many areas. We read about these
children and their activities every week
in The Record. Schools, now more
than ever, have to educate for the total
person. They can not only
concerned with history, math, and
science. Music, art, recreational, and
social activities should receive just as
much focus. For it is the growth of the
whole person that is the aim of
education. I would sincerely hope that
the passage of this millage is just the
beginning of future cooperation and
support on the part of the citizens in
order to make and to keep the
Northville School system a better one.

Finally, I would like to see my
own sisters receive an education at least
equal to what I received, preferably,
though, a little better! Diane Raftery

THE EASTER BUNNY WAS MOBBED AT THE LUNCHEON PROGRAM IN NOVI SATURDAY.

300 Welcome
Easter Bunny
At Novi Lunch

"There he is!" shouted 300
youngsters who greeted the Easter
Bunny at the "Lunch with the Easter
Bunny" Saturday sponsored by the
Novi Jaycee Auxiliary at Novi High
School.

Following the lunch, the Easter
Bunny passed out candy for each child.
In addition, baby ducks and packages
of feed were awarded winners of the
poster contest. Posters were displayed
about the room.

Winners included:
At Novi Elementary - Danny
Main and Herman Conner, first grade;
Neil Wilks and Robert Stambaugh,
second grade; and Polly Ridenour,
third grade.

At Orchard Hills Elementary -
Kelly Mills and Brett Kelley, first
grade; Kim Reid, Steven Lamb and
John Cunningham, second grade; and
Richard Ling, third grade.

Entertainment included a dance
presentation by Miss Hazel's Dance
Review. And the young audience was
thrilled with an impromptu
performance on stage by the Easter
Bunny, who joined the Snowman as a
surprise dance partner.

Another special was the puppet
show, "Hansel and Gretel".

FOLINO'S FOR ALLEN
Aside from the incumbent, there is no other candidate for Northville
city council who has attended as many council sessions as I have.
It is my observation that the wisdom Mayor A. M. Allen brings to the
council through his many years of community service needs stronger support.
If elected, I intend to bring that support to the many programs for
community improvement that Mayor Allen has introduced.

ON SCHEDULE - The addition at Orchard Hills Elementary School
has reached the enclosed stage on the outside and should have work
begun on tiling and on the ceilings yet this week. Superintendent
Thomas Dale told the Novi School Board that "work is progressing

a more rapid rate than initial plans required. The addition will
contain eight rooms, six regular classrooms and two for special

Fix Nine Mile
Council Urged

Novi Council learned Monday that
industries on Nine Mile between Novi
Road and Meadowbrook want action
now on hard-surfacing their
thoroughfare.

ABC Photo circulated pictures
taken of the bridge between Novi Road
and the C&O crossing to show its
condition as well as the condition the
road despite the city's efforts to keep it
up. Also presenting views were
Hydromation Industry and a resident
of Meadowbrook Lake Subdivision
who also spoke for the schools on the
 dangers of the C&O crossing.

The citizens were told the road has
been given first priority. City Manager
Harold A. Cockey added that the
engineering firm of Johnson and
Anderson was to have presented plans
for the construction of hard-surfacing
of the road (two plans, one for
bituminous, the other for concrete) at
this meeting.

ABC Photo maintained it would be
willing to build the road in cooperation
with other industries along Nine Mile if
the city could enter into some form of
payback agreement with it.

Judge Ziem
KO's Township

Oakland County Circuit Court
Judge Frederick C. Ziem made Novi a
de facto city Monday.

Judge Ziem disallowed Novi
Township's (Charles G. Goers)
application for leave to file quo
warranto proceedings to test the
cityhood of Novi on the grounds that
the township presented nothing new
from a case Circuit Court Judge
William Beer had previously disallowed.

Following this decision, the next
step for the city is to set up a process
with the township for division of
assets, turning over of records, etc.

Novi Council resolved Monday to
give City Attorney Howard Bond the
power to act in behalf of the city and
to take legal steps if necessary if the
township has not moved by today to
begin these actions required of them.

Among the six letters received was
one from Senator Sam M. Levin (D,
Berkeley) requesting Mayor Joseph
Crupi or his designated alternate to
attend the hearing at the Pick-Fort
Shelby following the Tigers' opening
day game Tuesday with the Indians for
discussion of the proposed new

members and the school board to
attend a meeting at Northland Inn on
May 6, 7 or 8 about their huge
subdivision along Nine Mile Road east
of Meadowbrook. Crupi expressed the
feeling - indicating it was shared by
the school board and Kain Johnson,
the chairman of the planning board -
that the meeting should be held in an
official place in Novi, not out of the
city. School Board Vice-President

Board Delays Bonding Election

A bonding proposal for the
construction of a middle school will
not appear on the annual June election
ballot, the Novi Board of Education
decided last week Wednesday.

Following a report by
Superintendent Thomas Dale on
reasons why the bond issue cannot be
put to voters in June, the board voted
unanimously to conduct a special
election on this matter in September -
provided such an election is approved
by the county and state.

Originally, the board had hoped to
conduct an election this spring but
delays in planning and research
prompted it to consider June 9 instead.
Now the date, according to Dale,
appears an impossibility. He gave the
following reasons:

-The school district valuation is
not yet available because the
assessment-legality dispute between
the new City of Novi and the township
has not been resolved. The new
valuation figure, he explained, is a
necessity in drawing up bonding
papers.

-The bonding attorney cannot
begin his work until the board
determines the amount of the bond
issue. And although the board discussed
construction costs during Wednesday's
meeting (see related story) this matter
was not resolved.

-Preliminary qualification of
bonds by the State Department of
Education will take two or three weeks
after work by the district's bonding
attorney has been completed.

In scuttling plans for a June
election, the board decided not to
pinpoint the September election date
until it can be certain what date in that
month would be acceptable to the
county and state.

Without the bonding issue, June's
ballot will contain only the names of
candidates for three board of education's
posts - one for one year, one for two
years and two for four years. Bruce
Simmons and William MacDermaid,
plus board appointees Ray Warren and
Claude Earl, must stand for re-election
if they desire to remain on the board.

Nominating petitions, available at
the board offices beginning April 14,
must be filed not later than 4 p.m. on
May 12. They must contain a minimum
of 20 acceptable signatures of
registered voters of the school district.

Charles Tobe was appointed to
the planning commission to fill the
unexpired term of Victor Rust who
resigned in January. The term expires
in June.

Among the six letters received was

Novi Middle School
Plans, Costs Aired

Novi's school architect sent up a
trial balloon last week, and, although the
board of education was staggered by
cost projections, officials were elated
with the long-range proposal for the
80-acre high school site at Taft and
Elvelev Mile Roads.

In addition to viewing a total
80-acre site development plan, the
board also saw a preliminary idea plan
for the proposed middle school - the
first new building (since construction
of the high school) slated for the site.

The middle school, which now
appears certain to be included in
September bond issue, will house sixth,
seventh and eighth grades. Because of
the later-than-anticipated election date,
this school probably will not be ready
for occupancy until September 1971 -
or at best midway through the 1970-71
school year, board members learned.

According to the site master plan
unveiled by the architect, Lane, Riebe
& Weiland, the middle school probably
would be located southwest of the
present high school. The plan also
envisions an elementary school at the
southern edge of the property and an
administrative building near the corner
of 11 Mile and Taft.

All of these buildings - together
with existing high school athletic
facilities, other playground facilities for
the two other proposed schools,
perhaps an outdoor instudy area,
access streets and feeder paths and
streets between facilities on the site -
represent a campus-like educational
complex.

The total plan excited board
members, who indicated citizens of the
district are likely to find it just as
exciting when the wall plan is
converted soon into a table model for
public display.

According to Architect Alex W.
Riebe, the location of the middle

school southwest of the high school
represents the most economically
feasible placement. The same reason
was given for placement of the sanitary
sewer disposal plant for the middle
school at some distance in front of the
school rather than placing it in an
out-of-sight location, he said.

Riebe said his firm envisioned the
initial bond issue as covering
construction of the middle school,
development of the site and athletic
grounds adjacent to it and construction
of the disposal plant and a storm water
collection pond in the swampy area
near Taft Road.

Cost of building construction was
put at \$1,825,000; earthwork at
\$47,000; site drainage, \$41,000; road
and walls, \$50,000; site improvements,
\$19,000; laws, planning, etc. \$18,000;
site contingency, \$20,000; utilities,
\$108,000; equipment, \$184,000;
surveys and documents, \$3,400;
bonding costs, \$2,300; professional
services (architect, attorney, etc.),
\$139,000; interest, \$75,000; and
construction contingency, \$68,000.

A decision on how many square
feet the middle school should include
and whether or not the September
bond issue should provide for
acquisition of other school sites,
construction of an elementary school
and enlargement of the gymnasium is
expected to come up again in May.

Also, it was re-emphasized that
consideration should be given, too, for
inclusion of future school site
purchases in this bond issue. And
before the meeting ending, the board
also began thinking of including the
enlargement of the high school
gymnasium in the issue.

Turning to estimated costs of the
middle school, the architect said a
building of 72,000 square feet and the
related expenditures, would
approximately \$2,600,000 on today's
market. On-the-spot cost estimates of
the elementary school, school site
purchases, and enlargement of the high
school gymnasium boosted the total
outlay to well beyond \$3 million.

The \$2,600,000 middle school
estimate, the architect said, would
increase correspondingly with any
increase in the square footage of the
building. His comment was sparked by
observations of staff and board
members that allotment of some
classroom-gym space within the 72,000
square feet may be too conservative.

While the architect's idea plan
showed classroom sites and locations,
Riebe emphasized that the plan does
not yet incorporate the thinking of the
staff. Discussions with staff he said
will be the next step before the plan can
be formalized.

Based on the 72,000 square feet
plan, the building would include eight
classrooms and two conference rooms
for the sixth grade; four classrooms,
two conference rooms, and two areas
for science and math for each of the
other two grades. It would include
space for vocal music, industrial arts,
home economics, a gymnasium,

Wixom Grants
School Sewers

Acting on the theory that you can
turn down anyone except a school,
Wixom Council Tuesday granted
Walled Lake Public Schools' request for
sewer capacity in the Wixom system
for the new vocational school under
construction on Beck Road near
West Maple Road.

Wixom did not act two weeks ago
when the matter was first brought
before them due to a desire to hear
from Oakland County Department of
Public Works Supervisor R. J.
Alexander. Alexander wrote council
that the school would add the
equivalent of three residential units -
far less than any subdivision - to the
Wixom capacity.

The vote to accept the school was
four yes, Lottie Chambers no, Charles
McCall absent. Mrs. Chambers based
her objection on the premise that
Wixom should not, due to its present
and future growth, extend sewer
hookups outside the city limits.

Among other actions was the
rejection of police car bids received at
the last meeting due to the repair and
subsequent return to use of the car that
was to have been turned in.

Indian Wells Subdivision received
its tentative preliminary plat approval
from council on the recommendations
of Attorney Gene Schmelz, the city
engineer and the planning commission.

Mayor McAtee informed council
of his recent trip to Washington to
confer with HUD officials on the CBD
proposal and funds and to meet with
the International Association of Chiefs
of Police (IACP) for the being the
process of selecting a new chief for the city.

Black Loses
In Northville

With 42.2 percent of the city's
2,635 registered voters turning out at
the polls Monday, Paul Folino and
Kenneth Rathert won election to the
Northville City Council as the lone
incumbent, Delbert Black, went down
to defeat.

Paul Vernon and William Bingley
finished fourth and fifth, respectively,
behind third-place Black. Mayor A. M.
Allen, running unopposed, topped the
ticket with 700 votes.

Rathert, who ironically was an
early choice of Black as a running
mate, edged the incumbent councilman
by five votes - 445-440.

But it was Folino, a
hard-campaigner who barely lost out in
a bid for council election two years
ago, who came up with the biggest
surprise. By claiming an overwhelming
lead in the city's smallest precinct, he
turned back strong bids by opponents
in the other two precincts to capture
the greatest number of council votes -
495 for a 50-vote margin over Rathert.

District Court

Judge Martin Boyle of Walled Lake
District Court apparently fronts on
people who throw beer cans on public
highways.

At least Jack Fox, who was
arrested in Novi for that offense, would
claim that this is the case. Boyle fined
him \$75 for the charge last week.

Gwen Frostic to Speak Here

Nature: Her Path to Success

Northern Michigan Artist Gwen Frostic will be speaking to friends when she appears before the Northville Historical Society and guests at 8 p.m. Tuesday in the Presbyterian Fellowship hall.

There are friends from early days in Wyandotte when she was beginning the business that is Presscraft Papers and there are friends from normal school (now Eastern Michigan University), but there also are friends who know her only by the work of her fingers.

They have been buying her note paper and cards with inlaid block reproductions capturing the delicate intricacy of queen ann's lace, the fragility of bluebells upon hair-like stems, the plumpness of baby chickadees.

The Northville Historical Society is inviting everyone in the community to meet Miss Frostic and hear how she sketches from life in the countryside of

as she keeps a sharp eye on the operations at the combination studio-home and printing plant built four years ago.

In a feature article a year ago in The National Observer, Miss Frostic

was termed "that rare species, the artist-craftsman-businesswoman - her success must be one of the most unusual stories of the times, for there are large wedges of her life that appeal, variously, to the romantic, the bird watcher, the conservationist, the artist, as well as to the family that aspires to wealth and a Cadillac."

Her earnings in 1967 were reported at \$645,000 and within two years of that date she was expected to earn at least \$1,000,000.

This is not too surprising to the growing number of people throughout the country who have been buying her nature books, stationery, cards, place mats and napkins with exquisitely done block prints of snails, bugs, moonbeams, tree trunks, leaves and other bits of nature.

She achieves these on the 85 acres of timber and marshlands where her home-studio of native rocks, glass and

driftwood is built. Here she found inspiration for her books - "A Walk With Me," "These Things Are Ours," "A Place on Earth," "To Those

In five varieties - Scot teas, swanmths, chocolate mints, sandwich

crisps and fudge cookies - they will be distributed by scouts who will collect 50 cents a box. The troop keeps five cents and the council, 21.

Plans also are being made to have cookies sold at a "cookie cupboard" to anyone wishing to buy and who did not order in advance.

The following recipes are suggested by the Girl Scouts this year, using the cookies as a base:

DATE AND NUT ROLL

1 dozen Girl Scout Scot-Tees Cookies (broken but not too fine)

1/2 cup chopped dates

1 1/2 cups walnuts, cut up

1 cup chopped nuts

1/2 cup whipped cream

Combine the above, saving 1/2 cup crumbs on the outside. Wrap in waxed paper and put in refrigerator at least 5 hours. Cut in slices and top with whipped cream.

COOKIE SOUFFLE

12 Scot-Tees, broken

1 cup scalded milk

4 egg yolks

1/2 teaspoon vanilla

4 egg whites

1/2 cup of salt

Pour milk over cookies, add well-beaten yolks and cook in a double boiler until thick. Cool. Add vanilla and stiffly beaten whites and salt. Put in a pudding dish in pan of warm water to bake for 35 minutes at 325 degrees. May be served with chocolate sauce.

APRICOT WHIP

(Using stewed dried fruit sweetened to taste)

1/2 tablespoon plain gelatin

3 tablespoons cold water

1 cup hot apricot syrup

1/2 cup crumbled Scot-Tees

1 cup whipping cream

12 stewed apricot halves

Soften gelatin in cold water; add to hot syrup and stir until dissolved. Cool and chill. When slightly jelled and beginning to set, whip until light and fluffy. Fold in crumbled cookies and whipped cream. Place the apricot halves in bottom of mold and stand Scot-Tees around the edge. Pour in gelatin mixture and chill until firm.

SAVANNAH TOFFEE TORTE

1 box Savannah Cookies - rolled

1/2 cup chopped nuts

1/2 pound oil or butter

1 cup powdered sugar

3 eggs

Pinch of salt

Cream butter and sugar. Add beaten egg yolks. Melt chocolate and add to above with salt. Fold in stiffly beaten egg whites. Grease 8" x 8" x 1" pan. Sprinkle half of cookie crumbs and nuts on bottom. Pour mixture in. Then sprinkle on the other half. Refrigerate for 12 hours before serving.

Who See," and "Wing-borne."

Miss Elizabeth Etz and Mrs. Marcella Douglas are long-time friends of Miss Frostic, having been acquainted since she began in business for herself in Wyandotte after a career as an art teacher.

They recall that they met at state meetings of Michigan Business and Professional Women, in which all are active. Mrs. Douglas adds that this organization always has had Miss Frostic's active participation and support.

Mrs. Douglas will be hostess to Miss Frostic and her stepmother, Mrs. Frederick Frostic, who makes her home with the artist. Miss Frostic's late father was superintendent of schools for many years in Wyandotte. He and her stepmother retired to Ann Arbor where Mrs. Frederick (Florence) Frostic was active in music circles.

Miss Etz regrets that she will be hostess-in-absentia - for she is scheduled to attend the Oklahoma State Convention of China Painters in Norman, Oklahoma, and will be leaving as the Frostics arrive. The World Federation of China Painters was

formed in Oklahoma two years ago, and Miss Etz was active in founding the local group.

(She will be attending the convention with china painting teachers from Frankmunth, Pontiac and Novi. Mrs. Daniel J. (Goldie) Latchford is the Novi teacher who is to demonstrate at the convention.)

Mrs. Kathleen Edgerton, also an artist-craftsman in her studio-home on Randolph, recalls being graduated from normal school with Miss Frostic in 1926.

Miss Frostic will be introduced by Jack Hoffman, historical society president. Mrs. H. H. Sutherland is chairman of arrangements.

Michigan Week Chairman they must have expected - and hoped for - just such innovations. They also must have been aware of Phyllis Slattery's organizing ability.

By last week Mrs. Slattery had all the usual day-by-day observances lined up for the week of May 18-24 and also had a growing list of women's groups making plans to share in the salute.

All women of the community are invited to attend the salute tea from 1 to 3 p.m. Wednesday, May 21, in the fellowship hall of First Presbyterian Church.

Guest-of-honor Beatrice Carlson will know first-hand that her feminine representation on Northville City Council and, most especially, her work on Northville beautification are appreciated by her home town. She also is being honored for her years of work in heading the local Red Cross activities and in the founding and support of the Northville Business and Professional Women.

Groups participating in the salute are being invited to have table displays depicting the history and activities of their organizations.

Already working with Mrs. Slattery and representing their organizations are Mrs. Frank Ollendorff, Northville Newcomers Club; Mrs. Joel Rowley, League of Women Voters; Mrs. George Merwin, Sarah Ann Cochran

COOKIE SOUFFLE

12 Scot-Tees, broken

1 cup scalded milk

4 egg yolks

1/2 teaspoon vanilla

4 egg whites

1/2 cup of salt

Pour milk over cookies, add well-beaten yolks and cook in a double boiler until thick. Cool. Add vanilla and stiffly beaten whites and salt. Put in a pudding dish in pan of warm water to bake for 35 minutes at 325 degrees. May be served with chocolate sauce.

APRICOT WHIP

(Using stewed dried fruit sweetened to taste)

1/2 tablespoon plain gelatin

3 tablespoons cold water

1 cup hot apricot syrup

1/2 cup crumbled Scot-Tees

1 cup whipping cream

12 stewed apricot halves

Soften gelatin in cold water; add to hot syrup and stir until dissolved. Cool and chill. When slightly jelled and beginning to set, whip until light and fluffy. Fold in crumbled cookies and whipped cream. Place the apricot halves in bottom of mold and stand Scot-Tees around the edge. Pour in gelatin mixture and chill until firm.

SAVANNAH TOFFEE TORTE

1 box Savannah Cookies - rolled

1/2 cup chopped nuts

1/2 pound oil or butter

1 cup powdered sugar

3 eggs

Pinch of salt

Cream butter and sugar. Add beaten egg yolks. Melt chocolate and add to above with salt. Fold in stiffly beaten egg whites. Grease 8" x 8" x 1" pan. Sprinkle half of cookie crumbs and nuts on bottom. Pour mixture in. Then sprinkle on the other half. Refrigerate for 12 hours before serving.

MICHIGAN WEEK Chapter, DAR; Northville Women's Club, Mrs. C. H. Bryan; Mrs. Leonard Klein, Quarters; Mrs. Harold Bloom, King's Daughters; Mrs. William Crump, Historical Society; and representatives of Town Hall, Northville Branch of the Women's National Farm and Garden Association; and Northville Mothers' Club.

A special invitation to attend also has been issued to the Northville Jaycees, Senior Citizens and Northville State Hospital Auxiliary.

Organized in the 2 p.m. ceremony was the Reverend Guenther Branstner.

The bride is the daughter of the late George N. and Mrs. Bradford of 211 West Dunlap. Parents of the bride are Mr. and Mrs. William Woods of Essexville, Michigan.

Two vases of white gladioli and white daisy mums and scattered pink daisy mums decorated the altar. Organist was Mrs. Richard Sommers, and Mrs. Leland Mills, soloist, sang "Entr'acte Me Not to Leave Thee" and the "Lord's Prayer."

Given in marriage by her uncle, John B. Bell of New Baltimore, Michigan, the bride wore a floor-length linen like gown. Of modified A-line design, it featured short sleeves and bodice of Venice Lace, a bateau neckline, full sweeping train accented with daisy Venice lace around the hemline.

The matron of honor, Mrs. Gregory Eford of Plymouth, sister of the bride, wore a floor length saki, modified A-line, with bateau neckline, short sleeves accented with Venice lace

at the modified high-waist. A Dior bow accented the back of the square neckline. She carried a cascade of yellow daisy mums, green star flowers, centered with red sweetheart roses.

Bridesmaids were Bonnie Bell of New Baltimore, cousin of the bride, and Marilyn Maloney of Bay City, cousin of the bridegroom. They carried cascades of cymbidium orchids, yellow daisy mums and royal blue star flowers.

John Speer of Kalamazoo was the best man, and Dave Benton and Bill Sansburn, both of Essexville, served as ushers.

For her daughter's wedding, Mrs. Bradford wore a street length, mint green A-line dress with matching accessories. Mrs. Woods wore a street length sky blue dress with flowers on the back.

Following the wedding, a reception was held in the church fellowship hall for some 100 guests from Northville, East Lansing, Kalamazoo, Holt, Saginaw, Bay City, Essexville, Birmingham, Dearborn, Detroit, Plymouth and Chicago.

Students at Michigan State University, the bride is a 1966 graduate of Northville High School and the bridegroom is a 1965 graduate of Bay City Central.

LEAGUE OF WOMEN Voters new provisional group for the Northville-Plymouth area is one of the organizations volunteering to participate fully in the Michigan Week celebration. In addition to being one of the sponsors of the Wednesday salute, members are hosting the coffee at city hall Monday, May 19, for guests on Mayor Exchange Day.

The local group is well launched on its first year and is getting acquainted with the league - and with each other - through general meetings, smaller unit meetings and a comprehensive bulletin edited by Mrs. Donald Stacy and supervised by President Rowley.

TOWN HALL's new chairman - Mrs. Nelson Hyatt - is to introduce Mme. Genevieve Dariaux, witty and elegant French fashion expert who will close the 1968-69 series here next Thursday.

According to reports of her Detroit appearance the end of last month, Mme. Dariaux was a perfect speaker to "communicate" in our town. Frankly well past 40, the silver-coiffed Frenchwoman gives specific advice for her age group - which also is town hall's.

To avoid being considered passe by the former dressess of the Paris couture house of Nina Ricci next week ticket holders should be hatless, wearing black or navy leg-flattering hose and NOT wearing shoulder pins. Her lecture will be at 11 a.m. in the high school auditorium.

Serving with Mrs. Hyatt on the 1969-70 Town Hall Committee are Mrs. Jack Doheny, vice-chairman, and (re-named to their offices) Mrs. James McNeice, recording secretary; Mrs. Claude Cruse, corresponding secretary; and Mrs. Duane Butler, treasurer. Mrs. Robert Lang, retiring president, will serve as advisor to the committee.

# 18 Young Authors Picked For Conference April 25

Eighteen "Young Authors" from Northville's three elementary schools were selected last week to be participants in the 1969 Young Authors' Conference to be held at Oakland University in Rochester April 25.

Last month youngsters in the elementary were encouraged to write for the conference by the school's reading consultants. Six winning entrants were selected at each school. Each will attend with his winning manuscript bound in a cover to be placed in the Oakland University children's library.

Participating from American school, Mrs. Ann Chizmar, reading consultant announced, will be Tracey Webb, Lori Steimack, Kurt Stevens, Cindy Cook, Patty Brown and Penny Anderson.

Main Street winners are Carleton Knotts, Carol Ketter, Nancy Switzer, Laura Atwood, Sharon Salisbury, Bronwyn Mills.

Moraine school participants are Eve Erdos, George Petzinger, Laurie Day, Jim Zimmerman, Peter Martensen and Joya Mathews.

Mrs. Betty Sellers, reading improvement teacher at Main Street, said that 37 certificates of recognition for being Northville Young Authors, who contributed to the completion of

one or more books also were awarded at the school.

Creative writing, she explained, had been stressed all year with the climax being the awarding of the certificates.

She was assisted in preparing the children's work into manuscript-books by volunteer mothers - Mrs. Donald Tiffin, Mrs. Richard Wolf, Mrs. Robert Horner, Mrs. Lobdell - and by Mrs. Phelps Hines, librarian.

Tape recordings were made of the 36 entries and, after hearing them, the youngsters at Main Street voted for their favorites to attend the conference.

Books for which certificates were awarded are on display in the showcase of the front lobby at Main Street School. Plans are being made to have a shelf in the school library for books made by Northville Young Authors and to add to them throughout the year.

At American school special certificates are awarded to Pat McLaughlin and Kathleen Goodwin, first and second graders, respectively, for their contributions to the Young Authors competition.

Mrs. Chizmar explained that the six children chosen to go to the Oakland Conference were selected from the third, fourth and fifth grades. They will be accompanied by Mrs. Ann Haas, a third grade teacher.

Winning entries were chosen by Miss Florence Panattoni, Mrs. S. G. Glenn, teachers and Mrs. Chizmar.

Mrs. Marion Petrock, reading consultant at Moraine, said that her school's entries were judged by Mrs. Gayle Fountain, Mrs. Muriel Ross and herself.

This is the second year Northville youngsters have been participating in the conference. They will hear Leland Jacobs, noted children's author, and will make reports back to their classes.

All during Holy Week the doors of the chapel have been open, she adds as the transformation is almost complete. The lectern is in place as are the stained windows. Needed to finish the project are a replacement for the ragged stage curtain (requested from the state) and carpeting for which the chapel

## League of Voters Plans Capitol Tour

An opportunity to see the Michigan Legislature in action is offered women in this area through the League of Women Voter's annual Capitol Day program.

Scheduled for Wednesday, April 23, Capitol Day includes a tour of the Capitol Building and a visit at the afternoon session of the House of Representatives and Michigan Senate.

Following a 9:30 a.m. coffee and registration period at the Lansing YWCA, LWV members will hear a discussion of major state legislative issues which the League has studied. Guest speaker at the noon luncheon will be Richard Beers, director of the state budget division, who will talk on "The Budget Process in Michigan."

Leagues throughout the state are participating in the annual visit to Lansing. LWV members from Northville and Plymouth will make their first Capitol Day trip, following their recent organization as a provisional league in this area.

The luncheon and tour are open to all women interested in learning more about League activities. Cost of the Capitol Day visit and lunch is \$4. Those interested in attending may call Mrs. Richard Fowler, 453-7603, for reservations and details on transportation arrangements. Reservations must be made by April 15.

## Around Northville

The Northville Cooperative Play Group is planning a "Fathers' Evening," giving the fathers a look at the activities of the pre-schoolers.

The Monday, Wednesday, Friday group has chosen Wednesday, April 16, as their Fathers' Evening. The event will begin at 6:30 p.m. at the Scout-Recreation building.

Pre-schoolers who participate in the Tuesday, Thursday sessions, will host their fathers Wednesday, April 23, at the Scout-Recreation building.

The evenings will include activities the children normally participate in during the day. Cookies will be served, baked by the children in the play group.

Financial reform for education will be discussed by Louis Schmidt, former state representative, at the April dinner meeting of Alpha Nu Chapter of Delta Kappa Gamma at 6 p.m. Monday at Hillside Inn.

Helen Bradshaw, chairman of the chapter's professional affairs committee, is in charge of the program, which is titled, "Just One Grain of Sand."

Members unable to attend are asked to call 349-1829.

Northern Lites Family Living Study Group will meet Monday at 7:30 p.m. in the home of Mrs. Robert Loyne, 26560 Taft Road.

The topic of the meeting will be "Dressing for the Occasion," presented by Mrs. Harold Seden and Mrs. John Ling.

Co-hostess for the evening is Mrs. Donald Scott.

American Legion Auxiliary, Lloyd H. Green Post 147, was to meet at 8 p.m. Wednesday, April 9, at the legion home to finalize plans for the annual Girls' State and Boys' State delegates' potluck dinner to be held at 6:30 p.m., April 22.

Plans for Poppy Day, May 22, also are being made.

## OBITUARIES

**JOHN S. LAINE**  
Funeral services were held Saturday for a 57-year-old Northville man who won fame as one of the state's finest athletes - despite the loss of his left arm at the age of 17.

John S. Laine, 724 Horton, died Wednesday, April 2 at Mt. Carmel Hospital, Detroit after an illness of eight months. The Reverend Karlo J. Keljo of St. John's Lutheran Church of Detroit officiated at the funeral services here at Casterline Funeral Home.

Burial was in Glen Eden Cemetery. Mr. Laine, an 11-time Amputee Golf Association tournament champion, averaged in the high 70's and over the years had won more than 40 trophies in golf and bowling. He also was considered a fine softball player and deer hunter.

A resident of Northville for the past 18 months, Mr. Laine was with the liaison services purchasing staff at Ford Motor Company. He was a member of the Michigan Amputee Association and an alumnus of the Ford Trade School.

He was born April 21, 1911 at Ashtabula, Ohio.

He leaves his wife, Ruby; a daughter, Gail of Detroit; three sons, Gary of Westland, Gregory of Lancaster, California, Geoffrey of Northville; a step-son, Roger of Marquette, Michigan; two step-daughters, Mrs. Kewey (Kay) Lyke, Jr., and Mrs. Terry (Veronica) Watts of Plymouth; four brothers, Einar, of Ferndale, Paul, Hugo and Ray of California; two sisters, Adele and Inez of California; and five grandchildren.

**ROSCOE MORGAN**  
Roscoe F. Morgan, 43 of 37 East New York Street, Pontiac, who was employed as a foreman at Paragon Bridge & Steel Company in Novi, died suddenly Saturday, April 5 at Pontiac General Hospital.

Born in Kainelle, West Virginia his parents were Ross and Martha (Riden) Morgan. He was a member of the F&AM No. 21 of Pontiac.

Survivors include his wife, Vernice; a daughter, Janice Lee who lives at home; two sisters, Mrs. George Hickey and Mrs. Lee McLendon; and a brother, Thomas.

Funeral services were conducted Monday, April 7 from Voorhes Siple Chapel in Pontiac, with the Reverend Ondra Black officiating. Graveside services at Acacia Park in Southfield were under the auspices of the F&AM No. 21.

**LOUISE HEINLEIN**  
Mrs. Louise Heinlein, 85 of 45488 Eleven Mile Road, died Sunday, April 6 at Reford Community Hospital after an illness of eight days.

Born November 27, 1883 in Michigan, she is survived by a niece,

**WILLIAM H. McMILLIN**  
William H. McMILLIN, 94 of 19321 Gerald Avenue died Sunday, April 6 at Wayne County General Hospital. He had been ill for the past week.

A resident of Northville for many years, he was born November 10, 1874 in Salina, Kansas - the son of Mr. and Mrs. Daniel McMILLIN.

Funeral services were conducted Tuesday, April 8 from Casterline Funeral Home, with the Reverend Guenther C. Brunstner, pastor of the First United Methodist Church of Northville officiating. Burial was in Rural Hill Cemetery.

## Move 'Down the Street' To Mark 20th Anniversary

It was 20 years ago next Monday that a couple of young brothers opened a coin-operated laundromat with 17 machines at 144 North Center street.

The same brothers will celebrate their business partnership anniversary by moving down the street to Northville Laundry, 331 North Center street.

"Skip" and Harvey Ritchie have seen their business grow and change with the times.

First it was "Ritchie Bros. Laundromat", a coin-operated, fast-service operation that fit well into relatively close quarters. But as time passed, the public demanded more service and expansion was required.

Now that's been accomplished, so

## Novi Nears Drain Pact

Novi Council Monday acted to accept the middle of three dates proposed by the State Agricultural Department for meeting on the Novi-Northville drainage district proposal.

Due to the bi-county area involved, it was found that the Agriculture Department had to act as mediator. Wayne and Oakland County drain commission representatives will meet with the councils of the two cities at 2 p.m. Friday, April 25 to discuss what is to be done with the district along the north of Eight Mile Road, primarily in Novi (Thompson-Brown has the Northville portion of the area).

Councilman Edwin Presnell stated that he had not been correctly quoted on this matter in a previous meeting as he wanted Northville cooperation in getting Novi capacity in the Middle Rouge Interceptor as a condition of cooperating with Northville on the drain field. He said the drain will perhaps benefit Novi in the future but that it has more immediate advantages for the Northville Thompson-Brown Subdivision and the City of Northville itself.

Other councilmen expressed similar opinions and discussion prompted Councilman Donald Young to make this observation on the Middle Rouge Interceptor:

"We have been and are willing to pay our way into Wayne - why can't we get some commitment from the county? We must move and I want a letter written to the Governor, the Water Resources Commission, our Senators and Representative in Washington as well as our State Senator and Representative asking if they are desirous of our wasting \$2 1/2 million on a useless treatment facility."

## 3 Initiated By Phi Beta

Lawrence A. Hurlbut of Novi and Earl R. Cherne and David J. Kern of Northville were initiated into the University of Michigan chapter of Phi Beta Kappa Thursday.

Phi Beta Kappa, the nation's oldest honorary society, is open to undergraduates with a superior academic record and a promising potential for the years ahead. It is limited to students in the liberal arts.

Hurlbut, who lives at 24441 Willow Lane, is a senior majoring in political science. Cherne, who is a senior majoring in mathematics, lives at 18455 Beck Road, and Kern, a senior majoring in pre-professional medicine, lives at 18312 Shadbrook.

## Go-Betweens Meet Tuesday

A discussion centered around "Accreditation and Curriculum" will highlight a meeting of the Go-Betweens Tuesday, April 15 in the Novi Junior High School Library.

All citizens of the Novi School District are invited to attend the 8 p.m. meeting.

## Arbor Week - Mayor A. M. Allen proclaimed the week of April 20-26 as Arbor Week Monday as Mrs. Alice Eaton, member of the Northville Beautification Commission looked on. In anticipation of the annual observance, the city last week planted 21 Norway Maple trees - 1 1/2 to 2 1/2 inches in diameter.

"Fortunately," said Mrs. Eaton, "our city officials realize the importance of planting new trees where diseased ones are removed and in new locations to provide shade and further enhance the city." She added: "Do you need a tree on your street? Call Mr. Frank Ollendorff, city manager."

**THANK YOU**

TO ALL THE PEOPLE WHO CAMPAIGNED AND SUPPORTED ME AT THE POLLS IN ELECTING ME AS YOUR COUNCILMAN.

**Paul Folino**

# Area Public Golf Courses Move into Full Swing

Price increases are the biggest change in area golf courses as another season gets into full swing. While some area courses are undergoing construction and minor course changes, most are operating the same as last year. No changes in management or pros have been announced.

**HILL TOP** Chris Burghardt, pro-manager, announces no physical changes to this 2,862 yard, par 34 course at the corner of Powell and Ann Arbor Trail near Plymouth.

Rates, however, have changed. Greens fees are now \$2.25 for nine holes on weekdays, \$2.75 on weekends, Saturdays, Sundays and holidays, the 18-hole rate will be \$4.25.

**HICKORY HILLS** Located on Orion Road off Loon Lake Road, with a clubhouse featuring lunches and banquet space, Manager George Catto says that the layout of this 2,865 yard, par 35 course is the same as last year.

New rates in effect include \$2 for nine holes and \$3.25 for 18 weekdays and \$2.50 for nine and \$4 for 18 on weekends and holidays.

**BROOKLANE** Ross Northop reports that the 5,000 yard, par-60 course has enlarged its facilities at the corner of Sheldon Road and Six Mile, with food and bar available.

Prices for this year on the course will be \$2 for nine holes, \$3 for eighteen and \$4 for weekend eighteens.

**DUN ROVIN** Earl Myers starts his fifth year as pro at Dun Rovin, located between Five and Six Mile Roads off Haggerty. He reports golfers will face the same distance this year on this 6,800 yard, par 72 layout.

Only greens fee change is to \$2.75 for weekday nines. Eighteen holes on weekdays still cost \$4 and \$5 on weekends. Cart rental has gone to \$4.50 for nine holes and \$7.50 for 18. Dining and banquet facilities are available.

**SALEM HILLS** One of the longest golf courses in the metropolitan Detroit area — 7,074 yards — Salem Hills Golf Club is located on Six Mile Road just west of the Salem township center.

Bob Szilgyi, club manager and pro, said that he is introducing a new tee-off system to speed up time of play on the course which has par of 36 on both nines.

Fee changes are for weekdays only. Nine holes will cost \$2.75 this year and 18 holes will run \$4. Weekend 18-hole rate remains at \$5 and there will be some reduction for twilight play.

**KENSINGTON** Manager Richard Yeager says there will be no fee changes at this 6,380 yard par 71 (36-35) 18-hole course located off I-96 between New Hudson and Brighton.

Established by the Huron-Clinton Metropolitan Authority, fees will be \$2 for nine holes and \$3 for 18, weekdays.

# Mustangs Take Fifth Place in State Track Meet

## 1-0 in The Ninth

### Northville Nine Clips South Lyon

An unearned run in the ninth inning broke a pitching deadlock Tuesday and enabled Northville to post a 1-0 victory over visiting South Lyon in the traditional season opener.

Jeff Taylor scored the winning run on a perfect squeeze bunt by Dave Coe Tuesday and enabled Northville to post a 1-0 victory over visiting South Lyon in the traditional season opener.

South Lyon errors set up the winning run. Taylor reached first base on an error, advanced to second on a sacrifice bunt, and when an attempted pick-off at second base went awry, he advanced to third.

Ironically, those were the only two errors in the ball game.

Tuesday's opening battle was strictly a pitching duel between Jean right-hander Larry Roper, ace of the South Lyon pitching staff, and Northville's ace Taylor and Fred Holdsworth. Taylor worked the first four innings.

There were only five hits in the contest. Roper gave up three while going the route. He struck out 10, walked two (one intentionally) and had near-perfect control.

During his four-inning stint, righthander Taylor struck out 8, walked 1 and allowed one hit. Holdsworth, likewise a righthander, struck out 10, walked 1 and gave up one hit.

Tom Amrhein was the only South Lyon batsman with a hit. He blooped a single to right field in the second off Taylor, and beat out an infield hit in the eighth inning against Holdsworth.

Stan Nirider led Northville with two hits, both of them sharp line-drive singles down the third base line. Pat Cayley also had a sharp single.

Although hitters were handcuffed, both teams had opportunities to score. Northville loaded the bases in the sixth inning with only one out but failed to score. Nirider singled, moved to second on a sacrifice and to third on a passed ball. Cayley, who previously had hit loud fouls over the leftfield fence, was walked intentionally and Taylor, given nothing good to hit, also walked. But Terry Mills struck out and Coe bounced back to Pitcher Roper for an easy out.

South Lyon had its chance in the eighth inning. Amrhein reached first on an infield hit and Duane Falot walked to put two men on base with only one out. But Mickey Cole popped to deep short and Dave Perkins went down swinging to end the threat.

South Lyon Coach Dick Moon lauded both teams for playing well in their first outing, especially the pitchers and defenses.

But it was a unique experience for the man who has led South Lyon to two consecutive Southeastern Conference championships. That mark of 18 strikeouts is the most a Moon-coached team has suffered in his 10-year coaching career.

"Northville," Moon stated, "is really a tough ball club. Once they get their batting eye, look out." He added that the same holds true for his varsity ball players.

### Park Plans Workshop

A workshop program to assist leaders of girl scouts, boy scouts and camp fire girls in the Detroit Metropolitan Area will be held at Kensington Metropolitan Park near New Hudson on Saturday, May 24.

The program will start at 9:30 a.m. and conclude at 2:30 p.m., with 1/2 hour for lunch, which should be supplied by the participants.

The theme will be Nature Activities for the park, camp or backyard area and ways to have fun while learning about nature.

Participants should wear clothes suitable for the weather and bring along such equipment as a notebook, hand lens, binoculars, field guides and pocket mirror.

Persons should register not later than 4 p.m. on Friday preceding the workshop, by phoning 665-2417 (Mifflin), which is the number of the Nature Center at Kensington Metropolitan Park. A MetroPark Guide map and Nature Study Area brochures are available without charge by calling 961-5865, the HCMA headquarters in Detroit.

From also issued a call for baseball coaches for the summer recreation program. Volunteers for this program and women wishing to participate in the volleyball classes are asked to call Prom at 349-2287.

### Volley Ball Fun On Tap

Start of a seven-week women's volleyball class, sponsored by the Northville Recreation Department, was announced this week by Recreation Director Robert Prom.

First class will begin at 8 p.m. on Monday. Two hour classes will be held each Monday thereafter until completion at Ida B. Cooke Junior High School.

Registration fee is \$4.25.

Prom also issued a call for baseball coaches for the summer recreation program. Volunteers for this program and women wishing to participate in the volleyball classes are asked to call Prom at 349-2287.

## John Stuyvenberg, Fred Hicks Shine

Northville's track squad piled up fewer points than the Mustangs did a year ago at East Lansing but the 1969 edition of thunders finished higher in the standings.

Competing against 62 Michigan Class 'B' teams, Northville finished fifth with nine points - three fewer points than the Mustangs garnered last year in taking seventh place in the state meet.

Accounting for all nine Northville points were Sophomore John Stuyvenberg, who took first place in the long jump with a leap of 21' 1 1/2", and Senior Fred Hicks, who won second in the shot put with a heave of 49' 6 1/2".

The first place was worth five points, second place four points.

The Mustangs took three sixth places - just out of the point category.

"Taking into consideration the competition we faced at MSU I can only be pleased with the squad's showing. And had we been a hair closer in a couple of events we might have done even better."

Redmond had special praise for Stuyvenberg who came up with his winning leap on his last try. Until then Curt Shaw of Three Rivers was leading with a jump of 20' 10 1/2".

"Normally, a jumper does best early because he's fresh and at his strongest," said Redmond. "But John had to come from behind - and he had to do it while racing in-between in the 60 yard dash finals."

"He was exhausted but determined."

Stuyvenberg, who took sixth in the dash with a time of 6.8 (he was ninth at Eastern), finished first in the Huron Relays a week ago with a leap of 20' 5 1/2".

Hicks couldn't duplicate his put on 50' 2 1/2" registered at Eastern, but his second place toss at MSU was nevertheless impressive. First place was won by Tom Witte of Oly with a put of 50' 7".

Besides Stuyvenberg's sixth place in the dash, other sixth places won by Northville included the two-mile relay and the mile relay.

Greg Marshall, a senior, excelled in both events. He ran a 2:03 1/2 in the two mile and turned in a 53.0 time in the mile relay.

### Triangular Set Today

What originally was slated to be a scrimmage early this week has blossomed into a special triangular meet involving Northville, Novi and Dearborn Riverside.

Action will get underway in Northville at 4 p.m.

Riverside is considered a tough opponent for the two local squads especially in distance running. Its cross country team, which furnishes strong track candidates, placed three runners among the top 10 state cross country competitors.

# Three Injured In Two Crashes

Three persons required treatment at Botford Hospital as a result of two separate accidents last week in Novi.

Walter Fox of 347 South Wing Street, westbound on Ten Mile Road on Good Friday, pulled out into the path of a car driven by Robert Mitts who was traveling north on Novi Road. Both cars were extensively damaged and Casterline transported both drivers to Botford for treatment. There were no passengers in either car.

Thomas J. Starbowski of Detroit, traveling alone, failed to negotiate the 90 degree turn from East Lake Drive onto Novi Road and hit some rocks on the west side of the road. The collision threw him through the windshield and he suffered a deep gash on the right side of his neck which required treatment at Botford.

In a separate accident in which none was injured seriously enough to require hospitalization, Roy W. White of Howell failed to notice the car in front of him, driven by Calvin C. Fix of Mt. Clemens, had stopped on Novi Road preparatory to making a left turn onto the entrance to I-96.

Neither driver nor White's passenger, Jessie White, was badly injured, but White was issued a ticket alleging failure to stop in a safe clear distance. He was to appear in Judge Martin Boyle's court today.

Placed on a \$1000 personal bond for gross indecency was Fred Knight of 44240 Grand River. The offense occurred on March 31 and Knight awaits his examination before District Court Judge Martin Boyle in Walled Lake.

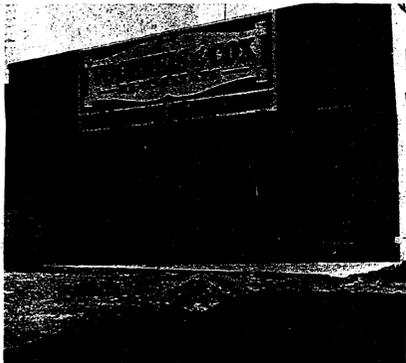

Two juveniles are missing from Novi homes. Both were reported as missing on March 31, one from Country Cousins Trailer Home (the 16-year old boy had not been seen since four days prior) and the other

## Money, Tires Stolen Here

Thefts of money from a wallet and tires from a display rack were the most prominent cases under investigation by Northville police last week.

Majorie Louton of 326 East Cady reported her wallet was taken from her purse in the high school kitchen on April 3 probably while she was at lunch. The wallet was found two days later on the grounds of Eastlawn Commons Home, but the \$74 which had been in it were missing.

The tires were stolen by breaking the padlock and removing all eight of them from the outdoor display rack at Asher Pure Station at Rogers and Seven Mile sometime between the evening of Good Friday and 7 a.m. Saturday.

## For Pioneer Golf Bunkers Just Ant Hills

Those bunkers and roughs over on Novi's Bob-O-Link Golf Course may seem hazardous today but they're just ant hills compared to the swamps, brush and trees that farmers battled there more than 100 years ago.

Marvin Bogart, one of the most colorful pioneers of the Novi/Wixom area, told of those battles against nature in a story that appeared in The Northville Record in 1933. It will be published in its entirety in the Record's centennial edition next July.

Bogart, who died in 1938 at the age of 98, was a close friend of the late Henry Ford and grandfather of E. M. Bogart, formerly of Northville and now living in Plymouth. Ford frequently was a visitor at Bogart's Wixom home.

His father settled on what is now Bob-O-Link after selling out an 80-acre farm in the heart of what is now downtown Detroit. "When we came to Novi Township," wrote Bogart in 1933, "we moved into a shack of a house of two rooms with no chamber. It contained a large stone fireplace with a split stick chimney plastered with clay. Matches were a scarce article in those days and one morning when we got up the fire had gone out.

## AAUW Asks Educators 'Where They're Going'

A joint luncheon meeting will be held by the Plymouth and Farmington Branches of the American Association of University Women on Saturday, April 19 at 12 noon on the Oakridge Campus of Oakland University.

"Educators: Where They're Been and Where They're Going" is the theme to be presented by panel discussion. The panel guests are: Dai Erickson, assistant executive secretary of Michigan Education Association; Dr. Norman Whistler, assistant superintendent for personnel in Livonia Public Schools; Miss Patricia Bubel,

## Township Citizens

At the outset of the annual meeting the clerk, treasurer and supervisor gave reports to the public. Supervisor Stromberg noted that there are nearly 3,000 new dwelling units in some stage of development in the township; that the property valuation of the township has increased by \$9,484,433 since April 1, 1968; that the township has acquired an additional 2 C.F.S. in sewer capacity in the Middle Rouge system to meet the new building demands and that another 2 C.F.S. may be purchased from Livonia to handle growth until 1985.

The supervisor also pointed out that a contract with the state to provide water for Northville State Hospital was making it possible to install additional water lines. He said survey work was complete and that the system would be in operation by September. The new lines will extend from Eight Mile road to Seven Mile (at Meadowbrook country club) and southwest to Six Mile and then west to Sheldon road. If funds permit, he said the lines would be extended east and west on Six and Seven Mile roads.

As the meeting closed, Melvin Mitchell pointed out that action should have been taken against school officials for permitting four-letter-word literature into the classroom at the high school.

He said they should be removed and that "our tax editor just called it a mistake." When he was told that this was a matter of business for the school board, he said he knew it but wanted the public to be aware of it and point it out "while the editor is here."

My Congratulations To the Winners... My Thanks To My Many Supporters  
I have thoroughly enjoyed my four years on the Northville City Council and I thank the many citizens who have helped me in so many ways.

## Dale Tells Board 'I Must Have Help'

A Novi Board of Education battle appears to be brewing over the possibility of hiring an assistant school superintendent.

Sparks flared last week when Superintendent Thomas Dale, whose recent illness was attributed in part to overwork, made it clear that he cannot continue in his capacity without assistance.

(The superintendent, who became ill several weeks ago and at the suggestion of the board took a short vacation, has stated the illness was diagnosed as a nervous breakdown. In his absence, High School Principal Gerald Hartman was named acting superintendent and since Dale's return Hartman has been assisting the superintendent.)

The matter came up Wednesday when Dale read a memorandum to him (Dale) by Hartman in which the principal suggested that if an additional administrator is contemplated next fall board action should be considered soon.

Trustee Vern DeWard asked whether an administrator was leaving and was told by the superintendent that he (Dale) would be forced to leave unless the board provides for an additional administrator. He reminded the board that it had made a temporary appointment (Hartman), that it had considered hiring an assistant for next year but that it had not yet made its intentions public.

Hartman, flustered that his memorandum to Dale had been read aloud, quickly emphasized that he was not now nor had he ever asked for a superintendent's role. The purpose of his memorandum, he said, was to point out that if an addition is contemplated the decision should be made soon so that search for the administrator can begin.

Asked specifically if he would accept an assistant superintendent post, Hartman declined to answer, suggesting instead that in the event an assistant superintendent post is authorized he might become an applicant along with others.

The principal, however, made it clear that serving as both a principal and an assistant to the superintendent left him with too little time to do justice to his duties as principal.

Then DeWard pressed for answers on Dale's health. The superintendent indicated his health is now good, but

DeWard was not satisfied even though Trustee William MacDermid and others supported the superintendent in his remarks.

"I think we should be more concerned for work not done. Since Mr. Dale hasn't been able to perform at 100-percent capacity we should determine what should be done," DeWard said.

The matter was finally dropped when the board suggested that the superintendent make a recommendation at the next meeting.

Earlier in the evening, the board accepted the recommendation of Hartman that Junior High Principal Jack Jordan's work year be extended for five weeks into the summer with an increase in salary of \$1,126. His present salary is \$12,268. Jordan is to assume the junior high scheduling work preparatory to the opening of school that until now has been handled by the high school principal.

In other personnel matters, the board voted to continue the tenure status of 33 teachers, to advance 14 teachers from probation to tenure status, to change 16 teachers from first year probation to second year probation, to change two teachers from second year probation to third year, and to not offer contract renewals for two teachers.

## Spring Concert Set

## Christ is Risen

A bright spring sunlight added to the joy of the occasion Easter Sunday morning as hundreds of area worshippers attended church services marking the Resurrection of Christ. And just as the sunlight seemed to emphasize the joyous occasion, so to an overcast sky that brought heavy rains on Good Friday reminded Christians of the Crucifixion of their Savior. Here at Out Lady of Victory, as at dozens of other area churches, worshippers prepare to hear the Easter message.

## Orchard Hills Taps Roy Ary

Roy Ary of Novi was recently elected president of the newly reelected Orchard Hills Association.

Other newly elected officers include Steve Campbell, vice-president; Mrs. Paul E. Welch, secretary; and Mrs. Robert Brooks, treasurer. The five member board of directors includes James Hawn and Roy Kehr, elected to two-year terms; and Robert Howey, Sid Beemer and Donald Gorman, one-year terms.

In a meeting of officers and board of directors last week, officials discussed revision of by-laws and ordinances of the association and began planning for the organizational structure of the homeowners group.

Next meeting of the organization has not yet been set.

## Jaycees Back 'Belt' Safety

Two members of the Novi Jaycee chapter attended a presentation on the use of automobile safety belts at a meeting of the chapter held recently in the Novi Community Building.

The presentation was made by Larry Henney and Bill Allen of the Pontiac Jaycees, according to Bob Stambaugh, chapter president.

The county's 25 Jaycee chapters are cooperating with the TIA educational campaign in distribution of "Lock-It-To-Me" brochures, bumper stickers, and posters.

The promotional materials will be distributed by chapter members at key locations throughout the county on Saturday, April 12, designated as "Jaycee Lock-It-To-Me Day."

### WORSHIP WITH YOUR FAMILY AT THE CHURCH OF YOUR CHOICE

## Flimsy as a Kite

What is as wonderful as a spring day, with just enough breeze to fly a new kite? It soars higher and higher, a bright blaze of color in the sky. It is a rare individual who won't pause to watch it, and, to most of us, it is perhaps a symbol of unsurpassed freedom.

Yet, in flying a kite there is need for control, or it will soon crash. What was sheer loveliness will become a crumpled heap of sticks and torn paper. This is true of many things that catch our fancies—true also of many of our dreams.

In this life, we need to learn the difference between the things that endure and those that are as flimsy as a kite in the wind. We need to learn control, courage and faith. None of these comes easily, but the first step will be found in the teachings of your church: Have you been going to church lately?

## Orchard Hills Plans Week-Long Revival

The Orchard Hills Baptist Church will be engaged in a Crusade of the Americas Revival beginning Sunday morning. It will continue through Sunday, April 20. The time will be 7:15 nightly throughout the week.

Reverend Fred Boatright, special speaker for the week, is pastor of the First Baptist Church in Portage, Michigan. The previous 15 years he spent in Wisconsin and Illinois in the pastorate. Prior to entering the Gospel ministry Mr. Boatright was engaged as a coal miner and barber. He is a college and seminary graduate.

Special music will be rendered by choirs, etc. from other churches who have been invited as special guests. Congregational singing will be directed by Bill Valade, music director of Orchard Hills. The church's organist, Ken Scheuer, and the pianist, Mrs. Bill Valade, also will perform.

The public is cordially invited to attend these Crusade of the Americas Revival services, April 13-20, 7:15 nightly. Orchard Hills is located on Novi Road, between Nine and Ten Mile roads.

Nursery facilities will be provided every service.

REV. FRED BOATRIGHT

## News Around Schoolcraft

Donald Morelock, a member of the Schoolcraft College music faculty, presented a piano recital Wednesday in the Liberal Arts Building Theater. A presentation of the college's Humanities Series, the recital is open to the public at no charge.

Since joining the college faculty in the fall of 1967, Morelock has taught piano and music history. He has served also on the faculty of the Schoolcraft Summer Music School, teaching piano accompaniment and ensemble playing.

A native of Oklahoma, Morelock began the study of piano at age seven, and entered the University of Oklahoma on a music scholarship. He earned separate undergraduate degrees in piano and organ before he entered the University of Michigan graduate school where he earned a masters degree in piano.

E. Frederick Petersen, Jr., Business Manager of Schoolcraft College has been certified as a Registered School Business Administrator by the Association of School Business Officials.

The association is an international independent professional education organization. Requirements for certification by ASBO include a master's degree in school business or education administration, a minimum of five years of satisfactory professional experience as a business administrator in education, including at least three years at the same institution; and participating membership in ASBO for at least five years.

Dr. Cyrus Stimpson, cytogeneticist for the Plymouth State Home and Training School, will speak on "Goofed Up Chromosomes—Cause and Effect," at Schoolcraft College at 7:30 p.m., Wednesday, April 16.

Third in this year's series of free lectures sponsored by the college's Biology Division, Dr. Stimpson's talk is scheduled for Room F-530 in the Forum, and is open to the public. A coffee and discussion period will follow the lecture in Room F-170.

A native of Detroit, Dr. Stimpson received his M.D. degree from the University of Michigan Medical School. After completing a residency in physical medicine, he served in the Cleveland Clinic, before entering the Army.

Later, at Letchworth Hospital in New York he worked with mentally retarded children. While there he developed an interest in genetics, especially cytogenetics. As a result of his experience at Letchworth Hospital, Dr. Stimpson was asked to set up a cytogenetics unit at Plymouth State Home.

7 Area Policemen Attend Detroit Officer's Funeral

Seven area policemen attended the funeral in Detroit last week Wednesday of Detroit Police Officer Michael Czapski.

To honor Czapski, slain without drawing his gun when he approached some armed youths outside Bethel Baptist Church at Linwood and Philadelphia in Detroit Friday, several thousand officers from throughout the country and from Canada attended his funeral, including a 23-man mounted platoon from Cleveland, Royal Canadian Mounted Police, and Texas Rangers.

Detroit Police Commissioner Johannes Spreen shook hands with each of the out-of-town and out-of-state officers as they filed through the H. R. Pierce and Son Funeral Home on West Chicago and long procession to Epiphany Catholic Church where Father Edwin D. Muir conducted the Requiem Mass.

Northville officers attending were Phillip Young and Larry Towne, while Corporal Gordon Nelson and Officers Robert Starnes, John Johnson and Gerald Burnham came from Novi and Officer Roger DeClercq from Wixom. All officers were off-duty and attended on a voluntary basis.

Januz Seeks College Seat

A Plymouth Township man has become the second candidate for an at-large seat on the Schoolcraft College Board of Trustees.

Laurie Januz, president of the Lake Pointe Homeowners Association, tossed his hat into the political ring this past week with a blast at "student obscenity and faculty disrespect for decency" at Schoolcraft.

A week ago, Dr. Robert Geake of Northville Township, announced his candidacy for an at-large seat.

Trustees at-large represent the five school districts served by the college - Northville, Plymouth, Livonia, Clarendonville, and Garden City. In addition, each school district elects its own representative. Northville's representative, William Secord, was elected two years ago and his term has another four years to run.

Trustees are elected on a non-partisan basis for six years. Candidates have until April 22 to file petitions for the June 9 election. In announcing his candidacy, Januz, who lives at 41444 Ivywood Lane, commented: "We have a fine educational complex at Schoolcraft, but a relatively small number of dissident students and faculty members who sympathize with the extreme left-wing student movements have turned Schoolcraft into a near-chaotic situation since January 1st."

"As of today, five faculty members have been disciplined for signing a two-word petition that was alleged to be obscene, one student was kicked out of school for wearing an obscene sweatshirt to class, three students have been brought to trial on obscenity charges for shouting a two-word obscenity at the board of trustees in an open meeting of over 300 people, and a faculty member is awaiting trial in Livonia Police Court for using obscenities at the same public meeting."

"Action taken by the board has not been commensurate with the vile nature of their actions."

Januz, 30, is sales manager for a major national manufacturing company, and he holds college credits from Lake Forest College, Northwestern University and the University of Detroit.

# SPEAKING for The Record

By BILL SLIGER

Because of the number of demonstrations, it isn't surprising that the modern image of a college campus differs sharply from the ancient past when one viewed the scene as three-parts study and one-part fun and football.

But there's more than one kind of revolution taking place on today's campuses. And recently one of the young revolutionists introduced me to his crusade.

His name is Doug Sutherland. He's the son of a longtime friend and advisor to me, Donald Sutherland who heads up a CPA firm in Plymouth.

Doug was graduated this year from Michigan State University with a degree as a civil engineer. Upon graduation he announced to his parents that he was chucking his chosen career, at least for the time being, to become a fulltime revolutionist.

Doug is joining the Campus Crusade for Christ. His salary won't approach the figure being offered young engineers these days. As a matter of fact, he must seek out his own "sponsors" so that he may become a missionary.

He talks of the compensation in terms that are difficult to relate to the customary means of measuring success.

Right now he is excited about his first assignment - the campus at Eastern Michigan University. And he'll tell everyone who will listen how he became swept up in this revolution.

I recorded some of Doug's remarks. Here they are, verbatim.

\*\*\*

"I spent the first 20 years of my life not really knowing whether there was a God or not. I thought if there was one, he'd show himself to me.

"My senior year in high school I really started to search for the existence of God. I moved into college still not knowing. It was my junior year in college that I took a girl to a fraternity rush party. Half way through the evening she began to share with me what happened in her life when she let Jesus Christ come in and take control of her life. She just bubbled when she talked about it. I never heard anyone talk about Christ and be that excited.

"So I sat around the fraternity house several hours that night really hoping that what she said was true, because this is what I was looking for... a personal relationship with God. I shared it with my roommate, too, and he got kind of excited about it.

"We went over and talked to a couple of staff members for the Campus Crusade for Christ. They had this same relationship with Christ as the girl. I remembered that I was worried that if I made this commitment, well, there goes all my fun. My conception of Christianity was doing the 10 most things you don't want to do and giving up the 10 most things you want to do.

"They asked me if I had ever asked Christ to come into my life. So that night I asked Christ... and my roommate did also. My life was totally changed. I decided to work fulltime on the staff of the Campus Crusade for Christ. I graduated as a civil engineer... I always wanted to do construction work and I knew there'd be good money in it and yet now I'm doing exactly what I want to do.

"I find this has changed a lot of kids lives at Michigan State, and this includes the radical element, too. That's one reason why I'm so fired up about being part of this because I know what's going on on college campuses. I know there's a lot about it in newspapers, but I think it's even more of an acute problem."

\*\*\*

In addition to working on campuses, like EMU, Doug shares his new-found discovery wherever younger youngsters gather... on the beaches in Florida ("I used to be sitting there with them")... in fraternity houses... at dances.

It is estimated that more than 90 percent of the 6,400,000 college students in the USA have no active personal contact with Christ and the church. But a survey reports that 80 percent are searching for a faith.

Campus Crusade, which began in the early fifties on the campus of UCLA, has now gone international. It is undertaking a Christian crash program aimed at the nation's campuses.

It is not burning draft cards, opposing American foreign policy or pointing up the hypocrisy in the adult world.

It is attempting to introduce Christ into the lives of tomorrow's leaders.

It's a different kind of revolution. And I suppose some parents might think it would be a monumental waste of money to send a boy to college to become an engineer and have him come out an underpaid evangelist.

But not the Donald Sutherlands. They're very pleased with the return of their investment.

"There's absolutely no problem in placing pure vanilla babies - but finding parents in white neighborhoods for the multi-flavored ones is an extremely difficult task."

Mrs. Donald McDonald, a social worker, wasn't trying to be cute; she was deadly serious about this business of hers of trying to find homes for unwanted babies.

She came into our office last week seeking some help for the Farmington branch of the Michigan Children's Aid Society - a United Fund financed agency - and she left me with the feeling that people would rather buy vari-colored puppies than adopt bi-racial babies.

I'd like to think people prefer puppies to babies because they're less expensive; five bucks will get you a mixture of cocker spaniel and terrier at the county pound and they'll even toss in the vaccinations. But a baby... well a baby always makes demands on your time and pocketbook.

I'd like to think money makes the difference but why kid ourselves. It doesn't. Nobody likes a

half-breed - not even the cowboy on my television screen.

Take the little guy in the picture for instance. His name's Gregory. He's not quite a year old and he's looking for a home with real parents. But who'd ever want him? Especially here in our area? This kid doesn't know it but he's going to be out of diapers and into long pants and he'll probably still be looking.

Now if I were to carry a picture of a puppy in his place and describe it the way Mrs. McDonald describes Gregory - "cuddly, placid, brown curly hair, an absolute dream" - my phone would dance right off the desk with takers.

Like hundreds of others, Gregory's not all vanilla. He's got an olive-colored skin. His parents were black and white. Others are cowboy half-breeds... you know, the Indian kind, and some of these kids have a mixture of Mexican parentage. They're alike in only one way; they insist on acting like ordinary babies. They love, they cry, they

laugh and they even smell like vanilla babies. Believe it or not.

GREGORY...A Demanding Baby "Isn't there someone who could love me?"

And to make matters worse they aren't satisfied with boarding homes and temporary parents. They want the real thing... white or black or yellow or red... any color but real parents. Imagine that!

"We've never placed a bi-racial baby in your area," said Mrs. McDonald. "I may be wrong but I've got a hunch if you get any calls they won't be from people who want Gregory. Bi-racial babies in white homes is touchy.

"Some day, maybe, things will change. Until then, well, we just can't give up on these babies." Anyway, Mrs. McDonald and her boss, Mrs. Thelma Bell, are hawking babies, as crude as it may sound. And because there are so many like Gregory with so few takers they are turning to this area for help.

So just in case there's someone who would prefer a baby to a puppy - someone who could satisfy Gregory's demands - call 476-4451. He's had his vaccinations, too!

## Appreciates Support

To the Editor: We wish to express our appreciation to the amazingly large number of concerned residents who attended the Northville Township Annual Meeting, lending support to our position against further proliferation of multiple dwelling residential within Northville Township.

It must be understood that there was no intent on our part to criticize or attack any action that has been taken to date by the Planning Commission or Township Board. Our intent was to establish an awareness on the part of the Township residents of a growing problem that has come to severe proportions with the approval of the Levitt development in regard to multiple dwelling residential land use.

There may be some who contend that the introduction of our resolution was an over-reaction to the situation. However, as a direct result of that annual meeting, there should be no question of the unmistakable feeling of the Township residents against more multiple developments.

At this point one might not be aware of the rapid growth of the Township since many parcels of now vacant land are only in the preliminary stages of development. Therefore, it is necessary to visualize what now exists together with what is forthcoming for a total picture of the future Northville Township. The prospect is alarming.

The Master Plan was designed as a guideline for the creation of a well-planned community. It is our responsibility as residents to oppose any arbitrary deviation from this Plan or from the Township Zoning Ordinance which might destroy this objective.

We ask that The Northville Record keep the public advised on matters of planning and zoning. We would like to examine a map drawn to scale illustrating all multiple developments including those now existing, those proposed, and also those vacant parcels now zoned for this purpose, so that there will be ample recognition of the situation.

Sincerely Yours,  
Mrs. Blanche Lakish

## A LOOSE LEAF

By ROLLY PETERSON

What we all like are decisions that are black and white. Unfortunately, most aren't that way, and we end up second guessing ourselves as to whether we indeed took the right action.

In "The Choice," a one-hour TV production that appeared on Channel 4 recently, there is no convenient right or wrong, only the grey of whether a man should live or die.

This is the role usually relegated to generals or military men, whose job it is to decide quite objectively to take the hill in the face of deadly fire or to wait for another day and perhaps save a few lives.

In "The Choice," the decision takes place in a hospital and it concerns one of the pulsating moral issues of our day. That issue is whether a man is indeed dead although his heart may be pumping. But in Sunday's production, a first for TV, "the choice" was even more complicated. Whether to give the heart to an aging diplomat or to a young pianist, both of whom are terminal heart cases.

Up to Sunday's production, these were largely academic issues with only the semblance of real-life stories. "The Choice" made it dramatically vivid. Both patients, by all indications, were equally good risks. Chances are that the heart would "take" in either case. All things equal then, it was the task of the doctor to make the decision.

# Water Bond Issue 'Pork Barreling' Feared

LANSING - Everyone wants clean water, but there's disagreement in the state Legislature over whose streams should get first priority under the \$335 million anti-pollution bond issue.

Attempts are afoot to earmark the funds for individual projects rather than letting the State Water Resources Commission say how the money should be spent.

And Gov. William G. Milliken is visibly upset with apparent attempts to "pork barrel" the bond issue for the voters back home.

"It is absolutely imperative that these (bond) bills move through the Legislature without pork barreling and that they get through in sufficient time so that we can get some of the very critical projects under way this spring," Milliken said.

The Governor wants the lawmakers to authorize the Water Resources Commission to appropriate the money. He says Commission experts are "highly qualified" to determine which projects are needed.

## Airs Advantage, Disadvantages Of Convertibles

WELLESLEY HILLS, Massachusetts - An increasing number of convertible securities have been issued by corporations in recent years. To a great extent, this has reflected the fast pace of merger activity and the tight money situation. Thus, many companies have used convertibles in making acquisitions and consummating mergers, while others have issued convertible securities as a means of raising capital at a cost below prevailing money rates.

Convertible securities possess some of the characteristics of both a senior security and a common stock. Generally, they offer a certain degree of safety, a dependable yield and, through the conversion feature, an opportunity for capital appreciation.

Although convertible bonds and convertible preferred stocks represent two different types of senior securities with different features, they are usually viewed as a homogeneous group. This is because their differences tend to be over-shadowed by their common characteristic of convertibility.

AT FIRST glance, it might appear that all convertibles are ideal investments which offer "something for nothing" through their convertibility feature. Such, however, is not usually the case. Generally, the investor must make some concessions in terms of quality and/or yield (in comparison to other fixed-income securities) as the price for the convertibility feature.

If one's investment objectives are safety and stability, then the investor will usually do better in non-convertible bonds or preferreds. The investor who sacrifices quality for convertibility could be making a costly mistake. From a yield standpoint, a convertible holder may also be at a disadvantage, for because the convertible feature does not automatically guarantee appreciation. If none occurs in the common stock, then the investor has given up the higher return he might have had from a non-convertible fixed-income security.

PERHAPS the best opportunities in convertibles arise when they are viewed as an alternative to the purchase of a common stock. In this respect, the investor must look first at a common. If the common stock of a company offers a worthwhile opportunity for capital appreciation and/or growth, then the company's convertible issue (assuming one is available) could be even more attractive.

When considering which issue to purchase (the common or the convertible), the investor should look at the price of the convertible in relation to its conversion value, and at the yield. If the market price of the

Legislature argue that voters approved the bond program last fall with the understanding that at least 70 per cent of the funds would go to outstate projects and only 30 per cent to the cities.

Milliken maintains there was no such promise and that the urban centers need the money more than the rural regions because of population density.

It appears Milliken may be fighting a losing war. Even his fellow Republicans are critical of his plan and say they will work against it.

REVAMPING the oft-criticized U.S. Electoral College system in Michigan is the aim of a bill before the House. The measure would allow the state to split its 21 electoral votes among the presidential candidates rather than casting all for the nominee who wins a statewide plurality.

Specifically, the bill provides for 19 electors from the state's 19 congressional districts to be picked by each party in the Legislature, plus two statewide or at-large electors.

A congressional district elector would be obligated to cast his ballot for the presidential candidate getting a plurality of the votes within the district. The at-large electors would vote for the candidate getting the

statewide plurality. FOR LACK of a better name, state officials are calling a seven-story building in the new capitol complex "The Seven Story Building."

It's not very original, but it's the best they could come up with in a hurry. The other three buildings in the complex are also aptly named: The Treasury Building, The Highway Building and The Mason Building.

Already, some suggestions have come in to give "The Seven Story Building" a real name like perhaps "The Attorney General Building" because that's who occupies the top two floors or maybe even the "Kelley Building" for Atty. Gen. Frank J. Kelley.

WILFRED G. Bassett, Speaker of the House from 1961 to 1964, is back at work in the lower chamber as an assistant clerk, not a legislator.

# Out of THE PAST

## FIVE YEARS AGO...

Another Northville landmark gave way to progress as the fish hatchery was closed by the Bureau of Commercial Fisheries. The city immediately expressed interest in obtaining the site along Fairbrook off Seven Mile.

Progress also meant the opening of a new city hall in Northville. The \$260,000 building at Main and Wing was built on the site of the old residence-turned city hall which had lasted for 120 years. All municipal offices and the police department were in the process of moving in.

Mayor Wesley McAtee and Councilmen Gunnar Mettala and Oscar Simmons won re-election in Wixom's spring balloting, but Donald Nissen unseated Fred Beamish for the other council opening. Elwood Grubb defeated Harry Wimmer for the justice of peace post vacated by William Welke, who opposed Mayor McAtee.

Novi's public library dedication was to be especially honored by its guest speaker, State Librarian Miss Genevieve M. Casey.

Sanitary sewer developments between Novi and Walled Lake were discussed by Novi Village Council and a public meeting was set up to determine direction for council to follow.

Northville Council was pleasantly surprised when improvement bids for West, Pennell and Butler Streets came in under the estimates. TEN YEARS AGO...

Mayor A.M. Allen won his first election to that post (he had been appointed previously), Councilman John S. Canterbury handily won re-election and Richard Juday narrowly defeated Harvey Ritchie and Clayton Myers for the other open council seat in Northville's spring city elections.

Northville Township voters named George L. Clark supervisor to replace the retiring Mollie Lawrence. Mrs. Lawrence, who had held the post for 17 years, decided not to run again. Also retiring was Clerk D.J. Stark, whose seat was won by Mrs. Marguerite Northrup. Re-elected were Trustee R. D. Merriam and Treasurer Roy M. Terrill - with Terrill leading all votegeters.

Supervisor Frazer Staman, Clerk Hadley Bacher, Treasurer Ray Harrison and Trustee Frank Watz were returned to office by Novi Township voters, Staman for a fourth term.

Testimonial dinner for retiring Police Chief Joseph Denton was expected to draw a capacity crowd as the Northville police had bowed out.

First public mention of the possibility of Novi Village and Township incorporating as a city was made when Russell Buton mentioned it at a public meeting.

Special meetings were called by the Northville board of education to complete plans for moving into the new high school.

In another school district, Lyon Township voters were being asked to return to the polls for a second attempt to pass a three-year four-mill school tax increase.

FIFTEEN YEARS AGO... Northville Village Council announced an increase of 19 percent in its proposed budget with total expenditures expected to reach \$237,750 for the fiscal year.

Novi Community Hall was the site of the region meeting of AmVets posts from Novi, Royal Oak, Pontiac, Berkley, Drayton Plains, Oak Park and Keego Harbor. Guest speaker was National Commander Henry J. Mahady. Instrumental in getting Perry Kenner Post as host were Department Commander Charles Trickey and Region Six Commander Leo Harrowood.

New officers were being elected in several area organizations. Mrs. R.M.

Atchison succeeded Mrs. Fred Van Atta as president of Northville Woman's Club. Harold H. Blackett was named Eminent Commander of Northville Commandery No. 39, Knights Templar to succeed Alexander Wood and Don Severance was elected president of Northville Optimists Club.

James Erwin requested Novi Township to establish a building code which, while it might "slow down speed of anticipated building", would certainly promote higher quality building, he said.

Northville Village and Township officers were looking forward to pay raises being sought in proposed budgets.

Drilling was underway on three new oil wells in the Seven and Eight Mile areas. William Albers Co. was drilling between Napier and Chubb on the south side of Eight, Evans Oil Co. between Seven and Eight on east side of Napier and W.L. Taggart on property adjoining the Maybury Sanatorium.

Novi Township elected an unopposed slate of officers, but also voted \$20,000 for the completion of the township hall, fire department and community building. Among those elected to office were Supervisor Frank Clark, Clerk Earl Banks and Treasurer Bernard Kison.

Northville Township's election ran much the same as Novi's as an unopposed slate was named. Mollie Lawrence continued as supervisor while Fred Lyke and Roy Terrill were also re-elected in their respective posts of clerk and treasurer.

Judge Robert M. Toms, one of the trial judges at Neurenburg, was set to speak to the Presbyterian Men's Club and all interested citizens concerning the trials.

Superintendent Russell H. Amerman announced that Northville Public Schools would be holding a Save-the-Children "Bundie Day" for the benefit of needy children in Europe.

Walter L. Couse of West Seven Mile Road was one of the principal speakers at the twenty-first annual banquet of the Michigan Road Builders Association at the Civic Auditorium in Grand Rapids. The other principal speakers were Michigan Governor G. Mennen Williams, American Road Builders Association President Colonel Enoc R. Needles and Michigan Highway Commissioner Charles M. Ziegler.

Mrs. Don Miller, junior past president, was general chairman for the Blue Star Mothers annual bazaar and luncheon.

WAR NEWS HEADLINED THE RECORD as usual in this World War II issue. Waste paper and tin can pickups were scheduled for four Northville youths were leaving for service, Red Cross quota was topped, three more Northville servicemen were listed as American heroes.

Leaving for service were William E. Rose Jr., Robert J. Basley and Wesley J. Meebo to the Army and Herman J. Kraus to the Navy.

Honored as heroes were Robert L. String (Marine Corps), Lawrence Whipple (Navy) and Andrew Torok (Army).

Donna Jean Schnute received a different kind of honor when she won the school spelling bee for the second consecutive year. The eleven-year-old sixth grader was the daughter of Mr. and Mrs. Arthur Schnute of Grandview Avenue.

A spring high school band concert was scheduled at the auditorium with a later concert set for the Boy Scout Court of Honor with an entirely different program.

## Name Pursell To Child Center Subcommittee

Supervisor Carl D. Pursell, Northville representative, of Plymouth, will represent the County Board of Supervisors in deliberations on the feasibility of transferring the Wayne County Child Development Center to the State.

The Child Development Center, the only county-operated residential school for mentally retarded children in the nation, is located on a rolling campus near Northville. It lies within the 26th Supervisor's District, represented by Pursell.

A State take-over of the Child Development Center, a \$3.4-million-a-year operation with approximately 300 students, was recommended by the County Board of Auditors after a study of the institution.

Pursell and representatives of the Board of Auditors and the Child Development Center administrative board will meet with State officials to explore the feasibility, and possible terms and conditions, of such a transfer.

Pursell was designated to represent the Board of Supervisors by the Child Development Center subcommittee of the Supervisors' Health, Education and Welfare Committee. First District Supervisor Michael J. Novak, of Detroit, is subcommittee chairman.

## Novi Man Gets State Police Rank

A Novi man was one of 51 Michigan State Police candidates to become probationary troopers in graduation ceremonies Wednesday afternoon for the 74th recruit school in East Lansing.

He is Trooper James R. Patterson, who lives with his wife and their three children at 4415 Grand River. His parents, Mr. and Mrs. Earl H. Patterson, are residents of Plymouth.

State Senator John F. Toepp of Cadillac was the principal speaker for the occasion. Governor William G. Milliken, originally scheduled to appear, was unable to attend.

Colonel Fredrick E. Davids of Plymouth, department director, administered the oath of office to the troopers, presented their badges and also spoke to the group.

The graduation, second this year, brings the department's enlisted strength to 1,755, the highest it has at a public meeting.

## WWJ-TV to Salute Wixom

WWJ Radio's "Suburban Salute" will honor Wixom on Monday at 7:05 P.M.

Wixom will be spotlighted as a well-planned suburban city on the weekly WWJ program which acquaints listeners with communities in the Metropolitan Detroit area.

Wixom's many advantages will be explored and interesting facts about the city will be aired throughout the day on various WWJ programs.

Among the many WWJ personalities who will salute Wixom on April 14, are: Morris Carlson, 5:30 to 9 A.M.; Bob Allison, 9:15 to Noon; Mary McNeely, 12:30 to 5 P.M.; and Tom Hemingway, 7 to 11:30 P.M.

WWJ-TV also plans to salute Wixom with a special film report on Channel 4's 90-Minute News, 6 to 7:30 P.M., on April 14.

WWJ listeners will learn about Wixom's long evolution from a pioneer settlement to a growing suburban city. The area was first settled in 1830. The first settlement was known as Sibley's Corners. After the Flint and Pere Marquette Railroad was built through the area, the settlers moved the village closer to the railroad and named it "Wixom" after Aljah Wixom, one of the original settlers.

To highlight modern development, WWJ personality Shelby Newhouse will appear on "Suburban Salute" with Wixom representatives. Mayor Wesley McAtee will receive a WWJ citation.

"Modern Wixom has been growing rapidly. The location of a major Ford Motor Company assembly plant, as well as several other small industries, within the city has increased its tax base as well as its population. A master plan calling for the complete removal of the city's business center has been adopted. A new civic center and the development of a 200-acre park out of the resident's hope for recreational as well as industrial development."

GHOST OF THE PAST - Walled Lake Amusement Park, playground for millions over the years, is but a ghost of its past this spring. Closed permanently at the close of last year's season, the park grounds are strangely quiet, slated eventually for housing development. Now, with most of the other ride equipment removed, if you listen closely you can almost hear the screams of delight of those riding the roller coaster that appears ready for the first long climb and heart thumping drop into space.

## Over Township Dispute

## City Forced into Court

While Novi City Attorney Howard Bund prepares to enter litigation against Novi Township for division of assets per instructions of Novi's City Council, Novi Township Attorney Emery Jacques maintains it should not be necessary.

Jacques claims that all Novi would have had to do was "have allowed the Michigan Supreme Court to immediately consider the township case before the cityhood election and the problem might not have occurred." Jacques did not say, however, that the request for immediate hearing was not filed until the last minute prior to the election; which would have "forced" postponement and other election problems.

Jacques went on to add that his case is not costing the taxpayers a cent as the most recent action was filed by Charles Goers, with help from Glenn Salow. This was the quo warranto "leave to file" which Circuit Court Judge Ziem threw out last week.

The township attorney maintains that "the village made their bed, now the city doesn't like sleeping in it."

## Kidnap Suspect Faces Trial Today

Arraignment of Kenneth W. Owens, 17, Ionia, an escapee from the boys training school near Whitmore Lake, will take place today in Oakland County Circuit Court.

Owens and a 16-year old Detroit juvenile were charged with the February 20 kidnaping of Mrs. Ottilia H. Thompson, Novi, a retired substitute teacher in the Walled Lake school system. The juvenile was returned to the training school following a hearing in juvenile court in Pontiac. Attempts are being made so he may be tried as an adult.

Percy Dale Farero, 424 1/2 Yerkes St., is awaiting sentencing April 27 on a charge of check fraud. He was charged February 25, 1968, in Novi on a complaint issued by Novi Auto Parts, where he passed a bad check in December, 1967. Arrest was not made until February of this year.

A charge of larceny by false impersonation against Farero, following a complaint by Novi Hardware in May, 1968, has been dismissed.

Gerald E. Weaver, 42479 Thirteen Mile Road, charged with involuntary manslaughter, went before Judge Moore April 10. The trial was adjourned and no date has been set.

## Fat Increase in SEV Expected

Fat increases in state equalized valuations of area communities are predicted this week as county taxing officials audit local assessment figures.

A nearly 50-percent increase is likely in Novi where City Manager Harold Ackley estimates a total state equalized valuation of approximately \$53 million - up from about \$35 million last year.

Novi School Superintendent Thomas Dale predicts an increase of more than \$10 million in just the school district portion of Novi.

In Northville Township where Supervisor Gunnar Stromberg has already received Wayne County's preliminary report, the new equalized valuation of the township is put at \$30,549,130 - or \$4,438,590 over the previous valuation.

How close these estimated increases stack up with actual equalized values will depend upon the county's findings in auditing local assessment figures that are to be submitted to county boards of supervisors for approval in May.

## Homeowners Meet Tuesday Evening

Orchard Hills Homeowners Association will meet Tuesday, April 22, in Orchard Hills Elementary School beginning at 8 a.m. Officials, in urging attendance of members, said the membership will vote on subdivision rules and regulations.

## In Walled Lake School Opening Tied to 'Yes' Vote

Approval of the millage proposition at the April 29 special election is vital if the Walled Lake School District is to maintain its present program, say school officials.

"A recent questionnaire distributed by the Board of Education indicated that approximately 70 percent of the residents of the district felt that the schools were providing a good educational program for their children," said Roland J. Langerman, assistant superintendent. "If we are to continue to do so, we need the one-mill renewal plus the five-mill increase that is being requested."

Basically, the money, officials point out, is needed for five major purposes:

1. To open the new Walled Lake Western High School.
2. To provide for increased enrollments at both the elementary and the secondary level.
3. To establish a community schools program.
4. To maintain competitive teacher salaries.
5. To meet increased operating costs due to inflation.

"Failure of the millage," said Langerman, "would mean a reduction of our program at both the elementary and secondary levels, a setback in our staff and, because we would be unable to open the new high school, half-days for all 9-12 graders in our district."

"We have to move our ninth-graders in with grades 10-12 in order to reduce overcrowding in our junior highs. If Western does not open

## Decision Near In Wolverine

The decision on cityhood for Wolverine Lake nears the home stretch, according to Village Manager Clifford Cottrell.

Cottrell told this newspaper the Local Affairs Committee of the Oakland County Board of Supervisors has heard its case and that Commerce Township has until April 21 to present its case to the committee.

Following the Commerce presentation, the village has two weeks to prepare an answer. Cottrell believes the village will be able to respond in half that time, however, and tentatively points for a hearing on April 28.

Walled Lake. In addition, the average cost of educating a child for one year in the county is \$761 while Walled Lake is spending only \$615 per child. Costs for transportation, clerical help, maintenance and administration are also among the lowest in the county.

The present school tax levy in Walled Lake is 30.3 mills with 23.3 mills being used for school operation and 7 mills for school construction bonds. If the millage proposition passes, there will be a total increase of five mills in the tax levy, raising it to 35.3 mills.

Approximately three of the additional five mills are slated for operation of the new high school. Another half-mill will be used to set up the community schools program. The remaining one and one-half mills are needed to take care of increased enrollments, increased costs due to inflation, and maintaining competitive teacher salaries.

The proposed five-mill increase will raise property taxes by \$5 per \$1000 of equalized valuation.

## Spaghetti, Games To Top Spring Fling

A kiddie corner for toddlers through first graders will be provided. Balloons will be sold by strolling clowns.

Tickets for the events are to be sold throughout the fair this year, the committee announces, by roving ladies.

## Thomas Dale Hospitalized

Novi School Superintendent Thomas Dale was hospitalized last weekend and, according to unconfirmed reports, may undergo surgery soon.

Dale became ill several weeks ago, was given a short leave of absence, but had returned to work apparently in good health. He described his illness, at a board meeting two weeks ago, as a nervous breakdown.

He is at St. Mary Hospital in Livonia.

## Computers Put Kick in Gulf Tanks Here

Computerization is the name of the game in many industries today, but probably to no greater extent than that which is practiced at the Gulf Oil Terminal on Grand River in Novi.

Novi's terminal is the main one for the state - although there are three others located at Hamtramck, Bay City and Muskegon - and all cost accounting for the state is processed through Novi.

The amazing thing about the accounting program which eventually reaches the Houston main terminal is that human hands need never touch the process whether the tankers are filled in Novi or in any of the other three Michigan stations.

One of the most interesting features of the Novi operation does not involve Gulf directly. All fuels are piped to Novi through an eight-inch line owned and operated by the Buckeye Pipeline. The same line services other oil companies as well.

Thus, through the same line passes not only fuels for Gulf and other oil companies but the various grades of fuels offered by these firms.

According to I. W. Lauber, Buckeye's manager in Lima, Ohio, the line is able to handle different fuels

into a shed with spring-loaded doors and other safety features. In a slot in the building, he then inserts both his identification card and the customer card, indicating who loaded the truck. He then steps onto a weight-activated platform, tripping the pumps which release the exact amount of fuel he has requested.

Next, the driver checks the Western Union Telex machine to determine that the proper information has been recorded from the transaction. He then drives out through the gate which opens automatically from the inside once his vehicle has crossed the activating light beams.

The information from the driver's transactions go through a series of IBM and other computer devices and is recorded on a master electronic tape which also is busy computing all other state transactions within one and one-half minutes of their delivery at any of the three other terminals. This tape is forwarded electronically to Houston later.

All lighting is automatic on density switches. The gate, which is open during normal working hours, is activated by similar devices.

A repair and servicing area is

maintained within the facility for all Gulf trucks and all area service stations. The terminal has a generator in case of power failure that insures that service can never be interrupted.

Lessnau stated that the plant is not located in Novi by mere chance. The location was chosen by computer due to central location, availability of land and nearness to the pipeline which comes north along Haggerty Road.

"Computerization and safety are the keys to our operation," Lessnau emphasizes.
